### **Notice of Data Breach**

Dear John Sample:

I am writing on behalf of San José Evergreen Community College District (“SJECCD”) to inform you about an incident that may have affected some of your personal information as a current or former student at SJECCD.

#### **What Happened?**

On November 7, 2016, we learned that an SJECCD employee had inadvertently uploaded a file containing the personal information of certain SJECCD students to a publicly accessible folder on the SJECCD website. The file was temporarily stored on the webserver and could be retrieved in search results. Upon learning this, we promptly removed the file from the website and began an investigation into the incident. Our investigation indicates that the incident was an accident, and not the result of any kind of malicious attack.

#### **What Information Was Involved?**

The personal information contained in the file may have included your name, date of birth, and Social Security number. Although we are not aware at this time of any third party misusing your personal information, we take privacy and security very seriously and wanted to inform you about this situation, the steps we are taking to protect your information, and steps you may take to help protect yourself.

#### **What We Are Doing.**

We recognize this issue can be frustrating, and we are taking steps to help protect you and to safeguard your personal information going forward, including re-educating our employees on the importance of keeping student information secure. As an added precaution, we have arranged to have AllClear ID protect your identity for 12 months at no cost to you. Also, please review the enclosed “Information About Preventing Identity Theft” reference guide included with this letter, which describes additional steps you can take to help protect yourself,

including recommendations by the Federal Trade Commission regarding identity theft protection and details on how to place a fraud alert or a security freeze on your credit file.

**For More Information.**
