MISDEMEANORS. INITIATIVE STATUTE. Imposes restrictions on parole program for non-violent offenders who have completed the full term for their primary offense. Increased state and local correctional costs likely in the tens of millions of dollars annually, primarily related to increases in penalties for certain theft-related crimes and the changes to the nonviolent offender release consideration process. Increased state and local court-related costs of around a few million dollars annually related to processing probation revocations and additional felony theft filings. Increased state and local law enforcement costs not likely to exceed a couple million dollars annually related to collecting and processing DNA samples from additional offenders. (17-0044.)
