

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**DIRECTS CALIFORNIA LEGISLATURE TO REQUEST THAT CONGRESS CALL A
FEDERAL CONSTITUTIONAL CONVENTION TO PROPOSE VARIOUS
AMENDMENTS TO THE UNITED STATES CONSTITUTION. INITIATIVE**

STATUTE. Directs California Legislature to request that Congress call a federal constitutional convention to propose various amendments to the United States Constitution addressing, among other things, civil rights, the environment, federal taxation, and California's sovereignty and independence. Instructs elected state officials to communicate with and support any other state that is interested in calling a federal constitutional convention. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government:

Unknown, but potentially major, changes to state and local budgets if the measure withstands legal challenges, is approved by the voters, and results in three-quarters of states eventually approving amendments to the U.S. Constitution. (17-0017.)
