COMPLAINT FOR:

1. AN ACCOUNTING OF CHARITABLE TRUST ASSETS;
2. DIVERSION AND IMPROPER DISTRIBUTION OF CHARITABLE ASSETS;
3. BREACH OF FIDUCIARY DUTY FOR FAILURE TO USE ASSETS FOR RESTRICTED PURPOSE;
4. BREACH OF FIDUCIARY DUTY FOR FAILURE TO TAKE ACTIONS TO RECOVER IMPROPERLY DIVERTED FUNDS;
5. NEGLIGENCE;
6. INVOLUNTARY TRUSTEES;
7. CONSTRUCTIVE TRUST;
8. INVOLUNTARY DISSOLUTION;
9. AND FOR OTHER EQUITABLE RELIEF AND DAMAGES

1 Plaintiff, the People of the State of California, *ex rel.* Edmund G. Brown Jr., as Attorney
2 General of the State of California, complains and alleges as follows:

3 **INTRODUCTION**

4 1. This is an action by the Attorney General in the name of the People of the State of
5 California to preserve the remaining charitable assets of the Monterey County AIDS Project
6 ("MCAP") which would otherwise be irretrievably lost due to the mismanagement and neglect of
7 present and former members of its board of directors. In addition, as a result of MCAP's
8 abdication of its charitable responsibilities, the Attorney General also seeks the recovery of assets
9 improperly diverted, an accounting, and other relief.

10 2. Edmund G. Brown Jr. is the Attorney General of the State of California and as such is
11 charged with the general supervision of all organizations and individuals who obtain, hold or
12 control property in trust for charitable and eleemosynary purposes in this state. The Attorney
13 General is authorized to enforce, in the name of the People, the provisions of the Supervision of
14 Trustees and Fundraisers for Charitable Purposes Act (Gov. Code, § 12580, *et seq.*) and the
15 Nonprofit Corporation Law (Corp. Code, § 5000, *et seq.*). The Attorney General is a necessary
16 party to proceedings affecting the disposition of assets of a charitable trust because the duty to
17 protect such assets is expressly placed upon the Attorney General by the Corporations Code. (*Los*
18 *Angeles County Pioneer Soc. v. Historical Soc. of Southern California* (1953) 40 Cal.2d 852,
19 861.) Plaintiff is expressly authorized by Corporations Code sections 6510 and 6511 to file for
20 involuntary dissolution MCAP because it is a California public benefit corporation.

21 3. On or about May 12, 2000, the Monterey County Superior Court issued an order
22 ("Order") restricting the use of the proceeds from the sale of real property which had been
23 bequeathed to MCAP and also restricted the use of established assets that were given to MCAP
24 by an endowment. (A copy of the Order is attached to the Complaint as Exhibit 1.) The Court
25 ordered that a "Housing Endowment" be established and that the principal of that fund could only
26 be invaded upon MCAP's compliance with Court-ordered requirements. As set forth below, it is
27 hereby alleged that the Housing Endowment was invaded without proper procedures in place and
28

1 without proper board of director oversight, and that the principal of the Housing Endowment was
2 misappropriated, misused, and/or diverted by the named defendants and DOES 1-20.

3 4. The unrestricted assets of MCAP were also diverted, misappropriated, and/or misused
4 by certain members of the MCAP board of directors and employees for personal use and for for-
5 profit ventures and that this ongoing diversion, misappropriation, and/or misuse were concealed
6 by several of the named defendants and DOES 1-20.

7 5. Any action brought by the Attorney General against trustees or other persons holding
8 property in trust for charitable purposes or against any charitable corporation or any director or
9 officer thereof to enforce a charitable trust or to impress property with a trust for charitable
10 purposes or to recover property or the proceeds thereof for and on behalf of any charitable trust or
11 corporation, may be brought at any time within ten (10) years after the cause of action shall have
12 accrued. (Gov. Code § 12596.) The wrongful acts alleged in this complaint against all named
13 defendants and DOES 1-20 are believed to have been perpetrated between the years of 2000
14 through 2009, inclusive, which is the relevant time period” referred to in this complaint.

