

STOP DATA

I. Introduction

[Content in development]

II. Stop Data Analysis

[Statutorily mandated discussion of 2024 RIPA stop data forthcoming.]

[Area for Board discussion: How should the stop data be organized—demographic group or by event?]

III. Additional Analysis

[Area for Board discussion: Given this year's report theme, what stop data elements can be used to discuss impacts of racial profiling on public safety?]

- Preliminary definition of “public safety” offered by the Policies Subcommittee: Public safety is the experience of community members being and feeling safe from threats to their lives or wellbeing.

[Additional area for Board discussion: What analyses would the Board like to see in the Stop Data section?]

- Potential areas for inclusion, discussed at last subcommittee meeting:
 - Hotspot/concentration analysis – What are the impacts on public safety and community trust?
 - Potential types of analyses:
 - Consent-type concentration
 - Stop duration concentration
 - Disparate search- and discovery-rate concentration
 - Other racial disparities
 - Analysis of pedestrian and bicycle stops
 - Disparities in search- and discovery-rate among vehicle, bicycle, and pedestrian stops
 - Analysis of consent searches
 - Analysis of officers' self-identified race
 - Disparities among race categories, across race, for within-race and not-within race searches
 - Disparities in search and discovery rates
 - Analysis of duration of stop
 - Does the length of a stop impact the nature of the stop (ex: actions taken, outcome of stop)?
 - Longitudinal analysis of Wave 1 agency stop data

DRAFT REPORT – PENDING EDITING AND REVIEW

This draft is a product of various subcommittees of the Racial and Identity Profiling Advisory Board. It has been provided merely for the Racial and Identity Profiling Advisory Board's consideration and its content does not necessarily reflect the views of any individual RIPA Board member, the full RIPA Board, or the California Department of Justice.

- Analysis of stop data for agencies that have prohibited pretextual stops
 - What are the impacts of pretextual stops on public safety?

IV. Board Recommendations

[This section will reflect any policy recommendations from the Stop Data subcommittee]

V. Vision for Future Reports

[This section will reflect any visions for future reports, including future stop data analyses, as discussed by the Board.]
