L. The Interests of the Debtor's secured claimholders – BHC; California Department of Health Care Access and Information f/k/a Office of Statewide Health Planning and Development ("**HCAI**"); Wilmington Trust, National Association ("**Wilmington**"); and the California Department of Social Services ("**CDSS**") – are adequately protected, thereby satisfying section 363(e) of the Bankruptcy Code. With the exception of the DIP Liens (as defined below) which will be satisfied and extinguished pursuant to the terms of this Order, the Interests of the Debtor's secured claimholders shall attach to the sale proceeds in the order of their priority, and with the same validity, extent, force and effect that they have against such Assets immediately prior to Closing.

M. The Debtor has articulated sound business justifications for assuming the Assumed Contracts and assigning them to the Buyer[s] pursuant to the terms of the Purchase Agreement[s] and this Order.

N. The Buyer[s] have provided adequate assurance of future performance under the Assumed Contracts.

O. The terms herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent anything that may be considered a finding of fact constitutes a conclusion of law, it is adopted as such. To the extent any conclusion of law may be considered a finding of fact, it is adopted as such.

Based on the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT

1. The Motion is GRANTED as set forth herein.

2. [Any objections to the Asset Sale[s], to the assumption and assignment of any of the Assumed Contracts, or to the cure amounts listed in the Resident Notices or the Cure Notices are overruled on the terms set forth herein.]

3. Except as otherwise provided herein and subject to the provisions of paragraphs 4-5 below, the Debtor is authorized to sell the Assets to Buyer[s] on the terms set forth in the Purchase Agreement[s] and this Order, free and clear of any Interests in the Assets existing at the time of Closing.

4. Concurrent with the Closing of the Asset Sale[s] as provided in the Purchase Agreement[s], the escrow agent specified in the Purchase Agreement[s] shall pay from the Purchase Price funds held in escrow the Debtor's liability to BHC under the Senior Secured Superpriority Debtor-in-Possession Credit Agreement by and between Debtor and BHC, as amended, (the "**DIP Loan Liability**") in full, and upon full satisfaction of the DIP Loan Liability, any security interests, liens and other Interests BHC may have in the Assets at the time of Closing (the "**DIP Liens**") shall be fully satisfied and extinguished. BHC shall cooperate with the Debtor and Buyer[s] as reasonably requested in connection therewith.

5. Closing of the Asset Sale[s] shall not occur unless:

a. there are sufficient funds held in the escrow for the Asset Sale[s] to pay the DIP Loan Liability in full; and

b. The escrow instructions for the Asset Sale[s] include an instruction that BHC shall be paid the DIP Loan Liability in full at the Closing from escrowed funds.

7. All Interests in the Assets shall attach to the proceeds of the Asset Sale[s] immediately upon receipt by the Debtor of such proceeds in the order of priority, and with the same validity, force and effect which they have against the Assets immediately prior to the Closing, except for the DIP Liens which will be satisfied and extinguished at the time of Closing under the terms of this Order.

8. The Debtor shall give the Buyer[s] notice of the required Section 1779.4(aa) Notice on or before _____, 2022.

9. Amendments to a Purchase Agreement shall not be valid or enforceable unless approved by an order of this Court entered after reasonable notice and an opportunity to be heard has been provided to parties-in-interest in the Chapter 11 Case that have requested notice, including without limitation the Official Committee of Unsecured Creditors appointed in the Chapter 11 Case; HCAI; BHC; Wilmington; CDSS; and the Office of the United States Trustee.

10. A Buyer need not seek Court approval for the assignment of the Buyer's rights under its Purchase Agreement, in whole or in part, to any entity that is controlled by or is under common control with the Buyer, but must obtain Court approval for the assignment of the Buyer's rights under its Purchase Agreement, in whole or in part, to any other person (as that term is defined under Section 101(41) of the Bankruptcy Code).

11. Upon Closing of the Asset Sale[s] and the Debtor's transfer of the Restricted Repayable Resident Entrance Fee Payments to _____ and

_____'s assumption of the corresponding Restricted Entrance Fee Liability as provided in the Purchase Agreement[s], this Court's May 7, 2021 Order Authorizing and Directing the Debtor to (A) Establish a Restricted, Segregated, Single-Purpose Bank Account for the Deposit and Maintenance of New Resident Entrance Fees, and (B) Distribute Funds Maintained in the Account to Such New Residents under Certain Conditions More Fully Described Herein (the "**Restricted Account Order**") shall no longer have any force and effect. Any such rescission of the Restricted Account Order shall not prejudice CDSS's rights to condition _____'s use of the Restricted Repayable Resident Entrance Fee Payments after Closing.

12. The Debtor's assumption and assignment of the Assumed Contracts to the [relevant] Buyer[s] and the [Buyer's/Buyers'] acceptance of the assignment of the Assumed Contracts are approved.

13. To the extent there is any conflict between the terms of this Order and the Purchase Agreement[s], the terms of this Order shall control.

14. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Federal Rule of Civil Procedure 54(b), as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order and this Order is not stayed and shall be effective upon the date of its entry on the docket.

15. The terms and provisions of the Purchase Agreement[s] and this Order shall be binding in all respects upon the Debtor, its estate, all of its creditors, all counterparties to the Assumed Contracts, and Buyer[s], and all of their respective successors, heirs and assigns including, but not limited to, any subsequent trustee appointed in the Debtor's Chapter 11 Case or upon conversion of the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code.

16. The terms and provisions of the Purchase Agreement[s] and this Order and any actions taken pursuant hereto shall not be impacted by the later entry of any order

which may: (a) confirm a chapter 11 plan in this Chapter 11 Case; (b) convert this Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code; (c) dismiss this Chapter 11 Case; (d) result in this Court abstaining from hearing the Chapter 11 Case or any aspect of the Chapter 11 Case; or (e) withdraw the reference of the Chapter 11 Case or any aspect of the Chapter 11 Case.

17. The Debtor is hereby authorized to take such actions and to execute such documents as may be necessary to implement the relief granted by this Order.

Attorneys for Debtor and Debtor in Possession

UNITED STATES BANKRUPTCY COURT

NORTHERN DISTRICT OF CALIFORNIA, OAKLAND DIVISION

In re CALIFORNIA-NEVADA METHODIST HOMES,[1] Debtor.	Case No. 20-40363 Chapter 11 **DECLARATION OF NEAL L. WOLF IN SUPPORT OF DEBTOR'S MOTION FOR AN ORDER (I) APPROVING THE SALE OF SUBSTANTIALLY ALL OF THE DEBTOR'S ASSETS FREE AND CLEAR OF CLAIMS, LIENS, AND ENCUMBRANCES, (II) APPROVING THE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES, AND (III) GRANTING RELATED RELIEF**

I, Neal L. Wolf, declare as follows:

1. I am a partner in the law firm of Hanson Bridgett LLP, counsel of record in this matter for Debtor and Debtor-in-Possession, California-Nevada Methodist Homes ("**Debtor**"). I have personal knowledge of the matters set forth in this declaration and could and would competently testify to them. All of the matters stated herein are known to me personally, unless stated on information and belief; and with regard to those statements, I am informed and reasonably believe them to be true.

[1] The last four digits of the Debtor's federal tax identification number are 2411. The mailing address for the Debtor is 1850 Alice Street Oakland, CA 94612.

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 1 of 95

2. I submit this Declaration in support of *Debtor's Motion for Entry of an Order (i) Approving the Sale of Substantially All of the Debtor's Assets Free and Clear of Claims, Liens, and Encumbrances; (ii) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases; and (iii) Granting Related Relief* (the "**Motion**").

3. For a substantial period of time, the Debtor has been sustaining severe operating losses.

4. In the opinion of the Debtor, these substantial operating losses cannot quickly and readily be reversed or rectified and it is necessary that the Debtor expeditiously enter into a sale or merger transaction with a highly qualified and financially sound entity.

5. On May 20, 2021, upon motion by the debtor, the bankruptcy court entered an order authorizing the Debtor to employ B.C. Ziegler & Company ("**Ziegler**"), a highly-qualified investment banking firm, to develop and implement a sale or merger process ("**Sale Process**").

6. I am informed and believe that shortly thereafter, Ziegler contacted approximately one hundred potentially interested parties, entered into a non-disclosure agreement with and circulated a comprehensive "offering memorandum" to those parties who expressed interest in a possible transaction, and engaged many of those parties in direct, one-on-one discussions. In response to the offering memorandum, Ziegler elicited non-binding letters of interest from ten potential purchasers or merger partners.

7. Thereafter, I assisted Ziegler in conducting what amounted to an extensive and exhaustive *de facto* auction process. In a highly transparent manner, Ziegler and I called upon and encouraged potential buyers and merger partners to enhance their respective proposals. In response, certain interested purchasers enhanced their respective proposals on two or more occasions. Ultimately, Pacifica Companies, LLC ("**Pacifica**") made what the Debtor determined to be the most advantageous proposal.

8. Pacifica conditioned the amount of its final, and highest, proposal on the conduct of a "private sale" transaction by the Debtor. Pacifica indicated that, if there were to be a court-supervised auction process at which it were designated as merely a "stalking horse" bidder, the Pacifica offer would be reduced by approximately $2 million and Pacifica would require a $1.5 million "break-up fee."

9. Debtor and Pacifica subsequently executed a purchase and sale agreement for Pacifica's purchase of substantially all of the Debtor's assets (such agreement as subsequently amended by Debtor and Pacifica, the "**Original Purchase and Sale Agreement**"), including the Debtor's facilities located at (a) 1850 Alice St., Oakland, CA 94612, along with the CNMH Corporate Office Building located at 201 19th Street, Oakland, CA 94612 (collectively, "**Lake Park**"), and (b) 511 Gibson Ave., Pacific Grove, CA 93950, along with the Pacific Grove Parking Garage located at 26 Sinex Ave., Pacific Grove, CA 93950 (collectively, "**Forest Hill**" and, together with Lake Park, the "**Facilities**").

10. On November 23, 2021 the Court entered an *Order Approving the Sale of Substantially All of Debtor's Assets to Pacifica Companies, LLC Free and Clear of Any Liens and Encumbrances* [Dkt. No. 348]. On November 29, 2021, Pacifica terminated the Original Purchase and Sale Agreement.

11. After Pacifica's termination of the Original Purchase and Sale Agreement, the Debtor determined in its business judgment to conduct a competitive bid-and-sale process for the orderly sale of substantially all of the Debtor's Assets under sections 363 and 365 of the Bankruptcy Code. After further arm's-length negotiations, the Debtor and Pacifica, as the stalking horse bidder (the "**Stalking Horse Bidder**," and Pacifica's bid, the "**Stalking Horse Bid**") entered into an that certain Purchase and Sale Agreement, dated as of December 17, 2021 (the "**Stalking Horse Agreement**").[2] A true and correct

[2] Capitalized terms used but not otherwise defined herein will have the meanings ascribed to them in the Stalking Horse Agreement.

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 3 of 95

copy of the Stalking Horse Agreement is attached hereto as **Exhibit 1**.

12. On December 17, 2021, Debtor filed *Debtor's Motion for Entry of an Order (i) Approving Bidding Procedures in Connection with the Sale of Substantially all of the Debtor's Assets; (ii) Approving Procedures for the Assumption and Assignment of Executory Contracts and Unexpired Leases; (iii) Approving Stalking Horse Bidder and Break-up Fee; and (iv) Granting Related Relief* ("**Sale Procedures Motion**") [Dkt. No. 360.] On January 14, 2022, the Court entered an order (the "**Sale Procedures Order**") granting the Sale Procedures Motion. The Sale Procedures Order, among other things, approved Pacifica as the stalking horse bidder for the purchase of the Assets, approved procedures (the "**Sale Procedures**") for the sale of the Assets through a competitive auction process (the "**Auction**"), and approved notice procedures concerning the assumption and assignment of executory contracts and unexpired leases.

13. I am informed and believe that shortly thereafter, Ziegler contacted at least 134 potentially interested parties (including each of the parties Ziegler had previously contacted regarding the sale of the Assets), circulated updated summary information regarding the proposed Auction, and conducted additional direct, one-on-one discussions with some of these parties.

14. I am informed and believe that each party that has signed a non-disclosure agreement with the Debtor since June 2021 – including any parties that may have executed a non-disclosure agreement after Ziegler's subsequent outreach after the Sales Procedures Motion was filed – has been given access to a comprehensive electronic due diligence room containing further information about the Debtor and its operations.

15. The Sale Procedures require interested parties to bid for the purchase of some or all of the Assets by providing a written purchase agreement (each such agreement and the Stalking Horse Agreement, a "**Purchase Agreement**"). If one or more such bids in addition to the Stalking Horse Bid is a Qualified Bid (as that term is used in the Sale Procedures), the Debtor will conduct the Auction.

16. The Debtor has executed various residency agreements (each a "**Residency Agreement**") with its current and former residents (collectively "**Residents**"), many of which required the pertinent Resident(s) to pay the Debtor an entrance fee and require the Debtor to repay a portion of that entrance fee on the terms set forth in the pertinent Residency Agreements and applicable laws (such repayable amounts, collectively, the "**Repayable Entrance Fee Liabilities**"). The Sales Procedures require Pacifica, any successful bidder selected at the Auction (each, a "**Successful Bidder**"), and any backup bidder selected at the Auction (each, a "**Backup Bidder,**" and Pacifica, the Successful Bidder(s), and Backup Bidder(s), as applicable, a "**Buyer**") to agree in their respective Purchase Agreements to assume the Repayable Entrance Fee Liabilities associated with any Assets they purchase.

17. The Debtor has agreed that it will assume and assign the Residency Agreements for each current resident of Lake Park to the Buyer for Lake Park and will assume and assign the Residency Agreements for each current resident of Forest Hill to the Buyer for Forest Hill (all such Residency Agreements for Lake Park or Forest Hill, collectively, the "**Assumed Residency Agreements**"). The Sales Procedures require each Buyer to likewise agree to accept the assignment to them of the Assumed Residency Agreements that correspond to the Facility they are buying.

18. The Sale Procedures also permit a Buyer to designate any additional of the Debtor's unexpired leases and executory contracts that the Buyer would like the Debtor to assume and assign to that Buyer (all such designated agreements, collectively, the "**Assumed Non-Residency Agreements**").

19. Throughout the Sale Process, the Debtor has involved California Department of Health Care Access and Information, f/k/a Office of Statewide Health Planning and Development ("**HCAI**"), Wilmington Trust, National Association ("**Wilmington**"), B.H. Capital Ventures, LLC ("**BHC**"), California Department of Social Services ("**CDSS**"), and the Official Committee of Unsecured Creditors appointed in the Chapter 11 Case (the "**Committee**," and collectively, with HCAI, Wilmington, BHC, and

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 6 of 95

CDSS, the "**Consultation Parties**"). The Consultation Parties include the Debtor's most significant creditors, stakeholders, and state regulators.

20. The Debtor believes that the proposed sale of the Assets pursuant to the Sales Procedures (the "**Asset Sale**") will yield a fair and reasonable price for the Assets. This is particularly true because the competitive Auction process provided for in the Court-approved Sale Procedures is designed to yield the highest or otherwise best offer for the Assets. The involvement of the Consultation Parties in Asset Sale provides additional assurances that the Sale Process will be fair.

21. The Debtor is currently projected to lose approximately $500,000 in operations and professional fees each month. It is in the best interests of the Debtor, its estate, and the Debtor's creditors for the Debtor to conduct a sale of substantially all of the Debtor's Assets as quickly as possible because the sooner the Debtor sells the Assets, the quicker the Debtor can pass operation of its Facilities to one or more new, financially strong, operators.

22. The Debtor believes that the Asset Sale will maximize the potential return to creditors by selling the Assets for going-concern value rather than on a liquidation basis which would result in substantially less value for the Assets and likely cause significant disruption in the lives of the Residents living in and receiving care in the Facilities.

23. The Debtor's Residents have long been living with uncertainty including regarding who or what will be operating the Facilities for years to come. The sooner a sale proceeds, the sooner Residents will have the peace of mind that should come with the end of a long sale effort

24. The Debtor has not colluded with and will not collude with Pacifica or any other potential purchaser of the Assets regarding the purchase of the Assets or the terms of any Purchase Agreement, and the Debtor has not attempted and will not attempt to otherwise take unfair advantage of any potential purchasers of the Assets.

25. I am informed and believe that Pacifica would not have agreed to purchase the Assets or would have paid substantially less for the Assets if the sale of the Assets

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 6 of 95

was not fee and clear of all claims, liens, and encumbrances on the terms set forth in the Stalking Horse Agreement. In addition, I do not believe it is likely that any other interested party would agree to pay more for the Assets than the $30,000,000 Pacifica agreed in the Stalking Horse Agreement, unless the sale of the Assets was free and clear of all claims, liens, and encumbrances on those terms.

26. The Debtor has conducted a title search on the Facilities and a UCC lien search and understands that HCAI, CDSS, Wilmington, and BHC are the Debtor's only secured creditors.

27. I believe that assumption and assignment of the Assumed Residency Agreements and Assumed Non-Residency Agreements (collectively "**Assumed Agreements**") likely will benefit the Debtor's estate and that the assumption and assignment is an integral component of the Asset Sale, without which the Asset Sale would not be a viable option as they are necessary to operate the Assets and offer terms that the Bidder finds favorable.

28. The assignment and assumption of the Assumed Residency Agreements will likely foster a positive relationship between any potential Buyer and the Residents in the Facility they are acquiring.

29. I am informed and believe that it is unlikely that a potential Buyer would be able to obtain the regulatory approval necessary to seamlessly transition the operation of the Facilities if the Buyer did not agree to continue to honor the terms of the Residency Agreements currently in force.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

No later than fifteen (15) days prior to the due date for paying such taxes, Seller shall notify Buyer of any reasonable objections Seller may have to Buyer's calculations regarding the amount of such taxes which Buyer determined is allocated to Seller. Buyer and Seller agree to consult and resolve in good faith any such objection within ten (10) days of the due date of the tax. Seller shall be obligated to pay the portion of such taxes allocable to the period prior to the Closing at least five (5) days before such taxes become delinquent. If Seller fails to pay Seller's portion of such taxes at least five (5) days before such taxes become delinquent, then Buyer shall have the right to pay Seller's portion of such taxes and Seller shall be obligated to immediately reimburse Buyer for any such payments made by Buyer. 2.6 Past Due Residency Payments. With respect to accounts receivable or past due amounts relating to Residents occupying the Facilities after the Closing Date, Buyer shall promptly remit to Seller any amounts which relate to the period prior to the Closing Date actually received by Buyer from such Residents or their guarantors. All amounts collected by Buyer shall be applied first to current fees due (and if collected in the month in which the Closing occurs, such fees shall be prorated between Buyer and Seller) and then to delinquencies. The provisions of this Section 2.6 shall survive the Closing.

With the consent of the Buyer, the Seller shall file a motion (the "Sale Procedures Motion") with the Court in the Case seeking approval of procedures for the sale of the Assets through a process that includes the Auction and seeking entry of the Sales Procedures Order substantially in the form attached to Schedule 2.7 hereof, within two (2) business days of the Effective Date. The Sale Procedures Motion shall seek approval of the sale of the Assets under Sections 363 and 365 of the U.S. Bankruptcy Code and other applicable laws and rules and shall specifically request that the Court approve the transfer of the Assets to Buyer free and clear of liens and encumbrances other than Permitted Encumbrances and Assumed Contracts, specifically providing, without limitation, that any withdrawal liability to the Union Pension Fund (or any other related entity) shall not be assumed by Buyer. Seller shall diligently prosecute the Sale Procedures Motion, in good faith, with the goal of obtaining Court approval of the sale of the Assets to Buyer subject only to the Regulatory Clearances and Permitted Encumbrances and the terms and conditions of the Sale Procedures Order

(b) This Agreement is subject to the terms and conditions of the Sale Procedures Order. The Sale Procedures Order may provide that bidders, including the Buyer, may bid at the Auction on the Lake Park Assets and/or on the Forest Hill Assets. For the avoidance of doubt, Seller will not accept any bid at the Auction from any party other than the Buyer for Forest Hill Assets unless another party has made an offer that exceeds the Minimum Initial Overbid Amount (as that term is defined in the Sales Order) on the Lake Park Assets.

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 61 of 95

judgment, liability or expense, including court costs and reasonable actual attorneys' fees (individually a "Loss," and collectively "Losses") which may be asserted against or incurred or suffered by Buyer or the Buyer Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Seller's employees, contractors or invitees (unless caused by Buyer), occurring during Seller's ownership of the Assets before Closing; (ii) any material inaccuracy of any representation or warranty of Seller in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Seller under this Agreement.

15.2 Buyer's Indemnity. Buyer shall and does hereby indemnify, defend and hold Seller and any partner (general or limited) of Seller and any current, former, and future trustee, officer, manager, member, partner, and employee (each, a "Seller Party", and collectively, the "Seller Parties") harmless from and against any and all Losses, which may be asserted against or incurred or suffered by Seller or Seller Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Buyer's employees, contractors or invitees (unless caused by Seller), occurring during Buyer's ownership of the Assets on or after the Closing; (ii) any material inaccuracy of any representation or warranty of Buyer in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Buyer under this Agreement.

15.3 Survival. Except as otherwise provided herein, the several representations and warranties of the parties contained in this Agreement and a party's right to indemnity in accordance with this Section 15. shall survive the Closing Date and shall remain in full force and effect thereafter for a period of one (1) year after the Closing Date and shall be effective with respect to any material inaccuracy therein or breach thereof, notice of which shall have been duly given within such one (1) year period in accordance with Section 15.4 hereof after which one (1) year period they shall terminate and be of no further force or effect.

15.4 Indemnification Procedure. After the incurrence of any Loss by any Buyer Party or any Seller Party, which might give rise to indemnification hereunder, the party seeking indemnification (the "Indemnitee") shall deliver to the party from which indemnification is sought (the "Indemnitor") written notice of such Loss within fifteen (15) days of Indemnitee's becoming aware thereof; provided, however, that delay or failure to so notify the Indemnitor shall only relieve the Indemnitor of its obligations to the extent, if at all, that it is prejudiced by reasons of such delay or failure. The Indemnitor shall have a period of thirty (30) days within which to respond thereto. If the Indemnitor accepts responsibility within such thirty (30)-day period, the Indemnitor shall be obligated to compromise or defend such matter, at its own expense and through counsel reasonably satisfactory to the Indemnitee. If the Indemnitor does respond within such 30-day period and rejects responsibility for such matter in whole or in part, or does not respond, the Indemnitee shall be free to pursue, without prejudice to any of its rights hereunder, such remedies as may be available to the Indemnitee under applicable law at the Indemnitor's expense (subject, for the avoidance of doubt, to the limits set forth in this Article 14). The Indemnitee agrees to cooperate fully with the Indemnitor and its counsel in the defense against any such asserted liability. In any event, the Indemnitee shall have the right to participate in a non-controlling

Case: 21-40363 Doc# 402 Filed: 01/14/22 Entered: 01/14/22 18:18:21 Page 95 of 95

manner and at its own expense in the defense of such asserted liability. Any compromise of such asserted liability by the Indemnitor shall require the prior written consent of the Indemnitee and until such consent is obtained the Indemnitor shall continue the defense of such asserted liability. If, however, the Indemnitee refuses its consent to a bona fide offer of settlement containing a complete release of the Indemnitee from all liability in connection with the underlying claim that the Indemnitor wishes to accept, the Indemnitee may continue to pursue such matter, free of any participation by the Indemnitor, at the sole expense of the Indemnitee. In such event, the obligation of the Indemnitor to the Indemnitee shall be equal to the lesser of (i) the amount of the offer of settlement which the Indemnitee refused to accept plus the costs and expenses of the Indemnitee prior to the date the Indemnitor notifies the Indemnitee of the offer of settlement; or (ii) the actual out-of-pocket amount the Indemnitee is obligated to pay as a result of the Indemnitee's continuing to pursue such matter. The Indemnitor shall be entitled to recover from the Indemnitee any additional expenses incurred by the Indemnitor as a result of the decision of the Indemnitee to pursue such matter. So long as the Indemnitor is reasonably contesting any such claim in good faith, the Indemnitee shall not pay or settle such claim without the Indemnitor's prior written consent; provided that the Indemnitee may pay or settle such claim if it waives its right to indemnity therefor from the Indemnitor.

15.5 Reduction for Insurance. The amount which the Indemnitor is required to pay to, for, or on behalf of the Indemnitee pursuant to this Article 14 shall be reduced (including, without limitation, retroactively) by any insurance proceeds actually recovered by or on behalf of the Indemnitee in reduction of the related indemnifiable loss (the "Indemnifiable Loss"). Amounts required to be paid, as so reduced, are hereinafter sometimes called an "Indemnity Payment." If the Indemnitee shall have received, or if the Indemnitor shall have paid on its behalf, an Indemnity Payment in respect of an Indemnifiable Loss and shall subsequently receive, directly or indirectly, insurance proceeds (which duplicate in whole or in part, the Indemnity Payment) in respect of such Indemnifiable Loss, then the Indemnitee shall promptly pay to the Indemnitor the amount of such insurance proceeds, or, if less, the amount of the Indemnity Payment. The parties hereto agree that the foregoing shall not affect the subrogation rights of any insurance companies making payments hereunder.

15.6 Limitations of Remedies.

(a) Notwithstanding anything to the contrary set forth herein, the parties hereto agree that the indemnification provisions set forth in this Section 15. shall constitute the sole and exclusive remedy of either party for any breach or inaccuracy of any representation or warranty contained in this Agreement. The Buyer acknowledges that it shall not be entitled to seek rescission of the Agreement.

(b) Notwithstanding anything in this Section 15. to contrary, no person shall be entitled to indemnification hereunder if it can be established by clear and convincing evidence that such person had knowledge on or prior to the Closing Date of the failure of any representation or warranty, or the breach of any covenant or agreement or the existence of any fact, event or circumstance, which may serve as the basis for bringing a claim for indemnification hereunder.

Section 16. Conduct of Business Pending Closing.

16.1 Ordinary Course of Business. Beginning on the Effective Date and continuing through the Closing Date; (i) Seller shall make no material change in the operation of the Facilities nor enter into any material contract other than in the ordinary course of business nor incur any material liability without the prior written consent of Buyer, which consent shall not be unreasonably withheld, conditioned, or delayed, and Seller shall make good faith efforts to ensure that the goodwill and operations of the Facilities and the relationships with Residents and employees are preserved in the ordinary course of business; (ii) Seller shall perform all maintenance and repairs necessary to keep the Facilities and Assets in good operating condition and repair, and shall not sell or remove any Inventory or any Fixtures, Furniture and Equipment except in the ordinary course of business; and (iii) Seller shall not, without the prior written consent of Buyer:

(b) make any change in key personnel at the Facilities, including the executive director or other department heads; or

(c) enter into any employment arrangement, agreement or undertaking, or pay or promise to pay any fringe benefit, bonus or special compensation to employees, except "stay for pay" arrangements and filling vacated positions as needed.

16.2 Compensation. Except in the ordinary course of business and consistent with past practices, Seller shall not increase, except for annual cost of living, or promise any increase with respect to any salary or other form of compensation payable or to become payable to any of employees, and will not pay any bonus or make any other severance or retirement arrangement with any employees except as may have already been negotiated, be required to avoid legal action, or be required pursuant to Section 10.1 hereof.

16.3 Insurance. From the date hereof until the Closing Date, Seller shall, as long as such insurance continues to be available at reasonably affordable rates, continuously maintain insurance on the Facilities at no less than the levels maintained on the date hereof. Seller shall maintain, at Seller's expense, "tail" coverage with respect to its professional liability insurance policy (if it is a claims made policy) for two (2) years following the Closing Date and shall name Buyer as an additional named insured on such tail coverage.

Section 17. Transition.

17.1 Accounts Receivable. Seller shall immediately transmit to Buyer any payments on accounts of the Facilities arising after the Closing which may be delivered to Seller from third party payor sources for services rendered after the Closing. Buyer shall immediately transmit to Seller any payments on accounts of the Facilities arising after the Closing which may

be delivered to Buyer from third party payor sources for services rendered prior to Closing. All payments received by Buyer shall be applied first to delinquencies and then to current obligations.

17.2 Cooperation. Seller and Buyer agree to cooperate with each other in all reasonable respects and to provide such information as is necessary to ensure a smooth and orderly transition of operation of the Facilities.

17.3 Medicare Change of Ownership Filings. Buyer and Seller acknowledge that the transfer of the operations at the skilled nursing facilities as contemplated under this Agreement will constitute a change of ownership of the skilled nursing facilities for purposes of participation in the Medicare program and will effect an assignment of the skilled nursing facilities' Medicare provider agreements and provider numbers to Buyer (or its designee). Buyer (or its designee) shall not reject the assignment of the skilled nursing facilities' Medicare provider agreement or provider number. Seller and Buyer (or its designee) will act diligently to make all necessary notifications and filings required under applicable law for Buyer (or its designee) to become the Medicare provider at the skilled nursing facilities. In addition, Seller and Buyer (or its designee) each agree to complete, execute and submit its portions of the CMS-855A forms with respect to the skilled nursing facilities as promptly as practicable following the Effective Date. Subject to the terms and provisions of this Agreement, Buyer (or its designee) may bill under Seller's Medicare provider enrollment agreement and use Seller's provider numbers for the skilled nursing facilities from the Closing Date until the earlier of the date that (a) Buyer (or its designee) receives the applicable Medicare certification notice (the so-called "tie-in" notice) which will enable it to receive reimbursements directly from Medicare for items and services furnished by the Facilities or (b) this Agreement is terminated in accordance with its terms.

17.4 Cost Reports. Seller shall prepare and file any Medicare cost reports for the Facilities related to the period prior to the Closing. Following the Closing, Seller shall be authorized to contact the business office manager or other persons with access to the information at the Facilities during normal business hours in order to obtain information needed to prepare the final Medicare cost reports with respect to claims filed with Medicare for the Facilities prior to the Closing, and Buyer (or its designee) shall provide Seller with such Facility records as Seller reasonably requests to complete such final cost reports.

17.5 Indemnification Under Third Party Payor Programs. Notwithstanding any other provisions in this Agreement to the contrary, Seller shall not have any liability whatsoever with respect to Losses relating to (a) Buyer's (or its designee's) furnishing of items or services, on or after the Closing Date, to any Third Party Payor Program beneficiaries or other patients, (b) Buyer's (or its designee's) financial accounting, coding, billing, cost reporting or claims submissions activities for its own account with respect to Third Party Payor Programs, or (c) Buyer's (or its designee's) retention of payments for the furnishing of such items and services. Buyer (or its designee) shall indemnify, defend and hold Seller harmless against and with respect to any Losses arising from the foregoing.

