1 This Stipulation for Entry of Final Judgment and Injunction on Consent (“Stipulation”) is
2 entered into by Plaintiff the People of the State of California (“People”) and Defendant Walmart
3 Inc., a Delaware Corporation (“Walmart” or “Defendant”). For purposes of this Stipulation, the
4 People and Walmart shall be referred to collectively as “Parties.”

5 INTRODUCTION

6 The above captioned matter relates to the People’s investigation into Defendant’s
7 compliance with state laws and regulations related to the management and disposal of hazardous
8 and medical waste, and Business and Professions Code prohibitions against unfair business
9 practices relating to Walmart’s ownership and operation of its retail facilities and fulfillment and
10 distribution centers in the state of California, from February 1, 2015 through the date of the First
11 Amended Complaint (“FAC”). As set forth in the FAC, the People allege that Defendant violated
12 chapter 6.5 of the Health and Safety Code and the regulations promulgated under that chapter,
13 Health and Safety Code sections 117600 et seq., and Business and Professions Code sections
14 17200 et seq. Defendant does not admit any issue of fact or law alleged in the First Amended
15 Complaint or otherwise in the above-captioned matter or any violation of law. The Parties’
16 execution of this Stipulation is not intended to and shall not constitute an admission of
17 wrongdoing or liability by Defendant.

18 The Parties engaged in settlement negotiations following the completion of fact discovery
19 in the above-captioned matter. In these negotiations, the People were represented by the Attorney
20 General of the State of California, the California Department of Toxic Substances Control, and
21 the District Attorneys for the Counties of Alameda, Fresno, Monterey, Orange, Riverside,
22 Sacramento, San Bernardino, San Diego, San Joaquin, Solano, Tulare and Yolo. Defendant was
23 represented by counsel. As Exhibit No. 1 to this Stipulation, the Parties have concurrently lodged
24 with the Court the Parties’ negotiated [Proposed] Final Judgment and Injunction on Consent
25 (“Proposed Final Judgment”).

26 The People believe that the resolution embodied in the Proposed Final Judgment is fair
27 and reasonable and fulfills the People’s enforcement objectives; that the terms of the Proposed
28 Final Judgment are appropriate; that no further action is warranted concerning the violations

1 alleged in the FAC, except as provided in the Proposed Final Judgment; and that entry of the
2 Proposed Final Judgment is in the best interest of the public. Defendant agrees that the Proposed
3 Final Judgment is a fair and reasonable resolution of the matters alleged in the First Amended
4 Complaint.

5
6 **PARTIES' STIPULATION REGARDING ENTRY OF FINAL JUDGMENT AND
INJUNCTION ON CONSENT PURSUANT TO STIPULATION**

7 The Parties, after opportunity for review by counsel, hereby stipulate and consent to the
8 entry of the Proposed Final Judgment attached hereto as Exhibit No. 1.

9
10 **IT IS SO STIPULATED**

11 **For Plaintiff, The People of the State of

1 WHEREAS, plaintiff, the PEOPLE OF THE STATE OF CALIFORNIA by and through
2 Rob Bonta, Attorney General of the State of California, in his independent capacity; the
3 California Department of Toxic Substances Control (“DTSC”); Pamela Price, District Attorney of
4 Alameda County; Lisa A. Smittcamp, District Attorney of Fresno County; Jeannine M. Pacioni,
5 District Attorney of Monterey County; Todd Spitzer, District Attorney of Orange County;
6 Michael A. Hestrin, District Attorney of Riverside County; Thien Ho, District Attorney of
7 Sacramento County; Jason Anderson, District Attorney of San Bernardino County; Summer
8 Stephan, District Attorney of San Diego County; Ronald J. Freitas, District Attorney of San
9 Joaquin County; Krishna A. Abrams, District Attorney of Solano County; Tim Ward, District
10 Attorney of Tulare County; and Jeff W. Reisig, District Attorney of Yolo County (the Attorney
11 General of the State of California, DTSC, and the above-referenced District Attorneys shall be
12 referred to collectively as “the People”), on the one hand, and defendant, WALMART INC., a
13 Delaware Corporation (“Walmart”), on the other hand, by their duly authorized representatives
14 and counsel, entered into a Stipulation for Entry of Final Judgment and Injunction on Consent in
15 this matter on or about October 11, 2024 (“Stipulation”) and thereby have consented to the entry
16 of this Final Judgment and Injunction on Consent (“Final Judgment”);

17 WHEREAS, the People filed this action in Alameda County Superior Court on December
18 20, 2021, and thereafter filed a First Amended Complaint on February 10, 2022, in which they
19 alleged that waste audits of solid waste compactors from Walmart facilities in California
20 conducted between 2015 and 2021 revealed the presence of hazardous waste and medical waste
21 in waste that Walmart had sent for disposal to municipal landfills unauthorized to receive
22 hazardous waste and medical waste;

23 WHEREAS, based on the alleged facts in the People’s First Amended Complaint, the
24 People alleged violations of California’s Hazardous Waste Control Law, found in chapter 6.5 of
25 division 20 of the Health and Safety Code and the regulations promulgated thereunder in Title 22
26 of the California Code of Regulations (collectively the “HWCL”), and the Medical Waste
27 Management Act, found in Health and Safety Code sections 117600-118360 and its relevant
28 implementing regulations (collectively the “MWMA”), and Business and Professions Code

1 sections 17200 et seq., and sought penalties, costs, and injunctive relief;

2 WHEREAS, on May 6, 2022, Walmart filed an Amended Answer to the People’s First
3 Amended Complaint, in which Walmart denied the People’s allegations and asserted various
4 affirmative defenses;

5 WHEREAS, the People and Walmart have completed multiple rounds of written
6 discovery, extensive productions of documents, and numerous fact witness depositions;

