## INTRODUCTION

Asset forfeiture, as established under various state and federal statutes, is intended to disrupt criminal activities through the seizure and forfeiture of the instruments or proceeds of crime.

Pursuant to California Health and Safety Code section 11495, the California Department of Justice (DOJ) publishes an annual report providing information on forfeiture actions during the preceding calendar year. This 31st annual report covers the 2025 calendar year. Annually, DOJ sends a request to all local law enforcement agencies and district attorneys' offices for federal and state seizure and forfeiture information. DOJ received federal seizure and forfeiture information from 270 out of approximately 400 state and local law enforcement agencies, and state seizure and forfeiture information from 54 out of 58 district attorneys' offices. Local law enforcement agencies and district attorneys' offices are not statutorily mandated to provide their data to DOJ for inclusion in the annual report.

### HEALTH AND SAFETY CODE SECTION 11495

- a) The funds received by the law enforcement agencies under Section 11489 shall be deposited into an account maintained by the Controller, county auditor, or city treasurer. These funds shall be distributed to the law enforcement agencies at their request. The Controller, auditor, or treasurer shall maintain a record of these disbursements which records shall be open to public inspection, subject to the privileges contained in sections 1040, 1041, and 1042 of the Evidence Code.
- b) Upon request of the governing body of the jurisdiction in which the distributions are made, the Controller, auditor, or treasurer shall conduct an audit of these funds and their use. In the case of the state, the governing body shall be the Legislature.
- c) Each year, the Attorney General shall publish a report that sets forth the following information for the state, each county, each city, and each city and county:
  - 1) The number of forfeiture actions initiated and administered by state or local agencies under California law, the number of cases adopted by the federal government, and the number of cases initiated by a joint federal-state action that were prosecuted under federal law.
  - 2) The number of cases and the administrative number or court docket number of each case for which forfeiture was ordered or declared.
  - 3) The number of suspects charged with a controlled substance violation.
  - 4) The number of alleged criminal offenses that were under federal or state law.
  - 5) The disposition of cases, including no charge, dropped charges, acquittal, plea agreement, jury conviction, or other.
  - 6) The value of the assets forfeited.
  - 7) The recipients of the forfeited assets, the amounts received, and the date of the disbursement.
- d) The Attorney General shall develop administrative guidelines for the collection and publication of the information required in subdivision (c).
- e) The Attorney General's report shall cover the calendar year and shall be made no later than July 1 of each year.

## HIGHLIGHTS

Statistics for this report were solicited from California’s district attorneys’ offices and law enforcement agencies. Although DOJ is required to prepare this report, local agencies are not statutorily mandated to provide their data to DOJ for inclusion. The 2025 report reflects the responses received from 54 district attorneys and 270 state and local law enforcement agencies. In California, there are 58 district attorneys’ offices and approximately 400 law enforcement agencies. Based on the data received by DOJ, the following highlights the findings listed within this report:

- A total of 1,448 state forfeiture proceedings were initiated in 2025 (Table 1).
- A total of 1,231 state forfeiture cases were completed during 2025, which included cases initiated in 2025 and prior years. The total value of the disbursed assets is \$30,865,882.94 (Table 2).
- A total of 1,673 federal forfeiture sharing requests were submitted in 2025 (Table 4).
- A total of 1,587 joint federal asset forfeiture cases in which state or local law enforcement participated were completed and disbursed during 2025. The total value of the federal equitable sharing funds received is \$39,075,985.77 (Table 5).
- The District Attorneys’ Offices in Alpine County, Calaveras County, Inyo County, Marin County, Modoc County, Mono County, Sierra County and Tuolumne County reported no state forfeiture cases initiated or completed in 2025 (Table 3).
- The following four District Attorneys’ Offices did not participate in providing data for this report: Del Norte, Mariposa, Trinity, and Yolo.
- A total of 270 state and local law enforcement agencies participated in this report, 192 of which reported no federal equitable sharing funds received (Table 4).