17.6 Survival. The provisions of this Section 17. shall survive the expiration or earlier termination of this Agreement and shall survive the Closing.

Buyer and Seller agree to consult and resolve in good faith any such objection within ten (10) days of the due date of the tax. Seller shall be obligated to pay the portion of such taxes allocable to the period prior to the Closing at least five (5) days before such taxes become delinquent. If Seller fails to pay Seller's portion of such taxes at least five (5) days before such taxes become delinquent, then Buyer shall have the right to pay Seller's portion of such taxes and Seller shall be obligated to immediately reimburse Buyer for any such payments made by Buyer. Buyer acknowledges that Seller is a Section 501(c)(3) charitable organization that pays no or nominal property taxes but that pays assessments to the counties in which the Premises are located.

(b) Resident Monthly Service Fees. Residents' monthly service fees for the month of Closing shall be allocated as of the Closing Date; the portion thereof allocable to all time periods prior to the Closing Date shall be credited to Seller and the portion thereof allocable to the Closing Date and thereafter shall be allocable to Buyer. The provisions of this Section 2.3 shall survive the Closing.

All amounts collected by Buyer shall be applied first to current fees due (and if collected in the month in which the Closing occurs, such fees shall be prorated between Buyer and Seller) and then to delinquencies. The provisions of this Section 2.6 shall survive the Closing.

2.7 Possible Overbids and Auction.

(a) With the consent of the Buyer, the sale of the Assets contemplated herein is subject to the possible receipt by the Seller of overbids ("Overbids") for all or part of the Assets and the Auction conducted in accordance with the Sales Procedures Order. With the consent of the Buyer, the Seller shall file a motion (the "Sale Procedures Motion") with the Court in the Case seeking approval of procedures for the sale of the Assets through a process that includes the Auction and seeking entry of the Sales Procedures Order substantially in the form attached to Schedule 2.7 hereof, within two (2) business days of the Effective Date. The Sale Procedures Motion shall seek approval of the sale of the Assets under Sections 363 and 365 of the U.S. Bankruptcy Code and other applicable laws and rules and shall specifically request that the Court approve the transfer of the Assets to Buyer free and clear of liens and encumbrances other than Permitted Encumbrances and Assumed Contracts, specifically providing, without limitation, that any withdrawal liability to the Union Pension Fund (or any other related entity) shall not be assumed by Buyer. Seller shall diligently prosecute the Sale Procedures Motion, in good faith, with the goal of obtaining Court approval of the sale of the Assets to Buyer subject only to the Regulatory Clearances and Permitted Encumbrances and the terms and conditions of the Sale Procedures Order

(b) This Agreement is subject to the terms and conditions of the Sale Procedures Order. The Sale Procedures Order may provide that bidders, including the Buyer, may bid at the Auction on the Lake Park Assets and/or on the Forest Hill Assets. If an Auction is conducted in accordance with the Sale Procedures Order and if the Court thereafter finds and orders that a party other than the Buyer is the Successful Bidder (as defined in the Sales Procedures Motion) on the Lake Park Assets and the Court does not find and order that a party other than the Buyer is the Successful Bidder on the Forest Hill Assets,, then the Buyer shall (i) purchase the Forest Hill Assets on the terms set forth herein at a price that is the greater of: (x) $14,150,000.00, and (y) the highest and best bid the Buyer bid for the Forest Hill Assets at the Auction (such greater amount, the "Forest Hill Purchase Price"), and the Buyer shall assume and accept assignment of all the Assumed Forest Hill Residency Agreements (as defined in the Procedures Motion) and

For the avoidance of doubt, Seller will not accept any bid at the Auction from any party other than the Buyer for Forest Hill Assets unless another party has made an offer that exceeds the Minimum Initial Overbid Amount (as that term is defined in the Sales Order) on the Lake Park Assets.

judgment, liability or expense, including court costs and reasonable actual attorneys' fees (individually a "Loss," and collectively "Losses") which may be asserted against or incurred or suffered by Buyer or the Buyer Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Seller's employees, contractors or invitees (unless caused by Buyer), occurring during Seller's ownership of the Assets before Closing; (ii) any material inaccuracy of any representation or warranty of Seller in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Seller under this Agreement.

15.2 Buyer's Indemnity. Buyer shall and does hereby indemnify, defend and hold Seller and any partner (general or limited) of Seller and any current, former, and future trustee, officer, manager, member, partner, and employee (each, a "Seller Party", and collectively, the "Seller Parties") harmless from and against any and all Losses, which may be asserted against or incurred or suffered by Seller or Seller Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Buyer's employees, contractors or invitees (unless caused by Seller), occurring during Buyer's ownership of the Assets on or after the Closing; (ii) any material inaccuracy of any representation or warranty of Buyer in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Buyer under this Agreement.

15.3 Survival. Except as otherwise provided herein, the several representations and warranties of the parties contained in this Agreement and a party's right to indemnity in accordance with this Section 15. shall survive the Closing Date and shall remain in full force and effect thereafter for a period of one (1) year after the Closing Date and shall be effective with respect to any material inaccuracy therein or breach thereof, notice of which shall have been duly given within such one (1) year period in accordance with Section 15.4 hereof after which one (1) year period they shall terminate and be of no further force or effect.

15.4 Indemnification Procedure. After the incurrence of any Loss by any Buyer Party or any Seller Party, which might give rise to indemnification hereunder, the party seeking indemnification (the "Indemnitee") shall deliver to the party from which indemnification is sought (the "Indemnitor") written notice of such Loss within fifteen (15) days of Indemnitee's becoming aware thereof; provided, however, that delay or failure to so notify the Indemnitor shall only relieve the Indemnitor of its obligations to the extent, if at all, that it is prejudiced by reasons of such delay or failure. The Indemnitor shall have a period of thirty (30) days within which to respond thereto. If the Indemnitor accepts responsibility within such thirty (30)-day period, the Indemnitor shall be obligated to compromise or defend such matter, at its own expense and through counsel reasonably satisfactory to the Indemnitee. If the Indemnitor does respond within such 30-day period and rejects responsibility for such matter in whole or in part, or does not respond, the Indemnitee shall be free to pursue, without prejudice to any of its rights hereunder, such remedies as may be available to the Indemnitee under applicable law at the Indemnitor's expense (subject, for the avoidance of doubt, to the limits set forth in this Article 14). The Indemnitee agrees to cooperate fully with the Indemnitor and its counsel in the defense against any such asserted liability. In any event, the Indemnitee shall have the right to participate in a non-controlling

Case: 21-40363 Doc# 428 Filed: 02/03/22 Entered: 02/03/22 13:30:21 Page 29 of 113

manner and at its own expense in the defense of such asserted liability. Any compromise of such asserted liability by the Indemnitor shall require the prior written consent of the Indemnitee and until such consent is obtained the Indemnitor shall continue the defense of such asserted liability. If, however, the Indemnitee refuses its consent to a bona fide offer of settlement containing a complete release of the Indemnitee from all liability in connection with the underlying claim that the Indemnitor wishes to accept, the Indemnitee may continue to pursue such matter, free of any participation by the Indemnitor, at the sole expense of the Indemnitee. In such event, the obligation of the Indemnitor to the Indemnitee shall be equal to the lesser of (i) the amount of the offer of settlement which the Indemnitee refused to accept plus the costs and expenses of the Indemnitee prior to the date the Indemnitor notifies the Indemnitee of the offer of settlement; or (ii) the actual out-of-pocket amount the Indemnitee is obligated to pay as a result of the Indemnitee's continuing to pursue such matter. The Indemnitor shall be entitled to recover from the Indemnitee any additional expenses incurred by the Indemnitor as a result of the decision of the Indemnitee to pursue such matter. So long as the Indemnitor is reasonably contesting any such claim in good faith, the Indemnitee shall not pay or settle such claim without the Indemnitor's prior written consent; provided that the Indemnitee may pay or settle such claim if it waives its right to indemnity therefor from the Indemnitor.

15.5 Reduction for Insurance. The amount which the Indemnitor is required to pay to, for, or on behalf of the Indemnitee pursuant to this Article 14 shall be reduced (including, without limitation, retroactively) by any insurance proceeds actually recovered by or on behalf of the Indemnitee in reduction of the related indemnifiable loss (the "Indemnifiable Loss"). Amounts required to be paid, as so reduced, are hereinafter sometimes called an "Indemnity Payment." If the Indemnitee shall have received, or if the Indemnitor shall have paid on its behalf, an Indemnity Payment in respect of an Indemnifiable Loss and shall subsequently receive, directly or indirectly, insurance proceeds (which duplicate in whole or in part, the Indemnity Payment) in respect of such Indemnifiable Loss, then the Indemnitee shall promptly pay to the Indemnitor the amount of such insurance proceeds, or, if less, the amount of the Indemnity Payment. The parties hereto agree that the foregoing shall not affect the subrogation rights of any insurance companies making payments hereunder.

15.6 Limitations of Remedies.

(a) Notwithstanding anything to the contrary set forth herein, the parties hereto agree that the indemnification provisions set forth in this Section 15. shall constitute the sole and exclusive remedy of either party for any breach or inaccuracy of any representation or warranty contained in this Agreement. The Buyer acknowledges that it shall not be entitled to seek rescission of the Agreement.

(b) Notwithstanding anything in this Section 15. to contrary, no person shall be entitled to indemnification hereunder if it can be established by clear and convincing evidence that such person had knowledge on or prior to the Closing Date of the failure of any representation or warranty, or the breach of any covenant or agreement or the existence of any fact, event or circumstance, which may serve as the basis for bringing a claim for indemnification hereunder.

Section 16. Conduct of Business Pending Closing.

16.1 Ordinary Course of Business. Beginning on the Effective Date and continuing through the Closing Date; (i) Seller shall make no material change in the operation of the Facilities nor enter into any material contract other than in the ordinary course of business nor incur any material liability without the prior written consent of Buyer, which consent shall not be unreasonably withheld, conditioned, or delayed, and Seller shall make good faith efforts to ensure that the goodwill and operations of the Facilities and the relationships with Residents and employees are preserved in the ordinary course of business; (ii) Seller shall perform all maintenance and repairs necessary to keep the Facilities and Assets in good operating condition and repair, and shall not sell or remove any Inventory or any Fixtures, Furniture and Equipment except in the ordinary course of business; and (iii) Seller shall not, without the prior written consent of Buyer:

(a) enter into any material contract, agreement, lease or other commitment with a duration of more than 12 months or involving the expenditure of more than fifteen thousand dollars ($15,000) with respect to the Facilities, except contracts to purchase operating supplies or services in the ordinary course of business;

(b) make any change in key personnel at the Facilities, including the executive director or other department heads; or

(c) enter into any employment arrangement, agreement or undertaking, or pay or promise to pay any fringe benefit, bonus or special compensation to employees, except "stay for pay" arrangements and filling vacated positions as needed.

16.2 Compensation. Except in the ordinary course of business and consistent with past practices, Seller shall not increase, except for annual cost of living, or promise any increase with respect to any salary or other form of compensation payable or to become payable to any of employees, and will not pay any bonus or make any other severance or retirement arrangement with any employees except as may have already been negotiated, be required to avoid legal action, or be required pursuant to Section 10.1 hereof.

16.3 Insurance. From the date hereof until the Closing Date, Seller shall, as long as such insurance continues to be available at reasonably affordable rates, continuously maintain insurance on the Facilities at no less than the levels maintained on the date hereof. Seller shall maintain, at Seller's expense, "tail" coverage with respect to its professional liability insurance policy (if it is a claims made policy) for two (2) years following the Closing Date and shall name Buyer as an additional named insured on such tail coverage.

Section 17. Transition.

17.1 Accounts Receivable. Seller shall immediately transmit to Buyer any payments on accounts of the Facilities arising after the Closing which may be delivered to Seller from third party payor sources for services rendered after the Closing. Buyer shall immediately transmit to Seller any payments on accounts of the Facilities arising after the Closing which may

Case: 21-40363 Doc# 428 Filed: 02/03/22 Entered: 02/03/22 13:30:21 Page 30 of 113

be delivered to Buyer from third party payor sources for services rendered prior to Closing. All payments received by Buyer shall be applied first to delinquencies and then to current obligations.

17.2 Cooperation. Seller and Buyer agree to cooperate with each other in all reasonable respects and to provide such information as is necessary to ensure a smooth and orderly transition of operation of the Facilities.

17.3 Medicare Change of Ownership Filings. Buyer and Seller acknowledge that the transfer of the operations at the skilled nursing facilities as contemplated under this Agreement will constitute a change of ownership of the skilled nursing facilities for purposes of participation in the Medicare program and will effect an assignment of the skilled nursing facilities' Medicare provider agreements and provider numbers to Buyer (or its designee). Buyer (or its designee) shall not reject the assignment of the skilled nursing facilities' Medicare provider agreement or provider number. Seller and Buyer (or its designee) will act diligently to make all necessary notifications and filings required under applicable law for Buyer (or its designee) to become the Medicare provider at the skilled nursing facilities. In addition, Seller and Buyer (or its designee) each agree to complete, execute and submit its portions of the CMS-855A forms with respect to the skilled nursing facilities as promptly as practicable following the Effective Date. Subject to the terms and provisions of this Agreement, Buyer (or its designee) may bill under Seller's Medicare provider enrollment agreement and use Seller's provider numbers for the skilled nursing facilities from the Closing Date until the earlier of the date that (a) Buyer (or its designee) receives the applicable Medicare certification notice (the so-called "tie-in" notice) which will enable it to receive reimbursements directly from Medicare for items and services furnished by the Facilities or (b) this Agreement is terminated in accordance with its terms.

17.4 Cost Reports. Seller shall prepare and file any Medicare cost reports for the Facilities related to the period prior to the Closing. Following the Closing, Seller shall be authorized to contact the business office manager or other persons with access to the information at the Facilities during normal business hours in order to obtain information needed to prepare the final Medicare cost reports with respect to claims filed with Medicare for the Facilities prior to the Closing, and Buyer (or its designee) shall provide Seller with such Facility records as Seller reasonably requests to complete such final cost reports.

17.5 Indemnification Under Third Party Payor Programs. Notwithstanding any other provisions in this Agreement to the contrary, Seller shall not have any liability whatsoever with respect to Losses relating to (a) Buyer's (or its designee's) furnishing of items or services, on or after the Closing Date, to any Third Party Payor Program beneficiaries or other patients, (b) Buyer's (or its designee's) financial accounting, coding, billing, cost reporting or claims submissions activities for its own account with respect to Third Party Payor Programs, or (c) Buyer's (or its designee's) retention of payments for the furnishing of such items and services. Buyer (or its designee) shall indemnify, defend and hold Seller harmless against and with respect to any Losses arising from the foregoing.

17.6 Survival. The provisions of this Section 17. shall survive the expiration or earlier termination of this Agreement and shall survive the Closing.

Section 18. Public Announcements.

Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and not to issue a press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, which approval shall not be unreasonably withheld, conditioned, or delayed, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders; provided, however, that Seller shall be entitled to make such disclosures as may be necessary and appropriate to obtain the requisite approval of the bankruptcy court for the transactions contemplated hereunder and shall be entitled to disclose the status of the transactions contemplated hereunder to employees and Residents.

Section 19. Default.

19.1 Buyer's Default.

(a) If Buyer shall be in breach or default of any of the terms or conditions of this Agreement, then Seller shall give Buyer and Escrow Agent written notice specifying the nature of the default.

(b) Buyer shall have five (5) days from receipt of Seller's notice of default within which to cure the specified default. If Buyer does not cure such default within said five (5) day period or if such default is not waived in writing by Seller, then the Earnest Money, and all accrued interest thereon, shall be paid over to Seller and this Agreement shall automatically terminate and Seller and Buyer shall have no further rights, duties or obligations hereunder except as expressly survive the termination hereof.

(c) BUYER AND SELLER AGREE THAT IF BUYER DEFAULTS ON ITS OBLIGATION TO PURCHASE THE ASSETS PURSUANT HERETO, THE DAMAGES TO SELLER WOULD BE DIFFICULT AND IMPRACTICAL TO DETERMINE. ACCORDINGLY, BUYER AND SELLER HAVE AGREED TO FIX AS LIQUIDATED DAMAGES THE EARNEST MONEY SPECIFIED IN SECTION 5. , BUT ONLY TO THE EXTENT THERETOFORE DEPOSITED WITH ESCROW AGENT AND THE EARNEST MONEY SHALL BE RETAINED BY SELLER AS LIQUIDATED DAMAGES, AND SHALL CONSTITUTE SELLER'S SOLE AND EXCLUSIVE REMEDY FOR SUCH DEFAULT. SELLER AGREES THAT THESE LIQUIDATED DAMAGES SHALL BE IN LIEU OF ANY OTHER MONETARY RELIEF OR OTHER REMEDY, INCLUDING WITHOUT LIMITATION SPECIFIC PERFORMANCE, TO WHICH SELLER OTHERWISE MIGHT BE ENTITLED UNDER THIS AGREEMENT, AT LAW OR IN EQUITY. Broker is to be paid a commission by Seller pursuant to a separate agreement and Broker shall not be deemed a party or third party beneficiary of this Agreement. The representations and warranties contained herein shall survive the Closing.

Section 21. Miscellaneous.

21.1 Further Assurances. Each of the parties will, at any time before, at, or after the Closing Date, sign, execute and deliver (or cause others to do so) all documents and instruments to do, or cause to be done, all such acts and things as may be necessary to carry out the provisions of this Agreement.

21.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.

21.9 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any party hereto, upon any breach or default of any other party hereto, shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or of or in any similar breach or default thereafter occurring. The purchase price (the "All Assets Purchase Price") for all of the Assets shall be the greater of: (x) Thirty One Million Two Hundred and Fifty Thousand Dollars ($31,250,000.00) in cash, and (y) if an Auction is conducted in accordance with the Sale Procedures Order and if the Court thereafter finds and orders that the Buyer is the Successful Bidder for all of the Assets at the Auction, the price at which the Court finds and orders the Buyer is the Successful Bidder for all of the Assets, payable as follows:

2.2 Repayment Liability. Buyer expressly agrees to assume and accept assignment of the Assumed Contracts on the Closing Date and shall subsequently pay, honor and discharge when due and payable all liabilities arising out of the Assumed Contracts. Without limiting the foregoing, Buyer shall assume (a) Seller's liability for the repayable portion of any Resident Entrance Fee Payments the Seller received prior to the May 7, 2021 entry of the Restricted Account Order in the maximum amount of Twenty Million Seven Hundred Thirty-One Thousand Seven Hundred Thirty-Eight and No/100 Dollars ($20,731,738), subject to audit and verification at or prior to the Closing (the "Non-Restricted Entrance Fee Liability") and (b) Seller's liability, as of the Closing Date, for the repayable portion of any Resident Entrance Fee Payments the Seller received between May 7, 2021 and the Closing Date (the "Restricted Entrance Fee Liability," and together with the Non-Restricted Entrance Fee Liability, the "Repayment Liability").

2.3 Prorations at Closing.

(a) Expenses, Costs and Charges. The following items shall be prorated between Seller and Buyer as of the Closing Date. Seller shall be responsible for such items prior to the Closing Date and Buyer shall be responsible for such items on and after the Closing Date:

(i) real and personal property taxes and assessments for the calendar year in which the Closing occurs, giving recognition to any discount available for earliest payment. If taxes are prorated on an estimated basis rather than the actual tax for the year in which the Closing occurs, the parties shall adjust the prorated amount when such actual tax is known, based on the final tax bill for the year in which the Closing occurs;

(ii) water, fuel, electricity, telephone, garbage collection, sewage, and other utility service charges and expenses; and

(iii) any other accrued and apportionable operating costs, charges and expenses, including without limitation those under the Assumed Contracts.

To the extent that prior to the Closing, Seller was appealing any ad valorem tax assessment or otherwise engaged in a tax contest, any refund or reduction in taxes applicable to any year prior to the year in which the Closing occurs shall be and remain the property of Seller and if any such tax refund is paid to, received by or credited to Buyer, Buyer shall promptly remit such payment or a check for such credit to Seller. If after the Closing any taxes are assessed against the Premises for periods prior to the Closing, Buyer shall provide Seller notice of such taxes, which such notice shall (i) include any tax bill or related documentation; and (ii) set forth Buyer's calculations regarding the amount of such taxes which Buyer determines is allocated to Seller in sufficient detail and particularity to enable Seller to verify the amount of the taxes. No later than fifteen (15) days prior to the due date for paying such taxes, Seller shall notify Buyer of any reasonable objections Seller may have to Buyer's calculations regarding the amount of such taxes which Buyer determined is allocated to Seller. Buyer and Seller agree to consult and resolve in good faith any such objection within ten (10) days of the due date of the tax. Seller shall be obligated to pay the portion of such taxes allocable to the period prior to the Closing at least five (5) days before such taxes become delinquent. If Seller fails to pay Seller's portion of such taxes at least five (5) days before such taxes become delinquent, then Buyer shall have the right to pay Seller's portion of such taxes and Seller shall be obligated to immediately reimburse Buyer for any such payments made by Buyer. Buyer acknowledges that Seller is a Section 501(c)(3) charitable organization that pays no or nominal property taxes but that pays assessments to the counties in which the Premises are located.

(b) Resident Monthly Service Fees. Residents' monthly service fees for the month of Closing shall be allocated as of the Closing Date; the portion thereof allocable to all time periods prior to the Closing Date shall be credited to Seller and the portion thereof allocable to the Closing Date and thereafter shall be allocable to Buyer. Buyer and Seller hereby recognize and agree that some Resident monthly service fees for the month of Closing will not have been collected as of the Closing Date. Therefore, the parties agree to estimate such amounts on the Closing Statement and adjust such estimate post-Closing as hereinafter provided.

Within thirty (30) days after the Closing Date, representatives of Seller and Buyer shall prepare and deliver to each other a schedule itemizing the adjustments to costs, charges and expenses, together with Resident monthly service fees (the "Initial Reconciliation"). The Initial Reconciliation shall include appropriate detail to identify the items being adjusted. A final reconciliation of all expenses, costs, charges, service fees and Resident monthly service fees shall be prepared and delivered by representatives of Buyer and Seller to each other within ninety (90) days after the Closing Date (the "Final Reconciliation"). The Final Reconciliation shall appropriately net all items to reflect the net amount owed to Buyer or to Seller as a result of such reconciliation. After approval by both parties of the Final Reconciliation, the party determined to owe cash as a result of such Final Reconciliation shall promptly pay such cash to the other party.

The provisions of this Section 2.3 shall survive the Closing.

2.4 Employees. All employees of Seller will be terminated by Seller effective as of the Closing Date. At the time of termination, such terminated employees will receive final paychecks in accordance with applicable law, and pursuant to Section 10.1 hereof.

2.5 Resident Security Deposits. With respect to any security deposits posted by Residents of the Facilities with Seller prior to Closing, Buyer shall receive a credit for such amounts. Buyer acknowledges that security deposits are prohibited under the RCFE Law and would only be collected in the SNF portion of the Facilities, if at all. A schedule showing the amounts of any such security deposits, by Resident name, is attached hereto as **Schedule 2.5.**

2.6 Past Due Residency Payments. With respect to accounts receivable or past due amounts relating to Residents occupying the Facilities after the Closing Date, Buyer shall promptly remit to Seller any amounts which relate to the period prior to the Closing Date actually received by Buyer from such Residents or their guarantors. Buyer shall use its reasonable best efforts to collect all such accounts receivable and past due amounts, provided, however, Buyer shall not agree to reduce any amount owed, or otherwise write-off any amounts, without the consent of Seller. All amounts collected by Buyer shall be applied first to current fees due (and if collected in the month in which the Closing occurs, such fees shall be prorated between Buyer and Seller) and then to delinquencies. The provisions of this Section 2.6 shall survive the Closing.

2.7 Possible Overbids and Auction.

(a) Reserved.

(b) This Agreement is subject to the terms and conditions of the Sale Procedures Order. The Sale Procedures Order may provide that bidders, including the Buyer, may bid at the Auction on the Lake Park Assets and/or on the Forest Hill Assets. (c) Order of Sale. The Court in the Case shall have authorized the sale of the Assets and entered the Sale Order as contemplated in this Agreement.

(d) Regulatory Clearances. Buyer shall receive all required Regulatory Clearances.

If any of the conditions precedent set forth in this Section 14.2 have not been materially satisfied or waived by the Closing Date, then Seller may: (a) terminate this Agreement by notifying Buyer and Escrow Agent prior to the Closing Date, in which event Seller shall retain the Earnest Money and neither party shall have any further rights, duties or obligations to the other except as expressly provided to survive termination hereunder; or (b) waive such condition precedent to Closing, whereupon Seller shall be deemed to have waived any rights or remedies under this Agreement with respect to the unsatisfied condition precedent and the purchase and sale hereunder shall be consummated in accordance with the terms and conditions hereof.

Section 15. Indemnification.

15.1 Seller's Indemnity. Seller shall and does hereby indemnify, defend and hold Buyer and its managers, members, affiliates, agents and/or employees (each, a "Buyer Party", and collectively, the "Buyer Parties") harmless from and against any and all loss, cost, damage, claim, judgment, liability or expense, including court costs and reasonable actual attorneys' fees (individually a "Loss," and collectively "Losses") which may be asserted against or incurred or suffered by Buyer or the Buyer Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Seller's employees, contractors or invitees (unless caused by Buyer), occurring during Seller's ownership of the Assets before Closing; (ii) any material inaccuracy of any representation or warranty of Seller in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Seller under this Agreement.

15.2 Buyer's Indemnity. Buyer shall and does hereby indemnify, defend and hold Seller and any partner (general or limited) of Seller and any current, former, and future trustee, officer, manager, member, partner, and employee (each, a "Seller Party", and collectively, the "Seller Parties") harmless from and against any and all Losses, which may be asserted against or incurred or suffered by Seller or Seller Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Buyer's employees, contractors or invitees (unless caused by Seller), occurring during Buyer's ownership of the Assets on or after the Closing; (ii) any material inaccuracy of any representation or warranty of Buyer in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Buyer under this Agreement.

15.3 Survival. Except as otherwise provided herein, the several representations and warranties of the parties contained in this Agreement and a party's right to indemnity in accordance with this Section 15. shall survive the Closing Date and shall remain in full force and effect thereafter for a period of one (1) year after the Closing Date and shall be effective with respect to any material inaccuracy therein or breach thereof, notice of which shall have been duly given within such one (1) year period in accordance with Section 15.4 hereof after which one (1) year period they shall terminate and be of no further force or effect.

15.4 Indemnification Procedure. After the incurrence of any Loss by any Buyer Party or any Seller Party, which might give rise to indemnification hereunder, the party seeking indemnification (the "Indemnitee") shall deliver to the party from which indemnification is sought (the "Indemnitor") written notice of such Loss within fifteen (15) days of Indemnitee's becoming aware thereof; provided, however, that delay or failure to so notify the Indemnitor shall only relieve the Indemnitor of its obligations to the extent, if at all, that it is prejudiced by reasons of such delay or failure. The Indemnitor shall have a period of thirty (30) days within which to respond thereto. If the Indemnitor accepts responsibility within such thirty (30)-day period, the Indemnitor shall be obligated to compromise or defend such matter, at its own expense and through counsel reasonably satisfactory to the Indemnitee. If the Indemnitor does respond within such 30-day period and rejects responsibility for such matter in whole or in part, or does not respond, the

Indemnitee shall be free to pursue, without prejudice to any of its rights hereunder, such remedies as may be available to the Indemnitee under applicable law at the Indemnitor's expense (subject, for the avoidance of doubt, to the limits set forth in this Article 14). The Indemnitee agrees to cooperate fully with the Indemnitor and its counsel in the defense against any such asserted liability. In any event, the Indemnitee shall have the right to participate in a non-controlling manner and at its own expense in the defense of such asserted liability. Any compromise of such asserted liability by the Indemnitor shall require the prior written consent of the Indemnitee and until such consent is obtained the Indemnitor shall continue the defense of such asserted liability. If, however, the Indemnitee refuses its consent to a bona fide offer of settlement containing a complete release of the Indemnitee from all liability in connection with the underlying claim that the Indemnitor wishes to accept, the Indemnitee may continue to pursue such matter, free of any participation by the Indemnitor, at the sole expense of the Indemnitee. In such event, the obligation of the Indemnitor to the Indemnitee shall be equal to the lesser of (i) the amount of the offer of settlement which the Indemnitee refused to accept plus the costs and expenses of the Indemnitee prior to the date the Indemnitor notifies the Indemnitee of the offer of settlement; or (ii) the actual out-of-pocket amount the Indemnitee is obligated to pay as a result of the Indemnitee's continuing to pursue such matter. The Indemnitor shall be entitled to recover from the Indemnitee any additional expenses incurred by the Indemnitor as a result of the decision of the Indemnitee to pursue such matter. So long as the Indemnitor is reasonably contesting any such claim in good faith, the Indemnitee shall not pay or settle such claim without the Indemnitor's prior written consent; provided that the Indemnitee may pay or settle such claim if it waives its right to indemnity therefor from the Indemnitor.

15.5 Reduction for Insurance. The amount which the Indemnitor is required to pay to, for, or on behalf of the Indemnitee pursuant to this Article 14 shall be reduced (including, without limitation, retroactively) by any insurance proceeds actually recovered by or on behalf of the Indemnitee in reduction of the related indemnifiable loss (the "Indemnifiable Loss"). Amounts required to be paid, as so reduced, are hereinafter sometimes called an "Indemnity Payment." If the Indemnitee shall have received, or if the Indemnitor shall have paid on its behalf, an Indemnity Payment in respect of an Indemnifiable Loss and shall subsequently receive, directly or indirectly, insurance proceeds (which duplicate in whole or in part, the Indemnity Payment) in respect of such Indemnifiable Loss, then the Indemnitee shall promptly pay to the Indemnitor the amount of such insurance proceeds, or, if less, the amount of the Indemnity Payment. The parties hereto agree that the foregoing shall not affect the subrogation rights of any insurance companies making payments hereunder.

15.6 Limitations of Remedies.

(a) Notwithstanding anything to the contrary set forth herein, the parties hereto agree that the indemnification provisions set forth in this Section 15. shall constitute the sole and exclusive remedy of either party for any breach or inaccuracy of any representation or warranty contained in this Agreement. The Buyer acknowledges that it shall not be entitled to seek rescission of the Agreement.

