

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

ALLOWS LOCAL GOVERNMENTS TO OVERRIDE STATE LAND-USE AND ZONING LAWS. REQUIRES STATE FUNDING FOR COUNTY HIGHWAYS, HOUSING, AND COURTS. CHANGES WHERE SOME INMATES ARE HOUSED.

INITIATIVE CONSTITUTIONAL AND STATUTORY AMENDMENT. Allows city and county land-use and zoning laws to override conflicting state laws. Requires Legislature to fund county highway construction and maintenance, housing infrastructure, and superior courts, as requested by county governments. Requires adequate superior court staffing to ensure adequate court services. Requires state prisons to house certain felons currently housed in jails if the county sheriff certifies that the county jails have reached maximum capacity. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Unknown, potentially significant increase in state costs because the state would assume financial responsibility over some local government services and/or costs. Unknown net decrease in local government costs associated with city and county costs that would shift to the state and some offsetting new costs.** (20-0002.)
