Executive Summary

Assembly Bill (AB) 1706 (Chapter 387, Statutes of 2022) required the California Department of Justice (Department), in consultation with the Judicial Council of California, to produce a quarterly joint progress report to the Legislature regarding the status of AB 1793 (Chapter 993, Statutes of 2018) implementation. This report serves as the first of six quarterly reports that will be submitted to the legislature.

AB 1793, Cannabis Convictions: Resentencing Act, required the Department, on or before July 1, 2019, to review the records in the state summary criminal history information database and to identify past convictions that are potentially eligible for recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA). The Department was also required to notify the prosecution of all cases in their jurisdiction that are eligible for recall or dismissal of a sentence, dismissal and sealing, or redesignation.

The tables and graphs provided in this report summarize data as of January 3, 2023.

Background

Proposition 64 (AUMA, 2016) was passed by the voters of California in 2016. AUMA regulates the cultivation, distribution, and use of cannabis for nonmedical purposes by individuals 21 years of age and older. Pursuant to Health & Safety Code (HSC), section 11362.1, as amended by the Medicinal and Adult Use Cannabis Regulation and Safety Act (MAUCRSA), an individual 21 years of age or older may, among other things, possess, process, transport, purchase, obtain, or give away, as specified, up to 28.5 grams of cannabis and up to eight grams of concentrated cannabis. Additionally, AUMA authorized individuals who had been convicted under specified statutes and who would not have been guilty of an offense, or would have been guilty of a lesser offense, under AUMA had it been in effect at the time of the offense to petition for the recall or dismissal of a sentence, dismissal and sealing of a conviction, or redesignation as a misdemeanor or infraction (HSC, section 11361.8, subdivisions [a], [e]).

The Governor signed AB 1793, the Cannabis Convictions: Resentencing Act (Act), on September 30, 2018. In addition to the aforementioned petition procedure, AB 1793 created a process of automatic record clearance. Specifically, it required the Department on or before July 1, 2019, to review the records in the state summary criminal history information database to identify past convictions that were potentially eligible for recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to AUMA. Once these potentially eligible convictions were determined, the Department was required to notify the appropriate prosecuting agency of all cases in their jurisdiction that may have been eligible for recall or dismissal of a sentence, dismissal and sealing, or redesignation.

The prosecution was required to review all cases identified by the Department and determine whether to challenge the resentencing, dismissal and sealing, or redesignation on or before July 1, 2020. These challenges were authorized when the prosecution determined that the person did not meet the eligibility requirements or presented an unreasonable risk to public safety. The prosecution was required to notify the court about its determination in every case identified by the Department. If the prosecution determined that it would challenge a particular resentencing, dismissal and sealing, or redesignation, it was required to further notify the public defender. The court was empowered to automatically reduce or dismiss the conviction pursuant to AUMA if the prosecution did not challenge a case by July 1, 2020.

The courts were authorized to adjudicate whether a conviction should be reduced, dismissed, or sealed pursuant to AUMA. Once a determination was made, the court was required to notify the Department of the disposition. AB 1793 did not specify a date by which the court was required to do so.

Once this information was received by the Department, it was required to modify the state summary criminal history information database in conformance with the recall or dismissal of the sentence, dismissal and sealing, or redesignation and to post specified information on its Internet Web site. However, AB 1793's implementation was inconsistent across the state, with California's criminal justice system administered across 58 counties.

To bolster existing enforcement efforts of AB 1793, the Governor signed AB 1706, Cannabis crimes: resentencing, on September 18, 2022. If a sentence was not challenged by July 1, 2020,

AB 1706 required the court to issue an order recalling or dismissing the sentence, dismissing and sealing, or redesignating the conviction no later than March 1, 2023, and required the court to update its records accordingly and to notify the Department. It also required the Department, on or before July 1, 2023, to complete the update of the state summary criminal history information database, and ensure that inaccurate state summary criminal history is not disseminated, as specified. The Department was also required to conduct an awareness campaign so that individuals who may be eligible for relief become aware of methods to verify updates to their criminal history. AB 1706 specified that a conviction, arrest, or other proceeding that has been sealed pursuant to these provisions was deemed never to have occurred. It also required, until June 1, 2024, that the Department, in consultation with the Judicial Council of California, produce a quarterly joint progress report to the Legislature.

AB 1793 and AB 1076 At a Glance

On or before July 1, 2019, AB 1793 required the Department to review the records in the state summary criminal history information database and to identify past convictions that are potentially eligible for recall or dismissal, dismissal and sealing, or redesignation pursuant to AUMA (HSC, section 11361.9).