(b) Notwithstanding anything in this Section 15. to contrary, no person shall be entitled to indemnification hereunder if it can be established by clear and convincing

evidence that such person had knowledge on or prior to the Closing Date of the failure of any representation or warranty, or the breach of any covenant or agreement or the existence of any fact, event or circumstance, which may serve as the basis for bringing a claim for indemnification hereunder.

Section 16. Conduct of Business Pending Closing.

16.1 Ordinary Course of Business. Beginning on the Effective Date and continuing through the Closing Date; (i) Seller shall make no material change in the operation of the Facilities nor enter into any material contract other than in the ordinary course of business nor incur any material liability without the prior written consent of Buyer, which consent shall not be unreasonably withheld, conditioned, or delayed, and Seller shall make good faith efforts to ensure that the goodwill and operations of the Facilities and the relationships with Residents and employees are preserved in the ordinary course of business; (ii) Seller shall perform all maintenance and repairs necessary to keep the Facilities and Assets in good operating condition and repair, and shall not sell or remove any Inventory or any Fixtures, Furniture and Equipment except in the ordinary course of business; and (iii) Seller shall not, without the prior written consent of Buyer:

(a) enter into any material contract, agreement, lease, or other commitment with a duration of more than 12 months or involving the expenditure of more than fifteen thousand dollars ($15,000) with respect to the Facilities, except contracts to purchase operating supplies or services in the ordinary course of business;

(b) enter into any monthly residence agreement with respect to any unit at the Facilities that is not currently subject to a monthly fee residence agreement on substantially similar terms; *provided*, that with the respect to those units at the Facilities that were unoccupied at the commencement of the Case but subsequently have been occupied pursuant to a monthly residence agreement (and not a life care and residence agreement with a corresponding entrance fee payment) identified at **Schedule 16.1(b)** (each, a "***New Monthly Residence Agreement***"), upon any resident termination of a New Monthly Residence Agreement, Seller shall not enter into any further monthly residence agreements for such units;

(c) make any change in key personnel at the Facilities, including the executive director or other department heads; or

(d) enter into any employment arrangement, agreement or undertaking, or pay or promise to pay any fringe benefit, bonus or special compensation to employees, except "stay for pay" arrangements and filling vacated positions as needed.

16.2 Compensation. Except in the ordinary course of business and consistent with past practices, Seller shall not increase, except for annual cost of living, or promise any increase with respect to any salary or other form of compensation payable or to become payable to any of employees, and will not pay any bonus or make any other severance or retirement arrangement with any employees except as may have already been negotiated, be required to avoid legal action, or be required pursuant to Section 10.1 hereof.

16.3 Insurance. From the date hereof until the Closing Date, Seller shall, as long as such insurance continues to be available at reasonably affordable rates, continuously maintain insurance on the Facilities at no less than the levels maintained on the date hereof. Seller shall maintain, at Seller's expense, "tail" coverage with respect to its professional liability insurance policy (if it is a claims made policy) for two (2) years following the Closing Date and shall name Buyer as an additional named insured on such tail coverage.

Section 17. Transition.

17.1 Accounts Receivable. Seller shall immediately transmit to Buyer any payments on accounts of the Facilities arising after the Closing which may be delivered to Seller from third party payor sources for services rendered after the Closing. Buyer shall immediately transmit to Seller any payments on accounts of the Facilities arising after the Closing which may be delivered to Buyer from third party payor sources for services rendered prior to Closing. All payments received by Buyer shall be applied first to delinquencies and then to current obligations.

17.2 Cooperation. Seller and Buyer agree to cooperate with each other in all reasonable respects and to provide such information as is necessary to ensure a smooth and orderly transition of operation of the Facilities.

17.3 Medicare Change of Ownership Filings. Buyer and Seller acknowledge that the transfer of the operations at the skilled nursing facilities as contemplated under this Agreement will constitute a change of ownership of the skilled nursing facilities for purposes of participation in the Medicare program and will effect an assignment of the skilled nursing facilities' Medicare provider agreements and provider numbers to Buyer (or its designee). Buyer (or its designee) shall not reject the assignment of the skilled nursing facilities' Medicare provider agreement or provider number. Seller and Buyer (or its designee) will act diligently to make all necessary notifications and filings required under applicable law for Buyer (or its designee) to become the Medicare provider at the skilled nursing facilities. In addition, Seller and Buyer (or its designee) each agree to complete, execute and submit its portions of the CMS-855A forms with respect to the skilled nursing facilities as promptly as practicable following the Effective Date. Subject to the terms and provisions of this Agreement, Buyer (or its designee) may bill under Seller's Medicare provider enrollment agreement and use Seller's provider numbers for the skilled nursing facilities from the Closing Date until the earlier of the date that (a) Buyer (or its designee) receives the applicable Medicare certification notice (the so-called "tie-in" notice) which will enable it to receive reimbursements directly from Medicare for items and services furnished by the Facilities or (b) this Agreement is terminated in accordance with its terms.

17.4 Cost Reports. Seller shall prepare and file any Medicare cost reports for the Facilities related to the period prior to the Closing. Following the Closing, Seller shall be authorized to contact the business office manager or other persons with access to the information at the Facilities during normal business hours in order to obtain information needed to prepare the final Medicare cost reports with respect to claims filed with Medicare for the Facilities prior to the Closing, and Buyer (or its designee) shall provide Seller with such Facility records as Seller reasonably requests to complete such final cost reports.

17.5 Indemnification Under Third Party Payor Programs. Notwithstanding any other provisions in this Agreement to the contrary, Seller shall not have any liability whatsoever with respect to Losses relating to (a) Buyer's (or its designee's) furnishing of items or services, on or after the Closing Date, to any Third Party Payor Program beneficiaries or other patients, (b) Buyer's (or its designee's) financial accounting, coding, billing, cost reporting or claims submissions activities for its own account with respect to Third Party Payor Programs, or (c) Buyer's (or its designee's) retention of payments for the furnishing of such items and services. Buyer (or its designee) shall indemnify, defend and hold Seller harmless against and with respect to any Losses arising from the foregoing.

17.6 Survival. The provisions of this Section 17. shall survive the expiration or earlier termination of this Agreement and shall survive the Closing.

Section 18. Public Announcements.

Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and not to issue a press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, which approval shall not be unreasonably withheld, conditioned, or delayed, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders; provided, however, that Seller shall be entitled to make such disclosures as may be necessary and appropriate to obtain the requisite approval of the bankruptcy court for the transactions contemplated hereunder and shall be entitled to disclose the status of the transactions contemplated hereunder to employees and Residents.

Section 19. Default.

19.1 Buyer's Default.

(a) If Buyer shall be in breach or default of any of the terms or conditions of this Agreement, then Seller shall give Buyer and Escrow Agent written notice specifying the nature of the default.

(b) Buyer shall have five (5) days from receipt of Seller's notice of default within which to cure the specified default. If Buyer does not cure such default within said five (5) day period or if such default is not waived in writing by Seller, then the Earnest Money, and all accrued interest thereon, shall be paid over to Seller and this Agreement shall automatically terminate and Seller and Buyer shall have no further rights, duties or obligations hereunder except as expressly survive the termination hereof.

(c) BUYER AND SELLER AGREE THAT IF BUYER DEFAULTS ON ITS OBLIGATION TO PURCHASE THE ASSETS PURSUANT HERETO, THE DAMAGES TO SELLER WOULD BE DIFFICULT AND IMPRACTICAL TO DETERMINE. ACCORDINGLY, BUYER AND SELLER HAVE AGREED TO FIX AS LIQUIDATED DAMAGES THE EARNEST MONEY SPECIFIED IN SECTION 5. , BUT ONLY TO THE EXTENT THERETOFORE DEPOSITED WITH ESCROW AGENT AND THE EARNEST MONEY SHALL BE RETAINED BY SELLER AS LIQUIDATED DAMAGES, AND SHALL

CONSTITUTE SELLER'S SOLE AND EXCLUSIVE REMEDY FOR SUCH DEFAULT. SELLER AGREES THAT THESE LIQUIDATED DAMAGES SHALL BE IN LIEU OF ANY OTHER MONETARY RELIEF OR OTHER REMEDY, INCLUDING WITHOUT LIMITATION SPECIFIC PERFORMANCE, TO WHICH SELLER OTHERWISE MIGHT BE ENTITLED UNDER THIS AGREEMENT, AT LAW OR IN EQUITY. BUYER AND SELLER SPECIFICALLY ACKNOWLEDGE THEIR AGREEMENT TO THE FOREGOING LIQUIDATED DAMAGES PROVISION BY INITIALING THIS PARAGRAPH IN THE APPROPRIATE SPACES PROVIDED BELOW:

If Seller does not cure such default within said five (5) day period or if such default is not waived in writing by Buyer, then Buyer, at its option, shall have the right, within five (5) days after the expiration of the said five (5) day grace period, to elect one (1) and only one (1) of the following remedies:

(ii) Buyer may demand specific performance of this Agreement by Seller, and, if necessary, file an action therefor.

19.3 Survival. The provisions of this Section 19. shall survive the termination of this Agreement.

Section 20. Broker.

Neither Seller nor Buyer has had any dealings with any broker, finder, or other party concerning the purchase and sale of the Assets other than Dan Revie and his team at B.C. Ziegler & Company ("Broker") and Buyer and Seller each agree to indemnify and hold the other harmless from all loss, costs, damage or expense, including reasonable attorney's fees incurred by the other as a result of any claim arising out of the acts of the indemnifying party for a commission, finder's fee, or similar compensation made by any other broker, finder or other party. Broker is to be paid a commission by Seller pursuant to a separate agreement and Broker shall not be deemed a party or third party beneficiary of this Agreement. AGREEMENT

NOW, THEREFORE, for good and valuable consideration, including the payment of the Purchase Price more particularly described in the Agreement paid by Buyer, the receipt and sufficiency of which are hereby acknowledged the parties do hereby agree as follows:

1. Assignment and Assumption.

1.1 Assignment. Subject to Section 1.3 hereof, Seller, as of the date hereof does hereby SELL, ASSIGN, TRANSFER and DELIVER to Buyer, subject to the provisions of this Assignment and Assumption Agreement and all applicable Court orders, all of its rights, title and interest in the Assigned Interests, and each of them.

1.2 Assumption. Subject to Section 1.3 hereof Buyer, for itself and its successors and assigns, hereby succeeds to and assumes all of the right, title and interest of Seller to, and agrees to perform, or to cause to be performed, and otherwise to discharge or cause to be discharged, as such becomes due or performable, on or after the date hereof, as the case may be, all of Seller's duties and obligations under, or arising in connection with, the Assigned Interests and each of them.

1.3 Further Assurance. After the Closing and without further consideration, each party will from time to time, at the reasonable request of any other party, execute and deliver such other instruments of conveyance and transfer and such other instruments, documents and agreements and take such other actions as such other party may reasonably request or as may be reasonably requested by any applicable governmental or regulatory entities or third parties, in each case in order to more effectively or more expeditiously consummate any of the transactions contemplated by this Assignment and Assumption Agreement and to vest in Buyer the right, title and interest in, to and under the Assigned Interests, provided that the requesting party will prepare any additional documents and instruments and will handle any submittal, applications, processing, recording and registrations at its sole cost. It is expressly acknowledged that to the extent that the assignment of any Assumed Contracts to be assigned as provided under the Agreement shall require the consent of another party thereto, this Assignment and Assumption Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof.

1.4 This Assignment and Assumption Agreement is being entered into and delivered pursuant to and subject to the terms and conditions set forth in the Agreement and is to be construed in a manner consistent with the terms and conditions of the Agreement. Additional rights and obligations of Seller and Buyer are expressly provided for in the Agreement. In the event of any conflict between the provisions of the Agreement and this Assignment and Assumption Agreement, the provisions of the Agreement will prevail and control.

1.5. Nothing in this Assignment and Assumption Agreement, whether express or implied, is intended, nor shall any provision contained herein be construed, to confer any rights or remedies under or by reason of this Assignment and Assumption Agreement on any persons other than the parties hereto (and their respective successors and permitted assigns), nor is anything in this Assignment and Assumption Agreement intended to relieve or discharge the obligation or liability of any third persons to Seller or Buyer, nor shall any provision contained herein give any third party any right of subrogation or action over or against Seller or Buyer. UNITED STATES BANKRUPTCY COURT

NORTHERN DISTRICT OF CALIFORNIA, OAKLAND DIVISION

In re CALIFORNIA-NEVADA METHODIST HOMES,[1] Debtor.	Case No. 21-40363 Chapter 11 **ORDER (I) APPROVING THE SALE OF SUBSTANTIALLY ALL OF THE DEBTOR'S ASSETS FREE AND CLEAR OF CLAIMS, LIENS, AND ENCUMBRANCES, (II) APPROVING THE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES, AND (III) GRANTING RELATED RELIEF**

[1] The last four digits of the Debtor's federal tax identification number are 2411. The mailing address for the Debtor is 1850 Alice Street Oakland, CA 94612.

Upon consideration of the *Debtor's Motion For An Order (I) Approving The Sale Of Substantially All Of The Debtor's Assets Free And Clear Of Claims, Liens, And Encumbrances, (II) Approving The Assumption And Assignment Of Certain Executory Contracts And Unexpired Leases, And (III) Granting Related Relief* [ECF #402] (the "**Motion**")[2] filed by California-Nevada Methodist Homes, as debtor and debtor in possession (the "**Debtor**") in the above-captioned chapter 11 case (the "**Chapter 11 Case**") for entry of an order (this "**Order**") pursuant to sections 363 and 365 of Title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the "**Bankruptcy Code**"), and Rules 6004 and 6006 of the Federal Rules of Bankruptcy Procedure ("**Bankruptcy Rules**") (i) approving the sale of substantially all of the Debtor's assets (the "**Assets**") free and clear of Interests (as defined below) (ii) approving the assumption and assignment of certain executory contracts and unexpired leases, and (iii) granting related relief; and upon consideration of any responses and oppositions filed in response to the Motion and the evidence submitted in support of the Motion and in response and opposition to the Motion; and the Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Order Referring Bankruptcy Cases and Proceedings to Bankruptcy Judges*, General Order 24 (N.D. Cal. Feb. 22, 2016), and Rule 5011-1(a) of the Bankruptcy Local Rules for the United States District Court for the Northern District of California (the "**Bankruptcy Local Rules**"); and this matter being a core proceeding pursuant to 28 U.S.C. § 157; and venue of the Chapter 11 Case and the Motion are proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion and the Hearing (as defined below) was sufficient under the circumstances, and it appearing that other or further notice need not be provided; and this Court having held a hearing (the "**Hearing**") to consider the relief requested in the Motion and the Court having

[2] Capitalized words not otherwise defined herein shall have the same meanings ascribed to such terms in the Motion. The term "Bidding Procedures" in footnote 2 to the Motion shall be replaced with the term "Sale Procedures."

considered the arguments made at the Hearing; and the Court having found that the relief requested in the Motion is in the best interests of the Debtor, its creditors, its estate and all other parties in interest; and upon the record herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY FOUND, ADJUDGED, AND DECREED THAT:

A. The Debtor was required to conduct an Auction for the sale of the Assets because the Debtor received at least one bid for the Assets by the January 31, 2022 deadline that the Debtor determined to be a Qualifying Bid as that term is used in this Court's January 14, 2022 *Order Granting Debtor's Motion for Entry of an Order (i) Approving Bidding Procedures in Connection With the Sale of Substantially All of the Debtor's Assets; (ii) Approving Procedures for the Assumption and Assignment of Executory Contracts and Unexpired Leases; (iii) Approving Stalking Horse Bidder and Bid Protections; and (iv) Granting Related Relief* ("**Sales Procedures Order**") [ECF #401].

B. At the Auction, both Pacifica and Heritage acknowledged and agreed on the record that it will pay the repayable portion of each Resident Entrance Fee Payment ("**Repayable Entrance Fees**") upon re-occupancy of such resident's unit regardless of the type of agreement entered into with the new occupant of the unit, including amounts which became due and payable any time prior to Closing.

C. After the Auction concluded, the Debtor named Pacifica Companies LLC ("**Pacifica"**) as the Successful Bidder with a Successful Bid (as that term is used in the Sales Procedures Order) of $34,000,000 on the terms set forth in the Stalking Horse Agreement and named Heritage Campus Group ("**Heritage**") as the Backup Bidder with a Backup Bid (as that term is used in the Sales Procedures Order) of $34,250,000 on the terms set forth in the Purchase and Sale Agreement signed by Heritage and dated January 31, 2022 ("**Heritage's Purchase Agreement**"). The Debtor thereafter filed copies of the Stalking Horse Agreement and Heritage's Purchase Agreement (collectively, the "**Purchase Agreements**") in the Chapter 11 Case, indicating the

Purchase Price for the Successful Bid and the Backup Bid as stated above (ECF #428).

D. Good and sufficient cause has been shown for the entry of this Order granting the Motion to authorize Debtor to sell the Assets to Pacifica on terms set forth in the Stalking Horse Agreement and, if Pacifica is unable to close the purchase of the Assets, to sell the Assets to Heritage on terms set forth in Heritage's Purchase Agreement and this Order (the "**Asset Sale**").

E. The Debtor has articulated sound business justifications for selling the Assets to Pacifica, or failing that, to Heritage pursuant to the terms of its respective Purchase Agreement and the additional relief granted by this Order.

F. The Assets are property of the Debtor's bankruptcy estate.

G. The sale process conducted by the Debtor for the sale of the Assets (the "**Sale Process**") and the purchase price of $34,000,000 for the Successful Bidder and $34,250,000 for the Backup Bidder (the "**Purchase Price**") and other terms as set forth in the respective Purchase Agreements are both fair and reasonable. Approval of the Asset Sale at this time to Pacifica, or failing that, to Heritage pursuant to the terms of its respective Purchase Agreement and this Order is in the best interests of the Debtor, its creditors, its estate, and other parties in interest.

H. The Stalking Horse Agreement and Heritage's Purchase Agreement were negotiated in good faith and at arm's length between Debtor on the one hand and Pacifica and Heritage respectively on the other hand. The terms of the Purchase Agreements are the result of the Sale Process which was fair and reasonable, and the Purchase Agreements are not the product of fraud, collusion, an attempt to take unfair advantage of others, or misconduct on the part of Debtor, Pacifica, or Heritage.

I. For purposes of this Order, "Interests" is defined as all liens, claims encumbrances and interests in the Assets exclusive of: (i) all liabilities and obligations under the Assumed Contracts, (ii) the Repayment Liability (as defined in the Stalking

Horse Agreement), (iii) all additional liabilities assumed under the terms of the operative Purchase Agreement, (iv) the Permitted Encumbrances (as defined in the Stalking Horse Agreement), and (v) the requirements of the existing Notice of Statutory Limitation of Transfer recorded pursuant to Health and Safety Code section 1779.4(aa) ("**Section 1779.4(aa) Notice"**) and the requirements for the recording of a new Section 1779.4(aa) Notice. For the avoidance of doubt, the Purchaser will be liable for and under (i) to (iii) immediately above as of Closing and will take ownership of Assets at the time of Closing subject to (iv) to (v) immediately above.

J. The purchase of the Assets by Pacifica, or failing that, to Heritage pursuant to the respective Purchase Agreement is in "good faith" as that term is used in Section 363(m) of the Bankruptcy Code and neither the Debtor nor Pacifica or Heritage engaged in any action or inaction that would cause or permit the Asset Sale to be avoided or damages or costs to be awarded to any party under Section 363(n) of the Bankruptcy Code.

K. B.H. Capital Ventures, LLC's ("**BHC**") does not object to the sale of the Assets on the terms set forth herein and pursuant to the *Amended Final Order (I) Authorizing Debtor to Obtain Postpetition Financing, (II) Granting Adequate Protection, (III) Granting Superpriority Administrative Expense Claims, (IV) Granting Priming Liens Under Bankruptcy Code Section 364(d), and (V) Granting Related Relief* [ECF #265], as the DIP Loan Order has been amended [ECF #326] and as may be further amended or supplemented, (collectively, the "**DIP Loan Order**"), and on no other terms. Holders of other Interests in the Assets either consented to the Asset Sale and/or could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such Interests.

L. Notice of the Asset Sale and the terms of the Purchase Agreements were sufficient under the circumstances, and no other or additional notice of the Asset Sale, the Hearing, the terms of the Purchase Agreements, or of the request for the relief granted

herein is required, other than as required herein.

M. The Interests of the Debtor's secured claimholders – BHC; California Department of Health Care Access and Information f/k/a Office of Statewide Health Planning and Development ("**HCAI**"); Wilmington Trust, National Association, in its capacity as bond trustee ("**Wilmington**"); and the California Department of Social Services ("**CDSS**") – are adequately protected, thereby satisfying section 363(e) of the Bankruptcy Code. With the exception of the DIP Liens (as defined below) which will be satisfied and extinguished pursuant to the terms of this Order, the Interests of the Debtor's other secured claimholders shall attach to the sale proceeds in the order of their priority, and with the same validity, extent, force and effect that they have against such Assets immediately prior to Closing.

N. The Debtor has articulated sound business justifications for assuming the Assumed Contracts and assigning them to Pacifica, or failing that, to Heritage pursuant to the terms of the respective Purchase Agreement and this Order.

O. Pacifica has provided adequate assurance of future performance under the Assumed Contracts.

P. The Debtor has filed a Notice of Successful Bidder [ECF #429] (the "**Notice**") indicating certain executory contracts which Pacifica seeks to have the Debtor assume and assign to Pacifica.

Q. The terms herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent anything that may be considered a finding of fact constitutes a conclusion of law, it is adopted as such. To the extent any conclusion of law may be considered a finding of fact, it is adopted as such.

Based on the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT

1. The Motion is GRANTED as set forth herein.

2. The objection of Pharmacy Corporation of America to the proposed cure amount in Debtor's Notice of Proposed (I) Assumption and Assignment of Executory Contracts and Unexpired Lases and (II) Cure Amounts is overruled as moot.

3. The Objection of the Trustee of the Trust of Sallie Stockton to the Debtor's calculation of the Entrance Fee Refund Amount for former Resident Helen "Sallie" Stockton is overruled.

4. Any other objections asserted at or prior to the Sale Hearing to the Asset Sale, to the assumption and assignment of any of the Assumed Contracts, or to the cure amounts listed in the Resident Notices or the Cure Notices are overruled on the terms set forth herein.

5. Except as otherwise provided herein and subject to the provisions of paragraphs 6-7 below, the Debtor is authorized to sell the Assets (a) to Pacifica for $34,000,000 on the terms otherwise set forth in the Stalking Horse Agreement and this Order or (b) failing that, to Heritage for $34,250,000 on the terms otherwise set forth in Heritage's Purchase Agreement and this Order, in either case free and clear of any Interests in the Assets existing at the time of Closing.

6. Concurrent with the Closing of the Asset Sale as provided in the operative Purchase Agreement, the escrow agent specified in that Purchase Agreement shall pay from the Purchase Price funds held in escrow the Debtor's liability to BHC under the Senior Secured Superpriority Debtor-in-Possession Credit Agreement by and between Debtor and BHC, as amended, (the "**DIP Loan Liability**") in full, and upon full satisfaction of the DIP Loan Liability, any security interests, liens and other Interests BHC may have in the Assets at the time of Closing (the "**DIP Liens**") shall be fully satisfied and extinguished. BHC shall cooperate with the Debtor and Pacifica or Heritage, as applicable, as reasonably requested in connection therewith.

7. Closing of the Asset Sale shall not occur unless:

a. there are sufficient funds held in the escrow for the Asset Sale to pay the DIP Loan Liability in full; and

b. The escrow instructions for the Asset Sale include an instruction that BHC shall be paid the DIP Loan Liability in full at the Closing from escrowed funds.

8. Upon Closing of the Asset Sale as provided in the operative Purchase Agreement, Pacifica or Heritage, as applicable, shall (i) acquire the Assets free and clear of any and all Interests in the Assets, pursuant to Section 363(f) of the Bankruptcy Code.

9. All Interests in the Assets shall attach to the proceeds of the Asset Sale immediately upon receipt by the Debtor of such proceeds in the order of priority, and with the same validity, force and effect which they have against the Assets immediately prior to the Closing, except for the DIP Liens which will be satisfied and extinguished at the time of Closing under the terms of this Order.

10. The Debtor shall give Pacifica and Heritage, as applicable, notice of the requirements under Section 1779.4(aa) on or before the Closing of the Asset Sale.

11. The Debtor is authorized to perform its obligations under the operative Purchase Agreement, and in particular, make the payments to terminated employees pursuant to paragraphs 2.4 and 10.1 of the operative Purchase Agreement.

12. Amendments to a Purchase Agreement shall not be valid or enforceable unless approved by an order of this Court entered after reasonable notice and an opportunity to be heard has been provided to parties-in-interest in the Chapter 11 Case that have requested notice, including without limitation the Official Committee of Unsecured Creditors appointed in the Chapter 11 Case; HCAI; BHC; Wilmington; CDSS; and the Office of the United States Trustee.

13. Pacifica and Heritage need not seek Court approval for the assignment of their rights under their respective Purchase Agreement, in whole or in part, to any entity

Each of Buyer and Seller agrees that it will not take a position inconsistent with such allocation except with the written consent of the other party to the Agreement, which consent will not be unreasonably withheld, conditioned, or delayed. Upon request by either party, the other party shall execute and file with the Internal Revenue Service, or other applicable governmental authorities, such forms, notices, returns, reports, affidavits, or other documents as such party reasonably requests, setting forth the allocation of the Purchase Price as determined in accordance with this Subsection (c) of Section 2.1. 2.2 Repayment Liability. Buyer expressly agrees to assume and accept assignment of the Assumed Contracts on the Closing Date and shall subsequently pay, honor and discharge when due and payable all liabilities arising out of the Assumed Contracts. Without limiting the foregoing, Buyer shall assume (a) Seller's liability for the repayable portion of any Resident Entrance Fee Payments the Seller received prior to the May 7, 2021 entry of the Restricted Account Order in the maximum amount of Twenty Million Seven Hundred Thirty-One Thousand Seven Hundred Thirty-Eight and No/100 Dollars ($20,731,738), subject to audit and verification at or prior to the Closing (the "Non-Restricted Entrance Fee Liability") and (b) Seller's liability, as of the Closing Date, for the repayable portion of any Resident Entrance Fee Payments the Seller received between May 7, 2021 and the Closing Date (the "Restricted Entrance Fee Liability," and together with the Non-Restricted Entrance Fee Liability, the "Repayment Liability").

2.3 Prorations at Closing.

(a) Expenses, Costs and Charges. The following items shall be prorated between Seller and Buyer as of the Closing Date. Seller shall be responsible for such items prior to the Closing Date and Buyer shall be responsible for such items on and after the Closing Date:

(i) real and personal property taxes and assessments for the calendar year in which the Closing occurs, giving recognition to any discount available for earliest payment. If taxes are prorated on an estimated basis rather than the actual tax for the year in which the Closing occurs, the parties shall adjust the prorated amount when such actual tax is known, based on the final tax bill for the year in which the Closing occurs;

(ii) water, fuel, electricity, telephone, garbage collection, sewage, and other utility service charges and expenses; and

(iii) any other accrued and apportionable operating costs, charges and expenses, including without limitation those under the Assumed Contracts.

To the extent that prior to the Closing, Seller was appealing any ad valorem tax assessment or otherwise engaged in a tax contest, any refund or reduction in taxes applicable to any year prior to the year in which the Closing occurs shall be and remain the property of Seller and if any such tax refund is paid to, received by or credited to Buyer, Buyer shall promptly remit such payment or a check for such credit to Seller. If after the Closing any taxes are assessed against the Premises for periods prior to the Closing, Buyer shall provide Seller notice of such taxes, which such notice shall (i) include any tax bill or related documentation; and (ii) set forth Buyer's calculations regarding the amount of such taxes which Buyer determines is allocated to Seller in sufficient detail and particularity to enable Seller to verify the amount of the taxes. No later than fifteen (15) days prior to the due date for paying such taxes, Seller shall notify Buyer of any reasonable objections Seller may have to Buyer's calculations regarding the amount of such taxes which Buyer determined is allocated to Seller. Buyer and Seller agree to consult and resolve in good faith any such objection within ten (10) days of the due date of the tax. Seller shall be obligated to pay the portion of such taxes allocable to the period prior to the Closing at least five (5) days before such taxes become delinquent. If Seller fails to pay Seller's portion of such taxes at least five (5) days before such taxes become delinquent, then Buyer shall have the right to pay Seller's portion of such taxes and Seller shall be obligated to immediately reimburse Buyer for any such payments made by Buyer. Buyer acknowledges that Seller is a Section 501(c)(3) charitable organization that pays no or nominal property taxes but that pays assessments to the counties in which the Premises are located.

(b) Resident Monthly Service Fees. Residents' monthly service fees for the month of Closing shall be allocated as of the Closing Date; the portion thereof allocable to all time periods prior to the Closing Date shall be credited to Seller and the portion thereof allocable to the Closing Date and thereafter shall be allocable to Buyer. Buyer and Seller hereby recognize and agree that some Resident monthly service fees for the month of Closing will not have been collected as of the Closing Date. Therefore, the parties agree to estimate such amounts on the Closing Statement and adjust such estimate post-Closing as hereinafter provided.

Within thirty (30) days after the Closing Date, representatives of Seller and Buyer shall prepare and deliver to each other a schedule itemizing the adjustments to costs, charges and expenses, together with Resident monthly service fees (the "Initial Reconciliation"). The Initial Reconciliation shall include appropriate detail to identify the items being adjusted. A final reconciliation of all expenses, costs, charges, service fees and Resident monthly service fees shall be prepared and delivered by representatives of Buyer and Seller to each other within ninety (90) days after the Closing Date (the "Final Reconciliation"). The Final Reconciliation shall appropriately net all items to reflect the net amount owed to Buyer or to Seller as a result of such reconciliation. After approval by both parties of the Final Reconciliation, the party determined to owe cash as a result of such Final Reconciliation shall promptly pay such cash to the other party.

The provisions of this Section 2.3 shall survive the Closing.

2.4 Employees. All employees of Seller will be terminated by Seller effective as of the Closing Date. At the time of termination, such terminated employees will receive final paychecks in accordance with applicable law, and pursuant to Section 10.1 hereof.

