

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REPLACES STATE SENATE AND ASSEMBLY WITH SINGLE-HOUSE**

**LEGISLATURE; INCREASES NUMBER OF LEGISLATORS. INITIATIVE**

**CONSTITUTIONAL AMENDMENT.** Replaces current State Senate and Assembly of 40 Senators and 80 Assemblymembers with a nonpartisan single-house legislature starting in 2022, initially consisting of 250 legislators. Starting in 2024, the single-house legislature would have one legislator for every 80,000 to 100,000 persons in California. The number of legislators would be updated every ten years to reflect population changes as reported by the national Census. Legislators in the single-house legislature would serve four-year terms, and could serve for no more than twelve years. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **One-time costs of hundreds of millions of dollars to expand the State Capitol in Sacramento, with ongoing increased building maintenance costs of a few million dollars annually. Increased state costs of millions of dollars per year to oversee elections. Increased county costs of up to the low tens of millions of dollars annually to administer elections. Increased state costs of millions of dollars for the Citizen Redistricting Commission each decade.** (19-0012.)
