

**REDISTRICTING. CONGRESSIONAL DISTRICTS. REFERENDUM.** Congressional districts are revised every ten years following the federal census. This year, the voter-approved California Citizens Redistricting Commission revised the boundaries of California's 53 congressional districts. This referendum petition, if signed by the required number of registered voters and filed with the Secretary of State, will: (1) Place the revised congressional boundaries on the ballot and prevent them from taking effect unless approved by the voters at the next statewide election; and (2) Require court-appointed officials to set interim boundaries for use in the next statewide election.
