

Re: Credit Monitoring Offer

Dear Pulsz Customer:

Yellow Social Interactive writes in follow up to its July 29, 2022 email informing you of an IT security incident from a bug bounty detectorist that may have impacted some personal information that you provided to us. In accordance with California requirements, we are offering you one year of free credit monitoring/identity theft services provided through Kroll. This identity monitoring service* includes Credit Monitoring, Fraud Consultation, and Identity Theft Restoration. Your activation code for this service is: [insert]; your verification ID is [insert]. Your activation code expires on [insert]. You may use this activation code to enroll at the following location: [Enroll.krollmonitoring.com/redeem](https://enroll.krollmonitoring.com/redeem).

Single Bureau Credit Monitoring. You will receive alerts if there should be a change to your credit data. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist to help determine if it's a risk indicator. **Fraud Consultation.** This product will provide unlimited access to consultation with a Kroll fraud specialist. **Identity Theft Restoration.** Should you become a victim of identity theft for any reason, an experienced Kroll licensed investigator will work on your behalf to resolve related issues.

Your account security is important to us and, as before, if you have any questions about this, you may contact us at notifications@ysi-group.com.

Sincerely,

Your YSI team

*Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge. To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.
