**Dear <<Cardholder First Name>> <<Cardholder Last Name>>,**

**What Happened?**

On April 24, 2018, we discovered your payment card information and personal identification number (PIN) may have been compromised during its usage at an ATM machine at a Golden 1 branch in Roseville. Once discovered, our Security team responded appropriately, safeguarding your accounts as further highlighted in this letter.

**What We Are Doing.**

Please be assured we take the security of your account very seriously. We immediately reached out to our ATM vendor and law enforcement. We were also able to identify the members who may have had their card and PIN information compromised.

You will be receiving a new Golden 1 payment card in the mail within the next few days. Please activate it promptly as we will be closing your existing card shortly after receipt of your new one. Additionally, we recommend you select a new PIN when you activate your new card.

Please be assured that we have taken every reasonable step necessary to address the incident to date. We will continue to investigate and will take any additional steps that may be required to ensure your account is protected. Also, Golden 1 members are not responsible for fraudulent charges when promptly reported. See your Disclosure of Account Information for details.

**You May Elect Free Fraud Protection Coverage.**

Securing your personal information is important to us. As a precautionary measure to safeguard your information from potential misuses, we have partnered with Equifax to provide its Credit Watch™ Gold with 3-in-1 Monitoring identity theft protection product for one year at no charge to you. A description of this product is provided in the attached material, which also contains a phone number for you to call in order to enroll. If you choose to take advantage of this product, it will provide you with a notification of any changes to your credit information, \$1 million Identity Fraud Expense Coverage and access to your credit report. You must complete the enrollment process by November 8, 2018. Enrollment in this product is courtesy of Golden 1.

**What Else You Can Do.**

In addition to enrolling and receiving the monitoring services described above, we encourage you to remain vigilant over the next twelve to twenty-four months. Review your account statements, promptly report incidents of suspected theft to the credit union, and monitor your credit reports for suspicious activity. You are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com).

At no charge, you may also place a “fraud alert” on your credit file that alerts creditors to take additional steps to verify your identity prior to granting credit in your name. Please note that placing a fraud alert may delay your ability to obtain credit while the agency verifies your identity. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts on your file. Should you wish to place a fraud alert, or should you have any questions regarding your credit report, please contact one of the agencies listed below.
