THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. This measure shall be known and may be cited as the California Taxpayer Protection Act of 2010.

SECTION 2. Section 27 is added to the Government Code, to read:

27. (a) (1) Notwithstanding any other provision of law and except as provided in paragraph (2) or where exempted by federal law, every agency or a political subdivision of this state shall verify the lawful presence in the United States of any natural person fourteen (14) years of age or older who has applied for state or local benefits, as defined in 8 U.S.C., Section 1621, or for federal public benefits as defined in 8 U.S.C., Section 1611, that are administered by an agency or political subdivision of this state.

(2) Verification of lawful presence under the provisions of this section shall not be required:

(A) For any purpose for which lawful presence in the United States is not restricted by law, ordinance or regulation.

(B) For emergency medical care and other assistance exempt from verification as described in Section 1611 (b) of, and Section 1621 (b) of, Title 8 of the United States Code.

(b) (1) Verification of lawful presence in the United States by the agency or political subdivision required to make such verification shall require that the applicant execute an affidavit under penalty of perjury that:

(A) He or she is a United States citizen; or

(B) He or she is a qualified alien as described in Section 1641 of Title 8 of the United States Code.

(2) For an applicant who has executed the affidavit described in subparagraph (B), eligibility for benefits shall be verified through the Systematic Alien Verification for Entitlements (SAVE) Program operated by the United States Department of Homeland Security, or an equivalent program designated by the United States Department of Homeland Security. Until this eligibility verification is made, the affidavit may be presumed to be proof of lawful presence for the purposes of this section.

(3) Each agency or department shall monitor the Systematic Alien Verification for Entitlements Program for application verification errors and significant delays. Errors shall be reported to the United States Department of Homeland Security by each agency or department.

(4) The California Health and Human Services Agency shall adopt regulations to provide for the adjudication of extraordinary individual circumstances under which the verification procedures imposed by this section would impose undue hardship on a citizen or lawful domiciliary of California.

(c) (1) If an ineligible applicant, as defined in paragraph (2), is unable to satisfy the verification requirements of subdivision (b) when applying for a public benefit on behalf of a person who is determined to be eligible, a copy of the application shall be reported to the United States Department of Homeland Security, or its successor.

(2) For purposes of this subdivision, "ineligible applicant" means a parent, relative, or guardian, applying on behalf of an eligible person for a state or local public benefit or federal public benefit, as defined in paragraph (1) of subdivision (a), who is a member of the same household as the eligible person.

(d) (1) A person who knowingly and willfully makes a false, fictitious, or fraudulent statement or representation in an affidavit executed pursuant to subdivision (b) shall be subject to the penalties specified in Section 114 of the Penal Code.

(2) It shall be unlawful and contrary to public policy for any agency of this state or a political subdivision therein to provide or offer to provide any state, local, or federal public benefit, as defined in 8 U.S.C., Section 1621, or 8 U.S.C., Section 1611, in violation of the provisions of this section.

SECTION 3. Section 10003 is added to the Welfare and Institutions Code, to read:

10003. (a) Unless prohibited by federal law, an ineligible applicant, as defined in paragraph (2) of subdivision (c) of Section 27 of the Government Code, who files an application on behalf of an eligible recipient for publicly funded social services that constitute a state or local benefit as defined in subsection (c) of Section

1621 of Title 8 of the United States Code, that are funded by state block grants, or other state or local funds, shall be subject to the verification requirements under subdivision (b) of Section 27 of the Government Code as a condition of establishing the recipient's initial eligibility, or upon re-determination of eligibility, as a condition of the eligible recipient receiving the state or local benefit.

(b) For purposes of this section, "ineligible applicant" means a parent, relative, or guardian applying on behalf of an eligible person, for a state or local benefit, who is a member of the same household as the eligible person.

SECTION 4. Section 11200.1 is added to the Welfare and Institutions Code, to read:

11200.1. (a) Notwithstanding any other provision of law, commencing on the first day of the first calendar quarter after the effective date of this section, a child in child-only CalWORKS case, or its successor program, shall be prohibited from receiving aid for more than five years.

SECTION 5. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.