7 WHEREAS, the People conducted post-filing waste audits of Walmart solid waste
8 compactors between September 2023 and March 2024, and were informed and believe that those
9 waste audits demonstrate substantial improvement when compared to the waste audits alleged in
10 the People’s First Amended Complaint;

11 WHEREAS, at the time this Final Judgment was being negotiated, trial in this matter was
12 set to begin on September 30, 2024;

13 WHEREAS, the People and Walmart (collectively referred to as the “Parties” and
14 individually as a “Party”) share the same goal to advance the protection of the health and safety of
15 the people of California and the protection of the environment as required by compliance with all
16 requirements under the HWCL pertaining to the generation, storage, and disposal of hazardous
17 waste;

18 WHEREAS, the Parties agree that Walmart’s program diverts from its solid waste
19 compactors substantial amounts of hazardous and medical waste generated through its operations;

20 WHEREAS, in the course of litigation, Walmart asserted that its program successfully
21 diverts from its solid waste compactors nearly 100 percent of alleged hazardous or medical waste
22 generated through its operations;

23 WHEREAS, in the course of the litigation, evidence was produced supporting the
24 conclusion that Walmart has compliance programs in place to reasonably comply with the HWCL
25 and MWMA, including requirements under the HWCL pertaining to the generation, storage, and
26 disposal of hazardous waste;

27 WHEREAS, Walmart agrees to continue operating and maintaining its hazardous waste
28 programs in substantially the same manner, but with the ability to make, when necessary,

1 modifications and enhancements designed to improve the performance of its hazardous waste
2 programs or to comply with changes to the HWCL and/or the MWMA;

3 AND WHEREAS, the Court finds that the settlement between the Parties as delineated in
4 the Final Judgment is fair and in the public interest;

5 NOW THEREFORE, upon the consent of the Parties, it is **ORDERED, ADJUDGED,**
6 **AND DECREED** as follows:

7
8 **1. JURISDICTION**

9 The Alameda County Superior Court has subject matter jurisdiction over the matters
10 alleged in this action and personal jurisdiction over the Parties to this Final Judgment.

11 **2. SETTLEMENT OF DISPUTED CLAIMS**

12 This Final Judgment is a fair and reasonable resolution of the Covered Matters (as defined
13 in Paragraph 7 below) and is in the best interest of the public. Entry of this Final Judgment is
14 neither an admission nor a denial by Walmart regarding any issue of law or fact or of any
15 violation of any law. The Parties waive any right to set aside the Final Judgment and further
16 waive their rights to appeal from the Final Judgment.

17 **3. DEFINITIONS**

18 Except where otherwise expressly defined in this Final Judgment, terms shall be
19 interpreted consistent with the HWCL and the MWMA.

20 The Parties reserve all rights and expressly agree that nothing in this Final Judgment
21 waives the right of either Party to put forth competing statutory construction arguments and
22 interpretations of the HWCL and MWMA definitions and provisions in future enforcement
23 actions.

24 **3.1. “Effective Date”** means the date of entry of this Final Judgment by the Alameda
25 County Superior Court.

26 **3.2. “Facility” and “Facilities”** mean: (a) retail stores, including discount stores,
27 Supercenters, Neighborhood Markets, Sam’s Clubs, distribution centers and fulfillment centers,
28 that are owned, operated, or leased by or on behalf of Walmart in the State of California as of the

1 Effective Date and listed in Exhibit A attached hereto; and (b) retail stores, including discount
2 stores, Supercenters, Neighborhood Markets, Sam’s Clubs, distribution centers and fulfillment
3 centers, that are owned, operated, or leased by or on behalf of Walmart in the State of California
4 after the Effective Date.

5 **3.3. “Covered Matter Facilities”** means current and former retail stores, including
6 discount stores, Supercenters, Neighborhood Markets, Sam’s Clubs, distribution centers and
7 fulfillment centers, that are, or were, owned, operated, or leased by or on behalf of Walmart in the
8 State of California prior to the Effective Date. The current list of Covered Matter Facilities is
9 attached as Exhibit B.

10 **3.4. “Unified Program Agency” or “UPA”** means an agency certified by the
11 California Environmental Protection Agency pursuant to the requirements of Chapter 6.11 of
12 division 20 of the Health and Safety Code and California Code of Regulations, title 27, to
13 implement certain state environmental programs within the local agency's jurisdiction, and as
14 defined in Health and Safety Code section 25501, subdivision (e)(3).

15 **3.5. “Participating Agency”** means an agency that has been designated by the UPA to
16 administer one or more state environmental programs on behalf of the UPA.

17 **3.6. “The People”** means the California Attorney General’s Office, the California
18 Department of Toxic Substances Control, and the District Attorneys of the Counties of Alameda,
19 Fresno, Monterey, Orange, Riverside, Sacramento, San Bernardino, San Diego, San Joaquin,
20 Solano, Tulare, and Yolo.

21 **3.7. “Compactor”** means front-loader dumpsters, dumpsters, trash compactors, roll-
22 off boxes, and any other receptacles the contents of which are picked up directly by commercial
23 or municipal trash haulers for transport to municipal landfills. “Compactor” does not include (a)
24 waste bins the contents of which are consolidated in a front-loader dumpster, dumpster, trash
25 compactor, or roll-off box prior to pickup and disposal by a commercial or municipal trash hauler
26 for transport to municipal landfills, or (b) containers intended to collect Hazardous or Medical
27 Waste prior to haul-off by a properly licensed waste hauler.

28 **3.8. “Audit Findings”** means the findings with respect to the presence of possible,

1 suspected, and/or actual Hazardous Waste and/or Medical Waste in a physical inspection and
2 review of the entire contents of a Compactor.

3 **3.9. “Compactor Audit Program”** means Walmart’s program for physically
4 inspecting the contents of its Compactors to assess Walmart’s ongoing compliance with the
5 HWCL, the MWMA, and those statutes’ respective implementing regulations. The Compactor
6 Audit Program and its requirements are further described in Paragraph 4.3 and Exhibits C-1 and
7 C-2.

