Before: Peter L. Shaw, Appellate Commissioner.

The court has received the motion requesting assignment of this appeal to the panel that decided *In re Pesticide Action Network North America*, 863 F.3d 1131 (9th Cir. 2017). That panel has declined to accept this appeal, and the motion is denied (Docket Entry No. 51).

Petitioner's amended motion to complete the administrative record (Docket Entry Nos. 37, 47) and any responses and replies thereto are referred to the panel assigned to decide the merits of this appeal.

Migrant Clinicians Network's and Congressman Henry Waxman's motions to extend time to file amicus briefs, motions to become amicus curiae in this appeal, and amicus briefs (Docket Entry Nos. 40, 42, 64, 65) are referred to the panel assigned to decide the merits of this appeal for whatever consideration the panel deems appropriate.

The previously established briefing schedule remains in effect.
