

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REQUIRES CERTAIN COMMERCIAL AND INDUSTRIAL REAL PROPERTY TO BE TAXED BASED ON FAIR-MARKET VALUE. DEDICATES PORTION OF ANY INCREASED REVENUE TO EDUCATION AND LOCAL SERVICES. INITIATIVE CONSTITUTIONAL AMENDMENT. Taxes certain commercial and industrial real property based on fair-market value—rather than, under current law, the purchase price with limited inflation. Exempts agricultural property and certain small businesses. Dedicates portion of any increased revenue to local services and to supplement, not replace, state’s minimum-funding guarantee to schools. Provides tax exemption for \$500,000 worth of tangible personal property used for business and all personal property used for certain small businesses. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Net increase in annual property tax revenues of \$6.5 billion to \$10.5 billion in most years, depending on the strength of real estate markets. After paying for county administrative costs and backfilling state income tax losses related to the measure, the remaining \$6 billion to \$10 billion would be allocated to schools (40 percent) and other local governments (60 percent).** (17-0055.)