15 6. At all times material herein, the named defendants and DOES 1-20 and each of them
16 have been transacting business in part within Monterey County. The violations of law hereinafter
17 described have been and are now being carried out in part within said County and elsewhere in
18 the State of California. The actions of the named defendants and DOES 1-20 and each of them,
19 jointly and severally, as set out below, are in violation of the laws and public policy of the State
20 of California and are inimical to the rights and interests of the general public.

21 7. This action is brought because the Attorney General is seeking to recover charitable
22 assets that were wrongfully diverted, used, and/or misappropriated by the named defendants and
23 DOES 1-20 in this action. The named defendants and DOES 1-20 have failed to provide an
24 adequate accounting of how those restricted charitable funds were spent and are believed to have
25 used restricted funds in a manner inconsistent with the restrictions and with the charitable
26 purposes of MCAP. In addition, named defendants and DOES 1-20 have failed to provide an
27 adequate accounting of how MCAP’s unrestricted charitable assets were spent.

7 **FACTUAL ALLEGATIONS**

8 26. MCAP holds all of its assets in trust for charitable purposes and has its principal place
9 of business in the County of Monterey. MCAP is exempt from taxation under section 23701d of
10 the California Revenue and Taxation Code, and section 501(c)(3) of the Internal Revenue Code of
11 the United States. The Articles of Incorporation state MCAP's charitable purpose as follows:

12 "The specific purposes of this corporation are as follows:

- 13 1. To reduce the negative consequences of Acquired Immune
14 Deficiency Syndrome [AIDS] and AIDS-Related Complex [ARC] in
15 Monterey County California.
- 16 2. To reduced the incidence of AIDS and provide psycho-social support
17 to persons with AIDS, their families, and significant others.
- 18 3. To provide support and act as a resource for groups and individuals affected by
19 AIDS."

20 27. In 1999, MCAP came into possession of real property which was bequeathed to
21 MCAP by Douglas E. Madsen, a Monterey County resident. In the court order for the
22 distribution of the Madsen Will, it was explicitly stated that the real property was to be used "to
23 house active AIDS patients, with funds derived in whole or in part from the monies derived from
24 the residue of the estate." The "residue of the estate" was \$373,149.96 in cash and some
25 paintings with an appraised value of more than \$500.00. There was also a provision in the
26 Madsen Will stating that the "funds to be derived therefrom were to be used for operational
27 expenses of the real property." As such, the real property, cash and in-kind donations became
28

1 permanently restricted charitable assets. Additionally, the Madsen Will named four trustees to
2 monitor these restricted assets.

3 28. In 2000, MCAP filed an Application to Remove Restrictions on Property Contained
4 in Gift Instrument ("Application") pursuant to Probate Code section 18507. This application also
5 moved to "exonerate the trustees referred to in the gift instrument."

6 29. MCAP stated in the Application that it wanted to sell the property because the
7 property was not well-maintained and it was not practical to house AIDS patients so far away
8 from medical healthcare facilities. MCAP represented in the Application that it would put the
9 money from the sale of the property in a court-ordered endowment fund (the "Housing
10 Endowment") and use the interest generated by that fund (which it estimated at \$70,000-\$80,000)
11 for housing benefits or program support.

12 30. On or about May 12, 2000, after the hearing on the Application, the Monterey County
13 Superior Court issued its Order allowing for the exoneration of the trustees and allowing the sale
14 of the Madsen property with the proceeds of sale to be turned over to MCAP. However, the
15 Court explicitly restricted the proceeds from sale of the real property, along with the previous
16 cash bequest of \$373,149.96, stating that all of these assets were to be placed in a separate
17 Housing Endowment.

18 31. The Order also stated that the Housing Endowment monies and any income derived
19 therefrom were to be "used by MCAP solely for the purpose of providing housing for people with
20 the HIV disease." The Order explicitly defined what constituted "providing housing." (See
21 Exhibit 1, 2:9-16.) The Order did not state that funds from the Housing Endowment could be
22 used for general program costs or salaries of employees, officers or directors.