2.5 Resident Security Deposits. With respect to any security deposits posted by Residents of the Facilities with Seller prior to Closing, Buyer shall receive a credit for such amounts. Buyer acknowledges that security deposits are prohibited under the RCFE Law and would only be collected in the SNF portion of the Facilities, if at all. A schedule showing the amounts of any such security deposits, by Resident name, is attached hereto as **Schedule 2.5.**

2.6 Past Due Residency Payments. With respect to accounts receivable or past due amounts relating to Residents occupying the Facilities after the Closing Date, Buyer shall promptly remit to Seller any amounts which relate to the period prior to the Closing Date actually received by Buyer from such Residents or their guarantors. Buyer shall use its reasonable best efforts to collect all such accounts receivable and past due amounts, provided, however, Buyer shall not agree to reduce any amount owed, or otherwise write-off any amounts, without the consent of Seller. All amounts collected by Buyer shall be applied first to current fees due (and if collected in the month in which the Closing occurs, such fees shall be prorated between Buyer and Seller) and then to delinquencies. The provisions of this Section 2.6 shall survive the Closing.

2.7 Possible Overbids and Auction.

(a) With the consent of the Buyer, the sale of the Assets contemplated herein is subject to the possible receipt by the Seller of overbids ("Overbids") for all or part of the Assets and the Auction conducted in accordance with the Sales Procedures Order. With the consent of the Buyer, the Seller shall file a motion (the "Sale Procedures Motion") with the Court in the Case seeking approval of procedures for the sale of the Assets through a process that includes the Auction and seeking entry of the Sales Procedures Order substantially in the form attached to Schedule 2.7 hereof, within two (2) business days of the Effective Date. The Sale Procedures Motion shall seek approval of the sale of the Assets under Sections 363 and 365 of the U.S. Bankruptcy Code and other applicable laws and rules and shall specifically request that the Court approve the transfer of the Assets to Buyer free and clear of liens and encumbrances other than Permitted Encumbrances and Assumed Contracts, specifically providing, without limitation, that any withdrawal liability to the Union Pension Fund (or any other related entity) shall not be assumed by Buyer. Seller shall diligently prosecute the Sale Procedures Motion, in good faith, with the goal of obtaining Court approval of the sale of the Assets to Buyer subject only to the Regulatory Clearances and Permitted Encumbrances and the terms and conditions of the Sale Procedures Order

(b) This Agreement is subject to the terms and conditions of the Sale Procedures Order. The Sale Procedures Order may provide that bidders, including the Buyer, may bid at the Auction on the Lake Park Assets and/or on the Forest Hill Assets. If an Auction is conducted in accordance with the Sale Procedures Order and if the Court thereafter finds and orders that a party other than the Buyer is the Successful Bidder (as defined in the Sales Procedures Motion) on the Lake Park Assets and the Court does not find and order that a party other than the Buyer is the Successful Bidder on the Forest Hill Assets,, then the Buyer shall (i) purchase the Forest Hill Assets on the terms set forth herein at a price that is the greater of: (x) $14,150,000.00, and (y) the highest and best bid the Buyer bid for the Forest Hill Assets at the Auction (such greater amount, the "Forest Hill Purchase Price"), and the Buyer shall assume and accept assignment of all the Assumed Forest Hill Residency Agreements (as defined in the Procedures Motion) and

assume the Assumed Forest Hill Repayable Entrance Fee Liabilities (as defined in the Procedures Motion) on the terms set forth in this Agreement and in such circumstances shall not assume or accept assignment of the Lake Park Assumed Residency Agreements (as defined in the Procedures Motion) and not assume the Lake Park Repayable Entrance Fee Liabilities (as defined in the Procedures Motion). For the avoidance of doubt, Seller will not accept any bid at the Auction from any party other than the Buyer for Forest Hill Assets unless another party has made an offer that exceeds the Minimum Initial Overbid Amount (as that term is defined in the Sales Order) on the Lake Park Assets.

The physical condition of the Facilities, including the fire panel and call system, is sufficiently improved and maintained to satisfy all licensure related inspections, and Seller shall be responsible for any and all repairs and maintenance to such systems necessary in order for Buyer to obtain the Regulatory Clearances.

12.7 Violations. There is no pending or, to Seller's knowledge, threatened, notice, suit, judgment, proceeding or investigation from any federal, state, city or local authority relating to any violation on or at the Premises or Facilities (including, but not limited to, any Department of Labor investigation or proceeding); and, to Seller's knowledge, there is no condition existing with respect to the Premises or Facilities that violates in any material respect any statute, ordinance, law or code regarding zoning, building, fire, air-pollution, or health law, or requires immediate improvement, alteration, addition, correction or other work on or about the Premises or Facilities, whether related to the Premises or Facilities or to the activities of any owner or occupant thereof. Seller has not received written notice that Seller is not in compliance with the City of Pacific Grove's conditions to provide two "affordable housing" units at Forest Hill. Between the Effective Date and Closing, Seller will cause the two "affordable housing units" to be fully available to potential residents who qualify for the City of Pacific Grove's below market rent program, and at or prior to the Closing, Seller shall provide written evidence, satisfactory to Buyer in its reasonable discretion, that the two "affordable housing units" are fully compliant in all material respects with all conditions relating to affordability.

12.8 Litigation. Subject to the disclosures set forth on **Schedule 12.8** hereto, and other than the Case, there is no litigation, arbitration or proceeding pending, or to Seller's knowledge, threatened, before any court or administrative agency or any other condition that adversely affects the Premises or the Facilities, or Seller's performance hereunder, or which will

result in a lien, encumbrance or judgment against any part of or any interest in the Premises or the Facilities.

12.9 MAC. To Seller's knowledge, no MAC has occurred or, if a MAC has occurred, Seller has provided notice to Buyer within two (2) Business Days of such occurrence.

12.10 **As-Is Sale; Release**. Except with respect to (i) Seller's covenants, representations, and warranties expressly set forth in this Agreement and (ii) any loss, damage, injury, liability, claim, expense or demand directly arising out of this Agreement, Buyer acknowledges and agrees that Buyer is purchasing the Premises in its "as-is, where is, with all faults" condition as of the Closing. Except as expressly set forth in this Agreement, Seller has made no representations or warranties regarding the Premises, and Buyer shall have undertaken all inspections and examinations in connection with the Premises that Buyer deems necessary or appropriate under the circumstances (including, without limitation, the physical and environmental condition of the Premises, the zoning of the Premises, the Premises' compliance with applicable laws, the condition of any improvements on the Premises, and the availability or lack of entitlements). **Buyer is relying strictly upon such inspections and examinations and the advice of its agents, consultants, contractors, vendors, and representatives.** Except as described in this Agreement, neither Seller nor any representative, member, agent, employee, manager, broker, principal, partner, affiliate, or consultant of Seller is making or has made any warranty or representation (either express or implied) with respect to any part of the Premises as an inducement to Buyer to enter into this Agreement and buy the Assets or for any other purpose. Buyer hereby expressly disclaims (on behalf of itself and any party affiliated with or related to Buyer, including, without limitation, successors and assigns) any and all Seller representations and warranties (either express or implied).

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE WAIVER AND RELEASE SET FORTH IN THIS SECTION 12.10 SHALL NOT BE DEEMED A WAIVER OF ANY CLAIMS BY BUYER WITH RESPECT TO: (A) ANY OBLIGATIONS OF SELLER IN THIS AGREEMENT THAT EXPRESSLY SURVIVE THE CLOSING, OR (B) FRAUD OR INTENTIONAL MISREPRESENTATION BY SELLER.

Section 13. Representations, Warranties and Covenants of Buyer.

Buyer hereby represents, warrants and covenants to Seller as follows:

13.1 Organization. 13.2 Authority. Buyer has the full power, authority and financial and operational ability to enter into and to perform its obligations under this Agreement and all other agreements and instruments to be executed by it pursuant to this Agreement, and no approval or consent of, or notice to, any person, entity, or governmental agency or authority is necessary for Buyer to perform hereunder other than the approval of Agencies for Buyer to operate the Facilities. or assets of Buyer by reason of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which Buyer is a party or which is or purports to be binding on Buyer or which otherwise affects Buyer, which will not be discharged, assumed, or released in full at or before the Closing.

13.5 No Financing. Buyer has the funds to consummate the transactions contemplated this Agreement and does not require the commitment from any lending institution in order to fulfill its obligations hereunder.

13.6 Violations. There is no pending or, to Buyer's knowledge, threatened, notice, suit, judgment, proceeding or investigation from any federal, state, city or local authority relating to any alleged violation at any of Buyer's other facilities that could be reasonably be expected to cause any Agencies or the California Attorney General to delay or deny the Regulatory Clearances to Buyer.

13.7 Litigation. Subject to the disclosures set forth on **Schedule 13.7** hereto, there is no litigation, arbitration or proceeding pending, or to Buyer's knowledge, threatened, before any court or administrative agency or any other condition that could adversely affect Buyer's performance hereunder.

Section 14. Conditions to Parties' Obligations.

14.1 Condition to Buyer's Obligations. The obligations of Buyer to consummate the transactions contemplated by this Agreement shall be subject to the satisfaction or performance prior to or at Closing of the following conditions, of which items (a), (b), (c), (f) and (g) below may be waived by Buyer:

(a) Representations. Each of Seller's representations and warranties as set forth in Section 12. above shall be true in all material respects as of the Closing Date.

(b) Seller's Other Obligations. Seller shall perform all of its other covenants and obligations in all material respects as set forth in this Agreement.

(c) Title. The Title Company shall be prepared to issue to Buyer at Closing the Title Policy subject only to the Permitted Encumbrances.

(d) Regulatory Clearances. Buyer shall receive all required Regulatory Clearances.

(e) Order of Sale. The Court in the Case shall have granted the Sale Motion as contemplated in Section 0 of this Agreement.

(f) No Material Real Estate Defect. No Material Real Estate Defect has first occurred with regard to the Premises, the Facilities or the other Assets after the Effective Date.

(g) No Unwaived MAC. No MAC has occurred that Buyer has not waived by written notice to Seller.

If any of the conditions precedent set forth in this Section 14.1 have not been materially satisfied or waived by the Closing Date, then Buyer may: (a) terminate this Agreement by notifying Seller and Escrow Agent prior to the Closing Date, in which event Seller shall promptly refund the Earnest Money to Buyer, and neither party shall have any further rights, duties or obligations to the other except as expressly provided to survive termination hereunder; or (b) waive such condition precedent to Closing, whereupon Buyer shall be deemed to have waived any rights or remedies under this Agreement with respect to the unsatisfied condition precedent and the purchase and sale hereunder shall be consummated in accordance with the terms and conditions hereof.

14.2 Condition to Seller's Obligations. The obligations of Seller to consummate the transactions contemplated by this Agreement shall be subject to the satisfaction or performance prior to or at Closing of the following conditions, of which items (a) and (b) below may be waived by Seller:

(c) Order of Sale. The Court in the Case shall have granted the Sale Motion as contemplated in Section 0 of this Agreement.

(d) Regulatory Clearances. Buyer shall receive all required Regulatory Clearances.

If any of the conditions precedent set forth in this Section 14.2 have not been materially satisfied or waived by the Closing Date, then Seller may: (a) terminate this Agreement by notifying Buyer and Escrow Agent prior to the Closing Date, in which event Seller shall retain the Earnest Money and neither party shall have any further rights, duties or obligations to the other except as expressly provided to survive termination hereunder; or (b) waive such condition precedent to Closing, whereupon Seller shall be deemed to have waived any rights or remedies under this Agreement with respect to the unsatisfied condition precedent and the purchase and sale hereunder shall be consummated in accordance with the terms and conditions hereof.

Section 15. Indemnification.

15.1 Seller's Indemnity. Seller shall and does hereby indemnify, defend and hold Buyer and its managers, members, affiliates, agents and/or employees (each, a "Buyer Party", and collectively, the "Buyer Parties") harmless from and against any and all loss, cost, damage, claim,

judgment, liability or expense, including court costs and reasonable actual attorneys' fees (individually a "Loss," and collectively "Losses") which may be asserted against or incurred or suffered by Buyer or the Buyer Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Seller's employees, contractors or invitees (unless caused by Buyer), occurring during Seller's ownership of the Assets before Closing; (ii) any material inaccuracy of any representation or warranty of Seller in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Seller under this Agreement.

15.2 Buyer's Indemnity. Buyer shall and does hereby indemnify, defend and hold Seller and any partner (general or limited) of Seller and any current, former, and future trustee, officer, manager, member, partner, and employee (each, a "Seller Party", and collectively, the "Seller Parties") harmless from and against any and all Losses, which may be asserted against or incurred or suffered by Seller or Seller Parties from time to time by reason of or in connection with (i) any personal injury (including death) or property damage or claim of personal injury or property damage, made by Residents or by Buyer's employees, contractors or invitees (unless caused by Seller), occurring during Buyer's ownership of the Assets on or after the Closing; (ii) any material inaccuracy of any representation or warranty of Buyer in this Agreement; or (iii) the non-fulfillment of any material covenant, undertaking, agreement or other obligation of Buyer under this Agreement.

15.3 Survival. Except as otherwise provided herein, the several representations and warranties of the parties contained in this Agreement and a party's right to indemnity in accordance with this Section 15. shall survive the Closing Date and shall remain in full force and effect thereafter for a period of one (1) year after the Closing Date and shall be effective with respect to any material inaccuracy therein or breach thereof, notice of which shall have been duly given within such one (1) year period in accordance with Section 15.4 hereof after which one (1) year period they shall terminate and be of no further force or effect.

15.4 Indemnification Procedure. After the incurrence of any Loss by any Buyer Party or any Seller Party, which might give rise to indemnification hereunder, the party seeking indemnification (the "Indemnitee") shall deliver to the party from which indemnification is sought (the "Indemnitor") written notice of such Loss within fifteen (15) days of Indemnitee's becoming aware thereof; provided, however, that delay or failure to so notify the Indemnitor shall only relieve the Indemnitor of its obligations to the extent, if at all, that it is prejudiced by reasons of such delay or failure. The Indemnitor shall have a period of thirty (30) days within which to respond thereto. If the Indemnitor accepts responsibility within such thirty (30)-day period, the Indemnitor shall be obligated to compromise or defend such matter, at its own expense and through counsel reasonably satisfactory to the Indemnitee. If the Indemnitor does respond within such 30-day period and rejects responsibility for such matter in whole or in part, or does not respond, the Indemnitee shall be free to pursue, without prejudice to any of its rights hereunder, such remedies as may be available to the Indemnitee under applicable law at the Indemnitor's expense (subject, for the avoidance of doubt, to the limits set forth in this Article 14). The Indemnitee agrees to cooperate fully with the Indemnitor and its counsel in the defense against any such asserted liability. In any event, the Indemnitee shall have the right to participate in a non-controlling

manner and at its own expense in the defense of such asserted liability. Any compromise of such asserted liability by the Indemnitor shall require the prior written consent of the Indemnitee and until such consent is obtained the Indemnitor shall continue the defense of such asserted liability. If, however, the Indemnitee refuses its consent to a bona fide offer of settlement containing a complete release of the Indemnitee from all liability in connection with the underlying claim that the Indemnitor wishes to accept, the Indemnitee may continue to pursue such matter, free of any participation by the Indemnitor, at the sole expense of the Indemnitee. In such event, the obligation of the Indemnitor to the Indemnitee shall be equal to the lesser of (i) the amount of the offer of settlement which the Indemnitee refused to accept plus the costs and expenses of the Indemnitee prior to the date the Indemnitor notifies the Indemnitee of the offer of settlement; or (ii) the actual out-of-pocket amount the Indemnitee is obligated to pay as a result of the Indemnitee's continuing to pursue such matter. The Indemnitor shall be entitled to recover from the Indemnitee any additional expenses incurred by the Indemnitor as a result of the decision of the Indemnitee to pursue such matter. So long as the Indemnitor is reasonably contesting any such claim in good faith, the Indemnitee shall not pay or settle such claim without the Indemnitor's prior written consent; provided that the Indemnitee may pay or settle such claim if it waives its right to indemnity therefor from the Indemnitor.

15.5 Reduction for Insurance. The amount which the Indemnitor is required to pay to, for, or on behalf of the Indemnitee pursuant to this Article 14 shall be reduced (including, without limitation, retroactively) by any insurance proceeds actually recovered by or on behalf of the Indemnitee in reduction of the related indemnifiable loss (the "Indemnifiable Loss"). Amounts required to be paid, as so reduced, are hereinafter sometimes called an "Indemnity Payment." If the Indemnitee shall have received, or if the Indemnitor shall have paid on its behalf, an Indemnity Payment in respect of an Indemnifiable Loss and shall subsequently receive, directly or indirectly, insurance proceeds (which duplicate in whole or in part, the Indemnity Payment) in respect of such Indemnifiable Loss, then the Indemnitee shall promptly pay to the Indemnitor the amount of such insurance proceeds, or, if less, the amount of the Indemnity Payment. The parties hereto agree that the foregoing shall not affect the subrogation rights of any insurance companies making payments hereunder.

15.6 Limitations of Remedies.

(a) Notwithstanding anything to the contrary set forth herein, the parties hereto agree that the indemnification provisions set forth in this Section 15. shall constitute the sole and exclusive remedy of either party for any breach or inaccuracy of any representation or warranty contained in this Agreement. The Buyer acknowledges that it shall not be entitled to seek rescission of the Agreement.

(b) Notwithstanding anything in this Section 15. to contrary, no person shall be entitled to indemnification hereunder if it can be established by clear and convincing evidence that such person had knowledge on or prior to the Closing Date of the failure of any representation or warranty, or the breach of any covenant or agreement or the existence of any fact, event or circumstance, which may serve as the basis for bringing a claim for indemnification hereunder.

Section 16. Conduct of Business Pending Closing.

16.1 Ordinary Course of Business. Beginning on the Effective Date and continuing through the Closing Date; (i) Seller shall make no material change in the operation of the Facilities nor enter into any material contract other than in the ordinary course of business nor incur any material liability without the prior written consent of Buyer, which consent shall not be unreasonably withheld, conditioned, or delayed, and Seller shall make good faith efforts to ensure that the goodwill and operations of the Facilities and the relationships with Residents and employees are preserved in the ordinary course of business; (ii) Seller shall perform all maintenance and repairs necessary to keep the Facilities and Assets in good operating condition and repair, and shall not sell or remove any Inventory or any Fixtures, Furniture and Equipment except in the ordinary course of business; and (iii) Seller shall not, without the prior written consent of Buyer:

(a) enter into any material contract, agreement, lease or other commitment with a duration of more than 12 months or involving the expenditure of more than fifteen thousand dollars ($15,000) with respect to the Facilities, except contracts to purchase operating supplies or services in the ordinary course of business;

(b) make any change in key personnel at the Facilities, including the executive director or other department heads; or

(c) enter into any employment arrangement, agreement or undertaking, or pay or promise to pay any fringe benefit, bonus or special compensation to employees, except "stay for pay" arrangements and filling vacated positions as needed.

16.2 Compensation. Except in the ordinary course of business and consistent with past practices, Seller shall not increase, except for annual cost of living, or promise any increase with respect to any salary or other form of compensation payable or to become payable to any of employees, and will not pay any bonus or make any other severance or retirement arrangement with any employees except as may have already been negotiated, be required to avoid legal action, or be required pursuant to Section 10.1 hereof.

16.3 Insurance. From the date hereof until the Closing Date, Seller shall, as long as such insurance continues to be available at reasonably affordable rates, continuously maintain insurance on the Facilities at no less than the levels maintained on the date hereof. Seller shall maintain, at Seller's expense, "tail" coverage with respect to its professional liability insurance policy (if it is a claims made policy) for two (2) years following the Closing Date and shall name Buyer as an additional named insured on such tail coverage.

Section 17. Transition.

17.1 Accounts Receivable. Seller shall immediately transmit to Buyer any payments on accounts of the Facilities arising after the Closing which may be delivered to Seller from third party payor sources for services rendered after the Closing. Buyer shall immediately transmit to Seller any payments on accounts of the Facilities arising after the Closing which may

be delivered to Buyer from third party payor sources for services rendered prior to Closing. All payments received by Buyer shall be applied first to delinquencies and then to current obligations.

17.2 Cooperation. Seller and Buyer agree to cooperate with each other in all reasonable respects and to provide such information as is necessary to ensure a smooth and orderly transition of operation of the Facilities.

17.3 Medicare Change of Ownership Filings. Buyer and Seller acknowledge that the transfer of the operations at the skilled nursing facilities as contemplated under this Agreement will constitute a change of ownership of the skilled nursing facilities for purposes of participation in the Medicare program and will effect an assignment of the skilled nursing facilities' Medicare provider agreements and provider numbers to Buyer (or its designee). Buyer (or its designee) shall not reject the assignment of the skilled nursing facilities' Medicare provider agreement or provider number. Seller and Buyer (or its designee) will act diligently to make all necessary notifications and filings required under applicable law for Buyer (or its designee) to become the Medicare provider at the skilled nursing facilities. In addition, Seller and Buyer (or its designee) each agree to complete, execute and submit its portions of the CMS-855A forms with respect to the skilled nursing facilities as promptly as practicable following the Effective Date. Subject to the terms and provisions of this Agreement, Buyer (or its designee) may bill under Seller's Medicare provider enrollment agreement and use Seller's provider numbers for the skilled nursing facilities from the Closing Date until the earlier of the date that (a) Buyer (or its designee) receives the applicable Medicare certification notice (the so-called "tie-in" notice) which will enable it to receive reimbursements directly from Medicare for items and services furnished by the Facilities or (b) this Agreement is terminated in accordance with its terms.

17.4 Cost Reports. Seller shall prepare and file any Medicare cost reports for the Facilities related to the period prior to the Closing. Following the Closing, Seller shall be authorized to contact the business office manager or other persons with access to the information at the Facilities during normal business hours in order to obtain information needed to prepare the final Medicare cost reports with respect to claims filed with Medicare for the Facilities prior to the Closing, and Buyer (or its designee) shall provide Seller with such Facility records as Seller reasonably requests to complete such final cost reports.

17.5 Indemnification Under Third Party Payor Programs. Notwithstanding any other provisions in this Agreement to the contrary, Seller shall not have any liability whatsoever with respect to Losses relating to (a) Buyer's (or its designee's) furnishing of items or services, on or after the Closing Date, to any Third Party Payor Program beneficiaries or other patients, (b) Buyer's (or its designee's) financial accounting, coding, billing, cost reporting or claims submissions activities for its own account with respect to Third Party Payor Programs, or (c) Buyer's (or its designee's) retention of payments for the furnishing of such items and services. Buyer (or its designee) shall indemnify, defend and hold Seller harmless against and with respect to any Losses arising from the foregoing.

17.6 Survival. The provisions of this Section 17. shall survive the expiration or earlier termination of this Agreement and shall survive the Closing.

Section 18. Public Announcements.

Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and not to issue a press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, which approval shall not be unreasonably withheld, conditioned, or delayed, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders; provided, however, that Seller shall be entitled to make such disclosures as may be necessary and appropriate to obtain the requisite approval of the bankruptcy court for the transactions contemplated hereunder and shall be entitled to disclose the status of the transactions contemplated hereunder to employees and Residents.

Section 19. Default.

19.1 Buyer's Default.

(a) If Buyer shall be in breach or default of any of the terms or conditions of this Agreement, then Seller shall give Buyer and Escrow Agent written notice specifying the nature of the default.

(b) Buyer shall have five (5) days from receipt of Seller's notice of default within which to cure the specified default. If Buyer does not cure such default within said five (5) day period or if such default is not waived in writing by Seller, then the Earnest Money, and all accrued interest thereon, shall be paid over to Seller and this Agreement shall automatically terminate and Seller and Buyer shall have no further rights, duties or obligations hereunder except as expressly survive the termination hereof.

(c) BUYER AND SELLER AGREE THAT IF BUYER DEFAULTS ON ITS OBLIGATION TO PURCHASE THE ASSETS PURSUANT HERETO, THE DAMAGES TO SELLER WOULD BE DIFFICULT AND IMPRACTICAL TO DETERMINE. ACCORDINGLY, BUYER AND SELLER HAVE AGREED TO FIX AS LIQUIDATED DAMAGES THE EARNEST MONEY SPECIFIED IN SECTION 5. , BUT ONLY TO THE EXTENT THERETOFORE DEPOSITED WITH ESCROW AGENT AND THE EARNEST MONEY SHALL BE RETAINED BY SELLER AS LIQUIDATED DAMAGES, AND SHALL CONSTITUTE SELLER'S SOLE AND EXCLUSIVE REMEDY FOR SUCH DEFAULT. SELLER AGREES THAT THESE LIQUIDATED DAMAGES SHALL BE IN LIEU OF ANY OTHER MONETARY RELIEF OR OTHER REMEDY, INCLUDING WITHOUT LIMITATION SPECIFIC PERFORMANCE, TO WHICH SELLER OTHERWISE MIGHT BE ENTITLED UNDER THIS AGREEMENT, AT LAW OR IN EQUITY. BUYER AND SELLER SPECIFICALLY ACKNOWLEDGE THEIR AGREEMENT TO THE FOREGOING LIQUIDATED DAMAGES PROVISION BY INITIALING THIS PARAGRAPH IN THE APPROPRIATE SPACES PROVIDED BELOW:

SELLER GBC **BUYER** _____

19.2 Seller's Default.

(a) If Seller shall be in breach or default of any of the terms or conditions of this Agreement, then Buyer shall give Seller and Escrow Agent written notice specifying the nature of the default.

(b) Seller shall have five (5) days from receipt of Buyer's notice of default within which to cure the specified default. If Seller does not cure such default within said five (5) day period or if such default is not waived in writing by Buyer, then Buyer, at its option, shall have the right, within five (5) days after the expiration of the said five (5) day grace period, to elect one (1) and only one (1) of the following remedies:

(i) Buyer may terminate this Agreement by written notice given to Seller and Escrow Agent, in which event the Earnest Money will be refunded to Buyer; or

(ii) Buyer may demand specific performance of this Agreement by Seller, and, if necessary, file an action therefor.

19.3 Survival. The provisions of this Section 19. shall survive the termination of this Agreement.

Section 20. Broker.

Neither Seller nor Buyer has had any dealings with any broker, finder, or other party concerning the purchase and sale of the Assets other than Dan Revie and his team at B.C. Ziegler & Company ("Broker") and Buyer and Seller each agree to indemnify and hold the other harmless from all loss, costs, damage or expense, including reasonable attorney's fees incurred by the other as a result of any claim arising out of the acts of the indemnifying party for a commission, finder's fee, or similar compensation made by any other broker, finder or other party. Broker is to be paid a commission by Seller pursuant to a separate agreement and Broker shall not be deemed a party or third party beneficiary of this Agreement. The representations and warranties contained herein shall survive the Closing.

Section 21. Miscellaneous.

21.1 Further Assurances. Each of the parties will, at any time before, at, or after the Closing Date, sign, execute and deliver (or cause others to do so) all documents and instruments to do, or cause to be done, all such acts and things as may be necessary to carry out the provisions of this Agreement.

21.2 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

21.3 Successors and Assigns. All of the terms of this Agreement shall be binding upon and inure to the benefit of and be enforceable by and against the successors and assigns of the parties hereto.

21.4 Entire Agreement. This Agreement, including the exhibits and schedules hereto, and the other documents delivered pursuant hereto, constitute the full and entire

understanding and agreement between the parties concerning the subject matter of this Agreement, and this Agreement supersedes all prior agreements and negotiations, oral or written, concerning that subject matter, all of which are merged into this Agreement. Nothing in this Agreement, express or implied, is intended to confer upon any party, other than the parties hereto, and their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

21.5 Amendment. A modification or amendment of this Agreement, the exhibits or schedules to this Agreement, or the other documents delivered pursuant hereto is effective only if it is in writing and executed by both parties. Execution by Escrow Agent is not required for any modification or amendment unless such modification or amendment affects Section 5. hereof.

21.6 Notices. All notices or other communications required or permitted hereunder shall be in writing and addressed as set forth below and either personally delivered (including delivery by a nationally recognized courier), sent by overnight mail (Federal Express or the like), or sent by registered or certified mail, postage prepaid, return receipt requested, or sent by telecopy or electronic mail. Notice hereunder shall be deemed to have been properly given or served for all purposes and shall be deemed received upon the earlier of (i) if personally delivered, the date of delivery to the address of the person to receive such notice if delivered during ordinary business hours; (ii) if sent by overnight mail, the business day following its deposit in such overnight mail facility; (iii) if mailed, on the third business day following the date of posting by the United States post office; or (iv) if given by telecopy or electronic mail, when the sender receives a confirmation of receipt generated by the sending machine, if sent during ordinary business hours. 21.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.

21.9 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any party hereto, upon any breach or default of any other party hereto, shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or of or in any similar breach or default thereafter occurring. Once the Commencement Date has been determined, Owner and Operator agree to promptly enter into an amendment to this Lease to amend the terms of this Section 2(a) to identify the Commencement Date.

(i) the Effective Date; and

(ii) the date that the following conditions are satisfied: (1) Operator shall have received its skilled nursing facility license from CDPH (as defined below) to operate the SNF Premises; and (2) Operator and the Facility shall have completed the Medicare and Medicaid certification process, enabling Operator and the Facility to participate in the Medicare and Medicaid programs, and to bill and collect reimbursements from Medicare and/or Medicaid for services rendered by Operator to eligible patients at the Facility; and (3) the current tenant shall have vacated the SNF Premises. Operator may exercise such Extension Option by giving written notice to Owner not less than six (6) months nor more than twelve (12) months prior to the expiration of the Term. Should Operator fail to give Owner such timely written notice during the required period, the then current Term and all rights of renewal shall automatically expire as of the then scheduled expiration date of the Term.

(c) Other than as set forth in subsections (a) and (b), above, this Agreement may not be further extended without the consent of both Owner and Operator.

3. Rental. As rental for the SNF Premises, Operator shall pay to Owner;

In addition, any amount of rent not paid by the fifth (5th) day of any month shall bear interest until paid at the annual rate of four percent (4.0%), or the highest rate allowed under California

This is a triple net lease, meaning that in addition to the rental payment set forth in Section 3 above, Operator shall pay all amounts necessary to operate and maintain the SNF Premises, including without limitation, all real property taxes and assessments, repairs, maintenance and replacements for the SNF Premises, and insurance, excluding however, any county, state or federal income taxes of Owner, and any municipal, county, state or federal franchise, gross receipts, estate, gift, succession, inheritance taxes of Owner and/or all other taxes applicable to Owner's gross or net income. Notwithstanding the foregoing, Owner shall be responsible for the repairs identified in Section 5 below. Property tax and insurance payments shall be paid by Operator to Owner quarterly. The timing and amount of such quarterly payments shall be such that Owner will have sufficient funds from which to pay all property tax and insurance invoices at such times as to avoid any and all penalties and to take maximum advantage of any and all discounts available.

