

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REFERENDUM TO OVERTURN BAN ON SINGLE-USE PLASTIC BAGS. If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The challenged law must then be approved by a majority of voters at the next statewide election to go into effect. The law prohibits grocery and certain other retail stores from providing single-use bags but permits sale of recycled paper bags and reusable bags. (14-0011.)
