NOTICE OF DATA BREACH

Dear <<FirstName>><<LastName>>:

inVentiv Health is committed to maintaining the privacy and security of our employees' personal information. Regrettably, we are writing to inform you of an incident involving some of that information.

What Happened. On July 7, 2016, we learned that a targeted "phishing" email message had been sent to inVentiv Health in June. Phishing emails are crafted to appear as if they have been sent from a legitimate organization or known individual. The email was designed to appear as though it had been sent by an inVentiv executive, from the inVentiv executive's email account, requesting the uploading of our U.S. employees' 2015 W-2 Forms to a file sharing site. Believing the email request to be legitimate, the W-2 data was uploaded. It is unknown how much of the data uploaded may have been accessed by unauthorized individuals.

What Information Was Involved. The W-2 data included your name, address, Social Security number and salary information.

What We Are Doing. The IRS and FBI were notified of this incident and we will be cooperating with their investigations. The IRS has indicated that they will monitor employees' accounts for this year, in an effort to prevent fraudulent tax refunds from being paid out. To help prevent something like this from happening again, we are re-educating our employees with respect to phishing emails and have taken steps to enhance our existing security.

What You Can Do. We recognize this issue can be frustrating and we are taking steps to help protect you and to safeguard the personal information we receive and maintain going forward. We have partnered with Equifax® to provide its Credit Watch™ Gold with 3-in-1 Monitoring identity theft protection product for two years at no charge to you. A description of this product, as well as additional information on how to prevent identity theft, is provided in the attached material, which also contains instructions about how to enroll (including your personal activation code). If you choose to take advantage of this product, it will provide you with a notification of any changes to your credit information, \$1 million Identity Fraud Expense Coverage and access to your credit report. You must complete the enrollment process by November 15, 2016. **We have pre-purchased credit monitoring for every impacted employee and strongly urge you to enroll in this product at our expense.**

For More Information. We regret any concern this may cause you. Should you have further questions regarding this incident, you may call 888-246-7153, Monday through Friday, 9:00 a.m. to 9:00 p.m. Eastern Standard Time, excluding holidays.

We will continue to be vigilant against future cyber-attacks and will keep you informed as necessary.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Green", with a long horizontal flourish extending to the right.

Eric Green