The Parties acknowledge that this Lease covers only the skilled nursing facility portion of the campus currently known as "Forest Hill Retirement Community," a senior housing facility and does not include the independent living, assisted living and memory care components of "Forest Hill Retirement Community". The Parties agree that certain expenses of the entire facility will be shared in accordance with that certain Shared Services Agreement attached hereto as Exhibit "B" and incorporated herein by this reference (the "**SSA**"). In acknowledgement of the foregoing, Owner agrees to indemnify, defend, and hold harmless Operator from any and all liabilities, fees, costs, fines and/or other penalties that may be assessed against the SNF Premises and/or Operator by HCAI or any other governmental agency in connection with any and all such Pre-Commencement Date Repairs.

6. Absolute Net Lease.

(a) All rent payments shall be absolutely net to the Owner free of taxes, assessments, utility charges, operating expenses, refurnishings, insurance premiums or any other charge or expense in connection with the SNF Premises. All expenses and charges, whether for upkeep, maintenance, repair, (whether structural or non-structural) refurnishing,

refurbishing, restoration, replacement, insurance premiums, taxes, utilities, and other operating or other charges of a like nature or otherwise, shall be paid by Operator provided, however, that Operator shall not be responsible for repair or replacement necessary to cure any condition for which Owner is responsible under Paragraph 5. This provision is not in derogation of the specific provisions of this Lease, but in expansion thereof and as an indication of the general intentions of the Parties hereto.

7. Utilities. Subject to the SSA, Operator shall be responsible for the prompt and full payment, as and when due, of all charges (including taxes) for water, sewer, sanitation, electricity, gas, telephone, and other utilities consumed on the SNF Premises.

8. Collection of Revenue. Operator shall be entitled to collect and retain all payments, third party reimbursements, and receivables arising from services provided at the Facility during the Term, and further, in the event a life care contract provides a resident the benefit of not being charged for certain skilled nursing care for a period of time, and the resident uses such benefit, Owner shall reimburse Operator by paying Operator the applicable rate for such billable time period not to exceed thirty (30) days. For the avoidance of doubt, Operator shall not receive an extra payment from any third-party payor in addition to Owner's reimbursement.

9. Taxes & Quality Assurance Fees. Subject to the SSA, Operator shall 1) pay to the applicable taxing authority all ad valorem taxes and assessments due to improvement districts or governmental bodies which may be levied, assessed or charged against the SNF Premises by reason of the real property and premises leased hereunder including, but not limited, to real estate and personal property taxes, business and occupational taxes, license taxes, intangible property, gross receipts, or other excise taxes; and 2) be responsible for all taxes attributable to the property of Operator on the SNF Premises and for all license, privilege and occupation taxes levied, assessed or charged against Operator on account of the operation of the business from the SNF Premises. Operator shall pay all real property tax bills on or relating to the SNF Premises before such bills become past due. Taxes for any partial year shall be prorated between Operator and Owner, with Owner to be responsible for the taxes attributable to periods prior to the Commencement Date, and Operator to be responsible for taxes attributable to periods on and after the Commencement Date. Notwithstanding the foregoing, Owner acknowledges that Operator will not be assuming any quality assurance fees owed by the Facility, or by Owner's prior tenant for periods prior to the Commencement Date (the "**Pre-Commencement Date QAF**") and Owner shall be solely responsible for the payment of any and all such Pre-Commencement Date QAF owed to the California Department of Healthcare Services.

10. Operational Responsibilities.

(a) Responsibilities of Owner.

(i) Owner shall execute and deliver any documents reasonably necessary to facilitate the change of operational control of the Facility.

(ii) Owner shall and shall cause the current operator of the Facility to execute and timely deliver any documents reasonably necessary to effectuate the change of ownership with respect to the license of the Facility to Operator as of the

For the avoidance of doubt, neither Owner nor Operator has an obligation to provide such referrals as a matter of compliance with this Lease.

(b) Responsibilities of Operator. Operator shall operate the Facility at Operator's expense in a professional and competent manner. In addition, Operator shall have the following specific obligations along with the authority to implement such obligations to achieve the orderly operation of the Facility, all at Operator's expense:

(vii) Be responsible for purchase of supplies, equipment, maintaining supply agreements or purchase contracts, implement repairs and continued maintenance of Facility equipment and buildings and conduct periodic on-site inspections of the Facility, announced and unannounced, to ensure the physical plant and grounds are in satisfactory repair and condition.

(viii) Maintain a set and system of accounting books and records used in the operation of the Facility at Operator's expense. Such books and records shall be maintained on the basis of a December 31st calendar year or other such fiscal year elected by the Operator with written notice to Owner and shall permit Owner or any of its agents (upon reasonable prior notice to Operator), representatives or lenders to have access to and to examine and copy or make abstracts of all such books and records at any time or times hereafter during normal business hours. In addition, Operator shall provide to Owner an income statement, balance sheet, cash flow statement and census trend report on a monthly basis in form and content satisfactory to Owner in Owner's reasonable discretion.

Operator shall maintain all necessary permits, licenses and approvals for the operation of the Facility.

(xi) The matters set forth above are not intended to be limitations upon the management or operation activities, but are set forth to specify the general nature of the rights and responsibilities of the Parties.

11. Continuous Use. Operator shall, at Operator's expense, continuously use and occupy and operate the SNF Premises during the Term as a nursing facility licensed for not less than the number of beds listed on Exhibit A-1 and for ancillary services relating thereto, but for no other purpose. Notwithstanding the foregoing, Operator may temporarily interrupt the continuous operation of all or a portion of the Facility (i) for purposes of restoration following a casualty; (ii) for a reasonable period of time to complete refurbishment work approved by Owner; (iii) to, as reasonably necessary, construct alterations or improvements or to perform maintenance, repair, and replacement as may be required or permitted under this Lease. 12. Repairs and Replacements. Operator agrees, at its own cost and expense, to keep and maintain each and every part of the Facility both structural and non-structural and the equipment and furnishings on the SNF Premises, (including the roof, walls, electrical systems and all plumbing) in at least as good repair as when the premises were received, ordinary wear and tear and casualties beyond Operator's control alone excepted and to be responsible for the maintenance and normal operating condition of all heating, electrical and air conditioning equipment and plumbing on the SNF Premises at its own cost and expense. Operator shall return the SNF Premises at the expiration or termination of this Agreement in good order and condition, excepting only ordinary wear and tear and casualties beyond Operator's control. Further, Operator shall promptly make or cause to be made all repairs, interior and exterior, structural, and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the SNF Premises in good and lawful order and condition, normal wear and tear excepted, and in substantial compliance with all applicable local, state and federal laws and licensing requirements. Provided, however, in the event Operator does not wish to remain in possession of any such worn out equipment which is not needed in connection with the operation of the SNF Premises, in lieu of replacing or retaining at the SNF Premises, Operator may return to Owner, or, at Owner's discretion, discard the same. Commencing with month thirteen (13) of the Lease Term, Operator shall spend at least Thirteen Thousand and No/100 Dollars ($13,000/year ($500.00/bed)) on capital improvements to the Facility, and submit all such documentation to Owner on a bi-annual basis on June 30 and December 31st of each year. In the event for any calendar year Operator fails to provide adequate documentation of expenditures of at least Thirteen Thousand and No/100 Dollars ($13,000.00) during such year, then Operator shall pay the shortfall to Owner as additional rent with the documentation that is due on December 31st of such year. All such capital expenditures shall become the property of Owner and shall remain with the Facility at the expiration of the Term. All such capital expenditures shall become the property of Owner and shall remain with the Facility at the expiration of the Term.

13. Operator Liens. Operator may secure a working capital line of credit from a third party lender collateralized by facility accounts receivable and accounts receivable related collateral as more fully described in such working capital lender loan documents and UCC-1 financing statements. Owner agrees to subordinate any interest it may now or in the future have in such collateral and further agrees to reasonably cooperate with Operator and Operator's lender,

including, but not limited to, executing applicable legal documents that are customary in such transactions. Upon Owner's request, Operator agrees to cause the accounts receivable lender to execute a customary Intercreditor Agreement with respect to any liens granted in connection with such financing. For the avoidance of doubt, the collateral for the accounts receivable loan shall only consist of that property owned solely by Operator and Owner is not subordinating its interest in any property owned solely by Owner.

14. Alterations. Operator shall have the right and privilege to make, at Operator's expense, ordinary repairs, and alterations to the SNF Premises; provided, however, no alterations or changes of a structural nature exceeding One Hundred Thousand Dollars ($100,000.00) shall be made without the prior written consent of Owner.

15. Fixtures/Equipment. All equipment, furnishings, or trade fixtures installed by Operator or acquired by Operator independently of this Agreement which are not replacements of equipment, furnishings, or trade fixtures of Owner shall remain Operator's property and may be removed by Operator at the expiration of this Agreement; provided, however, Operator shall restore the SNF Premises and repair any damage thereto caused by such removal.

16. Untenantability. Should the improvements on the SNF Premises be rendered unfit for occupancy for the purposes for which they are hereby let, by reason of fire, windstorm or other act of nature or unavoidable casualty, the rentals hereinabove stipulated to be paid by Operator, or such proportion thereof as is related to that portion of the improvements on the Premises rendered untenantable by reason of such damage, shall continue and not be remitted or abated, the parties recognizing that Operator shall purchase and obtain Business Interruption Insurance under Section 22 of this Lease and Operator shall, subject to the provisions of Section 12, repair, reconstruct, and replace such affected improvements, provided, however, Owner may, upon the occurrence of any such casualty, elect to terminate this Agreement if the cost of replacing or repairing the improvements so damaged upon the SNF Premises equals or exceeds fifty percent (50%) of the appraised property value prior to such damage. Owner shall in no way be liable or responsible for any damage to any property of Operator in or about the SNF Premises by reason of flood, water, fire, windstorm or other casualty or act of nature.

17. Representations and Warranties of Owner. Owner hereby warrants and covenants with and unto Operator as follows:

(a) Title. That it has (or at the Commencement Date will have) an absolute and indefeasible title to the SNF Premises now and continuing during the Term, subject to the recitals and restrictions and covenants of record as of the first day of the Term, and that Owner will, during the Term, defend the same and hold harmless Operator against the lawful claims of any and all persons whomsoever but excepting any claims caused by or relating to actions of Operator.

(b) Encumbrances. Owner shall continue to satisfy all of its financial obligations that have or could give rise to encumbrances on the SNF Premises, including, but not limited to, existing mortgages, notes and similar obligations, provided that the Operator shall be responsible for all financial obligations or encumbrances arising from or relating to Operator or its operations on the SNF Premises.

(c) Lease. There is no lease affecting the SNF Premises that Owner does not have the power to terminate on or before the Effective Date.

(d) Authorization. Owner has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of Owner.

(e) No Conflicts. Neither the execution and delivery of this Agreement by Owner, nor the consummation by Owner of the transactions contemplated hereby, conflict with or will result in a breach or default under any agreement or obligation, or known potential litigation or liability, to which Owner is a party or is otherwise bound or subject.

(f) No Consent. No consent or approval of any third party is required in connection with the execution and delivery of this Agreement by Owner or the consummation by Owner of the transactions contemplated hereby, other than governmental licenses required for the operation of the Facility.

(g) Compliance With Laws. Owner hereby represents and warrants to Operator that the SNF Premises and all parts thereof are currently in material compliance with all applicable codes, laws, regulations, and ordinances of all county and municipal authorities.

(h) Binding Effect. This Agreement has been duly executed and delivered by Owner and constitutes the legal, valid, and binding obligation of Owner, enforceable against Owner in accordance with its terms.

(i) Broker or Finder. Neither party has had any dealings with any broker, finder, or other party concerning this Agreement and each agree to indemnify and hold the other harmless from all loss, costs, damage, or expense, including reasonable attorney's fees incurred by the other as a result of any claim arising out of the acts of the indemnifying party for a commission, finder's fee, or similar compensation made by any broker, finder or other party.

(j) Disclosure. Owner has no knowledge of any untrue statement of material fact or the omission or failure to state a fact necessary to make the statements contained herein not misleading.

(l) Non-SNF Premises. Owner owns the Non-SNF Premises and operates the assisted living and memory care units (which is housed in a building physically connected to the Facility). Owner agrees to provide Operator with access in and to the Facility as well as an easements or licenses necessary for Operator's access to and lawful operation of the Facility.

(m) Parking. The parking spaces (including the handicap spaces) located underground below the Facility are included in the SNF Premises and leased to Operator on a non-exclusive basis (i.e, shared with the Non-SNF Premises) pursuant to this Lease. Owner certifies that the parking spaces included in the Lease are ample for Facility employees and visitors.

18. Representations and Warranties of Operator. Operator hereby warrants and covenants with and unto Owner as follows:

(a) Status. Operator shall, as soon as is reasonable, procure all requisite authority to do business in California as a skilled nursing facility operator and shall maintain this status during the Term.

(b) Authorization. Operator has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of Operator.

(c) No Conflicts. Neither the execution and delivery of this Agreement by Operator, nor the consummation by Operator of the transactions contemplated hereby, conflict with or result in a breach or default under agreement or obligation, or known potential litigation or liability, to which Operator is a party or is otherwise bound or subject.

(d) No Consent. Other than the licensure approval issued by CDPH, no consent or approval of any third party is required in connection with the execution and delivery of this Agreement by Operator or the consummation by Operator of the transactions contemplated hereby.

(e) Binding Effect. This Agreement has been duly executed and delivered by Operator and constitutes the legal, valid, and binding obligation of Operator, enforceable against Operator in accordance with its terms.

(f) Broker or Finder. Operator is not obligated to any broker or finder, and has not incurred any liability for any brokerage fee or commission, in connection with the transactions contemplated in this Agreement.

(g) Disclosure. Operator has no knowledge of any untrue statement of material fact contained in the Agreement or the omission or failure to state a fact necessary to make the statements contained in this Agreement not misleading.

(h) Compliance With Laws by Operator. During the Term and any renewal or extension term, Operator shall, at its sole cost and expense, comply with (and shall be liable for violations and cure of) all local legal requirements relating to the physical condition of all parts of the SNF Premises. Operator shall not commit any act or omission that would in any way violate a certificate of occupancy affecting the SNF Premises.

19. Owner May Grant Liens. Owner may, from time to time, directly or indirectly, create or otherwise cause to exist any lien, encumbrance, or title retention agreement ("Encumbrance") upon the SNF Premises, or any portion thereof or interest therein (including this Agreement), whether to secure any borrowing or other means of financing or refinancing or otherwise. At the request of any party, Owner, Operator, and any lien holder agree to execute a subordination, non-disturbance and attornment agreement in form and substance reasonably acceptable to Owner and Operator (the "SNDA"). Any such Encumbrance shall provide that it is subject to the rights of Operator under this Agreement, and shall further provide that so long as no Default (as such term is defined in Section 28) shall have occurred under this Agreement, Operator's occupancy

hereunder, including, but without limitation, Operator's right of quiet enjoyment provided herein, shall not be disturbed in the event any such lienholder or any other person takes possession of the SNF Premises through foreclosure proceeding or otherwise. Upon the request of Owner, Operator shall subordinate this Agreement to the lien of a new Encumbrance on the SNF Premises, on the condition that the proposed lender agrees not to disturb Operator's rights under this Agreement so long as Operator is not in Default hereunder.

20. Conveyance by Owner. If Owner or any successor owner of the SNF Premises shall convey all or any portion of the SNF Premises, Owner or such successor owner shall thereupon be released from all future liabilities and obligations of Owner under this Agreement arising or accruing from and after the date of such conveyance or other transfer as to all or any portion of the SNF Premises conveyed, and all such future liabilities and obligations shall thereupon be binding upon the new owner.

21. Conduct of Business and Uses. The SNF Premises are leased to Operator for the purpose of operating the Facility as a skilled nursing facility and Operator covenants and agrees with and unto Owner that the SNF Premises will be used only for such purpose, except with the prior written consent of Owner. Operator covenants and agrees that Operator will not do or permit to be done anything in, upon, or about the SNF Premises that increases the hazard of fire beyond that which are reasonable and customary of the SNF Premises for Operator's stated purpose. Operator will not do or permit to be done anything within Operator's control which would make the SNF Premises, or the improvements thereon, uninsurable in whole or in part. Operator agrees that Operator will neither commit waste nor permit waste to be committed or done upon the SNF Premises.

22. Insurance.

(a) Fire and Extended Coverage. Operator shall keep the SNF Premises insured against loss or damage from all causes under standard "all risk" property insurance coverage, without exclusion for fire, lightning, windstorm, explosion, smoke damage, vehicle damage, sprinkler leakage, flood, vandalism, malicious mischief or any other risks as are normally covered under an extended coverage endorsement, in the amounts that are not less than the full insurable value of the SNF Premises including all equipment and personal property used in the operation of the SNF Premises. The term "full insurable value" as used in this Lease shall mean the actual replacement value of the SNF Premises (including all improvements) and every portion thereof, including the cost of compliance with changes in zoning and building codes and other laws and regulations, demolition and debris removal and increased cost of construction.

(b) Professional and Contractual Liability Insurance. Operator shall procure and maintain at all times during the Term, at its sole expense, such insurance against liability imposed by law in such amounts and with such companies as are reasonable and customary with respect to similar long-term care facilities located in California. Such insurance shall include coverage for contractual and negligence liability of Operator for damages on account of professional services rendered or which should have been rendered by Operator or any person for which Operator is legally liable, on account of injury, sickness, or disease, including death at any time resulting therefrom, and including damages allowed for loss of

service. Operator shall cause Owner and Owner's affiliated senior housing management entities to be named as additional insureds under all liability policies required hereunder.

(c) General Liability. Operator shall procure and maintain at all times during the Term, at its sole expense, commercial general public liability insurance coverage (including products liability, contractual liability and broad form coverage) against claims for bodily injury, death, or property damage occurring on, in, or about the SNF Premises and the adjoining sidewalks and passageways, which will indemnify Owner and Operator against liability for loss, damage, or injury to property or person. The amount of such liability insurance shall be at least $500,000.00 per occurrence, and $1,000,000.00 in the aggregate or such lesser amount as Owner in Owner's discretion may accept.

(d) Boiler Insurance. If applicable, Operator shall maintain boiler and pressure vessel insurance, including an endorsement for boiler business interruption insurance, on any fixtures or equipment which are capable of bursting or exploding, in an amount not less than Five Hundred Thousand Dollars ($500,000.00) for damage to property, bodily injury or death resulting from such perils.

(e) Business Interruption Insurance. Operator shall maintain, at its expense, business interruption and extra expense insurance insuring against loss of rental value for a period not less than one (1) year.

(f) General Insurance Requirements.

(i) If Operator fails to procure or maintain any insurance required hereunder, after written notice by Owner to Operator and ten (10) business days opportunity to cure, Owner may procure or maintain any such insurance and charge Operator with the expense thereof, plus two percent (2%), as additional rent. Operator shall be solely responsible for maintaining insurance on Operator's products, inventory, business equipment, furniture, files and other property of Operator kept in, on or about the SNF Premises and Owner shall not be responsible for any damages whatsoever occurring to Operator's property.

(ii) All insurance provided for in this Lease shall be maintained under valid and enforceable policies issued by insurers of recognized responsibility, which are acceptable to Owner in its reasonable discretion. Any and all policies of insurance required under this Lease shall name the Owner as an additional insured. In addition, Owner shall be shown as the loss payable beneficiary under the casualty insurance policy maintained by Operator pursuant to this Section 22. Original policies or satisfactory certificates from the insurers evidencing the existence of all policies of insurance required by this Lease and showing the interest of the Owner shall be provided to Owner prior to the commencement of the Term and shall provide that the subject policy may not be canceled except upon not less than ten (10) days prior written notice to Owner. If Owner is provided with a certificate, upon Owner's request Operator shall provide Owner with a complete copy of the insurance policy evidenced by such certificate within thirty (30) days of the commencement of the Term. Renewal policies or certificates therefor from the insurers evidencing the existence thereof shall be provided to Owner not less than ten (10) days prior to

the expiration dates of the policies. If Owner is provided with a certificate for a renewal policy, upon Owner's request Operator shall deliver a copy of the complete renewal policy to Owner within thirty (30) days of the expiration of the replaced policy. Any claims under any policies of insurance described in this Lease shall be adjudicated by and at the expense of Operator or of its insurance carrier, but shall be subject to joint control of Operator and Owner. Operator shall comply with the reasonable requirements of a mortgagee, if any, with respect to naming the mortgagee as additional insured or loss payee.

23. No Liens, Permitted Contests. Operator shall not cause or permit any liens, levies or attachments to be placed or assessed against the SNF Premises or the operation thereof for any reason except as permitted in Section 13 hereof. However, Operator shall be permitted in good faith and at its expense to contest the existence, amount, or validity of any lien upon the SNF Premises by appropriate proceedings sufficient to prevent the collection or other realization of the lien or claim so contested, as well as the sale, forfeiture, or loss of any of the SNF Premises or any rent to satisfy the same. Operator shall provide Owner with security satisfactory to Owner in Owner's reasonable judgment to assure the foregoing. Each contest permitted by this Section 23 shall be promptly and diligently prosecuted to a final conclusion by Operator.

24. Financial Statements. Within thirty (30) days of the end of each quarter during the term of this Lease, Operator shall deliver to Owner the financial and operating statements of Operator (including income statement, balance sheet, census report and other such reports reasonably requested by Owner), which statements do not have to be audited but may be internally prepared by Operator. The financial and operating statements of Operator shall be certified as true, correct, and accurate by an officer of Operator. Operator shall provide such additional and further financial information as may be reasonably requested by Owner from time to time.

25. Workers Compensation/Employment Taxes. Operator shall comply with all legal requirements regarding worker's compensation, including any requirement to maintain worker's compensation insurance against claims for injuries sustained by Operator's employees in the course of their employment.

26. Confidential Information. For the purposes of this Agreement, the term "Confidential Information" shall include the following:

(a) All documents and other materials, including but not limited to memoranda, manuals, handbooks, electronic data and media, product books and audio or visual recordings, which are developed by Operator or the Owner and contain written information relating to the Facility operation.

(b) All methods, techniques and procedures developed by Operator and utilized in providing long-term nursing and rehabilitation care and treatment to patients at the Facility, which are not readily available through sources in the public domain.

(c) The Parties agree and acknowledge that the Confidential Information is disclosed to it in confidence and with the understanding that it constitutes valuable business information developed by Operator or the Owner, at great expenditure of time, effort and money. The Parties agree to not, without the prior written consent of the other, except as

required by law, use Confidential Information for any purpose other than the performance of this Agreement. The Parties further agree to keep strictly confidential all Confidential Information and not disclose or reveal such information to any third party without prior written consent of the other, except as required by law.

(d) Unless otherwise required by law or court order, the Parties shall not disclose information relating to the operation of the Facility to any third party. Operator and Owner shall protect the confidentiality of patient information maintained at the Facility and will comply with applicable state and federal laws and all policies and procedures concerning the release of information about patients.

Notwithstanding any other provision of this Section 26, Operator agrees that any information furnished by Operator to Owner under this Lease may be furnished to Owner's lender pursuant to Owner's mortgage financing on the SNF Premises and that such disclosure shall not violate the provisions of this Section 26.

27. Indemnification.

(a) By Operator: Subject in all respects to Section 30 hereof, to the fullest extent permitted by law, Operator agrees to protect, indemnify, defend and save harmless Owner, its directors, officers, shareholders, agents, affiliated companies and employees from and against any and all foreseeable or unforeseeable liability, expense loss, costs, deficiency, fine, penalty, injury, claims or damage (including, without limitation, punitive or consequential damages) of any kind or nature, including reasonable attorneys' fees, from or relating to any suits, claim or demands based on events occurring during the Term, (i) on account of any action (or failure to act) of Operator arising out of or in connection with this Lease (including, without limitation, the breach by Operator of any of its obligations hereunder), or (ii) relating in any manner to the operations of Operator on or relating to the Facility or SNF Premises. Upon receiving knowledge of any suit, claim or demand asserted by a third party that Owner believes is covered by this indemnity, Owner shall give Operator written notice of the matter. Operator shall defend Owner against such matters that are covered by this indemnity at Operator's sole cost and expense (including, without limitation, Owner's reasonable attorneys' fees and costs) with legal counsel reasonably satisfactory to Owner. Owner may elect to defend the matter with its own counsel at Owner's expense.

(b) By Owner. Subject in all respects to Section 30 hereof, to the fullest extent permitted by law, Owner agrees to protect, indemnify, defend and save harmless Operator, its directors, officers, shareholders, agents, affiliated companies and employees from and against any and all foreseeable or unforeseeable liability, expense loss, costs, deficiency, fine, penalty, injury, claims or damage (including, without limitation, punitive or consequential damages) of any kind or nature, including reasonable attorneys' fees, from or relating to any suits, claim or demands based on events occurring during the Term, (i) on account of any action (or failure to act) of Owner arising out of or in connection with this Lease (including, without limitation, the breach by Owner of any of its obligations hereunder), or (ii) relating in any manner to the operations of Owner, its affiliates, or a prior tenant on or relating to the SNF Premises or the Non-SNF Premises, including specifically any fines, penalties, fees and/or other liabilities issued by the CDPH, the Centers for Medicare and Medicare, HCAI or any other governmental agency having jurisdiction over the SNF Premises, Owner, or its affiliate that

operated the SNF Premises prior to the Commencement Date hereof; or (iii) relating in any manner to the operation of the Facility or Non-SNF Premises by Owner or its affiliates or the provision of those certain shared services under the Shared Services Agreement. Upon receiving knowledge of any suit, claim or demand asserted by a third party that Operator believes is covered by this indemnity, Operator shall give Owner written notice of the matter. Owner shall defend Operator against such matters that are covered by this indemnity at Owner's sole cost and expense (including, without limitation, Operator's reasonable attorneys' fees and costs) with legal counsel satisfactory to Operator. Operator may elect to defend the matter with its own counsel at Owner's expense.

(c) The provisions of this Paragraph 27 shall survive the termination of this Agreement.

28. Default. In the event either party fails to perform any material obligations under this Agreement and such failure continues for a period of five (5) days (following any applicable grace period) in connection with a payment default or thirty (30) days with respect to any other default after written notice is given by the other party which sets forth the nature of the default, such party shall be deemed to be in "Default" and any applicable remedies thereon shall be available to such other party; provided, however, that if the nature of the default is such that the same cannot reasonably be cured within such thirty (30) day period, the defaulting party shall not be deemed to be in Default if it, within such thirty (30) day period, commences cure of such Default and thereafter diligently pursues the same to completion within a reasonable time. In addition to the foregoing, the Operator and Owner agree that the following shall constitute a Default by Operator under this Agreement and Operator shall have no cure period with respect thereto:

(a) If Operator has its license to operate the Facility as a provider of nursing home services suspended or revoked by final non-appealable order, determination or judgment by the applicable governmental agencies having jurisdiction over the Facility;

(b) If Operator fails to cure or fails to make diligent efforts to cure, in accordance with applicable law and related time frames, any deficiency required to be corrected as cited by regulatory or licensing agency (delays in acceptance of any plan of correction by any regulatory or licensing agency which are not the fault of Operator shall not constitute a Default hereunder);

(c) If Operator is terminated as a provider of nursing services in the Medicare or Medicaid programs for the Facility by final non-appealable order, determination or judgment by the applicable governmental agencies having jurisdiction over the Facility;

(d) If Operator or any of its respective members, managers, directors or officers is criminally convicted under any law that would lead to a forfeiture of any of the licenses necessary for the operation of the Facility as a skilled nursing facility or ancillary uses or to disqualification under any government provider agreement or program;

(e) If any insurance required hereunder is terminated or lapsed without an acceptable replacement coverage and notice thereof being provided to Owner;

(f) If the Operator files for voluntary petition in bankruptcy court or other insolvency, dissolution or reorganization proceedings commence against Operator; and/or

(g) If the Operator is in default beyond any cure period under the SSA.

(h) If the Operator is in default beyond any cure period under that certain *Lease and Operational Control Agreement* and related *Shared Services Agreement* between 3747 Atlantic Ave. SNF, LLC, a California limited liability company, as Operator, and Pacific Grove Senior Living LLC, a California limited liability company, as Owner, for the skilled nursing component of the senior housing facility commonly known as "Bixby Knowles Towers" and located at 3747 and 3737 Atlantic Ave. Long Beach, CA 90807.

29. Remedies Upon Default. In the event of a Default by Operator, Owner shall be entitled to all rights and remedies available under applicable law. Without limiting the foregoing, Owner may, at its option, declare this Agreement terminated, but in all cases, whether or not Owner declares the lease terminated, shall have the right to enter upon and take possession of the Premises, without notice, and to evict and expel Operator and any or all of Operator's property, belongings and effects therefrom, without legal process and without thereby being guilty of any manner of trespass, which remedy is in addition to any other remedies of Owner, including, without limitation, the collection of delinquent rents, possession of the SNF Premises, damages for breach of this Agreement by Operator or otherwise. No delay in or failure to exercise any of the options herein granted to Owner by reason of a default shall be a waiver thereof, and the waiver on one (1) occasion of a default shall not be deemed a waiver of Owner's right to exercise its remedies by reason of the same or a similar default at any later occasion.

In the event of a breach by Operator of any of its obligations under this Lease, Owner shall also have the right of injunction.

Suit or suits for the recovery of such damages, or any installments thereof, may be brought by Owner from time to time at its election, and nothing contained herein shall be deemed to required Owner to postpone suit until the date when the term of this Lease would have expired if it had not been so terminated under the provisions of this Section, or under any provision of law, or had Owner not reentered the SNF Premises.

Nothing contained in this Section 29 shall be construed to limit or preclude recovery by Owner against Operator of any sums or damages or remedies to which, in addition to or in lieu of the damages particularly provided above, Owner may lawfully be entitled by reason of any default hereunder on the part of the Operator. Nothing herein contained shall be construed to limit or prejudice the right of Owner to prove for and obtain as damages by reason of the termination of this Lease or reentry on the SNF Premises for the default of the Operator under this Lease an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, such damages are to be proved whether or not this Lease has been terminated or Owner has re-entered the SNF Premises. Provided, however, nothing herein contained shall relieve Owner of a duty to mitigate damages by making reasonable efforts to relet the SNF Premises at a fair market rate in an arms length transaction.