8 **3.10.** The **“Program”** or **“Compliance Program”** means Walmart’s California
9 Hazardous Waste Compliance Program which encompasses numerous formalized systems,
10 policies, procedures, trainings, and contracts designed to: (1) promote compliance with all
11 applicable laws and regulations relating to California hazardous and medical waste including the
12 HWCL and MWMA; (2) train associates on program execution; (3) monitor for, identify, and
13 remediate any program execution gaps; and (4) promote a culture of continuous program
14 improvement. The Program includes Walmart’s corporate policy expressly requiring all
15 associates operating in California to follow program requirements in addition to following all
16 applicable laws and regulations pertaining to waste management. The Program includes but is not
17 limited to the policies and Standard Operating Procedures (“SOPs”) listed in Exhibits E-1 and E-
18 2.

19 **3.11. “Trash Compactor Audit Reports”** mean the detailed written reports prepared
20 by the Vendor, describing the Compactor audits. Among other information, each such report will
21 include the date, time, and location of the audit; the identity of the Facility from which the
22 Compactor originated; the lead persons participating in the audit; confirmation that the audit
23 protocols required by this Final Judgment were followed; the Audit Findings; photographs
24 documenting the waste and items of interest; and other pertinent information concerning the
25 audit.

26 **3.12. “Vendor”** means the qualified, independent third party that performs the
27 Compactor audits required as part of the Compactor Audit Program.

28 **3.13. “Hazardous Waste”** as used herein is defined at Health and Safety Code section

1 25117.

2 **3.14. “Medical Waste”** as used herein is defined at Health and Safety Code section
3 117705.

4 **3.15. “Designated System”** means a secure online system designated by the People for
5 the purpose of receiving written submissions, notices, and other communications.

6 **4. INJUNCTIVE RELIEF**

7 **4.1. Applicability**

8 For a period of four (4) years from the Effective Date (the “Injunctive Period”), the
9 injunctive relief provisions of this section of the Final Judgment shall be applicable to Walmart,
10 including its successors and assigns, and all partnerships, corporations, and other persons and
11 entities acting under, by, through, or on behalf of Walmart, with actual or constructive knowledge
12 of this Final Judgment.

13 **4.2. General Injunctive Provisions**

14 For the duration of the Injunctive Period, Walmart shall maintain its Compliance Program,
15 as defined above and further described in Exhibits E-1 and E-2, which shall be incorporated by
16 reference into this Paragraph of the Final Judgment. Walmart retains the right to make reasonable
17 modifications to continuously improve the Compliance Program, subject to the condition that at
18 all times during the Injunctive Term, as part of the Program, Walmart shall implement and
19 maintain systems, policies, procedures, trainings, and contracts, reasonably designed to:

20 **4.2.a.** Prevent the disposal of hazardous waste at a point not authorized by
21 California law;

22 **4.2.b.** Ensure that transporters are registered to transport hazardous waste prior to
23 transporting, transferring custody of, or causing to be transported in California any hazardous
24 waste;

25 **4.2.c.** Determine if a waste generated at the Facilities is a hazardous waste;

26 **4.2.d.** Handle hazardous waste in compliance with California law;

27 **4.2.e.** Ensure a manifest with all required information is completed prior to the
28 time the hazardous waste is transported to an offsite location;

1 **4.2.f.** Prevent the improper management and disposal of medical waste.

2 **4.3. Compactor Audit Program**

3 For the duration of the Injunctive Period, Walmart shall retain a Vendor to perform
4 physical inspections of the contents of Walmart’s Compactors that are designated for
5 transportation to and disposal at municipal landfills in California, as required by the Compactor
6 Audit Program. The Compactor Audit Program shall be conducted in a manner substantially
7 similar to the protocols outlined in Exhibits C-1 and C-2, which shall be incorporated by
8 reference into this Paragraph of the Final Judgment.

9 Walmart shall retain the results of all audits conducted pursuant to the Compactor Audit
10 Program (i.e., the “Audit Findings”) for three-hundred and sixty-five (365) days after the
11 expiration of the Injunctive Period. The People agree that the Audit Findings shall not be used in
12 a new, subsequent enforcement action against Walmart for violations relating to hazardous waste
13 and/or medical waste.

14 Walmart reserves all rights, privileges, and legal defenses with respect to the operation of
15 the Compactor Audit Program and the Trash Compactor Audit Reports, as defined above and
16 further described in Exhibit C-1 and C-2. Walmart’s agreement to operate the Compactor Audit
17 Program and to provide the Trash Compactor Audit Reports to the People does not constitute the
18 waiver of any rights, privileges, or legal defenses Walmart has with respect to the Audit Findings.

19 **4.4. Public Trash Management Program**

20 For the duration of the Injunctive Period, Walmart shall implement the Public Trash
21 Management Program as described in Exhibit D.

22 **4.5. Sam’s Club**

23 For the duration of the Injunctive Period, all Sam’s Club locations are exempt from the
24 terms of the injunctive relief provisions of this section of the Final Judgment.

25 **5. MEET-AND-CONFER**

26 **5.1. Annual Meet-and-Confer.** Walmart and the People’s designees identified in
27 Exhibit F shall meet no later than four-hundred twenty-five (425) days after the Effective Date for
28 the first annual Meet-and-Confer to discuss Walmart’s compliance with this Final Judgment.

1 Annually thereafter, for the duration of the Injunctive Period, Walmart and the People's designees
2 shall meet no later than three hundred sixty-five (365) days after the prior annual Meet-and-
3 Confer. The fourth and final annual Meet-and-Confer shall take place no less than ninety (90)
4 days after the final Trash Compactor Audit Reports have been submitted to the People and no less
5 than ninety (90) days prior to the expiration of the Injunctive Period. Unless otherwise agreed by
6 the Parties, the annual Meet-and-Confer meetings required by this Paragraph 5.1 shall be in
7 addition to the Meet-and-Confer meetings held pursuant to Paragraphs 5.2, 5.3, and 5.4.

