

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REFERENDUM TO OVERTURN NON-DISCRIMINATION REQUIREMENTS FOR SCHOOL PROGRAMS AND ACTIVITIES.** If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The law must then be approved by a majority of voters at the next statewide election to go into effect. The law would permit elementary/secondary school students to participate in sex-segregated school programs and activities, including athletic teams and competitions, and use facilities consistent with the student's gender identity.