Operator acknowledges that one of the rights and remedies available to Owner under applicable law is to apply to a court of competent jurisdiction for the appointment of a receiver to take possession of the SNF Premises, to collect the rents, issues, profits and income of the SNF Premises and to manage the operation of the SNF Premises. Operator further acknowledges that the triggering of a Default pursuant to Sections 28(a) or (c) above will materially and irreparably impair the value of Owner's investment in the SNF Premises. Therefore, in any of such events, and in addition to any other right or remedy of Owner under this Lease, Owner may petition any appropriate

court for, and Operator hereby consents to, the appointment of a receiver to take possession of the SNF Premises, to manage the operation of the SNF Premises and the Facility, to collect and disburse all rents, issues, profits and income generated thereby and to preserve or replace to the extent possible any such license and provider certification for the SNF Premises and the Facility or to otherwise substitute the licensee or provider thereof. The receiver shall be entitled to a reasonable fee for its services as a receiver. Operator hereby irrevocably stipulates to the appointment of a receiver under such circumstances and for such purposes and agrees not to contest such appointment.

30. Waiver of Subrogation. Owner and Operator hereby waive any right of subrogation and right or recovery or cause of action for injury or lawsuit to the extent that such injury or loss is covered by fire, extended coverage, "all risk" or similar policies covering real property or personal property required to be obtained and maintained under this Lease (or which would have been covered if the party claiming such right of subrogation or recovery or cause of action had carried the insurance required by this Lease) or covered by any other insurance maintained by the waiving party. Written notice of the terms of the above mutual waiver shall be given to the insurance carriers of Owner and Operator, and the Parties' insurance policies shall be properly endorsed, if necessary, to prevent the invalidation of the policies by reason of such waivers.

31. Assignment and Subletting. Operator shall not assign this Agreement, without the prior consent in writing of Owner which may be withheld or conditioned in Owner's reasonable discretion. Additionally, Operator shall not sublet the SNF Premises or any part thereof, without the prior written consent of Owner, which consent shall not be unreasonably withheld or denied, provided that Owner is afforded the opportunity to review the financials of such proposed subtenant and the terms and conditions of the proposed sublease agreement for the SNF Premises. The consent by Owner to a particular assignment or subletting shall not be construed to relieve Operator from the obligation to obtain the consent in writing of Owner on any other or future assignment or subletting. Any change in the majority ownership of the Operator shall constitute an assignment for purposes of this Agreement; except that the foregoing shall not apply to (i) a transfer of an ownership interest in Operator to a relative of a member of Operator for estate planning purposes; (ii) if, after effectuating the change, there is no change in the voting or operational control of Operator; or (iii) in connection with a capital transaction involving a new equity partner at the parent level of Operator. Notwithstanding the foregoing, Operator may, without Owner's prior written consent, assign this Lease or sublease the Facility to a person wholly owned and controlled by Operator. Owner may assign this lease without the prior written consent of Lessee and will provide Operator with ninety (90) days advance written notice of such assignment.

32. Condemnation. In the event all or any part of the SNF Premises should be subjected to eminent domain proceedings, and a portion of the SNF Premises shall be condemned so as to render the residue inadequate for Operator's purposes as herein set forth, Operator shall have the option to terminate and cancel this Agreement by giving written notice to Owner. If any such taking shall not render the residue of the SNF Premises wholly inadequate for Operator's purposes as herein set forth, Operator's rent payments hereunder shall be reduced and abated in proportion to the number of licensed beds lost at the Facility due to such taking, by multiplying the then current rent (as of the date of such taking) by a fraction, the numerator of which is the number of licensed beds located at the Facility after such taking, and the denominator of which is the number of licensed beds located at the Facility immediately prior to such taking. In any such condemnation proceedings, all damages allocable to full fee simple ownership of the SNF Premises shall be payable to Owner, and any damages for loss of leasehold interest, including the unamortized portion

of the value involved in such condemnation of any non-removable fixture placed on the SNF Premises by Operator shall be payable to Operator provided such payment to Operator does not reduce the amount payable to Owner as compensation for the fee simple ownership interest alone.

33. Surrender of Possession. At the end of the Term, or upon earlier termination by Owner in accordance with the options herein reserved, Operator agrees to surrender possession of the SNF Premises without demand. Should Operator fail so to do, Operator shall be responsible in addition to the damages generally recoverable by Owner by reason of any breach by Operator, for all damages Owner may sustain, including claims made by any succeeding operator against Owner which are founded upon delay or failure in delivering possession of the SNF Premises to such succeeding operator. Operator hereby waives any and all notice to which it may otherwise be entitled under the laws of the State of California as a prerequisite to a suit against Operator for the unlawful detention of the SNF Premises.

34. Termination. In addition to, and not in lieu of, any other means of termination described herein, this Agreement may be terminated prior to the expiration of the Term as follows:

(a) Consent. This Agreement may be terminated without cause and without penalty upon the written mutual consent of both Parties.

(b) Intentionally Omitted.

35. Relationship of the Parties.

(a) Generally. It is understood and agreed, and the Parties hereby declare that their relationship is that of Owner and Operator only, and nothing contained herein shall be deemed or construed by the Parties, or by any third party, to create the relationship of principal and agent or partnership or joint venture between the Parties.

(b) Independent Contractor. The Parties acknowledge and agree that the relationship created between them with respect to the operation of the subject long-term care facility is that of independent contractor. Nothing contained herein shall be deemed or construed by the Parties otherwise. It is expressly understood that each of the Parties hereto shall be responsible for its own employees and shall make no claims to the other for work and vacation pay, sick leave, retirement benefits, social security, worker's compensation, disability or unemployment insurance benefits or employee benefits of any kind. Nothing contained herein shall create any equity interest in the Facility on the part of Operator, except for the leasehold interests granted herein. In the absence of express authorization of the other party, neither party shall enjoy the use of any trademark, trade secrets, trade name, service mark, property information, or any other intangible property belonging to the other party. Nothing in this Agreement shall be construed to confer upon either party any authority express or implied, to bind or commit the other party to any third party in any way.

36. No Fraud or Abuse. Owner and Operator acknowledge that the terms and conditions of this Lease are based on fair market value, and that neither party, during the negotiation of this Lease, has engaged knowingly or willfully in any activities which are prohibited under federal Medicare and Medicaid statutes, including, without limitation, 42 U.S.C. §1320-7b and 42 U.S.C. §1395nn or similar state or local statutes or regulations, or which otherwise constitutes fraud, including, without limitation, knowingly or willfully soliciting or receiving any remuneration

(including any kickback, bribe, or rebate), directly or indirectly, overtly or covertly, in cash or in kind or offering to pay such remuneration (i) in return for referring an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part by Medicare or Medicaid, or (ii) in return for purchasing, leasing, or ordering or arranging for or recommending purchasing, leasing, or ordering any good, facility, service, or item for which payment may be made in whole or in part by Medicare or Medicaid.

37. Provisions on Termination of Term.

(a) Intentionally Omitted.

(b) Removal of Personal Property. If Operator is not then in Default hereunder Operator shall have the right in connection with the surrender of the SNF Premises to remove from the SNF Premises all personal property of Operator ("**Operator Personal Property**") but not any personal property located at the Facility that existed on the effective date of this Lease or personal property of Owner which was replaced by Operator or any personal property required by the State of California or any other governmental entity to operate the SNF Premises as a skilled nursing facility in a manner consistent with the operation of the Facility on the date hereof. Any such removal shall be done in a workmanlike manner leaving the SNF Premises in good and presentable condition and appearance, including repair of any damage caused by such removal. At the end of the Term or upon the earlier termination of this Lease or upon Owner taking possession of the SNF Premises under Section 33, Operator shall return the SNF Premises to Owner with the personal property required to be returned hereunder (or replacements thereof) in the same condition and utility as was delivered to Operator at the commencement of the Term, ordinary wear and tear excepted.

(c) Title to Personal Property Not Removed. Any Operator Personal Property which is not removed by Operator upon the expiration of the Term shall, at Owner's election, vest in Owner, provided, however, Owner may remove and dispose at Operator's expense any or all of Operator Personal Property which is not so removed by Operator without obligation or accounting to the Operator.

(d) Management of Premises. Upon the expiration or earlier termination of the Term, or upon Owner taking possession of the SNF Premises under Section 33, Owner or its designee, upon written notice to Operator, may elect to assume the responsibilities and obligations for the management and operation of the SNF Premises and Operator agrees to cooperate with Owner or its designee to accomplish the transfer of such management and operation without interrupting the operation of the SNF Premises. Operator shall not commit any act or fail to act so as to jeopardize any licensure or certification of the Facility, and Operator shall comply with all reasonable requests for an orderly transfer of the nursing facility license, Medicare and Medicaid (or any successor program) certifications and possession of the Facility at the time of any such surrender. However, Operator shall not be obligated to permit a successor operator (if such successor operator is not taking over due to a Lease termination due solely to a Default) or manager to utilize Operator's CDPH license, Medicare or Medicaid provider numbers or agreements should Operator anticipate that allowing such arrangement could potentially cause harm to Operator's reputation or good standing with CDPH, Medicare, Medicaid or such similar successor reimbursement programs.

(e) If this Lease is terminated by reason of Default by Operator, or upon the expiration of the Term, or upon Owner taking possession of the SNF Premises under Section 33, then, and in any of such events, Operator, upon Owner's written request, shall to the greatest extent permitted by law, transfer to Owner or its assigns, the following: (i) all federal, state or municipal certificates, licenses and permits which relate to the operation of the Facility; and (ii) all rights attendant to the name of the Facility as then known to the general public (excluding however, any rights to use Operator's corporate name "551 Gibson Ave. SNF" or any derivations thereof) and (iii) at Owner's option, any provider agreements relating to the Facility (or allow Owner, at its option, to assume such agreements). In the event Operator fails or refuses to transfer any such certificate, license, permit or trade name, or other items then this provision shall constitute an act of assignment by Operator to Owner or its assigns without the necessity of any further written instrument and Owner hereby grants to Operator an irrevocable power of attorney and appoints Owner its true and lawful attorney by this instrument, said appointment being coupled with an interest, to sign such documents and take such action in Operator's name to accomplish the actions contemplated by this Section 37.

(f) Operator shall execute any and all documents reasonably requested by Owner in order to effectuate the provisions of this Section 37.

38. Miscellaneous Provisions.

(a) Binding Effect. This Agreement shall inure to the benefit of and be binding upon the Parties hereto, their respective successors, legal representatives, and assigns, except as expressly limited otherwise herein.

(b) Notices. All notices or other communications required or permitted hereunder shall be in writing and addressed as set forth below and either personally delivered, sent by overnight mail (Federal Express or the like), or sent by registered or certified mail, postage prepaid, return receipt requested, or sent by telecopy or electronic mail. Notice hereunder shall be deemed to have been properly given or served for all purposes and shall be deemed received upon the earlier of (i) if personally delivered, the date of delivery to the address of the person to receive such notice if delivered during ordinary business hours; (ii) if sent by overnight mail, the business day following its deposit in such overnight mail facility; (iii) if mailed, on the third business day following the date of posting by the United States post office; or (iv) if given by telecopy or electronic mail, when the sender receives a confirmation of receipt generated by the sending machine, if sent during ordinary business hours. Any notice, request, demand, direction, or other communication sent by telecopy or electronic mail must be confirmed within forty-eight (48) hours by letter mailed or delivered in accordance with the foregoing.

Any written notice shall be deemed given upon receipt or documented refusal of delivery. Designations of address may be changed by written notice given in accordance with the foregoing.

(c) Intentionally Omitted.

(d) Partial Invalidity. If any provision of this Agreement or the application thereof to any person or event shall to any extent be held illegal, invalid or unenforceable, the remainder of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

(e) No Third Party Rights. Nothing in this Agreement shall be construed as creating or giving rise to any rights in any third parties or any persons other than the Parties hereto.

(f) Entire Agreement. This Agreement, including the Exhibits and Schedules hereto (if any), contains the entire agreement of all the Parties hereto, and no other oral or written agreement shall be binding upon the Parties hereto. This Agreement supersedes all prior agreements, contracts, and understandings of any kind between the Parties relating to the subject matter hereof.

(g) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed as an original, but all of which together shall constitute one and the same agreement.

(h) Amendments. This Agreement may be amended at any time by mutual agreement of the Parties without additional consideration, provided that before any amendment shall become effective, it shall be reduced to writing and signed by each of the Parties.

(i) Interpretation. Both Owner and Operator have had the opportunity to, or have been, represented by counsel and this Agreement has been freely and fairly negotiated. Consequently, all provisions of this Agreement shall be interpreted according to their fair meaning and shall not be strictly construed against any party.

(j) Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to such state's conflict of laws provisions.

(k) Effective Date. This Lease shall become effective as of 12:01a.m. on the date that Owner acquires ownership of the Premises. Notwithstanding the foregoing, if CDPH fails to approve the change of ownership with respect to the license necessary to operate the Facility within one hundred eighty (180) days after execution of this Lease for any reason, either party shall then have the right to terminate this Lease at any time prior to the receipt of such license as long as the actions of such terminating party have not caused such delay. All inspection fees, costs and charges associated with a change of such licensure or certification shall be borne solely by Operator.

(l) Quiet Enjoyment. Operator shall, and may peacefully have, hold and enjoy the Premises, subject to the terms of this Lease, provided Operator pays the rent and fully performs all of its covenants and agreements. This covenant and all other covenants of Owner shall be binding upon Owner and its successors and assigns.

39. Intentionally Omitted.

40. Deposit. Operator agrees that a deposit in the total amount of Thirty-One Thousand Two Hundred and No/100 Dollars ($31,200.00) shall be paid in connection with this Agreement. Such deposit may be applied against any and all payments or obligations owed by Operator under this Agreement to Owner if Operator fails to pay such payments or comply with such obligations on or before the date on which such payments are due or the date on which such obligations are to be satisfied. The portion of deposit not so applied shall be returned to Operator within fifteen (15) days after the expiration or earlier termination of this Lease.

41. Owner's Security Interest. The Parties intend and agree that upon a Default, Owner will be entitled to exercise the remedies of a secured party under the UCC with respect to the Operator Personal Property so that Owner or its designee will be entitled to operate or re-let the SNF Premises intact for use as a Facility licensed for the applicable primary intended use.

42. Grant of Security Interest.

(i) To implement the intention of the Parties, and for the purpose of securing the payment and performance of the Operator's obligations under this Lease, Operator, as debtor, hereby assigns, delivers, sets over, transfers and grants to Owner, its successors and assigns, as secured party: a continuing first priority security interest in all of its right, title and interest, whether now owned or hereafter acquired, now existing or hereafter arising wherever located, in and to the Operator Personal Property and the proceeds thereof (collectively, the "Collateral"), to have and to hold same, unto Owner such transfer and assignment to automatically become a present unconditional assignment. Operator and shall sign and deliver to Owner, or if Operator's signature is not required, Operator hereby authorizes Owner to file in all governmental offices, one or more financing statements to perfect the interest granted by Operator to Owner hereunder. Owner shall have all rights and remedies available to a secured party under the Uniform Code, as amended from time to time. Operator acknowledges that Owner may assign its security interest in the Operator Property. This security agreement and the security interest herein shall survive the termination of this Lease if such termination results from the occurrence of a Default.

(ii) To further secure the payment and performance of Operator's obligations under this Lease, Operator, as debtor, hereby assigns and grants to Owner, as secured party, a security interest in and an express contractual lien upon, all of Operator's right, title and interest in and to any subleases and all of Operator's rights therein; provided that Owner's may exercise rights and remedies with respect to such assignment and grant only following a Default hereunder.

43. Lender Requirements. The SNF Premises are or will be initially subject to a secured loan and, thereafter, may be refinanced with one or more different lender(s). For so long as any such bank loan is outstanding, the following provisions shall apply to this Lease:

(i) [Bank] shall have the right to approve any proposed change in the terms of this Lease, with its approval not to be unreasonably withheld.

(ii) if and to the extent required by HUD, Operator will enter into a customary HUD skilled nursing regulatory agreement(s) on terms and conditions acceptable to HUD;

(iii) if and to the extent required by HUD, Operator and Operator's accounts receivable lender will enter into an intercreditor agreement in customary form as required by HUD;

(iv) As necessary, Operator’s accounts receivable lender and [Bank] shall enter into an intercreditor agreement in compliance with Section 13 hereof; and

(v) Owner, at [Bank]’s request and subject to Operator’s consent, shall be entitled to extend the term of this Lease to meet lender requirements.

(vi) reserves for insurance premiums and/or real estate taxes will be established if required by [Bank].

(vii) To the extent the insurance requirements in this Lease are materially different from the insurance requirements set forth in the [Bank] loan documents, Operator shall comply with the insurance requirements set forth in the [Bank] loan documents.

Furthermore, in the event the SNF Premises are refinanced with another lender, Operator shall reasonably cooperate in amending this Lease to accommodate any other requirements of Owner's future lenders, so long as such amendment does not degrade Operator's economic or operational rights as provided in the Lease prior to such amendment.

44. Conditions Precedent. Operator's obligation to consummate the transactions contemplated in this Agreement shall be subject to the following conditions precedent:

(i) Pacifica _____, LLC, a California limited liability company, and 3747 Atlantic Ave. SNF, LLC, a California limited liability company, shall have executed that certain Lease and Operational Control Agreement;

(ii) the execution of that certain Management Operations Transfer Agreement by and between Operator and California Nevada Methodist Homes dba Forest Hill Manor Health Center.

(a) All rent payments shall be absolutely net to the Owner free of taxes, assessments, utility charges, operating expenses, refurnishings, insurance premiums or any other charge or expense in connection with the Premises. All expenses and charges, whether for upkeep, maintenance, repair, (whether structural or non-structural) refurnishing, refurbishing, restoration, replacement, insurance premiums, taxes, utilities, and other operating or other charges of a like nature or otherwise, shall be paid by Operator provided, however, that Operator shall not be responsible for repair or replacement necessary to cure any condition for which Owner is responsible under Paragraph 5 until Owner has expended the total of the Owner's Repair Contribution Limit. This provision is not in derogation of the specific provisions of this Lease, but in expansion thereof and as an indication of the general intentions of the parties hereto. Operator shall continue to perform its obligations under this Lease even if Operator claims that Operator has been damaged by any act or omission of Owner. Therefore, Operator shall at all times remain obligated under this Lease without any right of set-off, counterclaim, abatement, deduction, reduction or defense of any kind, except as otherwise expressly provided for in this Agreement. Operator's sole right to recover damages against Owner by reason of a breach or alleged breach of Owner's obligations under this Lease shall be to prove such damages in a separate action against Owner.

7. Utilities. Subject to the SSA, Operator shall be responsible for the prompt and full payment, as and when due, of all charges (including taxes) for water, sewer, sanitation, electricity, gas, telephone, and other utilities consumed on the Premises.

8. Collection of Revenue. Operator shall be entitled to collect and retain all payments, third party reimbursements, and receivables arising from services provided at the Facility during the Term.

9. Taxes. Subject to the SSA, Operator shall 1) pay to the applicable taxing authority all ad valorem taxes and assessments due to improvement districts or governmental bodies which may be levied, assessed or charged against the Premises by reason of the real property and premises leased hereunder including but not limited to real estate and personal property taxes, business and occupational taxes, license taxes, intangible property, gross receipts, or other excise taxes; and 2) be responsible for all taxes attributable to the property of Operator on the Premises and for all license, privilege and occupation taxes levied, assessed or charged against Operator on account of the operation of the business from the Premises. Operator shall pay all real property tax bills on or relating to the Premises before such bills become past due. Taxes for any partial year shall be prorated between Operator and Owner, with Owner to be responsible for the taxes attributable to periods prior to the Commencement Date, and Operator to be responsible for taxes attributable to periods on and after the Commencement Date.

10. Operational Responsibilities.

(a) Responsibilities of Owner.

(i) Owner shall execute and deliver any documents reasonably necessary to facilitate the change of operational control of the Facility.

(ii) Owner shall and shall cause the current operator of the Premises to execute and timely deliver any documents reasonably necessary to effectuate the change of ownership with respect to the license of the Facility to Operator as of the Effective Date, including a Change of Ownership Notification, and a Notice of Change of Operational Control, substantially similar to the form attached hereto as Exhibit C.

(iii) Owner shall cooperate with and timely provide to Operator any and all information Operator may reasonably request with such licensing. Further, Owner shall cooperate in the development by Operator of a strategic marketing plan to provide for the continued occupancy of the Facility; provided, however, that Operator shall not advertise or otherwise use Owner's name, trade name, trademarks or corporate symbols without the prior written consent of Owner.

(iv) Owner shall endeavor to refer residents from the independent living, assisted living, and memory care components of Healdsburg Senior Living Community to the skilled nursing Facility to the greatest extent feasible in accordance with applicable laws. Likewise, Operator shall endeavor to refer residents from the skilled nursing Facility to the independent living, assisted living, and memory care components of Healdsburg Senior Living Community to the greatest extent feasible. Neither party shall pay nor be entitled to remuneration nor compensation of any kind for such referrals. For the avoidance of doubt, Neither Owner nor Operator has an obligation to provide such referrals as a matter of compliance with this Lease.

(b) Responsibilities of Operator. Operator shall operate the Facility at Operator's expense in a professional and competent manner. In addition, Operator shall have the following specific obligations along with the authority to implement such obligations to achieve the orderly operation of the Facility, all at Operator's expense:

(i) Recruit, screen, employ, train, promote, direct and terminate the employment of Facility personnel as necessary for the operation of all departments and services of the Facility, including without limitation, setting the salary levels, establishing personnel policies, and maintaining employee benefits within prescribed regulatory limits and consistent with developed performance standards. At or prior to the Commencement Date, Operator will tender offers of employment to all of the Employees involved in the skilled nursing facility activities at the Facility in good standing. Such offers of employment made by Operator will be made in a manner sufficient to comply with federal, state, and local law.

(ii) Implement policies and procedures for each department and service of the Facility as required by California Department of Public Health ("CDPH") rules and regulations, federal regulations for nursing Facility and in material compliance with any rules and regulations of HUD pursuant to financing secured by the Premises.

(v) Maintain the necessary contracts with agencies and intermediaries to ensure continuing eligibility for participation in the State Medicaid Program Title XIX of the Social Security Act, as amended, and Medicare Program Title XVIII of the Social Security Act, as amended.

(vi) Perform all other activities related to the establishment and operation of the Facility as a fully licensed, certified and functioning free standing skilled nursing facility.

(vii) Be responsible for purchase of supplies, equipment, maintaining supply agreements or purchase contracts. Implement repairs and continued maintenance of Facility equipment and buildings. Be responsible for conducting periodic on-site inspections of the Facility, announced and unannounced, to ensure the physical plant and grounds are in satisfactory repair and condition.

(viii) Maintain a set and system of accounting books and records used in the operation of the Facility at Operator's expense by Operator's employees. Such books and records shall be maintained on the basis of a December 31st calendar year or other such fiscal year elected by the Operator with written notice to Owner and shall permit Owner or any of its agents (upon reasonable prior notice to Operator), representatives or lenders to have access to and to examine and copy or make abstracts of all such books and records at any time or times hereafter during normal business hours. In addition, Operator shall provide to Owner an income statement, balance sheet, cash flow statement and census trend report on a monthly basis in form and content satisfactory to Owner in Owner's reasonable discretion.

(ix) Maintain, at Operator's expense, the overall management and operational responsibility of the Facility ensuring the Facility is efficient and effective and operated in good standing with CDPH. This includes responsibility for hiring and maintaining staff and professional consultants, billing for services and all other operational activities as required.

(x) Maintain material compliance with all federal, state and local licensing and other laws and regulations applicable to the operation of a licensed nursing facility at the Premises as well as with the certification requirements of Medicare and Medicaid (or any successor program), as applicable. Further, Operator shall ensure that the Premises continue to be operated as skilled nursing Facility licensed for no fewer beds than as shown on Exhibit A-1, all without any suspension, revocation, decertification or other limitation. Operator shall maintain all necessary permits, licenses and approvals for the operation of the Facility.

(xi) The matters set forth above are not intended to be limitations upon the management or operation activities, but are set forth to specify the general nature of the rights and responsibilities of the parties.

11. Continuous Use. Operator shall, at Operator's expense, continuously use and occupy and operate the Premises during the Term as a nursing facility licensed for not less than the number of beds listed on Exhibit A-1 and for ancillary services relating thereto, but for no other purpose. Notwithstanding the foregoing, Operator may temporarily interrupt the continuous operation of all or a portion of the Facility (i) for purposes of restoration following a casualty (ii) for a reasonable period of time to complete refurbishment work approved by Owner (iii) to as reasonably necessary construct alterations or improvements or to perform maintenance, repair, and replacement as may be required or permitted under this Lease. In the event Operator fails to perform its obligation, Owner shall be entitled to (a) injunctive relief requiring Operator to occupy the Premises and operate as hereinabove provided and/or (b) at Owner's election to immediately possess the Premises for the purpose of commencing reletting efforts or other operational efforts without prejudice in each instance to Owner's right to damages and other remedies as set forth herein or available under applicable law.

12. Repairs and Replacements. Operator agrees, at its own cost and expense, to keep and maintain each and every part of the Facility both structural and non-structural and the equipment and furnishings on the Premises, (including the roof, walls, electrical systems and all plumbing) in at least as good repair as when the premises were received, ordinary wear and tear and casualties beyond Operator's control alone excepted and to be responsible for the maintenance and normal operating condition of all heating, electrical and air conditioning equipment and plumbing on the Premises at its own cost and expense. Operator shall return the Premises at the expiration or termination of this Agreement in good order and condition, excepting only ordinary wear and tear and casualties beyond Operator's control. Further, Operator shall promptly make or cause to be made all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the Premises in good and lawful order and condition, normal wear and tear excepted, and in substantial compliance with all applicable local, state and federal laws and licensing requirements. Operator shall also replace any worn out equipment located at the Facility in accordance with practices which are reasonable or customary in the operation of nursing homes. Provided, however, in the event Operator does not wish to remain in possession of any such worn out equipment which is not needed in connection with the operation of the Premises, in lieu of replacing or retaining at the Premises, Operator may return to Owner, or, at Owner's discretion, may discard same. Commencing with Month 37 of the Lease Term, Operator shall spend at least $17,500/year ($500.00/bed) on capital improvements to the Facility, and submit all such documentation to Owner of Tenant's capital expenditures on a bi-annual basis on June 30 and December 31 of each year. In the event for any calendar year Operator fails to provide adequate documentation of expenditures of at least $17,500.00 during such year, then Operator shall pay the shortfall to Owner as additional rent with the documentation that is due on December 31 of such year. All such capital expenditures shall become the property of Owner and shall remain with the Facility at the expiration of the Term. All such capital expenditures shall become the property of Owner and shall remain with the Facility at the expiration of the Term.

13. Operator Liens. Operator may secure a working capital line of credit from a third party lender collateralized by facility accounts receivable and accounts receivable related collateral as more fully described in such working capital lender loan documents and UCC-1 financing

statements. Owner agrees to subordinate any interest it may now or in the future have in such collateral and further agrees to execute applicable legal documents with Operator's lender customary in such transactions. Upon Owner's request, Operator agrees to cause the accounts receivable lender to execute a customary Intercreditor Agreement with respect to any liens granted in connection with such financing. For the avoidance of doubt, the collateral for the accounts receivable loan shall only consist of that property owned solely by Operator and Owner is not subordinating its interest in any property owned solely by Owner.

14. Alterations. Operator shall have the right and privilege to make, at Operator's expense, ordinary repairs and alterations to the Premises; provided, however, no alterations or changes of a structural nature exceeding One Hundred Thousand Dollars ($100,000.00) shall be made without the prior written consent of Owner.

15. Fixtures/Equipment. All equipment, furnishings, or trade fixtures installed by Operator or acquired by Operator independently of this Agreement which are not replacements of equipment, furnishings, or trade fixtures of Owner shall remain Operator's property and may be removed by Operator at the expiration of this Agreement; provided, however, Operator shall restore the Premises and repair any damage thereto caused by such removal.

16. Untenantability. Should the improvements on the Premises be rendered unfit for occupancy for the purposes for which they are hereby let, by reason of fire, windstorm or other act of nature or unavoidable casualty, the rentals hereinabove stipulated to be paid by Operator, or such proportion thereof as is related to that portion of the improvements on the Premises rendered untenantable by reason of such damage, shall continue and not be remitted or abated, the parties recognizing that Operator shall purchase and obtain Business Interruption Insurance under Section 22 of this Lease. Provided, however, Owner may, upon the occurrence of any such casualty, elect to terminate this Agreement if the cost of replacing or repairing the improvements so damaged upon the Premises equals or exceeds fifty percent (50%) of the appraised property value prior to such damage. Owner shall in no way be liable or responsible for any damage to any property of Operator in or about the Premises by reason of flood, water, fire, windstorm or other casualty or act of nature.

17. Representations and Warranties of Owner. Owner hereby warrants and covenants with and unto Operator as follows:

(a) Title. That it has (or at the Commencement Date will have) an absolute and indefeasible title to the Premises now and continuing during the Term, subject to the Interim Lease referred to in the recitals and restrictions and covenants of record as of the first day of the Term, and that Owner will, during the Term, defend the same and hold harmless Operator against the lawful claims of any and all persons whomsoever but excepting any claims caused by or relating to actions of Operator.

(b) Encumbrances. Owner shall continue to satisfy all of its financial obligations that have or could give rise to encumbrances on the Premises, including, but not limited to, existing mortgages, notes and similar obligations, provided that the Operator shall be responsible for all financial obligations or encumbrances arising from or relating to Operator or its operations on the Premises.

(c) Lease. Other than the Interim Lease referred to in the recitals, there is no lease affecting the Premises that Owner does not have the power to terminate on or before the Effective Date.

(d) Authorization. Owner has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of Owner.

(e) No Conflicts. Neither the execution and delivery of this Agreement by Owner, nor the consummation by Owner of the transactions contemplated hereby, conflict with or result in a breach or default under agreement or obligation, or known potential litigation or liability, to which Owner is a party or is otherwise bound or subject.

(f) No Consent. No consent or approval of any third party is required in connection with the execution and delivery of this Agreement by Owner or the consummation by Owner of the transactions contemplated hereby, other than governmental licenses required for the operation of the Facilities.

(g) Compliance With Laws. Owner hereby represents and warrants to Operator that the Premises and all parts thereof are currently in material compliance with all applicable codes, laws, regulations and ordinances of all county and municipal authorities.

(h) Binding Effect. This Agreement has been duly executed and delivered by Owner and constitutes the legal, valid and binding obligation of Owner, enforceable against Owner in accordance with its terms.