8 **5.1.a.** At each annual Meet-and-Confer meeting, Walmart shall report on any
9 internal investigation and remediation efforts arising from the Compactor Audit Program or Trash
10 Compactor Audit Reports.

11 **5.1.b.** The People shall keep Walmart's Trash Compactor Audit Reports
12 confidential. If the People receive a request to inspect or produce Walmart's Trash Compactor
13 Audit Reports pursuant to Government Code section 7920.000 et seq., the People will assert
14 appropriate and lawful objections to production of the records and if a determination is made that
15 the People believe requires the People to produce Walmart's Trash Compactor Audit Reports, the
16 People will notify Walmart at least five (5) calendar days prior to any production, to protect the
17 confidential information in the Trash Compactor Audit Reports.

18 **5.2. Meet-and-Confer for Adverse Inspections by the People.** During the Injunctive
19 Period, and except if the People's inspections reveal (a) potential criminal conduct or (b)
20 violations posing an imminent or immediate threat to human health or the environment, the
21 People shall provide Walmart with the results of Compactor inspections conducted by the People,
22 which the People believe show violations of the HWCL or MWMA, within 60 days of the
23 inspection and the Parties shall Meet-and-Confer at a date agreed to by the Parties to discuss the
24 findings of the People's Compactor inspection(s), and Walmart shall investigate the findings and
25 timely present to the People any root cause analysis and remediation efforts.

26 **5.3. Meet-and-Confer Prior to Enforcement Actions.** During the Injunctive Period,
27 and except in instances of (a) potential criminal conduct or (b) violations posing an imminent or
28 immediate threat to human health or the environment, the People shall request a Meet-and-Confer

1 with Walmart prior to bringing an action to enforce this Final Judgment against Walmart, and
2 prior to bringing a new, subsequent enforcement action against Walmart based on violations
3 relating to hazardous waste and/or medical waste.

4 **5.4. Discretionary Meet-and-Confer.** Either Party may request a Meet-and-Confer
5 meeting to discuss developments relevant to the subject matter of this Final Judgment.

6 **5.5. Reservations and Confidentiality of Meet-and-Confer.** Any information
7 provided at, or in connection with, any of the Meet-and-Confer meetings provided for in this
8 Paragraph 5 by any Party and responses or comment to such information by any Party or Parties
9 are subject to the settlement communication protections in Evidence Code section 1152, and each
10 of the Parties reserves all rights, privileges, and legal defenses with respect to the Meet-and-
11 Confer process.

12 **6. CIVIL PENALTIES AND ENFORCEMENT COSTS**

13 **6.1. Civil Penalties**

14 Within twenty-one (21) business days after the Effective Date, Walmart is required to pay
15 to the People FOUR MILLION TWO HUNDRED NINETY-SEVEN THOUSAND FORTY
16 DOLLARS (\$4,297,040.00) as civil penalties pursuant to Health and Safety Code section 25189,
17 Business and Professions Code section 17206, and Government Code section 26506, to the
18 entities identified in, and in accordance with the terms of Exhibits G-1 and G-2 and Paragraph
19 6.3.

20 **6.2. Reimbursement of the People's Costs of Investigation and Enforcement**

21 Within twenty-one (21) business days after the Effective Date, Walmart is required to pay
22 THREE MILLION TWO HUNDRED TWO THOUSAND NINE HUNDRED SIXTY
23 DOLLARS (\$3,202,960.00) for reimbursement of the People's enforcement costs incurred in this
24 matter, including attorney fees, costs of investigation, and other costs of enforcement, to the
25 entities identified in, and in accordance with the terms of Exhibits H-1 and H-2 and Paragraph
26 6.3.

27 **6.3. Payments and Expenditures**

28 **6.3.a.** Prior to entry of this Final Judgment, the People shall provide Walmart

1 with specific payment information regarding the entities designated to receive payments pursuant
2 to this Final Judgment.

3 **6.3.b.** Walmart shall deliver all payments required under this Final Judgment to
4 the Office of the Attorney General, to the attention of Dennis L. Beck, Jr., Acting Senior
5 Assistant Attorney General, for distribution to the payees provided for in this Final Judgment.

6 **6.3.c.** If Walmart fails to make timely payment of any of the amounts owed under
7 Paragraphs 6.1 and 6.2, Walmart is required to pay interest on the amount past due at a rate of ten
8 percent (10%) per annum from the date the payment was due under this Final Judgment until the
9 date the full payment is received, and a late payment penalty of FIVE THOUSAND DOLLARS
10 (\$5,000.00). The People shall be entitled to pursue all remedies provided by law for the
11 enforcement of this Final Judgment.

12 **7. MATTERS COVERED BY THIS FINAL JUDGMENT**

13 **7.1.** This Final Judgment constitutes a final and binding resolution and settlement of all
14 alleged violations relating to Walmart’s Covered Matter Facilities for the storage, disposal and
15 transportation of Hazardous Waste, hazardous substances, and Medical Waste, as well as the
16 physical disposal of confidential customer information, which are known to the People and
17 occurred between February 1, 2015 and the Effective Date, including without limitation all
18 allegations in the People’s First Amended Complaint filed February 10, 2022. These alleged
19 violations shall be collectively considered “Covered Matters” for purposes of the Final Judgment.

20 **7.2.** Any claim, violation, or cause of action that is not a Covered Matter is a “Reserved
21 Claim.” Reserved Claims include, without limitation, any unknown violation, any violation that
22 occurs after the Effective Date, and any claim, violation, or cause of action against Walmart’s
23 independent contractors or subcontractors. Reserved Claims also include any claims or causes of
24 action against Walmart for performance of cleanup, corrective action, or response action for any
25 actual past or future releases, spills, or disposals of hazardous waste or hazardous substances that
26 were caused or contributed to by Walmart at or from any of Walmart’s Facilities or Covered
27 Matter Facilities and that are not otherwise Covered Matters.

28 **7.3.** In any subsequent action that may be brought by the People based on any

1 Reserved Claim, Walmart may not assert that failing to pursue any Reserved Claim as part of this
2 action constitutes claim-splitting.

3 **7.4.** Any claims by Walmart, civil or administrative, against the People or against any
4 agency, department, board, office, or commission of the State of California, or any county or city
5 in the State of California, or any UPA, Participating Agency or any other local agency
6 (collectively, “Agencies”), or against any of their officers, employees, representatives, agents, or
7 attorneys, arising out of or related to any Covered Matter are hereby merged into and
8 extinguished by this Final Judgment; provided, however, that if any Agencies initiate claims
9 against Walmart, Walmart retains any and all rights, defenses, and counterclaims against such
10 Agencies.

11 **8. EFFECT OF FINAL JUDGMENT**

12 Except as expressly provided in this Final Judgment, nothing in this Final Judgment is
13 intended, nor shall it be construed, to preclude the People or any state, county, city or local
14 agency, department, board, office, commission, UPA, or Participating Agency from exercising its
15 authority under any law, statute, or regulation.

16 **9. WAIVER OF RIGHT TO ENFORCE**

17 The failure of the People to enforce any provision of this Final Judgment shall neither be
18 deemed a waiver of such provision nor in any way affect the validity of this Final Judgment. The
19 failure of the People to enforce any such provision shall not preclude them from later enforcing
20 the same or any other provision of this Final Judgment. Except as expressly provided in this Final
21 Judgment, Walmart retains all defenses to any such later enforcement action.

22 **10. INTERPRETATION**

23 This Final Judgment was drafted equally by all Parties hereto. Accordingly, any and all
24 rules of construction holding that ambiguity is construed against the drafting party shall not apply
25 to the interpretation of this Final Judgment.

26 **11. INTEGRATION**

27 This Final Judgment constitutes the entire agreement between the Parties and may not be
28 modified, amended, or supplemented except as provided for in Paragraph 19. No oral advice,

1 guidance, suggestions, or comments by employees or officials of any Party regarding matters
2 covered in this Final Judgment shall be construed to relieve any Party of its obligations under this
3 Final Judgment. No oral representations have been made or relied upon other than as expressly
4 set forth herein.

5 **12. FUTURE REGULATORY CHANGES**

6 Nothing in this Final Judgment shall excuse Walmart from meeting any more stringent
7 requirement that may be imposed by applicable existing law or by any change in the applicable
8 law. To the extent any future statutory or regulatory changes makes Walmart's obligations less
9 stringent than those provided for in this Final Judgment, Walmart's compliance with the changes
10 shall be deemed compliance with this Final Judgment. However, any change in law or regulation
11 shall not reduce or diminish Walmart's obligations to comply with Paragraphs 4.2 and 4.3 and
12 Exhibits C-1 and C-2.

13 **13. CONTINUING JURISDICTION**

14 The Alameda County Superior Court shall retain continuing jurisdiction to enforce the
15 injunctive and payment terms of this Final Judgment and to address any other matters arising out
16 of or regarding this Final Judgment.

17 **14. SEVERABILITY**

18 If, subsequent to the entry of this Final Judgment, any of the provisions of the Final
19 Judgment are held by a Court to be unenforceable, the enforceability of the remaining provisions
20 shall not be adversely affected.

21 **15. ABILITY TO INSPECT AND COPY RECORDS AND DOCUMENTS**

22 Walmart shall permit any duly authorized representative of the People to inspect and copy
23 records and documents relevant to determine compliance with the terms of this Final Judgment.
24 This Paragraph shall not limit the People's authority to access or obtain information, records, and
25 documents pursuant to any statute or regulation.

26 **16. PAYMENT OF LITIGATION EXPENSES AND FEES**

27 Walmart shall bear all of its attorney's fees, expert witness fees, and costs related to this
28 litigation. Walmart shall make no request of the People to pay Walmart's attorney's fees, expert

1 witness fees and costs, or any other costs of litigation or investigation incurred in connection with
2 this action or the requirements in this Final Judgment.

3 **17. COUNTERPART SIGNATURES**

4 The Stipulation may be executed by the Parties in counterparts. For purposes of this Final
5 Judgment, facsimile signatures shall be deemed originals, and the Parties agree to exchange
6 original signatures as promptly as possible. In addition, electronic signatures shall be considered
7 originals without the need for exchanging original signatures in place of electronic signatures.

8 **18. INCORPORATION OF EXHIBITS**

9 Exhibits A, B, C-1, C-2, D, E-1, E-2, F, G-1, G-2, H-1 and H-2 are incorporated herein by
10 reference.

11 **19. MODIFICATION**

12 The injunctive provisions of this Final Judgment may be modified only on noticed motion
13 by one of the Parties with approval of the Court, or upon written consent by all of the Parties and
14 the approval of the Court.

15 **20. NOTICE**

16 Unless otherwise specified in this Final Judgment, all notices under this Final Judgment
17 shall be made in writing, by both email and mail, and addressed to the persons identified in
18 Exhibit F. Any Party may, by written notice to the other Parties, change its designated notice
19 recipient or notice address. Alternatively, the Parties may jointly agree in writing that either or
20 both Parties will accept submissions, notices, and other communications via electronic
21 submission to a secure online system designated by the People for the purpose of receiving such
22 submissions and notices. In the event of such an agreement: (a) the People may provide written
23 notice to Walmart of the selection of the Designated System, with instructions for making
24 electronic submissions thereto; (b) the People may change, replace, or remove the Designated

25 ///

26 ///

27 ///

28

1 System, which change shall be effective upon written notice to Walmart; (c) any notice or
2 communication using the Designated System shall constituted notice pursuant to this Paragraph;
3 and (d) all notices and other communication required or permitted under the Final Judgment that
4 are properly submitted to the Designated System are effective upon submission.
5

6 **IT IS SO ORDERED, ADJUDGED AND DECREED THAT THE FINAL**
7 **JUDGMENT AND INJUNCTION ON CONSENT BE ENTERED AS PROVIDED**
8 **HEREIN.**

EXHIBIT C-1

EXHIBIT C-1

COMPACTOR AUDIT PROGRAM PROTOCOL

1. **Number of Facilities Inspected.** The annual Trash Compactor Audits shall include thirteen (13) of Walmart's California Facilities including: a minimum of one (1) Sam's Club; one (1) audit of the Apple Valley Distribution Center; and eleven (11) Facilities of retail discount stores, Supercenters and Neighborhood Markets reasonably proportionate to the total number of these California Facilities, for the purpose of determining whether any regulated or potentially regulated waste (e.g., hazardous and universal waste), if any, is present within each selected Walmart Facility's Compactors.

2. **Audit Requirements.** The Trash Compactor Audits shall include waste sorting activities (segregating regulated/potentially regulated waste), and inventorying and photographing each regulated or potentially regulated waste item for the purpose of data collection and reporting on the results of each Trash Compactor Audit. Each Trash Compactor Audit shall be conducted without advance notice to the thirteen (13) selected Walmart Facilities.

Pursuant to a scope of work substantially similar to the Example Scope of Work set forth in Exhibit C-2, the Vendor shall examine the entire contents of each Compactor, and the Vendor shall provide the Audit Findings for each of the thirteen (13) physical inspections of Walmart's Compactor waste to Walmart within sixty (60) calendar days of each physical inspection. The Vendor shall promptly provide to Walmart a detailed report of the results of each Trash Compactor Audit upon its completion (the "Trash Compactor Audit Report"). The Trash Compactor Audit Reports shall identify the location of the facility audited, the date of the audit, contain the information, the size and weight (tonnage) of each Walmart Facility Compactor and the estimated Compactor volume (at the time of the audit), the Walmart Facility Compactor's waste accumulation time (immediately prior to the audit), and the information described in paragraph 4 of Exhibit C-2.

3. **Trash Compactor Audit Reports.** The Vendor shall prepare a detailed summary of the Audit Findings ("Trash Compactor Audit Report") within sixty (60) calendar days following the completion of each annual round of Trash Compactor Audits. Walmart shall provide an unredacted, unabridged copy of the Trash Compactor Audit Report to the People's designees (identified in Exhibit F) within fifteen (15) calendar days of its receipt of the Trash Compactor Audit Report from the Vendor.

4. **Timing of Audits.** The first set of Trash Compactor Audits shall be conducted and completed within three hundred sixty-five (365) calendar days following Effective Date of this Final Judgment. Three subsequent sets of Trash Compactor Audits shall be conducted and completed within ten (10) months after the prior set of Trash Compactor Audits.

5. **Selection of Inspected Facilities.** For the twelve (12) Facilities other than the Apple Valley Distribution Center, six (6) of the twelve (12) audited Facilities shall be from Northern California

locations and six (6) of the twelve (12) audited Facilities shall be from Southern California locations.

Walmart shall select the twelve (12) Facilities, other than Apple Valley Distribution Center, to be audited based on criteria such as landfill/transfer station access availability, vendor resources in the area, and scheduling restrictions. Once the proposed date(s) and location of each Facility to be audited is determined, Walmart shall notify the People's designees (identified in Exhibit F) in writing at least two (2) business days prior to the commencement of each proposed Trash Compactor Audit. To the extent practicable, the Trash Compactor Audits shall be conducted at such time as the Compactor at each Facility is reasonably expected to be at sixty (60) percent or greater capacity.

- 6. Inability to Secure Audit Location.** If after a reasonably diligent effort Walmart or its Vendor cannot secure a suitable location to conduct a physical inspection to satisfy the requirements for six (6) Northern California locations and six (6) Southern California locations, or to accomplish all audits, or to accomplish the reasonably proportionate number of Facilities audits described in ¶ 2, Walmart shall notify the People, and the People will make reasonable efforts to secure a location. If no suitable location can be secured by Walmart, its Vendor, or the People to satisfy the required number and location of audits, the inability to satisfy these requirements shall not constitute a violation of this Final Judgment.

- 1.2 Contaminated containers as defined in 22 CCR §66261.7 Subsections (b) and (d)
- 1.3 California Department of Toxic Substances Control's (DTSC's) fact sheet from February 2009, "Managing Empty Containers."
- 1.4 "July 7, 2016 – Draft Retail Waste Aquatic Toxicity Testing Project – Master List"

2. RESPONSIBILITIES

- 2.1 **Vendor Waste Sorting Team Member** - Team Members are responsible for conducting the audit by sorting through the compactor waste stream and removing potentially regulated items.
- 2.2 **Vendor Waste Sorting Team Lead** - The Team Lead is responsible for analyzing items removed from the compactor waste stream to determine if there are potentially regulated items and if so, inventorying, quantifying and photographing the items. The Team Lead will utilize the "July 7, 2016 - Draft Retail Waste Aquatic Toxicity Testing Project - Master List" (Master List) to determine if an item is a potentially regulated material. If an item appears on the Master List with at least one "Failed" definitive toxicity test, then that item should be considered a potentially regulated item. If the item is not on the Master List, the Team Lead will use product characteristics to determine if the item is a potentially regulated item. Note that up to two Team Members could assist the Team Lead with these duties.
- 2.3 **Vendor Team Scout** - The Team Scout is responsible for scouting the compactor to be audited at the designated Walmart facility, meeting with the trash hauler to inform them of the audit and directing them to the designated audit area.

3. SOLID WASTE COLLECTION AUDIT PROCEDURES

3.1 **Arrival at the designated Walmart facility**

The Vendor Team Scout will arrive at the designated Walmart facility ahead of the trash hauler to scout the compactor. The Scout will meet with the trash hauler to confirm the dump location (landfill or transfer station address) and to remind the driver to inform the

scale house that the load is for an audit and should be dumped in a designated area. The Scout will follow the hauler and compactor from the Walmart facility to the designated audit landfill/transfer station. The Scout will provide updates to the Lead as necessary.

3.2 Arrival at Solid Waste Collection Audit Site

The Vendor Team Lead and all Team Members should meet at the entrance to the audit site, likely a landfill or transfer station, and check-in with site management. The Team Lead and Members should ensure that all required materials and tools are present. Site management should have previously been informed of the audit and designated an area to conduct the audit. Once given approval by Site Management, the Vendor Team will dispatch to the designated audit area.

3.3 Solid Waste Sorting Area Set-Up

Upon arrival at the waste sorting area follow the following procedures:

- Conduct a safety meeting and all Team Members are required to don the required PPE. Refer to the Health and Safety Plan for detailed PPE requirements and safety procedures.
- Retrieve all materials and tools to be used during the audit, including the spill kit.
- Use cones to designate the waste sorting area from the rest of the facility.
- Place a plastic tarp on the ground adjacent to the contents of the emptied compactor for placement of items pulled from the waste stream.
- Place buckets on the tarp for collecting smaller items. Buckets should also be used to contain any leaking items.
- Team Lead to designate the following six buckets for final consolidation of potentially regulated solid and liquid wastes:
 - Universal Wastes (i.e., aerosols, batteries, bulbs, circuit boards);
 - Corrosive Acidic Wastes (i.e., cleaning solutions);
 - Corrosive Basic Wastes (i.e., bleach, drain cleaners);
 - Oxidizer Wastes (i.e., hydrogen peroxide, pool chemicals);
 - State Regulated Wastes (i.e., antifreeze, bug killers, deodorants, soaps);
 - Medical Waste (i.e., items with drug facts, loose pills, et al.); and
 - Other Potentially Toxic Solid Waste (i.e., used spill cleanup materials).
- Ensure that a spill kit is located within the sorting area.

3.4 **Solid Waste Sorting Process**

After the sorting area has been established, materials and tools are in place and the safety meeting has been conducted, begin the sorting process by following these procedures.

- Segregate the clear trash bags, which come from inside the facility from any blue trash bags, which come from the parking lot.
 - The Team Lead will take photographs of the segregated clear trash bags and estimate the total number of clear trash bags in the compactor waste stream.
 - The Team Lead will take photographs of the segregated blue trash bags and count the number of blue trash bags in the compactor waste stream.
- Use rakes, shovels or other tools to pull apart the items. Open all trash bags and empty items onto the ground. Carefully sort through the items and pull out any potentially regulated items.
- For any regulated or potentially regulated items that are found, place on the tarp or in buckets to allow the Team Lead to examine.
- Move sorted items to the side leaving a clear space (at least three feet) so it is easy to distinguish between items that have been reviewed versus those that have not been reviewed.
- The Team Lead will determine if items pulled from waste stream are potentially regulated or not. Any items determined not to be potentially regulated may be placed back into waste stream.
- The Team Lead will take digital photographs of the front and back sides of each potentially regulated item removed from the waste stream and document as described in Section 8.

4. **QUANTIFYING REGULATED MATERIALS**

All items that are determined to be regulated will be quantified by weight to the fullest extent possible by following the guidelines in this section. Once the weight has been determined, document the item, volume and weight on a touchscreen-based tablet. As a general rule, the Team Lead will photograph the weight of each item placed on the digital scale.

4.1 **Solids**

- Any solids, such as batteries, syringes/needles, or fluorescent lamps will be weighed individually on a scale.
- For any electronic item that contains a circuit board, the item must first be weighed, then disassembled so that each circuit board can be removed. Once complete, the circuit board(s) will be weighed separately from the overall item. Both weights will be recorded and any non-potentially regulated portions of the formerly circuit board containing device can be placed back into the solid waste

portion of the audit. The Team Lead will photograph the circuit board(s) on the digital scale and the non-potentially regulated portion of the formerly circuit board containing device adjacent to the scale.

- If batteries are found inside any electronic item that contains a circuit board, the batteries should be removed and weighed. The circuit board and non-potentially regulated portion of the item should be handled as noted in the above bullet.
- If batteries are found inside any items not containing a circuit board, the batteries should be removed and only the batteries should be weighed. The Team Lead will photograph the battery-containing item and the batteries pulled from the battery-containing item.
- Once the items have the circuit board and/or batteries removed, place the non-potentially regulated items back into the waste stream.

4.2 **Liquid – Weighing Method**

- Any products that contain remaining amounts of a potentially regulated liquid should be either weighed or have the weight estimated.
- If weighing the liquid, then pour the remaining liquid into a tared cup (on top of the tarp) and weigh. It may be necessary to poke a hole in the container or cut the container open in order to remove the remaining liquid. Ensure all liquid is removed to meet California guidance on empty containers. The empty container may be placed back into the waste stream.
- After the weight has been obtained, cap the tared cup, write the cup's contents on the side of the cup (i.e., hand soap) and place the cup into the appropriate regulated waste bucket.
- Use a clean tared cup each time before weighing a new liquid item.
- If any spills occur during the pouring or weighing process, clean-up using the spill kit and place all absorbent or cleaning materials into the "Other Potentially Toxic Solid Waste" bucket.
- If Team Lead determines that product is deemed too dangerous or difficult to pour off, then use the estimation method in the following subsection to determine amount remaining.

