

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**ESTABLISHES ADDITIONAL VOTER IDENTIFICATION AND CITIZENSHIP
VERIFICATION REQUIREMENTS. INITIATIVE CONSTITUTIONAL AMENDMENT.**

Under current law, when registering to vote, individuals must state under penalty of perjury that they are United States citizens and provide information to verify their identity (e.g., birthdate, driver's license or Social Security number). This measure would amend the California

Constitution to further require that:

- voters present government-issued identification at the polls or the last four digits of a government-issued identification number when voting by mail;
- the State provide voter identification cards on request; and
- elections officials annually report percentage of each county's voters whose citizenship they have verified.

Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **One-time state and local government costs in the tens of millions of dollars to prepare for implementation of the measure. Increased annual state and local government costs potentially ranging in the tens of millions of dollars to the low hundreds of millions of dollars to fulfill new requirements related to elections administration.**
