NOTICE OF DATA BREACH

Dear Sample A. Sample:

We are writing to inform you of a security incident that may have affected your personal information. Anywhere Real Estate Inc. (“**Anywhere**,” “**we**” or “**our**”) takes this incident seriously. Please read this letter carefully as it contains information regarding the incident, what we have done in response, and the steps you can take to help protect your personal information. We also encourage you to review the enclosed *Additional Steps to Protect Your Personal Information* for further guidance.

WHAT HAPPENED? On November 24, 2025, Anywhere discovered a cybersecurity incident involving our Oracle E-Business Suite (“**Oracle EBS**”) environment. Upon investigation, we found that an unauthorized third party had exploited a then-unknown ‘zero day’ Oracle software vulnerability to gain access to Anywhere’s Oracle EBS environment, in order to download and export information, including certain information about franchisees and brokers. Anywhere then conducted a detailed investigation of the incident, with support from third-party cyber security experts. After completing a comprehensive review of the impacted data, we found that the incident impacted some personal information about current and former employees of the Anywhere Real Estate group (formerly known as Realogy), including the following entities: Anywhere Real Estate, Inc. (formerly Realogy Corporation); Cartus; NRT (a/k/a National Realty Trust); Title Resource Group; and Real Estate Franchise Group.

WHAT INFORMATION WAS INVOLVED? We have determined that your personal information was or could have been impacted as a result of this incident. The impacted personal information includes name, address, contact information, date of birth, Social Security number, and basic job details.

WHAT WE ARE DOING. Anywhere takes this incident and our information security obligations seriously. Upon discovery, we conducted a detailed investigation, with the support of third-party cyber security experts, to identify the scope and impact of the incident and to confirm that the vulnerability had been remediated. Anywhere worked swiftly to remediate the vulnerability after being alerted to it by Oracle. We have also taken steps to minimize the risks of similar incidents. We are providing all impacted individuals with access to twenty-four (24) months of complimentary credit monitoring and identity protection services through Experian, as further described below.

WHAT YOU CAN DO. To help protect your identity, we are offering complimentary access to Experian IdentityWorksSM for 24 months.

Additional Steps to Protect Your Personal Information

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze:

- 1) Full name, with middle initial and any suffixes;
- 2) Social Security number;
- 3) Date of birth (month, day, and year);
- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill; and
- 6) Other personal information as required by the applicable credit reporting agency.

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts one (1) year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to

an extended fraud alert, which is a fraud alert lasting seven (7) years. Should you wish to place a fraud alert, please contact any one of the agencies listed below.
