

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**MARIJUANA LEGALIZATION. INITIATIVE STATUTE.** Legalizes marijuana under state law. Applies general retail sales taxes to non-medical marijuana. Permits Legislature to place additional excise tax on non-medical marijuana sales, up to 15% of retail price. Permits local governments to ban or limit the number of marijuana businesses within their boundaries if their voters approve. Requires State to create and fund diversion programs in each county exclusively for marijuana offenders. Requires Legislature to pass laws implementing the initiative. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Reduced costs ranging from tens of millions of dollars to potentially exceeding \$100 million annually to state and local governments related to enforcing certain marijuana-related offenses, handling the related criminal cases in the court system, and incarcerating and supervising certain marijuana offenders. Net additional state and local tax revenues of potentially up to several hundred million dollars annually related to the production and sale of marijuana. (15-0120.)**
