We are writing with important information regarding a recent security incident. The privacy and security of the personal information we maintain is of the utmost importance to Sheridan. We wanted to provide you with information about the incident, explain the services we are making available to you, and let you know that we continue to take significant measures to protect your information.

What Happened?

We recently discovered unauthorized access to our network.

What We Are Doing.

We immediately launched an investigation in consultation with outside cybersecurity professionals who regularly investigate and analyze these types of situations to analyze the extent of any compromise of the information on our network.

What Information Was Involved?

Based on our investigation, which concluded on September 29, 2021, we discovered that your full name, Social Security number/Tax ID number, driver's license number, and financial account information may have been removed from our network between August 14, 2021 and August 19, 2021 in connection with this incident.

What You Can Do.

To date, we are not aware of any reports of identity fraud or improper use of your information as a direct result of this incident. Out of an abundance of caution, we wanted to make you aware of the incident, explain the services we are making available to help safeguard you against identity fraud, and suggest steps that you should take as well. To protect you from potential misuse of your information, we are offering a complimentary one-year membership of Experian IdentityWorksSM Credit 1B. This letter also provides other precautionary measures you can take to protect your personal information, including placing a Fraud Alert and/or Security Freeze on your credit files, and/or obtaining a free credit report. Because your financial account information may have been impacted, we recommend that you contact your financial institution to inquire about steps to take to protect your account, including whether you should close your account or obtain a new account number. Additionally, you should always remain vigilant in reviewing your financial account statements and credit reports for fraudulent or irregular activity on a regular basis. Please note that if the recipient of this letter is a trust and not an individual, to the extent the trust's Tax ID number is an individual's Social Security number, that individual should consider the information and offerings in this letter.

2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 12 month credit monitoring services, we recommend that you place an initial one-year "Fraud Alert" on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

3. **Consider Placing a Security Freeze on Your Credit File.**

If you are very concerned about becoming a victim of fraud or identity theft, you may request a “Security Freeze” be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348

<https://www.equifax.com/personal/credit-report-services/credit-freeze/>

1-800-349-9960

Experian Security Freeze

Allen, TX 75013

TransUnion Security Freeze

P.O. Box 2000
Chester, PA 19016

<http://www.transunion.com/securityfreeze>

1-888-909-8872

In order to place the security freeze, you’ll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. **Obtaining a Free Credit Report.**

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. **Additional Helpful Resources.**

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC’s Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.
