

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

ALLOWS NEW TYPES OF GAMBLING IN CALIFORNIA. INITIATIVE

CONSTITUTIONAL AMENDMENT. Allows federally recognized Native American tribes to operate roulette and craps games on tribal lands, subject to compacts negotiated by the Governor and ratified by the Legislature. Allows licensed gambling establishments, such as card rooms, to conduct on-site sports wagering and to operate Nevada-style card games, and may result in authorization of sports wagering on tribal lands because of federal law. Prohibits Governor from approving gaming on newly acquired off-reservation tribal lands and negotiating gaming compacts with non-federally recognized tribes. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Unclear net fiscal impact, as it would depend primarily on how the measure is interpreted and implemented as well as the extent to which businesses and members of the public participate in the new gaming activities.** (18-0003)