(i) Broker or Finder. Neither party has had any dealings with any broker, finder, or other party concerning this Agreement and each agree to indemnify and hold the other harmless from all loss, costs, damage or expense, including reasonable attorney's fees incurred by the other as a result of any claim arising out of the acts of the indemnifying party for a commission, finder's fee, or similar compensation made by any broker, finder or other party.

(j) Disclosure. Owner has no knowledge of any untrue statement of material fact or the omission or failure to state a fact necessary to make the statements contained herein not misleading.

(l) Non-SNF Premises. Owner owns the Non-SNF Premises and operates the assisted living and memory care units (which is housed in a building physically connected to the Facility). Owner agrees to provide Operator with access in and to the Facility as well as an easements or licenses necessary for Operator's access to and lawful operation of the Facility.

(m) Parking. The parking spaces (including the handicap spaces) located underground below the Facility are included in the Premises and leased to Operator on a non-exclusive basis (i.e, shared with the Non-SNF Premises) pursuant to this Lease. Owner certifies that the parking spaces included in the Lease are ample for Facility employees and visitors.

18. Representations and Warranties of Operator. Operator hereby warrants and covenants with and unto Owner as follows:

(a) Status. Operator shall, as soon as is reasonable, procure all requisite authority to do business in California as a skilled nursing facility operator and shall maintain this status during the Term.

(b) Authorization. Operator has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of Operator.

(c) No Conflicts. Neither the execution and delivery of this Agreement by Operator, nor the consummation by Operator of the transactions contemplated hereby, conflict with or result in a breach or default under agreement or obligation, or known potential litigation or liability, to which Operator is a party or is otherwise bound or subject.

(d) No Consent. Other than the licensure approval issued by CDPH, no consent or approval of any third party is required in connection with the execution and delivery of this Agreement by Operator or the consummation by Operator of the transactions contemplated hereby.

(e) Binding Effect. This Agreement has been duly executed and delivered by Operator and constitutes the legal, valid and binding obligation of Operator, enforceable against Operator in accordance with its terms.

(f) Broker or Finder. Operator is not obligated to any broker or finder, and has not incurred any liability for any brokerage fee or commission, in connection with the transactions contemplated in this Agreement.

(g) Disclosure. Operator has no knowledge of any untrue statement of material fact contained in the Agreement or the omission or failure to state a fact necessary to make the statements contained in this Agreement not misleading.

(h) Compliance With Laws by Operator. During the Term and any renewal or extension term, Operator shall, at its sole cost and expense, comply with (and shall be liable for violations and cure of) all local legal requirements relating to the physical condition of all parts of the Premises. Operator shall not commit any act or omission that would in any way violate a certificate of occupancy affecting the Premises.

19. Owner May Grant Liens. Owner may, from time to time, directly or indirectly, create or otherwise cause to exist any lien, encumbrance, or title retention agreement ("Encumbrance") upon the Premises, or any portion thereof or interest therein (including this Agreement), whether to secure any borrowing or other means of financing or refinancing or otherwise. At the request of any Party, Owner, Operator and any lien holder agree to execute a subordination, non-disturbance and attornment agreement in form and substance reasonably acceptable to Owner and Operator (an "SNDA"). Any such Encumbrance shall provide that it is subject to the rights of Operator under this Agreement, and shall further provide that so long as no Default (as such term is defined in Paragraph 27 herein) shall have occurred under this Agreement, Operator's occupancy hereunder,

including but without limitation Operator's right of quiet enjoyment provided herein, shall not be disturbed in the event any such lienholder or any other person takes possession of the Premises through foreclosure proceeding or otherwise. Upon the request of Owner, Operator shall subordinate this Agreement to the lien of a new Encumbrance on the Premises, on the condition that the proposed lender agrees not to disturb Operator's rights under this Agreement so long as Operator is not in Default hereunder.

20. Conveyance by Owner. If Owner or any successor owner of the Premises shall convey all or any portion of the Premises, Owner or such successor owner shall thereupon be released from all future liabilities and obligations of Owner under this Agreement arising or accruing from and after the date of such conveyance or other transfer as to all or any portion of the Premises conveyed, and all such future liabilities and obligations shall thereupon be binding upon the new owner.

21. Conduct of Business and Uses. The Premises are leased to Operator for the purpose of operating the Facility as a skilled nursing facility and Operator covenants and agrees with and unto Owner that the Premises will be used only for such purpose, except with the prior written consent of Owner. Operator covenants and agrees that Operator will not do or permit to be done anything in, upon, or about the Premises that increases the hazard of fire beyond that which exists by reason of the uses and occupancy of the Premises for Operator's stated purpose. Operator will not do or permit to be done anything within Operator's control which would make the Premises, or the improvements thereon, uninsurable in whole or in part. Operator agrees that Operator will neither commit waste nor permit waste to be committed or done upon the Premises.

22. Insurance.

(a) Fire and Extended Coverage. Operator shall keep the Premises (including the buildings constituting part of the Premises) insured against loss or damage from all causes under standard "all risk" property insurance coverage, without exclusion for fire, lightning, windstorm, explosion, smoke damage, vehicle damage, sprinkler leakage, flood, vandalism, malicious mischief or any other risks as are normally covered under an extended coverage endorsement, in the amounts that are not less than the full insurable value of the Premises including all equipment and personal property used in the operation of the Premises. The term "full insurable value" as used in this Lease shall mean the actual replacement value of the Premises (including all improvements) and every portion thereof, including the cost of compliance with changes in zoning and building codes and other laws and regulations, demolition and debris removal and increased cost of construction.

(b) Professional and Contractual Liability Insurance. Operator shall procure and maintain at all times during the Term, at its sole expense, such insurance against liability imposed by law in such amounts and with such companies as are reasonable and customary with respect to similar long-term care Facility located in California. Such insurance shall include coverage for contractual and negligence liability of Operator for damages on account of professional services rendered or which should have been rendered by Operator or any person for which Operator is legally liable, on account of injury, sickness, or disease, including death at any time resulting therefrom, and including damages allowed for loss of service. Operator shall cause Owner and Owner's affiliated senior housing management entities to be named as additional insureds under all liability policies required hereunder.

(c) General Liability. Operator shall procure and maintain at all times during the Term, at its sole expense, commercial general public liability insurance coverage (including products liability, contractual liability and broad form coverage) against claims for bodily injury, death, or property damage occurring on, in, or about the Premises and the adjoining sidewalks and passageways, which will indemnify Owner and Operator against liability for loss, damage, or injury to property or person. The amount of such liability insurance shall be at least $500,000 per occurrence, $1,000,000 per location general aggregate or such lesser amount as Owner in Owner's discretion may accept.

(d) Boiler Insurance. If applicable, Operator shall maintain boiler and pressure vessel insurance, including an endorsement for boiler business interruption insurance, on any fixtures or equipment which are capable of bursting or exploding, in an amount not less than Five Hundred Thousand Dollars ($500,000) for damage to property, bodily injury or death resulting from such perils.

(e) Business Interruption Insurance. Operator shall maintain, at its expense, business interruption and extra expense insurance insuring against loss of rental value for a period not less than one (1) year.

(f) General Insurance Requirements.

(i) If Operator fails to procure or maintain any insurance required hereunder, after written notice by Owner to Operator and ten (10) business days opportunity to cure, Owner may procure or maintain any such insurance and charge Operator with the expense thereof, plus two percent (2%), as additional rent. Operator shall be solely responsible for maintaining insurance on Operator's products, inventory, business equipment, furniture, files and other property of Operator kept in, on or about the Premises and Owner shall not be responsible for any damages whatsoever occurring to Operator's property.

(ii) All insurance provided for in this Lease shall be maintained under valid and enforceable policies issued by insurers of recognized responsibility, which are acceptable to Owner in its reasonable discretion. Any and all policies of insurance required under this Lease shall name the Owner as an additional insured. In addition, Owner shall be shown as the loss payable beneficiary under the casualty insurance policy maintained by Operator pursuant to this Section 22. Original policies or satisfactory certificates from the insurers evidencing the existence of all policies of insurance required by this Lease and showing the interest of the Owner shall be provided to Owner prior to the commencement of the Term and shall provide that the subject policy may not be canceled except upon not less than ten (10) days prior written notice to Owner. If Owner is provided with a certificate, upon Owner's request Operator shall provide Owner with a complete copy of the insurance policy evidenced by such certificate within thirty (30) days of the commencement of the Term. Renewal policies or certificates therefor from the insurers evidencing the existence thereof shall be provided to Owner not less than ten (10) days prior to the expiration dates of the policies. If Owner is provided with a certificate for a renewal policy, upon Owner's request Operator shall deliver a copy of the complete renewal policy to Owner within thirty (30) days of the expiration of the replaced

policy. Any claims under any policies of insurance described in this Lease shall be adjudicated by and at the expense of Operator or of its insurance carrier, but shall be subject to joint control of Operator and Owner. Operator shall comply with the reasonable requirements of Facility Mortgagee, if any, with respect to naming the Facility Mortgagee as additional insured or loss payee.

23. No Liens, Permitted Contests. Operator shall not cause or permit any liens, levies or attachments to be placed or assessed against the Premises or the operation thereof for any reason except as permitted in Section 13 hereof. However, Operator shall be permitted in good faith and at its expense to contest the existence, amount or validity of any lien upon the Premises by appropriate proceedings sufficient to prevent the collection or other realization of the lien or claim so contested, as well as the sale, forfeiture or loss of any of the Premises or any rent to satisfy the same. Operator shall provide Owner with security satisfactory to Owner in Owner's reasonable judgment to assure the foregoing. Each contest permitted by this Section 23 shall be promptly and diligently prosecuted to a final conclusion by Operator.

24. Financial Statements. Within thirty (30) days of the end of each quarter during the term of this Lease, Operator shall deliver to Owner the financial and operating statements of Operator (including income statement, balance sheet, census report and other such reports reasonably requested by Owner), which statements do not have to be audited but may be internally prepared by Operator but shall be certified as true, correct and accurate by an officer of Operator. Operator shall provide such additional and further financial information as may be reasonably requested by Owner from time to time.

25. Workers Compensation/Employment Taxes. Operator shall comply with all legal requirements regarding worker's compensation, including any requirement to maintain worker's compensation insurance against claims for injuries sustained by Operator's employees in the course of their employment.

26. Confidential Information. For the purposes of this Agreement, the term "Confidential Information" shall include the following:

(a) All documents and other materials, including but not limited to memoranda, manuals, handbooks, electronic data and media, product books and audio or visual recordings, which are developed by Operator or the Owner and contain written information relating to the Facility operation.

(b) All methods, techniques and procedures developed by Operator and utilized in providing long-term nursing and rehabilitation care and treatment to patients at the facility, which are not readily available through sources in the public domain.

(c) The Parties agree and acknowledge that the Confidential Information is disclosed to it in confidence and with the understanding that it constitutes valuable business information developed by Operator or the Owner, at great expenditure of time, effort and money. The Parties agree to not, without the prior written consent of the other, except as required by law, use Confidential Information for any purpose other than the performance of this Agreement. The Parties further agree to keep strictly confidential all Confidential

Information and not disclose or reveal such information to any third party without prior written consent of the other, except as required by law.

(d) Unless otherwise required by law or court order, the Parties shall not disclose information relating to the operation of the facility to any third party. Operator and Owner shall protect the confidentiality of patient information maintained at the Facility and will comply with applicable state and federal laws and all policies and procedures concerning the release of information about patients.

Notwithstanding any other provision of this Section 26, Operator agrees that any information furnished by Operator to Owner under this Lease may be furnished to Owner's lender providing the mortgage financing on the Premises and that such disclosure shall not violate the provisions of this Section 26.

27. Indemnification.

(a) By Operator: Subject in all respects to Section 30 hereof, to the fullest extent permitted by law, Operator agrees to protect, indemnify, defend and save harmless Owner, its directors, officers, shareholders, agents, affiliated companies and employees from and against any and all foreseeable or unforeseeable liability, expense loss, costs, deficiency, fine, penalty, injury, claims or damage (including, without limitation, punitive or consequential damages) of any kind or nature, including reasonable attorneys' fees, from or relating to any suits, claim or demands based on events occurring during the Term, (i) on account of any action (or failure to act) of Operator arising out of or in connection with this Lease (including, without limitation, the breach by Operator of any of its obligations hereunder), or (ii) relating in any manner to the operations of Operator on or relating to the Premises, or (iii) relating in any manner to the operation of the Facility by Operator. Upon receiving knowledge of any suit, claim or demand asserted by a third party that Owner believes is covered by this indemnity, Owner shall give Operator written notice of the matter. Operator shall defend Owner against such matters that are covered by this indemnity at Operator's sole cost and expense (including, without limitation, Owner's reasonable attorneys' fees and costs) with legal counsel reasonably satisfactory to Owner. Owner may elect to defend the matter with its own counsel at Owner's expense.

(b) By Owner. Subject in all respects to Section 30 hereof, to the fullest extent permitted by law, Owner agrees to protect, indemnify, defend and save harmless Operator, its directors, officers, shareholders, agents, affiliated companies and employees from and against any and all foreseeable or unforeseeable liability, expense loss, costs, deficiency, fine, penalty, injury, claims or damage (including, without limitation, punitive or consequential damages) of any kind or nature, including reasonable attorneys' fees, from or relating to any suits, claim or demands based on events occurring during the Term, (i) on account of any action (or failure to act) of Owner arising out of or in connection with this Lease (including, without limitation, the breach by Owner of any of its obligations hereunder), or (ii) relating in any manner to the operations of Owner or its affiliates on or relating to the Premises or the Non-SNF Premises, including specifically any fines, penalties, fees and/or other liabilities issued against the Premises, Owner or any affiliate of Owner, by the California Department of Public Health, the Centers for Medicare and Medicaid Services, HCAI or any other governmental agency having jurisdiction over the Premises, Owner, or its affiliate that operated the Premises prior

to the Commencement Date hereof; or (iii) relating in any manner to the operation of the Facility or Non-SNF Premises by Owner or its affiliates or the provision of the Shared Services under the Shared Services Agreement. Upon receiving knowledge of any suit, claim or demand asserted by a third party that Operator believes is covered by this indemnity, Operator shall give Owner written notice of the matter. Owner shall defend Operator against such matters that are covered by this indemnity at Owner's sole cost and expense (including, without limitation, Operator's reasonable attorneys' fees and costs) with legal counsel satisfactory to Operator. Operator may elect to defend the matter with its own counsel at Owner's expense. Notwithstanding any other provision of this Paragraph 27(b), Owner shall have no indemnity obligation under this Paragraph 27(b) for or with respect to or relating to any matter which is or would be covered by the insurance required under Section 22.

(c) The provisions of this Paragraph 27 shall survive the termination of this Agreement.

28. Default. In the event either party fails to perform any material obligations under this Agreement and such failure continues for a period of three (3) days (following any applicable grace period) in connection with a payment default or thirty (30) days with respect to any other default after written notice is given by the other party which sets forth the nature of the default, such party shall be deemed to be in "Default" and any applicable remedies thereon shall be available to such other party; provided, however, that if the nature of the default is such that the same cannot reasonably be cured within such thirty (30) day period, the defaulting party shall not be deemed to be in Default if it, within such thirty (30) day period, commences cure of such Default and thereafter diligently pursues the same to completion within a reasonable time. In addition to the foregoing, the Operator and Owner agree that the following shall constitute a Default by Operator under this Agreement and Operator shall have no cure period with respect thereto:

(a) If Operator has its license to operate the Facility as a provider of nursing home services suspended or revoked by final non-appealable order, determination or judgment by the applicable governmental agencies having jurisdiction over the Facility; or

(b) If Operator fails to cure or fails to make diligent efforts to cure, in accordance with applicable law and related time frames, any deficiency required to be corrected as cited by regulatory or licensing agency (delays in acceptance of any plan of correction by any regulatory or licensing agency which are not the fault of Operator shall not constitute a Default hereunder);

(c) If Operator is terminated as a provider of nursing services in the Medicare or Medicaid programs for the Facility by final non-appealable order, determination or judgment by the applicable governmental agencies having jurisdiction over the Facility;

(d) If Operator or any of its respective members, managers, directors or officers is criminally convicted under any law that would lead to a forfeiture of any of the licenses necessary for the operation of the Facility as a skilled nursing facility or ancillary uses or to disqualification under any government provider agreement or program;

(e) If any insurance required hereunder is terminated or lapsed without an acceptable replacement coverage and notice thereof being provided to Owner;

(f) If the Operator files for voluntary petition in bankruptcy court or other insolvency, dissolution or reorganization proceedings commence against Operator; and/or

(g) If the Operator is in default beyond any cure period under the SSA.

29. Remedies Upon Default. In the event of a Default by Operator, Owner shall be entitled to all rights and remedies available under applicable law. Without limiting the foregoing, Owner may, at its option, declare this Agreement terminated, but in all cases, whether or not Owner declares the lease terminated, shall have the right to enter upon and take possession of the Premises, without notice, and to evict and expel Operator and any or all of Operator's property, belongings and effects therefrom, without legal process and without thereby being guilty of any manner of trespass, which remedy is in addition to any other remedies of Owner, including, without limitation, the collection of delinquent rents, possession of the Premises, damages for breach of this Agreement by Operator or otherwise. No delay in or failure to exercise any of the options herein granted to Owner by reason of a default shall be a waiver thereof, and the waiver on one (1) occasion of a default shall not be deemed a waiver of Owner's right to exercise its remedies by reason of the same or a similar default at any later occasion.

In the event of a breach by Operator of any of its obligations under this Lease, Owner shall also have the right of injunction.

Suit or suits for the recovery of such damages, or any installments thereof, may be brought by Owner from time to time at its election, and nothing contained herein shall be deemed to required Owner to postpone suit until the date when the term of this Lease would have expired if it had not been so terminated under the provisions of this Section, or under any provision of law, or had Owner not reentered the Premises.

Nothing contained in this Paragraph 28 shall be construed to limit or preclude recovery by Owner against Operator of any sums or damages or remedies to which, in addition to or in lieu of the damages particularly provided above, Owner may lawfully be entitled by reason of any default hereunder on the part of the Operator. Nothing herein contained shall be construed to limit or prejudice the right of Owner to prove for and obtain as damages by reason of the termination of this Lease or reentry on the Premises for the default of the Operator under this Lease an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, such damages are to be proved whether or not this lease has been terminated or Owners has re-entered the Premises. Provided, however, nothing herein contained shall relieve Owner of a duty to mitigate damages by making reasonable efforts to relet the Premises at a fair market rate in an arms length transaction.

Operator acknowledges that one of the rights and remedies available to Owner under applicable law is to apply to a court of competent jurisdiction for the appointment of a receiver to take possession of the Premises, to collect the rents, issues, profits and income of the Premises and to manage the operation of the Premises. Operator further acknowledges that the triggering of a Default pursuant to Sections 27(a) or (c) above will materially and irreparably impair the value of Owner's investment in the Premises. Therefore, in any of such events, and in addition to any other right or remedy of Owner under this Lease, Owner may petition any appropriate court for, and Operator hereby consents to, the appointment of a receiver to take possession of the Premises, to manage the

operation of the Premises and the Facility, to collect and disburse all rents, issues, profits and income generated thereby and to preserve or replace to the extent possible any such license and provider certification for the Premises and the Facility or to otherwise substitute the licensee or provider thereof. The receiver shall be entitled to a reasonable fee for its services as a receiver. Operator hereby irrevocably stipulates to the appointment of a receiver under such circumstances and for such purposes and agrees not to contest such appointment.

30. Waiver of Subrogation. Owner and Operator hereby waive any right of subrogation and right or recovery or cause of action for injury or lawsuit to the extent that such injury or loss is covered by fire, extended coverage, "all risk" or similar policies covering real property or personal property required to be obtained and maintained under this Lease (or which would have been covered if the party claiming such right of subrogation or recovery or cause of action had carried the insurance required by this Lease) or covered by any other insurance maintained by the waiving party. Written notice of the terms of the above mutual waiver shall be given to the insurance carriers of Owner and Operator, and the parties' insurance policies shall be properly endorsed, if necessary, to prevent the invalidation of the policies by reason of such waivers.

31. Assignment and Subletting. Operator shall not assign this Agreement, without the prior consent in writing of Owner which may be withheld or conditioned in Owner's reasonable discretion. Additionally, Operator shall not sublet the Premises or any part thereof, without the prior written consent of Owner, which consent shall not be unreasonably withheld or denied, provided that Owner is afforded the opportunity to review the financials of such proposed subtenant and the terms and conditions of the proposed sublease agreement for the Premises. The consent by Owner to a particular assignment or subletting shall not be construed to relieve Operator from the obligation to obtain the consent in writing of Owner on any other or future assignment or subletting. Any change in the majority ownership of the Operator shall constitute an assignment for purposes of this Agreement; except that the foregoing shall not apply to (i) a transfer of an ownership interest in Operator to a relative of a member of Operator for estate planning purposes; (ii) if, after effectuating the Change, there is no change in the voting or operational control of Operator; or (iii) in connection with a capital transaction involving a new equity partner at the parent level of Operator.. Owner may assign this lease without the prior written consent of Lessee and will provide Operator with ninety (90) days advance written notice of such assignment.

32. Condemnation. In the event all or any part of the Premises should be subjected to eminent domain proceedings, and a portion of the Premises shall be condemned so as to render the residue inadequate for Operator's purposes as herein set forth, Operator shall have the option to terminate and cancel this Agreement by giving written notice to Owner. If any such taking shall not render the residue of the Premises wholly inadequate for Operator's purposes as herein set forth, Operator's rent payments hereunder shall be reduced and abated in proportion to the number of licensed beds lost at the Facility due to such taking, by multiplying the then current rent (as of the date of such taking) by a fraction, the numerator of which is the number of licensed beds located at the Facility after such taking, and the denominator of which is the number of licensed beds located at the Facility immediately prior to such taking. In any such condemnation proceedings, all damages allocable to full fee simple ownership of the Premises shall be payable to Owner, and any damages for loss of leasehold interest, including the unamortized portion of the value involved in such condemnation of any non-removable fixture placed on the Premises by Operator shall be payable to Operator provided such payment to Operator does not reduce the amount payable to Owner as compensation for the fee simple ownership interest alone.

33. Surrender of Possession. At the end of the Term, or upon earlier termination by Owner in accordance with the options herein reserved, Operator agrees to surrender possession of the Premises without demand. Should Operator fail so to do, Operator shall be responsible in addition to the damages generally recoverable by Owner by reason of any breach by Operator, for all damages Owner may sustain, including claims made by any succeeding operator against Owner which are founded upon delay or failure in delivering possession of the Premises to such succeeding operator. Operator hereby waives any and all notice to which it may otherwise be entitled under the laws of the State of California as a prerequisite to a suit against Operator for the unlawful detention of the Premises.

34. Termination. In addition to, and not in lieu of, any other means of termination described herein, this Agreement may be terminated prior to the expiration of the Term as follows:

(a) Consent. This Agreement may be terminated without cause and without penalty upon the written mutual consent of both parties.

(b) Legislation. This Agreement shall terminate automatically, without notice, upon the enactment of any state or federal law or regulation during the term hereof, which prevents Operator from receiving Medicare or Medicaid reimbursement for services provided by Operator, if such law or regulation would prohibit or deny such reimbursement because of any arrangement between Owner and Operator set forth herein. Notwithstanding the foregoing, Owner and Operator agree in good faith to explore alternate business arrangements that comply with the new regulations that would substantially replicate the rights and economics of each party herein.

35. Relationship of the Parties.

(a) Generally. It is understood and agreed, and the Parties hereby declare that their relationship is that of Owner and Operator only, and nothing contained herein shall be deemed or construed by the Parties, or by any third party, to create the relationship of principal and agent or partnership or joint venture between the Parties.

(b) Independent Contractor. The Parties acknowledge and agree that the relationship created between them with respect to the operation of the subject long-term care facility is that of independent contractor. Nothing contained herein shall be deemed or construed by the Parties otherwise. It is expressly understood that each of the Parties hereto shall be responsible for its own employees and shall make no claims to the other for work and vacation pay, sick leave, retirement benefits, social security, worker's compensation, disability or unemployment insurance benefits or employee benefits of any kind. Nothing contained herein shall create any equity interest in the Facility on the part of Operator, except for the leasehold interests granted herein. In the absence of express authorization of the other party, neither party shall enjoy the use of any trademark, trade secrets, trade name, service mark, property information, or any other intangible property belonging to the other party. Nothing in this Agreement shall be construed to confer upon either party any authority express or implied, to bind or commit the other party to any third party in any way.

36. No Fraud or Abuse. Owner and Operator acknowledge that the terms and conditions of this Lease are based on fair market value, and that neither party, during the negotiation of this

Lease, has engaged knowingly or willfully in any activities which are prohibited under federal Medicare and Medicaid statutes, including, without limitation, 42 U.S.C. §1320-7b and 42 U.S.C. §1395nn or similar state or local statutes or regulations, or which otherwise constitutes fraud, including, without limitation, knowingly or willfully soliciting or receiving any remuneration (including any kickback, bribe, or rebate), directly or indirectly, overtly or covertly, in cash or in kind or offering to pay such remuneration (i) in return for referring an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part by Medicare or Medicaid, or (ii) in return for purchasing, leasing, or ordering or arranging for or recommending purchasing, leasing, or ordering any good, facility, service, or item for which payment may be made in whole or in part by Medicare or Medicaid.

37. Provisions on Termination of Term.

(a) Surrender of Possession. Operator shall, on or before the last day of the Term, or upon earlier termination of this Lease or upon Owner taking possession of the Premises under Paragraph 28, surrender to Owner the Premises (including, if required by law, all patient charts and resident records along with appropriate patient and resident consents, if necessary in accordance with applicable law) in good condition and repair, ordinary wear and tear excepted. Operator, to the extent permitted by law, may request and receive a copy of any records relating to patients in the prior care of Operator for a preceding period of five (5) years.

(b) Removal of Personal Property. If Operator is not then in Default hereunder Operator shall have the right in connection with the surrender of the Premises to remove from the Premises all personal property of Operator but not any personal property located at the Facility that existed on the effective date of this Lease or personal property of Owner which was replaced by Operator or any personal property required by the State of California or any other governmental entity to operate the Premises as a skilled nursing facility in a manner consistent with the operation of the Facility on the date hereof. Any such removal shall be done in a workmanlike manner leaving the Premises in good and presentable condition and appearance, including repair of any damage caused by such removal. At the end of the Term or upon the earlier termination of this Lease or upon Owner taking possession of the Premises under Paragraph 28, Operator shall return the Premises to Owner with the personal property required to be returned hereunder (or replacements thereof) in the same condition and utility as was delivered to Operator at the commencement of the Term, ordinary wear and tear excepted.

(c) Title to Personal Property Not Removed. Title to any personal property which is not removed by Operator upon the expiration of the Term shall, at Owner's election, vest in Owner; provided, however, that Owner may remove and dispose at Operator's expense of any or all of such personal property which is not so removed by Operator without obligation or accounting to the Operator.

(d) Management of Premises. Upon the expiration or earlier termination of the Term, or upon Owner taking possession of the Premises under Paragraph 28, Owner or its designee, upon written notice to Operator, may elect to assume the responsibilities and obligations for the management and operation of the Premises and Operator agrees to cooperate with Owner or its designee to accomplish the transfer of such management and

operation without interrupting the operation of the Premises. Operator shall not commit any act or fail to act so as to jeopardize any licensure or certification of the Facility, and Operator shall comply with all reasonable requests for an orderly transfer of the nursing facility license, Medicare and Medicaid (or any successor program) certifications and possession of the facility at the time of any such surrender. However, Operator shall not be obligated to permit a successor operator (if such successor operator is not taking over due to a Lease termination due solely to an Operator Default) or manager to utilize Operator's CDPH license, Medicare or Medicaid provider numbers or agreements should Operator anticipate that allowing such arrangement could potentially cause harm to Operator's reputation or good standing with CDPH, Medicare, Medicaid or such similar successor reimbursement programs.

(e) If this Lease is terminated by reason of Default by Operator, or upon the expiration of the Term, or upon Owner taking possession of the Premises under Paragraph 28, then, and in any of such events, Operator, upon Owner's written request, shall to the greatest extent permitted by law, transfer to Owner or its assigns, the following: (i) all federal, state or municipal certificates, licenses and permits which relate to the operation of the Facility; and (ii) all rights attendant to the name of the Facility as then known to the general public (excluding however, any rights to use Operator's corporate name "Aspen Skilled Healthcare" or any derivations thereof) and (iii) at Owner's option, any provider agreements relating to the Facility (or allow Owner, at its option, to assume such agreements). In the event Operator fails or refuses to transfer any such certificate, license, permit or trade name, or other items then this provision shall constitute an act of assignment by Operator to Owner or its assigns without the necessity of any further written instrument and Owner hereby grants to Operator an irrevocable power of attorney and appoints Owner its true and lawful attorney by this instrument, said appointment being coupled with an interest, to sign such documents and take such action in Operator's name to accomplish the actions contemplated by this Paragraph 36.

(f) Operator shall execute any and all documents reasonably requested by Owner in order to effectuate the provisions of this Paragraph 36.

38. Miscellaneous Provisions.

(a) Binding Effect. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors, legal representatives, and assigns, except as expressly limited otherwise herein.

(b) Notices. All notices or other communications required or permitted hereunder shall be in writing and addressed as set forth below and either personally delivered, sent by overnight mail (Federal Express or the like), or sent by registered or certified mail, postage prepaid, return receipt requested, or sent by telecopy or electronic mail. Notice hereunder shall be deemed to have been properly given or served for all purposes and shall be deemed received upon the earlier of (i) if personally delivered, the date of delivery to the address of the person to receive such notice if delivered during ordinary business hours; (ii) if sent by overnight mail, the business day following its deposit in such overnight mail facility; (iii) if mailed, on the third business day following the date of posting by the United States post office; or (iv) if given by telecopy or electronic mail, when the sender receives a confirmation of receipt generated by the sending machine, if sent during ordinary business hours. Any notice, request, demand, direction, or other communication sent by telecopy or electronic mail must

be confirmed within forty-eight (48) hours by letter mailed or delivered in accordance with the foregoing.

Any written notice shall be deemed given upon receipt or documented refusal of delivery. Designations of address may be changed by written notice given in accordance with the foregoing.

(c) No Referrals. No provision of this Agreement is intended to create any obligation or requirement that Owner, or any person affiliated with Owner, refer patients to the Operator or Operator's affiliates.

