Dear <<First Name>> <<Last Name>>,

I am writing with information about a recent incident that involves your personal information.

MCG Health, LLC, a third-party vendor that provides services to Providence determined on March 25, 2022 that it experienced a breach that resulted in an electronic file containing some patient information being accessed by an unauthorized source. Some of your data may have been included in this file.

The electronic file contained the full names, Social Security numbers, medical codes, postal and email addresses, telephone numbers, dates of birth and genders of some patients.

While MCG has given no indication that your information has been used inappropriately, we want you to be aware of what happened, the actions being taken and how you can further protect your information.

As a vendor that handles sensitive information, MCG is required to safeguard patient data. Upon learning of this incident, MCG retained a leading forensic investigation firm, engaged law enforcement, and put in place additional security enhancements.

In consideration of this incident, you now have available to you free identity protection services through IDX. Information about how you can access this service is on the following pages.

For further information and assistance, please call IDX at 1-833-423-0585.

Sincerely,

Cambria Haydon  
Chief Privacy Officer  
Providence St. Joseph Health

As a precautionary measure, we recommend that you protect yourself against possible fraud and identity theft by reviewing your account statements and monitoring credit reports closely. If you observe any suspicious activity with an account, promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission (FTC). If you are interested in more information about identity theft, visit <https://www.ftc.gov/idtheft> or call 1-877-ID-THEFT (1-877-438-4338). You can also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. Please visit <http://www.annualcreditreport.com>, call 1-877-322-8228, or complete an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at [www.annualcreditreport.com](http://www.annualcreditreport.com).

You may also purchase your credit reports by contacting the national credit reporting agencies. Contact information for the national credit reporting agencies is:

Equifax 1-800-349-9960 <a href="http://www.equifax.com">www.equifax.com</a> P.O. Box 105788 Atlanta, GA 30348	Experian 1-888-397-3742 <a href="http://www.experian.com">www.experian.com</a> P.O. Fraud Alerts: Consider placing a fraud alert on your credit reports. A fraud alert notifies creditors of potential unauthorized activity on your accounts and requests that the creditor contact you before establishing a new account in your name. Your first fraud alert is free and will stay on your credit file for at least 90 days. To place a fraud alert on your credit file, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

Credit and Security Freezes: You may have the right to place a credit freeze (or security freeze) on your credit files. A credit freeze prohibits any new credit account to be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. Please note, if you set up a credit freeze, potential creditors will not be able to view your credit report unless you lift the freeze and may delay your ability to obtain credit. Unlike a fraud alert, you have to place a credit freeze on your credit file with each credit reporting company. The instructions for establishing a credit freeze differ from state to state, so please contact the credit reporting companies as specified below for more information:

Equifax Security Freeze 1-800-349-9960 <a href="http://www.equifax.com">www.equifax.com</a> P.O. In order to start a credit freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security Number
3. Date of birth
4. If you have moved in the past five (5) years, (provide the addresses where you have lived over the prior five years)
5. Proof of current address (such as a current utility bill or telephone bill)
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft (include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft)

The credit reporting agencies have three (3) business days to place a credit freeze on your file after you make a request. They will send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal of the credit freeze. To remove the credit freeze in order to allow a specific access to your credit file, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the credit freeze as well as the identity of the individual you would like to receive your credit report or the specific period of time you want your credit file to be available. The credit reporting agencies have three (3) business days after receiving your request to remove the credit freeze for those identified entities or for the specified period of time.

If you do not have internet access but would like to learn more about how to place a credit freeze on your credit report, contact the California Attorney General's Office at 1-916-445-9555.

Individuals interacting with credit reporting agencies have rights under the Fair Credit Reporting Act. We encourage you to review your rights under the Fair Credit Reporting Act by visiting [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) or by requesting information in writing from the Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. NW, Washington, DC 20580.

For further information and assistance, please call IDX at 1-833-423-0585.
