Notice of Data Breach

Re: Card Number Ending in #####

At SAFE Credit Union (SAFE), we take great care to keep your personal account information secure. As part of these ongoing efforts, we deploy security procedures to identify external threats and protect you. We are committed to notifying you in the most expedient manner and without unreasonable delay if your member information is suspected to have been compromised. SAFE wants to enable you to take actions to protect yourself against or mitigate the damage from identity theft or other possible harm.

What Happened?	SAFE detected that a skimming device was placed at our ATM located at 7475 Madison Ave, Citrus Heights, CA 95610. Your (ATM / debit / credit) card information may have been compromised during a transaction occurring at this ATM on the following date(s): (Dates customized to include one or more of the following dates based on the member's transaction history: 07/08/2025, 07/09/2025, 07/12/2025, 07/13/2025, 07/14/2025, 07/15/2025)
What Information Was Involved?	Your (ATM / debit / credit) card number, cardholder name, and PIN may have been exposed during the window of compromise.
What We Are Doing.	SAFE is proactively monitoring your account, and you will not be liable for unauthorized charges.
What You Can Do.	<p>If you would like to replace your card, please call SAFE's Contact Center at (916) 979-7233 or visit a SAFE branch.</p> <p>Please monitor your accounts:</p> <ul style="list-style-type: none">• Closely review your transactions using SAFE Online Banking, Mobile Banking, CALL-24 Phone Banking, or your monthly statements to ensure they match your records.• Promptly respond to any fraud alert notifications from SAFE Credit Union to confirm the validity of transactions.• Contact SAFE immediately if you identify any discrepancies.• Visit www.consumer.gov/idtheft or call (877) 438-4338 for additional resources.
For more information.	Call (916) 979-7233 or (800) SEE-SAFE or go to safecu.org .