23 32. The Order placed further restrictions on the principal of the Housing Endowment,
24 stating that MCAP had to adopt "reasonable standards of investment, invasion and use of the
25 principal and income from the Housing Endowment as may be appropriate under the
26 circumstances." (Exhibit 1)

27 33. In or about September of 2000, the real property restricted by the Order was sold for
28 approximately \$1,550,000.00. On information and belief, that money was placed in an account at

1 the First National Bank in Monterey, but it was not placed in an account with the \$373,149.96 as
2 instructed by the Court. On information and belief, the named defendants and DOES 1-20 never
3 combined these two accounts.

4 34. On information and belief, the named defendants and DOES 1-20 never adopted
5 reasonable standards of investment, invasion and use of the principal and income from the
6 Housing Endowment as required by the Order.

7 35. On information and belief, the named defendants and DOES 1-20 did not keep
8 adequate records or minutes of the board meetings at which decisions were made to withdraw
9 monies from the Housing Endowment.

10 36. On information and belief, in late 2002, the named defendants and DOES 1-20
11 violated the Order by invading the Housing Endowment principal without documenting the
12 withdrawals in board meeting minutes and without fully documenting in any type of financial
13 records what the monies were used for. This conduct continued and withdrawals were made until
14 the Housing Endowment was completely depleted in 2007. The named defendants and DOES 1-
15 20 breached their fiduciary duties to MCAP by failing to maintain adequate board meeting
16 minutes evidencing that there was reasonable inquiry by the board as to whether the funds were
17 being withdrawn and spent in accordance with the restrictions. The named defendants and DOES
18 1-20 also breached their fiduciary duties to MCAP by failing to maintain adequate board meeting
19 minutes evidencing board approval for the withdrawals from the Housing Endowment.

20 37. On information and belief, the named defendants and DOES 1-20 used MCAP's
21 funds held in MCAP's general operating checking account for personal expenses. This conduct
22 constituted diversion of MCAP's unrestricted assets and the board of directors knew or should
23 have known of said conduct. The named defendants and DOES 1-20 breached their fiduciary
24 duties to MCAP by failing to conduct reasonable inquiry to determine whether these expenditures
25 paid out of MCAP's general operating account were proper.

26 38. On information and belief, at some time after 2002, the named defendants and DOES
27 1-20 improperly used funds from the Housing Endowment to pay the rent for the "MCAP Benefit
28 Shop," a thrift shop in Monterey County.

39. On information and belief, at some time after 2002, the named defendants and DOES 1-20 failed to exercise any board oversight over the MCAP Benefit Shop and failed to maintain any inventory records or financial records for the MCAP Benefit Shop. Therefore, the named defendants and DOES 1-20 breached their fiduciary duty to conduct reasonable inquiry to determine whether the MCAP Benefit Store was complying with state and federal laws regulating the operation of nonprofit thrift stores. The named defendants and DOES 1-20 further breached their duty to account for MCAP's charitable assets.

40. On information and belief, there are no assets left in the Housing Endowment. The failure to adequately protect the Housing Endowment principal has resulted in the complete waste, dissipation, and loss of these charitable assets that were required to be dedicated for specific charitable purposes.

41. The Attorney General, on behalf of MCAP's beneficiaries, the People of the State of California, now seeks an accounting to determine whether MCAP has any remaining charitable assets and damages for the named defendants and DOES 1-20' wrongful conduct.

FIRST CAUSE OF ACTION

(For An Accounting)

(Corporations Code, §§ 5250 and 6320, *et seq.*)

(Against All Named Defendants and DOES 1-20)

42. Plaintiff realleges and incorporates by reference each and every allegation contained in Paragraphs 1 through 41 above.

43. Under Corporations Code section 5250 and 6320, the named defendants and DOES 1-20 have a fiduciary obligation to account for charitable assets, including keeping accurate and correct books and records of assets, contributions, and expenditures.

44. The named defendants and DOES 1-20 have breached their fiduciary obligations in managing and accounting charitable trust funds they received. Specifically, this conduct included:

- Failing to keep adequate records of expenditures;
- Pervasive commingling of restricted charitable assets from the Housing Endowment with MCAP's general bank accounts;

- Failing to prevent charitable funds from being spent for improper purposes;
- Failing to account for all of MCAP's charitable assets;
- Failing to account for cash expenditures; and
- Failing to conduct any reasonable inquiry into the questionable conduct of some of MCAP's directors, officers and *de facto* directors.

45. Because the named defendants and DOES 1-20 have continuously failed to properly account for MCAP's restricted assets, income and expenditures since at least 2000, an accounting is necessary under Corporations Code sections 5250 and 6320, *et seq.* to ascertain its total charitable assets and liabilities and to determine whether funds from the Housing Endowment were used consistent with the restriction placed on them by the Court's Order.

SECOND CAUSE OF ACTION

(For Diversion, Improper Distribution and Breach of Fiduciary Duty) (Corporations Code § 5231, *et seq.*) (Against All Named Defendants and DOES 1-20)

46. Plaintiff re-alleges and incorporates by reference herein each and every allegation contained in Paragraph 1 through 45 above.

47. On information and belief, during the relevant time period, each of the named defendants and DOES 1-20 held a position of authority and control over the management of MCAP and its funds and assets by serving as an officer and/or a member of the board of MCAP and has owed, and continues to owe fiduciary duties of care and loyalty to MCAP and to its charitable beneficiaries. On information and belief, each named defendant and DOES 1-20 authorized, decided, and/or approved how funds from the Housing Endowment and contributions from California donors would be spent. On information and belief, each named defendant and DOES 1-20 either knowingly participated in the diversion of charitable assets, or failed to make reasonable inquiry into the conduct of other MCAP officers, directors, or de factor directors which would have prevented the diversion of charitable assets, during the relevant time period.

48. Under Corporations Code section 5231, the named defendants and DOES 1-20 had a duty to serve in good faith "with such care, including reasonable inquiry, as an ordinarily prudent

1 person in a like position would use under similar circumstances.” Additionally, each of the
2 named defendants and DOES 1-20 had a duty to protect restricted assets.

3 49. In this case, the named defendants and DOES 1-20 breached their fiduciary duties
4 because:

- 5 • they knew or should have known that standards for invasion of principal were
6 to be drafted; and
- 7 • they failed to draft standards that would protect the Housing Endowment from
8 indiscriminate invasion; or
- 9 • alternatively, if the named defendants and DOES 1-20 drafted standards for
10 invasion of principal, they failed to inquire whether the standards were
11 consistent with the Order.

12 50. The breach of these duties resulted in the failure to protect the Housing Endowment
13 from improper distributions.

14 51. Under Corporations Code section 5237, each of the named defendants and DOES 1-
15 20 is jointly and severally liable for the making of any improper distribution of charitable assets.

16 52. As the damages recoverable under Corporations Code section 5237 is the amount of
17 the illegal distribution, each named defendant and DOES 1-20 are jointly and severally liable for
18 an amount to be determined at trial.

19 **THIRD CAUSE OF ACTION**

20 **(Breach of Fiduciary Duty for Failure to Use Assets for Restricted Purpose)** 21 **(Corporations Code § 5231, *et seq.*)** 22 **(Against All Named Defendants and DOES 1-20)**

23 53. Plaintiff re-alleges and incorporates by reference herein each and every allegation
24 contained in Paragraph 1 through 52 above.

25 54. Each of the named defendants and DOES 1-20 knew or should have known that the
26 Housing Endowment was to be used solely for housing purposes pursuant to the Order.

27 55. Each of the named defendants and DOES 1-20 failed to review expenditures, and or
28 conduct reasonable inquiry into the expenditures made using funds from the Housing Endowment
to insure that these expenditures were consistent with the restricted purposes.

56. This breach of duty resulted in diversion of the Housing Endowment for improper purposes.

57. Each named defendant and DOES 1-20 are jointly and severally liable for all charitable funds which were diverted, in an amount to be determined at trial and/or through an accounting.

FOURTH CAUSE OF ACTION

**(Breach of Fiduciary Duty for Failure to Take Actions to Recover
Improperly Diverted Funds)
(Corporations Code § 5231, *et seq.*)
(Against All Named Defendants and DOES 1-20)**

58. Plaintiff re-alleges and incorporates by reference herein each and every allegation contained in Paragraph 1 through 57 above.

59. Each of the named defendants and DOES 1-20 knew or should have known that other directors and/or officers failed to use the Housing Endowment for the purpose for which it was restricted pursuant to the Order.

60. Each of the named defendants and DOES 1-20 failed to recover those improperly diverted funds or to take actions against those directors/officers who improperly spent the Housing Endowment.

61. This failure resulted in the complete depletion of the Housing Endowment for use for improper purposes.

62. Each named defendant and DOES 1-20 are jointly and severally liable for an amount to be determined at trial, and/or through an accounting.

FIFTH CAUSE OF ACTION

(Negligence)
(Corporations Code § 5231, *et seq.*)
(Against All Named Defendants and DOES 1-20)

63. Plaintiff re-alleges and incorporates by reference herein each and every allegation contained in Paragraph 1 through 62 above.

64. Each of the named defendants and DOES 1-20 had a duty of reasonable inquiry to insure that all of MCAP's employees, officers and directors used MCAP's funds for the charitable purposes set forth in MCAP's articles of incorporation, including use of the restricted assets in a manner consistent with the Order.

65. Each of the named defendants and DOES 1-20 knew or should have known that some of MCAP's employees, officers and directors used MCAP's funds in a manner inconsistent with MCAP's charitable purpose.

66. Each of the named defendants and DOES 1-20 breached their duty to insure that all of MCAP's employees, officers and directors used MCAP's funds for the charitable purposes set forth in MCAP's articles of incorporation, including use of the restricted assets in a manner consistent with the Order, by allowing funds to be diverted and/or by failing to take action against those directors/officers who improperly spent MCAP's charitable assets.

67. This breach resulted in the permanent depletion of the Housing Endowment and the use of MCAP's unrestricted assets for improper purposes.

68. Each named defendant and DOES 1-20 are jointly and severally liable for an amount to be determined at trial, and/or through an accounting.

SIXTH CAUSE OF ACTION

(Imposition of a Constructive Trust)

(Civil Code, §§ 2223 and 2224)

(Against All Named Defendants and DOES 1-20)

69. Plaintiff realleges and incorporates by reference each and every allegation contained in Paragraphs 1 through 68 above.

70. Pursuant to Civil Code sections 2223 and 2224, a constructive trust may be imposed where three conditions are satisfied: (1) the existence of a *res* (property or some interest in property), (2) the right of a complaining party to that *res*, and (3) some wrongful acquisition or detention of the *res* by another party who is not entitled to it. In addition, the imposition of a constructive trust is proper when one has acquired property to which he is not justly entitled, if it was obtained by actual fraud or by constructive fraud through the violation of some fiduciary or confidential relationship.

1 71. On information and belief, all named defendants and DOES 1-20 are Involuntary
2 Trustees, as defined in Civil Code sections 2223 and 2224, because they knew or should have
3 known that the funds in the Housing Endowment were restricted by the Order and that the
4 Housing Endowment was only to be invaded after standards for invasion had been adopted by the
5 board, and only for purposes stated in the Order. On information and belief, several of the named
6 defendants, including but not limited to defendants Johnson and Vannoy, and DOES 1-20
7 wrongfully took control of restricted charitable assets and subsequently participated in making
8 illegal distributions of those restricted assets. All of the other named defendants and DOES 1-20
9 participated in the diversion of assets from the Housing Endowment and have, by dissipating the
10 Housing Endowment, benefitted from violating the charitable trust pursuant to which those assets
11 were held.

12 72. On information and belief, the funds in the Housing Endowment were designated in
13 the Order as restricted assets to be held in trust for MCAP's charitable beneficiaries and to be
14 used only to "provide housing." On information and belief, instead of spending the restricted
15 assets on housing, the named defendants and DOES 1-20 breached their fiduciary duties by
16 transferring the restricted assets from the Housing Endowment into MCAP's general operating
17 account and allowing the restricted assets, as well as MCAP's unrestricted assets, to be used to
18 for expenditures unrelated to "housing" as defined in the Order.

19 73. On information and belief, the named defendants and DOES 1-20 were unjustly
20 enriched when they used restricted charitable assets to pay their salaries and to pay personal
21 expenses incurred on MCAP credit cards.

22 74. On information and belief, some of the named defendants and DOES 1-20 were also
23 unjustly enriched because they personally received restricted assets. As such, the conduct of those
24 named defendants and DOES 1-20 has violated and continues to violate the charitable trust
25 obligations of the named defendants and DOES 1-20.

26 75. In order to prevent unjust enrichment on the part of each of the named defendants and
27 DOES 1-20, plaintiff is seeking to create a constructive charitable trust on behalf of the intended
28 beneficiaries to allow for the recovery of MCAP's assets that were illegally distributed by the

1 named defendants and DOES 1-20. Because the named defendants and DOES 1-20 violated this
2 trust, the charitable beneficiaries of MCAP have suffered and will continue to suffer in an amount
3 to be determined at time of trial.

4 **SEVENTH CAUSE OF ACTION**
5 **(Involuntary Dissolution)**
6 **(Corporations Code, § 6510 *et seq.*)**
7 **(Against Defendant MCAP)**

8 76. Plaintiff realleges and incorporates by reference each and every allegation contained
9 in Paragraphs 1 through 75 above.

10 77. The grounds upon which the Attorney General seeks involuntary dissolution of
11 MCAP include mismanagement of the corporation and/or misappropriation/misapplication/waste
12 of MCAP's charitable assets, both restricted and unrestricted, by its officers and directors.

13 78. On information and belief, those in control of MCAP withdrew approximately \$1.8
14 million dollars of restricted charitable assets from the Housing Endowment which were then
15 misappropriated, misapplied or wasted.

16 79. On information and belief, MCAP's officers and directors misappropriated,
17 misapplied or wasted in excess of \$1.0 million in unrestricted charitable assets.

18 80. On information and belief, MCAP is currently conducting no substantial charitable
19 activities and is substantially failing to carry out its stated purpose.

20 81. By reason of each and all of the acts and things hereinabove alleged, MCAP has
21 failed to comply with the trust which it assumed and has departed from the public and charitable
22 purposes it was bound to serve. In order to determine the extent of such failure and departure and
23 to correct it and prevent such from occurring repeatedly in the future, and in order to conserve and
24 preserve the assets and property of MCAP for public and charitable purposes and prevent waste,
25 dissipation, and loss of the same to irreparable damage of the People of the State of California, it
26 is necessary that MCAP be dissolved and all assets be placed in trust with the plaintiff for
27 distribution to a like-kind public benefit corporation.

28 ///

///

1 **WHEREFORE**, Plaintiff prays as follows:

2 1. For appropriate injunctive and equitable relief protecting all charitable assets in
3 whatsoever form and in whoever of the named defendants and DOES 1-20's possession they may
4 now be;

5 2. That an order issue directing that the named defendants and DOES 1-20 render to the
6 Court and to plaintiff a full and complete accounting for all of MCAP's charitable assets from
7 January 1, 2000 to the present, including substantiation of all withdrawals from the Housing
8 Endowment, as well as all assets, annual revenue and expenditures, and substantiating that any
9 restricted funds transferred out of the Housing Endowment were used in a manner consistent with
10 the Court's order;

11 3. That an order issue requiring the return of all charitable assets diverted from the
12 Housing Endowment, and from MCAP's unrestricted charitable assets, for which MCAP cannot
13 account, be placed in a constructive trust for the intended charitable beneficiaries of MCAP and
14 its directors to be used for the intended charitable purpose;

15 4. That an order issue precluding the named defendants and DOES 1-20 from serving in
16 any fiduciary capacity as directors or officers with any other public benefit corporation or
17 charitable trust;

18 5. That an order issue for the involuntary dissolution of MCAP pursuant to the
19 provisions of Corporations Code sections 6514 and 6518, and for an order providing for
20 satisfaction of all of its lawful debts, and establishing a procedure for determining the disposition
21 of all remaining assets of MCAP in a manner consistent with the charitable purposes of MCAP
22 and consistent with any restrictions that have been placed upon any remaining assets of MCAP;

23 5. For compensatory damages;

24 6. For Plaintiff's attorneys' fees and costs pursuant to Code of Civil Procedure section
25 1021.8 and Government Code sections 12597 and 12598.

1 7. For such other relief as the Court may deem to be just and proper.
