NOTICE OF DATA BREACH

Dear <<first_name>> <<middle_name>> <<last_name>> <<suffix>>:

You are receiving this letter as an employee or former employee of Traffic Solutions Corporation, doing business as Statewide Safety Systems (“Statewide”). We are writing to inform you about an incident involving your personal information maintained by Statewide with regard to your employment. Statewide greatly values and respects the privacy of its workers, which is why we are providing notice to you about the incident and the tools you can use to protect yourself against possible identity theft or fraud. Please read this carefully.

What Happened?

On January 7, 2021, Statewide discovered that a file containing the personal information of some Statewide employees was recently found on a thumb drive recovered by law enforcement in the home of a former Statewide employee. We have determined that the file containing the personal information was downloaded from Statewide’s systems onto the thumb drive shortly before the individual’s employment was terminated in June of 2018. Law enforcement discovered the file on the thumb drive as part of the investigation into crimes unrelated to Statewide. The individual has been arrested and charged by law enforcement.

The former employee was not authorized to acquire Statewide’s information during the individual’s employment and we consider the unauthorized acquisition to be a theft. Statewide has determined that your personal information was contained in the file located on the thumb drive. Law enforcement is currently in possession of the thumb drive and we are unaware of any copies of the file made by the individual. Furthermore, we are not aware of any facts indicating that the personal information stolen by the individual has been shared, sold, or otherwise used by the individual since the unlawful acquisition in 2018. Our investigation is ongoing.

Upon discovery of this event by law enforcement, Statewide promptly engaged legal counsel to assist with the investigation and have worked with law enforcement to investigate the incident. Based on our investigation, we believe the unauthorized acquisition occurred in June of 2018. We are continuing to investigate whether the former employee engaged in other unauthorized activities and are continuing to assist law enforcement in its investigation.

What Information Was Involved?

If you are receiving this letter, Statewide has determined that you are part of the group of individuals whose personal information was contained on the thumb drive recovered by law enforcement. The information impacted includes your first and last name, date of birth, Social Security number, and other information related to your employment including your hire date, termination date (if applicable), hours worked, and 401k allocations as of approximately June of 2018.

What We Are Doing.

Upon learning of the incident, Statewide confirmed that the employee was not able to access any Statewide systems following her termination. In addition, we are investigating the individuals' documented activities while at Statewide to learn the extent of the individual's unlawful actions while employed. We continue to work with law enforcement to investigate. We are confident the individual is no longer able to access any personal information maintained by Statewide.

What You Can Do

As a precautionary measure, Statewide is providing each potentially impacted employee with free credit monitoring service through Experian for 12 months. **For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary one-year membership, please see the additional information provided in this letter.**

In the meantime, we encourage you to take the following steps to further protect your information:

1. Closely monitor your financial account and promptly contact your financial institution if you notice any unusual activity.
2. Report incidents of suspected identity theft to your local law enforcement, the Federal Trade Commission, and your state attorney general. To file a complaint with the FTC, go to IdentityTheft.gov or call 1-877-ID-THEFT (877-438-4338). Complaints filed with the FTC will be added to the FTC's Identity Theft Data Clearinghouse, which is a database made available to law enforcement agencies. Information on how to contact your state attorney general may be found at www.naag.org/naag/attorneys-general/whos-my-ag.php.
3. Take advantage of additional free resources on identity theft. We recommend that you review the tips provided by the Federal Trade Commission's Consumer Information website, a valuable resource with some helpful tips on how to protect your information. Additional information is available at <https://www.consumer.ftc.gov/topics/privacy-identity-online-security>.

For more information, please visit IdentityTheft.gov or call 1-877-ID-THEFT (877-438-4338). A copy of Identity Theft – A Recovery Plan, a comprehensive guide from the FTC to help you guard against and deal with identity theft, can be found on the FTC's website at https://www.consumer.ftc.gov/articles/pdf-0009_identitytheft_a_recovery_plan.pdf.

4. Monitor your free credit reports. You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <https://www.annualcreditreport.com>, by calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348.
5. Place a security freeze on your credit files by calling each of the three credit reporting agencies (Equifax, Experian, and TransUnion). Freezing credit files will prevent someone from using your personal information to open new accounts or borrow money in your name. Please understand that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card unless you temporarily or permanently remove the freeze.
6. Contact the three credit reporting agencies to notify them of this incident, receive credit alerts, or freeze your credit filed. Contact information for the three agencies is provided below:
