"BPA Legislation"

- Rick Price → 802-2044-

- Noerr-Pennington Doctrine -

can petition govt. for ~~antitrust~~ an anticompetitive result

ABA Treatise

Tariff initiated by Govt agency -

can petition for particular result

Exceptions: if conspiring ahead of time to allow customers on service territory ^{Enron} haven't been conspiring.

If tariff doesn't get much scrutiny if anyone can come in & ask them to set up the tariff - Separate from Q&Q overview

This defense would get Enron out of lawsuit if no ~~conspiracy~~ conspiracy if Enron is part of.
