

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

ELECTIONS. VOTER IDENTIFICATION REQUIREMENTS. INITIATIVE

STATUTE. Prohibits citizen's vote at the polls from being counted unless he or she presents government-issued photo-identification. Establishes provisional voting for citizens at the polls who fail to present government-issued photo-identification. Requires that provisional ballots and mail-in ballots be deemed invalid unless the accompanying envelope contains the citizen's birthdate, and citizen's identification number or last four digits of driver's license, state identification card, or social security number. Requires that election officials verify this information prior to opening or counting ballot. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Increased local government elections costs and decreased state fee revenues, potentially in the range of tens of millions of dollars per year. Potentially increased state funding (about \$100 million) to local governments, offset by an equal amount of decreased state funding to local governments in future years.** (13-0039.)
