Non-Partisan Ballots

Purpose:

In an effort to remove party line voting and partisan generalizations, this initiative intends to strike party affiliation from the ballot.

This initiative amends the California Constitution, Article II, Section 5 (b), to add a "not" before the word "have".

The amended text would look as follows (with the new text in bold and underlined).

"

(b) Except as otherwise provided by Section 6, a candidate for a congressional or state elective office may **not** have his or her political party preference, or lack of political party preference, indicated upon the ballot for the office in the manner provided by statute.

"
