

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REFERENDUM TO OVERTURN AID-IN-DYING LAW.** If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The challenged law must then be approved by a majority of voters at the next statewide election to go into effect. The law allows a terminally ill, mentally competent adult to obtain a prescription for a life-ending drug, provided two doctors confirm the diagnosis and prognosis, and other safeguards are met.