## METHODOLOGY

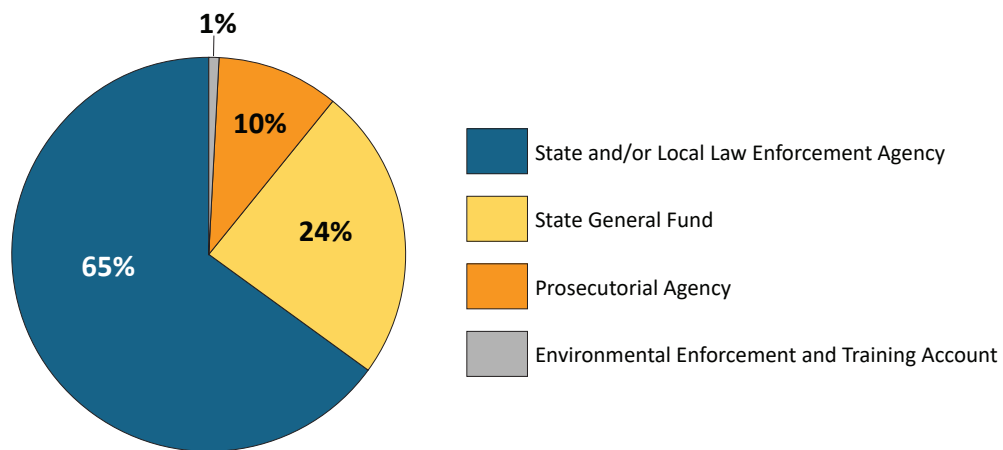

To comply with the requirements of Health and Safety Code section 11495, DOJ reached out to all California district attorneys, who are the officials conducting state forfeiture proceedings. DOJ requested they provide the required information for each state forfeiture action conducted during the reporting period. Although DOJ is required to prepare this report, local agencies are not statutorily mandated to provide their data to DOJ for inclusion.

This report provides the information required by Health and Safety Code section 11495 on all forfeitures initiated during calendar year 2025. For state forfeitures completed and federal distributions received during calendar year 2025, detailed information is provided.

Pursuant to Health and Safety Code section 11489, state asset forfeiture proceeds are distributed as follows:

- One percent to the Environmental Enforcement and Training Account to support the development of courses and training materials and the enforcement of state and local environmental laws.
- Ten percent to the prosecutorial agency that processes the forfeiture action.
- Twenty-four percent to the state General Fund.
- Sixty-five percent to the state and/or local law enforcement agencies that participated in the seizure of the assets, distributed in a manner which reflects the proportionate contribution of each agency. Fifteen percent<sup>1</sup> of the funds distributed to law enforcement must be deposited in a special fund which is maintained by a council of local government entities. This fund must be used for the sole purpose of funding programs designed to combat drug abuse and divert gang activity.

### DISTRIBUTIONS OF STATE ASSET FORFEITURE PROCEEDS

Information regarding Federal Equitable Sharing sought and received by California law enforcement agencies through joint investigations can only be obtained directly from the participating agencies. This federal program provides supplemental resources in applicable cases. This is the eighth report to include federal forfeiture data, and the eighth time agencies other than district attorneys’ offices have been called upon to participate.

Federal asset forfeiture proceeds received by a state or local law enforcement agency may be utilized for allowable law enforcement purposes as defined in the Federal Guide to Equitable Sharing. Health and Safety Code section 11471.2 prohibits state and local law enforcement agencies from seeking federal adoption of specified asset seizures. It also prohibits acceptance of certain federal equitable sharing distributions when the asset seized is real property or less than \$40,000 in cash or other negotiable instruments unless the underlying criminal case has resulted in a conviction. When such prohibited seizures are ordered forfeited, the participating California agency must decline or return the distribution. In those cases, the entire forfeited amount is retained by the federal agency.

<sup>1</sup> Although local agencies are not statutorily mandated to provide their data to DOJ for inclusion, some did provide information regarding their 15% deposit into a special fund (Table 3).

## **ASSET FORFEITURE STATISTICAL DATA**

### ***STATE ASSET FORFEITURES INITIATED***

- For purposes of this report, seizure of assets or completing a federal sharing request constitutes the initiation of a forfeiture action.
- Initiated cases may result in forfeitures in the 2025 reporting year or remain pending after 2025.
- Table 1 provides information on asset forfeiture actions initiated pursuant to California law during 2025 and is also reflective of information reported by district attorneys' offices ([Page 5](#)).
- Table 4 provides information on forfeiture sharing requests initiated as part of a joint federal asset forfeiture investigation during 2025 ([Page 201](#)).

## **STATE ASSET FORFEITURES COMPLETED**

- For purposes of this report, an asset forfeiture case is considered completed when forfeiture has been ordered or declared and all assets have been distributed<sup>2</sup> by the district attorney's office or federal sharing funds have been received.<sup>3</sup>
- Table 2 provides summary information on asset forfeiture actions completed pursuant to California law during 2025. This includes disbursement information on cases initiated in 2025 and prior years ([Page 8](#)).
- Table 3 is the most extensive section within this report and provides detailed information on each asset forfeiture case completed pursuant to state law during 2025 ([Page 10](#)).
- Table 5 provides summary information on federal asset forfeitures received by state and local law enforcement agencies as part of a joint asset forfeiture case in 2025, including cases initiated in 2025 and prior years ([Page 211](#)).
- Table 6 provides detailed information on federal asset forfeiture cases for which equitable sharing funds were disbursed to California law enforcement agencies during 2025 ([Page 214](#)).
- Cases for which only a partial distribution was made during 2025 are not listed in Tables 3 or 6, as they are considered still pending. These cases will be reported once they are fully distributed.
- Tables 2 and 3 reflect data reported by district attorneys' offices.
- Tables 4, 5, and 6 reflect data reported by law enforcement agencies.

---

2 When all seized items have been returned to the defendant following adjudication of a previously initiated case, it is no longer considered to be an asset forfeiture case.

3 Federal sharing funds that a state or local law enforcement agency has returned to the federal sharing agency are not considered funds received and are not included in this report.
