Dear

I am writing to notify you of a theft that occurred at our Anaheim Billing Center, which is part of Crescent Healthcare, Inc. - A Walgreens Company, located at 888 South Disneyland Drive in Anaheim, California. This theft occurred the night of Friday, December 28, 2012, when an unknown person (or persons) gained unauthorized access to the Center and stole certain desktop computer hardware and other paper records. Upon discovery of the theft at our facility on December 31, 2012, we contacted law enforcement and filed a police report. We are contacting you because some of your information may have been included among the stolen information, but that hasn't been confirmed. Through our own investigation we have determined that the stolen information may have included the following: name, address, phone number, Social Security number if it is your health insurance identification number, health insurance information, date of birth, and medical information including diagnosis, and disability code. The information did not include credit/debit card number or banking information.

We are very sorry this happened and we are cooperating with law enforcement to further investigate this incident. Additionally, we have taken steps to prevent this from happening again including retraining employees and service providers on security, and enhancing our security policies and procedures. We took these steps because of the high priority we place on safeguarding your privacy.

In addition, the following steps may be useful for the prevention of identity theft:

- 1. Monitor your insurance benefits.** Ask your insurer for a listing of benefits paid out under your policy.
- 2. Regularly check your prescription records.** If you suspect fraudulent activity, get a copy of your records from your pharmacy.
- 3. Correct inaccurate medical records.** If you find errors in your medical files, have them corrected immediately. Federal law lets a patient correct medical records created only by the medical provider or insurer that now maintains your information. You may need to contact all of your medical/health providers. If necessary, we will contact your insurance company on your behalf.
- 4. File a police report.** Filing a police report will notify law enforcement a crime may have been committed. Also send the report to your insurer, medical providers and all credit bureaus.
- 5. Enroll in Equifax Credit Watch™ Gold.** Equifax Credit Watch will provide you with an "early warning system" to changes to your credit file and help you to understand the content of your Equifax credit file.

The key features and benefits are:

- o Comprehensive credit file monitoring of your Equifax credit report with daily notification of key changes to your credit file.
- o Access to your Equifax Credit Report™
- o \$25,000 in identity theft insurance with \$0 deductible †
- o 24 by 7 live agent Customer Service to assist you in understanding the content of your Equifax credit information, to provide personalized identity theft victim assistance and in initiating an investigation of inaccurate information.
- o Access to the Automatic Fraud Alerts feature with automatic renewal functionality * (available online only)

How to Enroll

To sign up online for **online delivery** go to www.myservices.equifax.com/gold

1. Register: Complete the form with your contact information (name, gender, address, date of birth, Social Security Number and telephone number) and click "Continue" button. Complete the form with your email address, create a User Name and Password, enter Promotion Code provided at the top of your letter in the "Promotion Code" box and agree to the Terms of Use. Then click "Accept Terms & Continue" button. This code eliminates the need to provide a credit card number for payment. The information is provided in a secured environment.
2. Verify ID: The system will then ask you up to four security questions. Please answer the questions and click the "Submit Order" button. This is the Equifax Identity Verification Process.
3. Order Confirmation: This page shows you your order. Please click the "View my Product" button to access the product features.

To sign up for **US Mail** delivery of the product, please complete the enclosed enrollment form and mail it to the address listed on the form. Your enrollment form will be processed and, if successful, you will receive a Welcome Packet from Equifax. If the enrollment is not successful, you will receive a letter from Equifax with additional instructions.

The Automatic Fraud Alert feature made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC

7. Consider placing a Fraud Alert. A fraud alert is a consumer statement added to your credit report. This statement alerts creditors of possible fraudulent activity within your report as well as requests that they contact you prior to establishing any accounts in your name. Once the fraud alert is added to your credit report, all creditors should contact you prior to establishing any account in your name. To place a 90 day fraud alert on your credit file, visit www.fraudalerts.equifax.com or call the Equifax auto fraud line at 1-877-478-7625, and follow the simple prompts. Once the fraud alert has been placed with Equifax, a notification will be sent to the other two credit reporting agencies, Experian and Trans Union, on your behalf. Fraud alerts last 90 days unless you manually renew it or use the automatic fraud alert feature within your Credit Watch subscription.

8. Consider placing a Security Freeze. In some U.S. states, you have the right to put a security freeze on your credit file. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. Additionally, if you request a security freeze from a consumer reporting agency there may be a fee up to \$10 to place, lift, or remove the security freeze; however, this fee may be less in certain states (in MA, up to \$5). In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement. You must separately place a security freeze on your credit file with each credit reporting agency.

Please know that we are doing everything possible to minimize any inconvenience. If you have any questions regarding this issue, please contact us at 1-800-913-4485. We take your privacy very seriously, and we will continue to work diligently to protect your personal information.

Sincerely,

Paul Mastrapa
President
