Dear Sample A. Sample:

Vest Tube, LLC (“Vest Tube”) writes to inform you of an event that may involve certain information related to you. We are providing you with information about the event, our response to it, and resources available to you to help protect your information, should you feel it appropriate to do so.

**What Happened?** On February 14, 2025, we became aware that certain computer systems in our environment were inaccessible. We promptly took steps to secure our systems and launched an investigation, with the assistance of cybersecurity specialists, to determine the full nature and scope of the event. Our investigation determined that an unknown actor gained access to a limited number of our systems, from February 14, 2025 to February 15, 2025, and was able to take certain files stored on those systems. Vest Tube then undertook a review to identify sensitive information that was contained within the impacted and potentially impacted files, and to identify the individuals whose information may have been compromised. That process was recently completed, and we are notifying you because the investigation determined certain information related to you was included within the potentially impacted data.

**What Information Was Involved?** Our investigation determined that at the time of the event, your name, [Extra1] may have been viewed or copied without authorization.

**What We Are Doing.** The privacy and security of information in our possession are among our highest priorities. Upon identifying the event, we promptly launched an investigation to determine its nature and scope while we worked quickly to secure our systems. Additionally, we reported the event to federal law enforcement. As an additional precaution, we are offering you access to 24 months of complimentary credit monitoring and identity restoration services through Experian.

**What You Can Do.** We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements and monitoring your free credit reports for suspicious activity and to detect errors. You may also review the information contained in the enclosed *Steps You Can Take to Help Protect Personal Information*. There you will also find more information on the credit monitoring and identity restoration services we are making available to you. Vest Tube will cover the cost of these services; however, you will need to complete the enrollment process. Enrollment instructions are enclosed with this letter.

## **Monitor Your Accounts**

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order a free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. Consumers may also directly contact the three major credit reporting bureaus listed below to request a free copy of their credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If consumers are the victim of identity theft, they are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should consumers wish to place a fraud alert, please contact any of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in a consumer’s name without consent. However, consumers should be aware that using a credit freeze to take control over who gets access to the personal and financial information in their credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application they make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, consumers cannot be charged to place or lift a credit freeze on their credit report. To request a credit freeze, individuals may need to provide some or all of the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if they are a victim of identity theft.

Should consumers wish to place a credit freeze or fraud alert, please contact the three major credit reporting bureaus listed below:
