## NOTICE OF DATA SECURITY INCIDENT

Dear [REDACTED],

Pearlman, Brown & Wax LLP (“PBW”) is writing to inform you of a recent data security incident that may have impacted some of your personal information. PBW may have received your personal information in connection to legal services rendered regarding a workers’ compensation claim against your current or previous employer.

We take the privacy and security of personal information in our control seriously. This letter contains information about steps you can take to protect your information, and resources we have made available to help you.

### What Happened?

On or around March 27, 2026, we discovered suspicious activity in our network. We immediately implemented our incident response protocols, took our network offline, and engaged external cybersecurity experts to conduct an investigation. On May 01, 2026, the investigation determined that an unauthorized individual gained access to PBW’s network for a limited period of time and may have accessed certain files in the network. We then conducted a thorough review of these potentially impacted files to determine whose information may have been impacted.

### What Information Was Involved?

This review determined that files containing your name, Social Security number, and medical and treatment information related to your workers’ compensation claim may have been impacted during the incident.

### What We Are Doing:

We want to assure you that we are taking steps to minimize the risk of this happening in the future. Since the incident, we have changed system and user passwords, restored systems, and implemented additional endpoint threat detection tools in our network, among other measures. In addition, while we are not aware of any misuse of personal information, we are providing you with access to Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score services at no charge. These services provide you with alerts for 12 months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau. Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

## Recommended Steps to help Protect your Information

**1. Review your credit reports.** We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

You should also know that you have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

**2. Place Fraud Alerts** with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

### Credit Bureaus

Equifax Fraud Reporting  
1-866-349-5191  
P.O. Box 105069  
Atlanta, GA 30348-5069  
[www.equifax.com](http://www.equifax.com)

Experian Fraud Reporting  
1-888-397-3742  
P.O. Box 9554  
Allen, TX 75013  
[www.experian.com](http://www.experian.com)

TransUnion Fraud Reporting  
1-800-680-7289  
P.O. Box 2000  
Chester, PA 19022-2000  
[www.transunion.com](http://www.transunion.com)

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well.

You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

**Please Note: No one is allowed to place a fraud alert on your credit report except you.**

**3. Security Freeze.** By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files.