4.3 **Liquids, Creams, Gels and Aerosol Cans – Estimation Method**

This method should be used if the product is too dangerous or it is too difficult to pour off or for items such as gels, lotions, or creams that cannot be easily removed or poured. All aerosol cans are included in this estimation method.

- Obtain and record the total weight of each item by weighing each container and its contents.
- Use the below steps to estimate the weight of regulated material included in each item:

- Estimate the volume of liquid, cream or gel remaining in the item with a percentage such as 10%, 25%, 50%, 75% or, if completely full, 100%.
- Calculate the volume of the container using the reported container size and amount remaining. For example, a 12 ounce bottle of lotion that is determined to be 50% full, would have a volume of 6 ounces.
- Once the volume has been determined, place the entire item into the appropriate waste bucket.

5. REPORTING

The Team Lead will document information regarding all potentially regulated items pulled from the compactor waste stream and their quantities directly into the tablet. Documented information should include at least the following:

- Category of item
- Product name
- Manufacturer or brand
- UPC if available
- Size or volume
- Amount remaining (if applicable)
- Weight (in pounds)
- Photos of front and back of item
- Any specific notes regarding the item
- If available and applicable, the color of the trash bag in which the item was found, and any other information about the potential origin of the item within the facility.

6. LEAVING THE SORTING AREA AND SITE

Once all solid waste sorting activities have been completed and potentially regulated items documented, contact the hazardous waste disposal vendor and remain with the waste buckets until all have been picked-up by the vendor. Gather all materials and tools that can be used for future audits, load into the vehicle and dispatch from the site.

EXHIBIT D

EXHIBIT D

Public Trash Management Program

Walmart shall implement a “Public Trash Management Program” as follows:

1. The program is designed to minimize the possibility that hazardous material (as defined in Health and Safety Code section 25501, subdivision (n)), hazardous wastes (as defined in Health and Safety Code section 25117), medical and pharmaceutical wastes (as defined in Health and Safety Code section 117690), and petroleum and automotive products (e.g., motor oil and engine coolant (collectively referred to as “Regulated Materials”) are disposed of in public-facing trash receptacles in Walmart retail discount stores, Supercenters, and Neighborhood Markets parking lots, and public areas (hereinafter referred to as “Public Trash Receptacles”).
2. In an effort to prevent customers and the public from placing Regulated Materials in the Public Trash Receptacles which Walmart provides and maintains, and excluding receptacles provided or maintained by Walmart building tenants, Walmart shall affix a label on all such Public Trash Receptacles that specifies and prohibits the disposal of Regulated Materials, similar to the form that follows:

3. Walmart shall affix labels that accomplish the purpose and effect of the example immediately above within three hundred sixty-five (365) calendar days following Effective Date of this Final Judgment.
4. For the duration of the Injunctive Period, Sam’s Club is exempt from the Public Trash Management Program provisions of this section of the Final Judgment.

EXHIBIT G-1 - PROSECUTOR PENALTIES

¹ CALIFORNIA ATTORNEY GENERAL: California Department of Justice-Litigation Deposit Fund." The check shall bear on its face the case name ("People v. Walmart Inc.") and the internal docket number for this matter (SA2020303979). The sum of \$592,540, and any interest accrued thereon, paid to the Attorney General pursuant to this Final Judgment shall be administered by the California Department of Justice and shall be used by the Environment Section of the Public Rights Division of the Attorney General's Office, until all funds are exhausted, for any of the following purposes: (1) implementation of the Attorney General's authority to protect the environment and natural resources of the State pursuant to Government Code section 12600 et seq. and as Chief Law Officer of the State of California pursuant to Article V, section 13 of the California Constitution; (2) enforcement of laws related to environmental protection, including, but not limited to, Chapters 6.5 and 6.95, Division 20, of the California Health and Safety Code; (3) enforcement of the Unfair Competition Law, Business and Professions Code section 17200, et seq., as it relates to protection of the environment and natural resources of the State of California; and (4) other environmental actions or initiatives which benefit the State of California and its citizens as determined by the Attorney General. Such funding may be used for the costs of the Attorney General's investigation, filing fees and other court costs, payment to expert witnesses and technical consultants, purchase of equipment, laboratory analyses, personnel costs, travel costs, and other costs necessary to pursue environmental actions or initiatives investigated or initiated by the Attorney General for the benefit of the State of California and its citizens.

²RIVERSIDE: Business and Professions Code §17200: Defendant shall pay \$144,000.00 to the Riverside County District Attorney's Office as civil penalties for violations of Business and Professions Code section 17200. Pursuant to Business and Professions Code section 17206(b), said sum will be paid in the form of a check made payable to the District Attorney, County of Riverside; sums to be distributed as follows: 100 percent will be deposited into the consumer protection prosecution account in the General Fund of Riverside County.

³SACRAMENTO: The money paid to the Sacramento District Attorney as penalties pursuant to Business and Professions Code section 17206, shall be for the sole and exclusive use of the District Attorney to augment the enforcement of consumer and environmental protection laws and in no manner shall supplant or cause any reduction of any portion of the District Attorney's budget.

⁴SAN JOAQUIN: Business and Professions Code § 17200 Penalties shall be paid to the "Treasurer of San Joaquin County".

⁵SOLANO: Court further orders that these proceeds are designated as non-supplanting funds to be used by the Solano County District Attorney's Office only for the investigation and prosecution of environmental protection cases including, without limitation, those cases that can potentially be brought as unfair competition actions pursuant to B&P Code Section 17200 et seq.

EXHIBIT G-1 - PROSECUTOR PENALTIES

Pursuant to Government Code section 26506, any civil penalties recovered in a civil action "brought jointly in the name of the People of the State of California by the Attorney General, one or more district attorneys, or by one or more city attorneys, or any combination thereof, shall be paid as approved by the court."