Additionally AB 1793:

1. Required the Department to notify the relevant prosecuting agency of all cases in their jurisdiction that are potentially eligible for recall or dismissal of a sentence, dismissal and sealing, or redesignation.
2. Required the prosecution to, on or before July 1, 2020, review all cases and determine whether to challenge the resentencing, dismissal and sealing, or redesignation.
3. Authorized the prosecution to challenge the resentencing, dismissal and sealing, or redesignation if the person did not meet the eligibility requirements or presents an unreasonable risk to public safety.
4. Required the prosecution to notify the public defender and the court when they are challenging a particular resentencing, dismissal and sealing, or redesignation.
5. Required the prosecution to notify the court when they are not challenging a particular resentencing, dismissal and sealing, or redesignation.
6. Required the court to automatically reduce or dismiss the conviction pursuant to AUMA if there is no challenge by the prosecution.
7. Once the court determined that a conviction should be resentenced, dismissed and sealed, or redesignated required the court to notify the Department to modify the state summary criminal history information database.
8. Required the Department to post general information on its website.

Beginning March 1, 2023, AB 1706 required the Department in consultation with Judicial Council to submit quarterly joint progress reports to the Legislature.

Additionally AB 1706:

1. Required the courts to update their records and report all cannabis convictions that have been recalled, dismissed, redesignated or sealed pursuant to Proposition 64 to the Department no later than March 1, 2023.
2. Required the Department to ensure that all of the records in the state summary criminal history information database that have been recalled, dismissed, sealed or redesignated pursuant to Proposition 64 have been updated no later than July 1, 2023.
3. Required the Department to conduct an awareness campaign regarding record changes for specified cannabis convictions.

4. Required the Judicial Council and the Department to submit quarterly joint progress reports to the Legislature on the status of cases recalled, dismissed, sealed and redesignated, starting March 1, 2023, until June 30, 2024.

General Information on HSC section 11361.9 (AB 1793)

HSC section 11361.9, subdivision (e) required “The Department of Justice shall post general information on its internet website about the recall or dismissal of sentences, dismissal and sealing, or redesignation authorized in this section.”

As of June 28, 2019, the Department provided every county prosecuting agency with state summary criminal history information for any individual that had a past conviction, in their county that was potentially eligible for recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to AUMA. The Department has continued to support prosecuting agency and court efforts. Some of the ways that the Department is supporting this efforts include:

- Holding virtual webinars with courts, prosecuting agencies, and the JCC to explain AB 1793 and AB 1706. Discussing roles, responsibilities, mandated timeframes, and processes.
- Publishing Information Bulletin 21-10-CJIS “Assembly Bill (AB) 1793 Cannabis Convictions: Resentencing” (December 08, 2021) (<https://oag.ca.gov/system/files/media/21-10-cjis.pdf>).
- Developing and sharing reports with courts and prosecuting agencies of cases that are still potentially eligible for relief.
- Development of a new technology solution to process bulk AB 1793 related court dispositions using the reports we shared with courts and prosecuting agencies.
- Calling and emailing courts and prosecuting agencies to offer assistance, gather status updates, and address questions or concerns.

The Department also published general information on the Attorney General’s website (<https://oag.ca.gov/fingerprints/record-review/ab1793>) that described how to request their criminal history information to verify the updates or how to contact prosecuting agencies or public defenders’ offices.

HSC section 11361.9, subdivision (h): Quarterly Progress Report (AB 1706)

AB 1706 amended HSC section 11361.9, subdivision (h) to mandate that “Beginning March 1, 2023, and until June 1, 2024, the Department of Justice, in consultation with the Judicial Council, shall submit quarterly joint progress reports to the Legislature”

Status of Public Awareness Campaign

Pursuant to HSC section 11361.9, subdivision (h)(4), the report shall include “The status of the department’s public awareness campaign to provide notification to impacted individuals.”

AB 1706 amended HSC section 11361.9, subdivision (e) to mandate that “The department shall conduct an awareness campaign about the recall or dismissal of sentences, dismissal and sealing, or redesignation authorized in this section, so that individuals that may be impacted by this process are informed of the process pursuant to Article 5 (commencing with Section 11120) of Chapter 1 of Title 1 of Part 4 of the Penal Code, to request their criminal history information to verify the updates or how to contact the courts, prosecution, or public defenders’ offices to assist in verifying the updates.”

As of January 3, 2023, the Department’s public awareness campaign has been focused on general information available to the public on the Attorney General’s website and working with prosecuting agencies and courts who perform the recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to HSC section 11361.8. In the coming months, the Department will be conducting public awareness collaborations with the county public defenders’ offices, which will be reported on in future reports to the Legislature.

Disclaimers about this Report

The data published in this report reflects the most current analysis work performed by the Department and may differ from other data previously provided by the Department. The Department is constantly striving to improve processes; the changes in data are a product of those improvements.

At the writing of this report, AB 1706 had only recently become effective, therefore the Department expects that future reports will provide more information regarding the status of cases challenged by prosecuting agencies and the public awareness campaign.
