Dear <<Name 1>>:

Marmi Shoes is writing to inform you of an incident experienced by our company that may have involved your information described below. We take the privacy and security of all customer information very seriously. That is why we are providing you with information about the incident, steps you can take to help protect your information, and complimentary credit monitoring and identity protection services we are offering you.

What Happened: On January 24, 2022, we were alerted of potentially fraudulent activity related to our customers’ payment card information. Upon discovery, we immediately took steps to secure our website and began an internal investigation. Further, we engaged third-party forensic specialists to assist with a thorough investigation. On February 24, 2022 our investigation confirmed that an unauthorized party added malicious code to the marmishoes.com website for the purpose of capturing credit card data. This code potentially affected customers who made purchases on the marmishoes.com website from August 29, 2021 through January 31, 2022. We then compiled a list of consumers potentially impacted and worked to obtain sufficient address information in order to provide notification. On March 15th, 2022, out of an abundance of caution, we provided notification to potentially affected individuals.

What Information Was Involved: The information potentially affected includes your name, in combination with your credit card information entered on our website.

What We Are Doing: Upon learning of this incident, we immediately took steps to confirm the security of our website. With the assistance of third-party forensic specialists, we further performed a thorough review of our website to ensure any unauthorized code was removed, as well as to implement technical measures to prevent a similar incident from occurring in the future. Additionally, we are notifying potentially impacted individuals and offering complimentary credit monitoring and identity protection services for 12 months.

What You Can Do: We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports and account statements for suspicious activity and to detect errors. If you discover any suspicious or unusual activity on your accounts, please promptly contact your financial institution or company. You may also enroll in the complimentary credit monitoring and identity protection services we are making available to you. Due to privacy laws, we cannot register you directly. Additional information regarding how to enroll in the complimentary services is enclosed in the attached “Steps You Can Take to Help Protect Your Personal Information.”

For More Information: We understand you may have additional questions not addressed by this letter. If you have questions, please call our dedicated assistance line at 844-959-3924, from 8 am to 8 pm Central. You may also contact Marmi Shoes at 1705 Larkin Williams Road, Fenton, Missouri 63026.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
