What Happened? On June 27, 2024, Hillcrest identified suspicious activity on its network and moved quickly to secure its environment. Through the investigation, Hillcrest discovered unauthorized access to its network that led to the unauthorized acquisition of some Hillcrest data. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services. The deadline to enroll in these services is [REDACTED], 2025. Steps You Can Take to Help Protect Your Personal Information

Enroll in Credit Monitoring: To enroll in Credit Monitoring services at no charge, please log on to <https://bfs.cyberscout.com/activate> and follow the instructions provided. When prompted please provide the following unique code to receive services: [REDACTED].

In order for you to receive the monitoring services described above, you must enroll within 90 days from the date of this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity. Please note the deadline to enroll is [REDACTED] 2025.

Monitor your accounts: We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements and monitoring your free credit reports for suspicious activity or errors. Please report any suspicious activity on your account to the institution.

Check credit reports: Under United States law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report at:

TransUnion®

Place a security freeze: You may place a security freeze on your credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing, or other services. You will need to place a security freeze separately with each of the three major credit bureaus if you wish to place a freeze on all your credit files. To request a security freeze, you will need to supply your full name, address, date of birth, Social Security number, current address, all addresses for up to five previous years, email address, a copy of your state identification card or driver's license, and a copy of a utility bill, bank or insurance statement, or other statement proving residence. To find out more on how to place a security freeze, contact the credit reporting agencies at:

Equifax	P.O. Box 105788 Atlanta, GA 30348	1-800-685-1111	equifax.com/personal/credit-report-services
Experian	P.O. Box 9554 Allen, TX 75013	1-888-397-3742	experian.com/freeze/center.html
TransUnion	P.O. Box 2000 Chester, PA 19016	1-888-909-8872	transunion.com/credit-freeze

Place a fraud alert: At no charge, you can also have the three major credit bureaus place a "fraud alert" on your file that alerts creditors to take additional steps to verify your identity prior to granting credit in your name. Note, however, that because it tells creditors to follow certain procedures to protect you, it may also delay your ability to obtain credit while the agency verifies your identity. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts on your file. Should you wish to place a fraud alert, or should you have any questions regarding your credit report, please contact the credit reporting agencies.
