Initiative 09-0066

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**ALLOWS VOTERS TO PLACE QUESTION OF CALLING A CONSTITUTIONAL CONVENTION ON THE BALLOT. INITIATIVE CONSTITUTIONAL AMENDMENT.**

Amends the Constitution to permit voters to place on the ballot the question of whether to call a convention to revise the state Constitution. Permits any ballot measure calling a convention to specify the parts of the Constitution that the convention can or cannot revise. Requires any ballot measure calling a convention to specify the process for selection of convention delegates. Repeals requirement that convention delegates be elected by voters. Permits voters to call a convention no more than once every ten years. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: No direct fiscal impact, as any effect would depend on whether and how voters used the power to call and accept the recommendations of a constitutional convention in the future. Potentially major fiscal changes in state and local governments could result. (09-0066.)
