Re: Notice of Data Breach

Dear John Doe:

We are writing to you with important information about a recent breach that potentially impacted your personal information, resulting from a ransomware cyberattack on Regal Medical Group, Lakeside Medical Organization, ADOC Medical Group, and Greater Covina Medical (collectively, “Regal”). We became aware of the breach on December 8, 2022, which we later learned occurred on or about December 1, 2022. The incident occurred as follows:

What Happened On Friday, December 2, 2022, we noticed difficulty in accessing some of our servers. After extensive review, malware was detected on some of our servers, which we later learned resulted in the threat actor accessing and exfiltrating certain data from our systems. We hired third-party vendors experienced in this area to assist with our response to the incident. The Regal team worked with our vendors to efficiently restore access to our systems and to analyze the impacted data.

What Information Was Involved At this time, based on the third-party vendors’ review, we believe that your personal information may have been impacted in the incident, and that your impacted personal information may include: your name, social security number (for certain, but not all, potentially impacted individuals), date of birth, address, diagnosis and treatment, laboratory test results, prescription data, radiology reports, health plan member number, and phone number.

What We Are Doing Regal is taking steps to notify you of this breach to ensure transparency and awareness of our findings. In order to help protect your information, we have taken the following steps:

- Regal will cover the cost for one year for you to receive credit monitoring from Norton LifeLock. To take advantage of this offer, please see the attached instructions;
- Added additional computer security protections and protocols to ensure that your personal information is protected from unauthorized access;

- Notified law enforcement of this incident;
- Notified the U.S. Department of Health and Human Services of this incident, as well as the California Attorney General and other applicable regulatory agencies; and
- Notified the local media to ensure that all impacted individuals are aware of the breach.

**What You
Can Do**

To help protect your identity, we recommend you take immediate steps to protect yourself from potential harm:

- Please consider utilizing the Norton LifeLock service provided by us to you, by following the instructions in the attachment;
- Register a fraud alert with the following credit bureaus and order credit reports as follows:
 - Experian: (888) 397-3742; www.experian.com; National Consumer Assistance, P.O. Box 9554, Allen, TX 75013

 - Equifax: (800) 525-6285; www.equifax.com; Fraud Victim Assistance Department, Consumer Fraud Division, P.O. Box 740256, Atlanta, GA 30374
- Monitor account statements, Explanation of Benefit forms, and credit bureau reports closely; and
- Contact your state Consumer Protection Agency: www.usa.gov/state-consumer.
