Dear <<Student Name>>:

Riverside Community College District (RCCD) is committed to maintaining the privacy and security of our students' personal information. If an incident occurs that potentially exposes some of that information, it is our duty to communicate directly with those affected.

On Monday, June 2, 2014, RCCD learned that an email containing student records was sent to an incorrect external e-mail address the previous Friday, May 30. We immediately began an investigation and determined that the e-mail contained information about RCCD students enrolled in spring 2014 semester classes. The data file contained your name, home address, preferred phone number, student e-mail address, birth date, student identification number, enrolled classes, and Social Security number.

At this time we don't know if the external email account is active, but be assured that we are implementing safeguards to help prevent anyone from using your data. As a precaution, we have secured for you a one-year membership in Experian's® ProtectMyID® Alert credit monitoring service. There is no cost to you, and this product will help detect attempted misuse of your personal information. It is focused on the immediate identification and resolution of identity theft, and will provide superior protection support. Enrolling in this program will not hurt your credit score. **For more information on ProtectMyID Alert and instructions on how to activate your free one-year membership, please see the included instructions in this letter.**

We also recommend that, over the next several weeks, you use WebAdvisor to review your student enrollment and academic information. If you notice any unauthorized changes, please immediately contact us.

I want to apologize on behalf of the District for the inconvenience and uncertainty this situation causes you. And I want you to know that we are taking additional steps to protect information and to prevent something like this from happening again. These steps include reassessing and enhancing security measures, reviewing policies and procedures for safeguarding student information, and re-enforcing best practices in secure data handling with our staff.

If you have any questions, please contact the dedicated Call Assistance Center we have established to assist you, at 1-888-266-9438, Monday through Friday, 6:00 a.m. to 6:00 p.m. Pacific Time.

Sincerely,

Irving G. Hendrick
Interim Chancellor
Riverside Community College District