(d) Partial Invalidity. If any provision of this Agreement or the application thereof to any person or event shall to any extent be held illegal, invalid or unenforceable, the remainder of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

(e) No Third Party Rights. Nothing in this Agreement shall be construed as creating or giving rise to any rights in any third parties or any persons other than the parties hereto.

(f) Entire Agreement. This Agreement, including the Exhibits and Schedules hereto (if any), contains the entire agreement of all the parties hereto, and no other oral or written agreement shall be binding upon the parties hereto. This Agreement supersedes all prior agreements, contracts, and understandings of any kind between the parties relating to the subject matter hereof.

(g) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed as an original, but all of which together shall constitute one and the same agreement.

(h) Amendments. This Agreement may be amended at any time by mutual agreement of the parties without additional consideration, provided that before any amendment shall become effective, it shall be reduced to writing and signed by each of the parties.

(i) Interpretation. Both Owner and Operator have had the opportunity to, or have been, represented by counsel and this Agreement has been freely and fairly negotiated. Consequently, all provisions of this Agreement shall be interpreted according to their fair meaning and shall not be strictly construed against any party.

(j) Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to such state's conflict of laws provisions.

(k) Effective Date. This Lease shall become effective as of 12:01a.m. on the date that Owner acquires ownership of the Premises. Notwithstanding the foregoing, if CDPH fails to approve the change of ownership with respect to the license necessary to operate the Facility within one hundred eighty (180) days after execution of this Lease for any reason, either party shall then have the right to terminate this Lease at any time prior to the receipt of such license as long as the actions of such terminating party have not caused such delay. All inspection fees, costs and charges associated with a change of such licensure or certification shall be borne solely by Operator.

(l) Quiet Enjoyment. Operator shall, and may peacefully have, hold and enjoy the Premises, subject to the terms of this Lease, provided Operator pays the rent and fully performs all of its covenants and agreements. This covenant and all other covenants of Owner shall be binding upon Owner and its successors and assigns.

39. Key Payment. In consideration for the execution of this Lease, Operator shall pay Owner a contract fee in the total amount of Fifty Thousand and No/100 Dollars ($50,000.00) at the Commencement Date which fee shall be fully earned by Owner.

40. Deposit. Operator agrees that a deposit in the total amount of Fifty-Two Thousand Five Hundred and No/100 Dollars ($52,500.00) shall be paid in connection with this Agreement. Such deposit may be applied against any and all payments or obligations owed by Operator under this Agreement to Owner if Operator fails to pay such payments or comply with such obligations on or before the date on which such payments are due or the date on which such obligations are to be satisfied. The portion of deposit not so applied shall be returned to Operator within fifteen (15) days after the expiration or earlier termination of this Lease.

41. Owner's Security Interest. The parties intend and Operator agree that upon a Default, Owner will be entitled to exercise the remedies of a secured party under the UCC with respect to the Operator Property so that Owner or its designee will be entitled to operate or re-let the Premises intact for use as a Facility licensed for the applicable Primary Intended Use.

42. Grant of Security Interest.

(i) To implement the intention of the parties, and for the purpose of securing the payment and performance of the Operator's obligations under this Lease, Operator, as debtor, hereby assigns, delivers, sets over, transfers and grants to Owner, its successors and assigns, as secured party: a continuing first priority security interest in all of its right, title and interest, whether now owned or hereafter acquired, now existing or hereafter arising wherever located, in and to the "Operator Property" as hereinafter defined (collectively, the "Collateral"), to have and to hold same, unto Owner such transfer and assignment to automatically become a present unconditional assignment. Operator and shall sign and deliver to Owner, or if Operator's signature is not required, Operator hereby authorizes Owner to file in all governmental offices, one or more financing statements to perfect the interest granted by Operator to Owner hereunder. Owner shall have all rights and remedies available to a secured party under the Uniform Code, as amended from time to time. Operator acknowledges that Owner may assign its security interest in the Operator Property. This security agreement and the security interest herein shall survive the termination of this Lease if such termination results from the occurrence of a Default. As used in this Lease, "Operator Property" shall mean and include only all Inventory and Equipment, as those terms are defined in the Uniform Commercial Code in effect in the State of California, owned by the Operator and located at the Facility, and the proceeds thereof.

(ii) To further secure the payment and performance of Operator's obligations under this Lease, Operator, as debtor, hereby assigns and grants to Owner, as secured party, a security interest in and an express contractual lien upon, all of Operator's right, title and interest in and to any subleases and all of Operator's rights therein; provided that Owner's may exercise rights and remedies with respect to such assignment and grant only following a Default hereunder.

43. Lender Requirements. The Premises are or will be initially subject to a secured loan and, thereafter, may be refinanced with one or more different lender(s). For so long as any such bank loan is outstanding, the following provisions shall apply to this Lease:

(i) [Bank] shall have the right to approve any proposed change in the terms of this Lease, with its approval not to be unreasonably withheld.

(ii) if and to the extent required by HUD, Operator will enter into a customary HUD skilled nursing regulatory agreement(s) on terms and conditions acceptable to HUD;

(iii) if and to the extent required by HUD, Operator and Operator's accounts receivable lender will enter into an intercreditor agreement in customary form as required by HUD;

(iv) As necessary, Operator's accounts receivable lender and [Bank] shall enter into an intercreditor agreement in compliance with Section 13 hereof; and

(v) Owner, at [Bank]'s request, shall be entitled to extend the term of this Lease to meet lender requirements.

(vi) reserves for insurance premiums and/or real estate taxes will be established if required by [Bank].

(vii) To the extent the insurance requirements in this Lease are materially different from the insurance requirements set forth in the [Bank] loan documents, Operator shall comply with the insurance requirements set forth in the [Bank] loan documents.

Furthermore, in the event the Premises are refinanced with another lender, Operator shall cooperate in amending this Lease to accommodate any other requirements of Owner's future lenders, so long as such amendment does not degrade Operator's economic or operational rights as provided in the Lease prior to such amendment.

The Board of CNMH has determined that the transaction is desirable because the sale protects residents and staff at Lake Park and Forest Hill by continuing the activities for which CNMH was formed. As described in Section 999.5(d)(1)(A) above, CNMH's Chief Restructuring Officer determined that for CNMH to survive financially, it needed to enter into a sale, affiliation, or merger transaction as soon as possible with a highly qualified and financially sound entity.

As noted under Section 999.5(d)(1)(B), Buyer was an attractive buyer because of its considerable senior care and housing experience in California, its familiarity with California's legal requirements for CCRCs, RCFEs, and SNFs, its reputation with California regulatory bodies, its financial strength, its willingness and ability to assume and perform all contractual obligations to residents and former residents, the absence of third-party financing, and its ability and willingness to close quickly.

In addition, CNMH has determined that the sale of substantially all of CNMH's assets to Buyer is desirable because: (a) it will allow CNMH to sell its assets on terms that will cover virtually all of its legal and financial obligations; (b) Buyer has agreed to assume all of CNMH's obligations under its residency agreements, including its current and future entrance fee repayment obligations under such agreements, subject to a dollar maximum determined by CNMH; (c) Buyer will offer or will cause the management companies and operators for the two communities to offer employment to all qualified employees of CNMH after review of their personnel files; and (d) a sale to affiliates of Buyer, an experienced owner and operator, will help assure a smooth transition for residents and staff at Lake Park and Forest Hill.

SECTION 999.5(d)(2)

FAIR MARKET VALUE

(d)(2)(A)

(A) The estimated market value of all cash, property, stock, notes, assumption or forgiveness of debt, and any other thing of value that the applicant would receive for each health facility or facility that provides similar health care services covered by the proposed agreement or transaction.

The purchase price for CNMH's assets was determined by means of a competitive auction as described above. The estimated value is $34,000,000 (the winning bid) plus the assumption of entrance fee repayment liabilities not to exceed $20,731,738. The net sale proceeds (based on the cash portion) will not be paid to CNMH but to its creditors, including B.H. Capital Ventures, the debtor-in-possession lender; Ziegler, the financial advisor which is owed a sales commission upon closing; Wilmington Trust, the bond trustee for the benefit of the bondholders; and, with HCAI's consent, the holders of pre-bankruptcy general unsecured claims.

SECTION 999.5(d)(2)(B)

(B) The estimated market value of each health facility, facility that provides similar health care services or other asset to be sold or transferred by the applicant under the proposed agreement or transaction.

Lake Park contains 143 residential (independent) living units, 37 assisted living apartments, and a 35-unit SNF. Forest Hill contains 91 residential living units,18 assisted living apartments, and a 26-unit SNF. Of these units, only the SNFs are “health facilities” under 11 CCR Section 999.5(d).

The agreed purchase price for both communities is $34,000,000.00 and the process for obtaining the fair market value for the communities is described above in Section 999.5 (d)(1)(A). This amount does not include the entrance fee repayment obligations described above.

SECTION 999.5(d)(2)(C)

(C) A description of the methods used by the applicant to determine the market value of any assets involved in the proposed agreement or transaction. This description shall include a description of the efforts made by the applicant to sell or transfer each health facility or facility that provides similar health care services that is the subject of the proposed agreement or transaction.

The market value was determined by an auction conducted pursuant to Sections 363 and 365 of the Bankruptcy Code. See Section 999.5(d)(1)(A).

SECTION 999.5(d)(2)(D)

(D) Reports, analysis, Requests for Proposal, and any other documents that refer or relate to the valuation of any asset involved in the agreement or transaction.

I. Introduction and Executive Summary

Executive Summary

- California-Nevada Methodist Homes ("CNMH"), a nonprofit corporation that owns and operates two Life Plan Communities in California, filed Chapter 11 Bankruptcy on March 17, 2021
- CNMH and its advisors are seeking a strategic advisor to structure and execute a solution which ensures ongoing care and safety of the residents at its campuses and satisfies the Corporation's creditors
- Cain Brothers is uniquely positioned to serve as the strategic advisor to CNMH and its bankruptcy team
  - The two CNMH campuses are currently operated as Life Plan Communities ("LPC") with repayable entrance fee resident contracts and which have three separate licenses at each campus: Continuing Care Retirement Community Certificate of Authority, Residential Care Facilities for the Elderly and Skilled Nursing
  - The complexity of the LPC business model requires knowledge of the operating, marketing, financial and regulatory factors to effectively communicate the opportunity to prospective partners/buyers
    > Cain Brothers is recognized national for its knowledge and activity within the LPC sector and Kathy Kirchhoff, Managing Director has served on California state level CCRC commissions and advisory groups and has testified regarding proposed CCRC legislation and regulatory changes and has made presentations with and for the Department of Social Services, Continuing Care Contracts Department
  - CNMH has $30 million outstanding tax-exempt, insured fixed rate Series 2015 Bonds which have specific covenants, provisions and redemption requirements. Cal-Mortgage as the bond insurer on the Series 2015 Bonds will represent the bondholders and will be involved in decisions or solutions regarding debt restructuring
    > Cain Brothers is a leading underwriter of tax-exempt senior living bonds nationally having underwritten more than 33 transactions / $1.6 billion par amount since 2016 and is the leading underwriter of California tax-exempt senior living transactions insured by Cal-Mortgage
    > Additionally, Cain Brothers was the underwriter on the CNMH Series 2015 Bonds and has continued to support the CNMH quarterly continuing disclosure to the capital markets and as a result is familiar with Series 2015 Bond documents and CNMH performance and reporting

Executive Summary (continued)

- Cain Brothers is uniquely positioned to serve as the strategic advisor to CNMH and its bankruptcy team
  - Finally, since CNMH has completed two searches to find a strategic partner/buyer over the past 3 years, a fresh approach and experience with sell-side advisory and M&A is critical to attract interest
    - > Cain Brothers is the nation's leading healthcare investment bank for middle market transactions ($50-$500 million) – we have experience and resources to efficiently plan and execute development and negotiation of a solution
    - > We have completed several LPC strategic asset sales, in addition to transactions for other senior living and healthcare assets
    - > Additionally, Cain Brothers offers the broadest coverage of the senior living industry through several different channels within the larger KeyBank organization. We work closely together to benefit our clients. Through KeyBank, we work with many of the largest senior living REITs in the country, and our affiliate, KeyBank Real Estate Capital, is one of the nation's leading mortgage bankers for FHA, Fannie Mae, and FreddieMac programs with client relationships across the country.
- This proposal provides additional details regarding our qualifications, discussion regarding potential membership substitution for nonprofit solution and includes a proposed workplan and proposed fee structure.
- We are very interested in working with CNMH and its bankruptcy team and are prepared to begin working on this engagement immediately

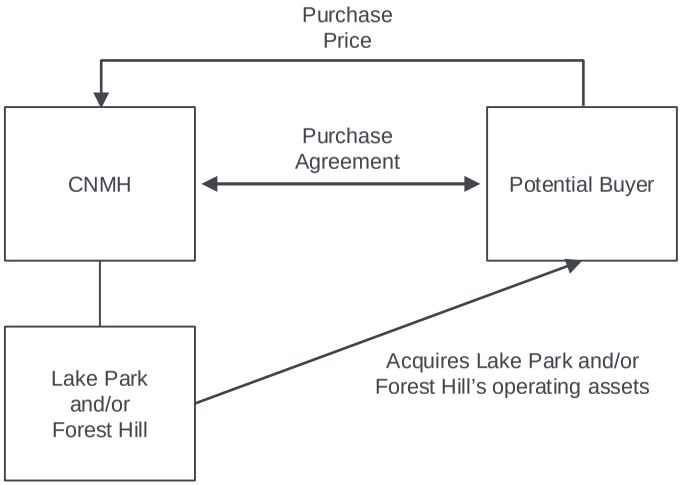
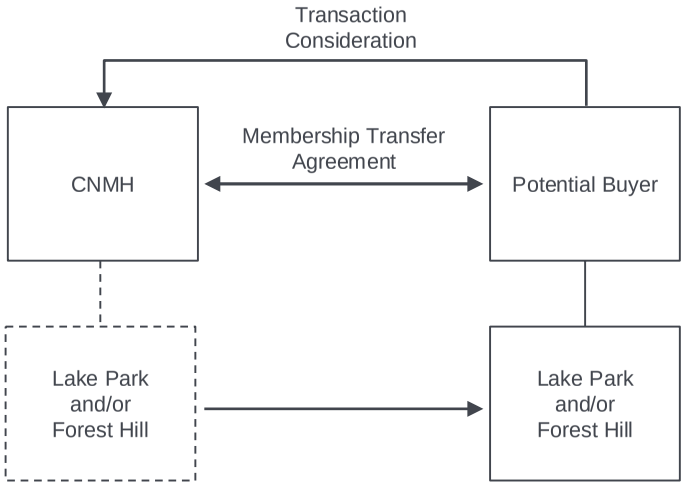
Strategic Partnership Models

- There are a number of structuring variables and options that may influence the final structure for resolving the CNMH bankruptcy
- Cain Brothers experience will allow us to work with prospective partners and respond to various proposals which will expand the number of potential partners and the final structure
- Given the nonprofit status of CNMH, a membership substitution is a viable approach if the preferred partner/buyer is also a nonprofit organization – the following pages provide an overview of the membership substitution approach
- Cain Brothers will work with CNMH and its advisory team to define, evaluate and prioritize proposals from both nonprofit and for profit partners/buyers

Strategic Partnership Models





Membership Substitution: The most common type of strategic merger transaction for a not-for-profit senior living provider is a membership substitution

- Not for profit senior living provider becomes the parent company of CNMH
- Results in consolidation of all assets and liabilities into new parent
- Entities remain in existence and no new entities need to be created
  - CNMH Board continues; its (typically advisory) powers are delegated from the Partner's Board
- Purchase price is often minimized in exchange for future operational and capital expenditure commitments
- Partner exercises operational and financial control of CNMH as new controlling entity
- Potential for refinancing of CNMH's debt through Partner's obligated group

Strategic Partnership Models

CALIFORNIA-NEVADA METHODIST HOMES

Asset Purchase vs. Membership Substitution key benefits and considerations

	Asset Purchase	Membership Substitution
Structure		
Benefits	▪ Potential buyer would not be required to restructure the corporate entities ▪ Consideration would likely be in cash	▪ Consideration could be in the form of assumed liabilities (e.g., pension or debt) ▪ Simple to transition operations as existing contracts and relationships survive the transaction
Considerations	▪ Requires heightened diligence of assets ▪ More complicated to transition operations (e.g., contracts, vendor relationships)	▪ Requires heighted diligence of corporation ▪ Requires restructuring of corporate entities ▪ Potential buyers may be reluctant to acquire all unknown assets and liabilities associated with Lake Park and/or Forest Hill

To that end, Ziegler's M A advisory team has a proven track record executing swiftly on distressed transactions and is confident it can execute on an aggressive timeline.

SECTION 3 – SPONSORSHIP TRANSITION PRACTICE

Sponsorship Transition Practice

An increasingly complex business climate and growing market competition are leading many well-respected senior living organizations to explore strategic alliances, including affiliations. Such a partnership can secure the mission and strengthen the reputation of an organization through expanded capital access, enhanced market expertise and substantial operating efficiencies.

Strategic affiliation offers one organization the opportunity to join with another that brings a compatible culture. Expanding resources and combining strengths help to address future challenges, including health care reform, labor market constraints, changing resident expectations and growing capital needs.

In response to growing demand, Ziegler has expanded its expertise and resources to better serve clients' sponsorship transition, merger and affiliation needs. Since 2010, approximately 576 organizations in the LeadingAge Ziegler 200 group of largest organizations have changed ownership, representing 762 transactions (some multi-site to multi-site combinations are included). With Covid-19, the number of affiliation discussions continues to accelerate.

Ziegler assists teams seeking to navigate efficiently in this environment by bringing the following skills to the table:

- Deep knowledge of the not-for-profit senior living sector and the universe of potential affiliation candidates;
- Unique understanding of commonly used criteria and filters used to optimize the search, evaluation and selection process;
- Thorough analysis of the value proposition ways in which the affiliation would contribute to the overall mission of the organization;
- Understanding of the affiliation process and the considerations driving different organizations as they look toward their futures;
- Transition expertise, helping to ensure that assumptions developed in the due diligence process are properly implemented; and
- Transaction execution to facilitate efficient negotiation, documentation and closing.

In recent years, Ziegler has served as strategic advisor to many of the leading change of sponsor transactions in the not-for-profit senior living industry. Selected engagements include:

This practice is distinguished from Ziegler's merger and acquisition practice by its focus on not-for-profit initiating corporations that typically take over sponsorship of target organizations. Capital may or may not be exchanged. Valuation generally is based more upon the existing debt that is assumed plus any capital reinvestment needed (debt capacity of target organization) rather than third-party market valuation.

Steve Johnson, Managing Director, leads Ziegler's Sponsorship Transition practice.

Ziegler's National Senior Living Experience

Ziegler excels at sourcing capital for not-for-profit senior living providers in both the private sector and public bond markets. Ziegler's senior living clients have traditionally included CCRCs, skilled and rehabilitative care, intermediate care, assisted living, and independent living on both an entrance fee and rental basis. Mr. Garrett B. Cross
Board Chair
California-Nevada Methodist Homes
201 19th St
Oakland, CA 94612

Re: California-Nevada Methodist Homes Portfolio

Dear Mr. Cross:

We are submitting this engagement letter (this "Agreement") for your evaluation and consideration between California-Nevada Methodist Homes ("CNMH" or the "Company") and B.C. Ziegler and Company ("Ziegler").

I. Background

California-Nevada Methodist Homes is a California non-profit corporation that owns and operates two continuing care retirement communities ("CCRC"): (i) Lake Park, located in Oakland; and (ii) Forest Hill, located in Pacific Grove, California (collectively, the "Portfolio"). Lake Park has 216 units and Forest Hills has 135 units. The Portfolio is more fully described in Exhibit A.

We understand that in recent years, CNMH has faced a growing number of financial challenges. Recognizing the financial challenges, the Company began exploring its strategic alternatives. We understand that in January 2020, a proposed sale of the Company was conditionally approved by California authorities, but the transaction was not completed.

You have indicated that these financial and operational challenges have continued and were intensified by the COVID-19 pandemic. In March 2021, the Company filed a chapter 11 petition in the United States Bankruptcy Court for the Northern District of California, Oakland Division (the "Court"), Case No. 21-40363.

II. The Engagement

This letter confirms our understanding that, subject to Court approval, the Company has engaged Ziegler to act as its exclusive financial advisor with respect to the Company's potential sale of the Portfolio, affiliation with another legal entity that assumes certain or all of the liabilities of the Company, or merger into another legal entity (collectively, the "Sale").

A. Services

As part of our engagement, Ziegler will, in conjunction with the Company and its other professionals:

i. analyze and evaluate the business, operations and financial position of the Portfolio;

ii. with the Company's assistance, prepare materials ("Offering Memorandum") suitable for distribution and presentation to a select group of qualified potential buyers, affiliates, or merger candidates (collectively, "Purchasers");

iii. populate, maintain, and utilize an online virtual data room for dissemination of information to potential Purchasers, and update the data room for information requests from potential Purchasers and pertinent new information (such data room maintenance will be performed in-house by Ziegler to ensure quality);

iv. present the Company with specific acquisition proposals from qualified Purchasers, and assist the Company in the screening of interested prospective Purchasers;

v. assist the Company in evaluating proposals which are received from potential Purchasers (assistance does not encompass a formal valuation, appraisal, or a "fairness opinion" as defined by standard industry convention);

vi. assist the Company in developing a process to select a stalking horse bidder;

vii. assist the Company in structuring and negotiating the Sale;

viii. assist Company's legal counsel with suggested forms of a purchase and sale, affiliation, or merger agreement, as applicable;

ix. assist the Company in structuring and facilitating an auction (if necessary);

x. coordinate with the Company, its constituents, and counsel as necessary and appropriate;

xi. provide such other investment banking services that are typical and customary in similar engagements or requested by the Company from time to time;

xii. attend and participate in Court proceedings as necessary; and

xiii. be available at the Company's request to meet with the Company's representatives to discuss the proposed Sale and its financial implications.

In connection with Ziegler's engagement, the Company will furnish Ziegler with all information concerning the Portfolio that Ziegler reasonably deems appropriate to enable Ziegler to perform under this Agreement (collectively, the "Information"). The Company will provide Ziegler with access at reasonable times and on reasonable notice to approved Company employees, accountants, and other representatives (collectively, the "Representatives"), it being understood that Ziegler will rely in good faith solely upon the Information supplied by the Company and its Representatives without any independent investigation or verification thereof. All non-public Information concerning the Community that is given to Ziegler will be used solely in the course of the performance of the services hereunder and will be treated confidentially by Ziegler for so long as it remains non-public. Except as otherwise required by this engagement or by

the Court, Ziegler will not disclose the Information to a third party without the consent of the Company.

B. Compensation

In consideration of the above, Ziegler's fees will be structured as follows:

i. *Initial Fee* – Ziegler agrees to waive its Initial Fee.

ii. *Transaction Success Fee* – Ziegler shall be paid a Transaction Success Fee equal to:

- 2.25% of Aggregate Consideration (defined below) for a Sale transaction.

iii. *Minimum Transaction Success Fee* – Notwithstanding the above, Ziegler shall be paid a Minimum Transaction Success Fee equal to $450,000.

The Transaction Success Fee shall be due and payable by the Company at closing of the Sale, and shall only be earned by Ziegler if and when a Sale closes.

C. Expenses

Ziegler shall also be reimbursed for all actual and reasonable out-of-pocket expenses, including the reasonable fees and expenses of its legal counsel, if any, and any other advisor retained by Ziegler. Expenses will be billed at direct cost and in accordance with Court procedures and are not contingent upon the Sale.

III. Other Matters

Aggregate Consideration. For the purposes of this Agreement, the term "Aggregate Consideration" shall mean the total fair market value of all consideration (including cash, securities, property, assumed debt, and other indebtedness, and obligations assumed by the Purchaser and any other form of consideration) paid or otherwise distributed, directly or indirectly, to the Company in connection with the Sale. For purposes of computing the full amount of Aggregate Consideration, any non-cash form of consideration shall be assumed to have a value equal to its fair market value at the time of the closing, as determined by mutual agreement between Ziegler and the Company.

Confidentiality. Ziegler will maintain the confidentiality of the Information and, unless and until the Information shall have been made publicly available by the Company or by others without breach of a confidentiality agreement, shall disclose the Information only as authorized by the Company or as required by law, or by order of the Court, or a governmental authority or court of competent jurisdiction. Notwithstanding the foregoing, Ziegler may disclose the Information to its employees, agents and advisors who need to know the Information to complete this engagement. In the event that Ziegler is legally required to make disclosure of any of the Information, Ziegler will give notice to the Company prior to such disclosure, to the extent that Ziegler can practically do so.

The foregoing paragraph shall not apply to Information that (i) at the time of disclosure or after disclosure, is or subsequently becomes generally available to the public or within the industries

which the Company or Ziegler and its affiliates conduct business, other than as a direct result of a breach by Ziegler of its obligations under the terms of this Agreement; (ii) prior to or at the time of disclosure by the Company, was already in the possession of, or conceived of, by Ziegler or its affiliates or generally available to the public or available to Ziegler or its affiliates, other than from the Company; (iii) at the time of disclosure or subsequent to disclosure, is obtained by Ziegler or its affiliates from a third party who is lawfully in possession of the Information and not in violation of any contractual, legal or fiduciary obligation to the Company with respect to that Information; or (iv) is or was independently developed by Ziegler or its affiliates without reference to any documents or other information that is to be treated as confidential under this Agreement.

Privilege. The Company acknowledges that all reports, analyses, and recommendations (written or oral) given by Ziegler to the Company in connection with Ziegler's engagement are intended to be provided to the Company's counsel for the purpose of developing a legal strategy with respect to the proposed Sale and all such communications are intended to be confidential and privileged. Moreover, such communications are solely for the benefit and use of the Company for the purposes of their evaluation of the proposed Sale. Unless otherwise expressly stated in an opinion letter issued by Ziegler or otherwise expressly agreed, no one other than such persons are authorized to rely upon this engagement of Ziegler or any statements or conduct by Ziegler. Except as required by this bankruptcy proceeding, the Company agrees that no such reports, analyses, or recommendations shall be used, reproduced, disseminated, quoted or referred to at any time, in any manner, or for any purpose, nor shall any public references to Ziegler be made by the Company or any of its representatives without the prior written consent of Ziegler.

The Company acknowledges and agrees that Ziegler has been retained to act solely as financial advisor to the Company and to solicit Sale offers. In such capacity, Ziegler shall be an independent contractor, and shall not act as an agent, partner, fiduciary, or joint venturer of the Company. Any duties arising out of Ziegler's engagement shall be owed solely to the Company.

Indemnity. In connection with Ziegler's engagement (which engagement may have commenced prior to the date hereof), the Company agrees to indemnify and hold harmless Ziegler and its affiliates, directors, officers, agents and employees and each other person, if any, controlling Ziegler or any of its affiliates and each of their respective successors and assigns, to the fullest extent permitted by law, from and against any losses, claims, damages or liabilities (or actions in respect thereof) related to or arising out of such engagement or Ziegler's role in connection therewith, and will reimburse Ziegler and any other party entitled to be indemnified hereunder for all expenses (including reasonable, documented counsel fees) as they are incurred by Ziegler or any such other indemnified party in connection with investigating, preparing or defending any such action or claim whether or not in connection with pending or threatened litigation in which Ziegler is a party. The Company will not, however, be responsible for any claims, liabilities, losses, damages or expenses which resulted from Ziegler's bad faith, willful misconduct or gross negligence.

If the indemnification provided for in the foregoing paragraph is judicially determined to be unavailable (other than in accordance, with the terms hereof) to any person otherwise entitled to indemnity in respect of any losses, claims, damages or liabilities referred to herein, then, in lieu

of indemnifying such person hereunder, the Company shall contribute to the amount paid or payable by such person as a result of such losses, claims, damages or liabilities (and expenses relating thereto) in such proportion as is appropriate to reflect the relative fault of each of the Company and Ziegler, as well as any other relevant equitable considerations; provided, however, in no event shall Ziegler's aggregate contribution to the amount paid or payable exceed the aggregate amount of fees actually received (or contemplated to be received, in the case of no actual fee being received) by Ziegler under this Agreement.

The Company also agrees that neither Ziegler, nor any of its affiliates nor any officer, director, employee or agent of Ziegler or any of its affiliates, nor any person controlling Ziegler or any of its affiliates, shall have any liability to the Company for or in connection with such engagement except for any such liability for losses, claims, damages, liabilities or expenses incurred by the Company which resulted from Ziegler's bad faith, willful misconduct or gross negligence. The foregoing Agreement shall be in addition to any rights that Ziegler, the Company or any indemnified party may have at common law or otherwise, including, but not limited to, any right to contribution.

The Company agrees that it will not, without the prior written consent of Ziegler, which consent shall not be unreasonably withheld, conditioned, or delayed, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not Ziegler is an actual or potential party to such claim, action, suit, or proceeding) unless such settlement, compromise or consent includes an unconditional release of Ziegler from all liability arising out of such claim, action, suit or proceeding.

For so long as the Company is actively pursuing a Sale, Ziegler shall not, without the Company's prior written consent, act as financial advisor to any other party (other than the Company) in connection with the Sale. Pursuant to applicable bankruptcy and local rules, Ziegler shall disclose in reasonable detail and in a manner not in violation of applicable confidentiality obligations at such times as the Company is actively pursuing a Sale during the term of this Agreement, any material relationship (pursuant to its internal procedures for identifying and assessing conflicts of interest) that Ziegler has determined constitutes a material conflict of interest with the engagement contemplated by this Agreement.

Term of Agreement. The term of Ziegler's engagement hereunder shall extend from the date hereof through the earlier of (i) twelve (12) months from the date hereof unless extended by the parties in writing, and (ii) the closing on the Sale, as applicable. Subject to the expenses, indemnity and contribution provisions herein, which shall survive any termination of this agreement, the Company or Ziegler may terminate Ziegler's engagement hereunder, for any reason or for no reason, upon giving the other parties hereto at least 10 days' prior written notice, and Ziegler shall be entitled to collect all such fees and expenses earned through the date of termination. In addition, any agreement or other arrangement with respect to a Sale entered into by the Company with a Protected Party (defined below) within a six (6) month period from the date of termination of Ziegler by the Company shall give rise to the fees stated above, payable in full via wire transfer by the Company to Ziegler, upon the completion of such Sale. A "Protected Party" is any party whose name appears on a list of parties ("List of Protected

Parties") to whom Ziegler sent an Offering Memorandum during the effectiveness of this Agreement.

Subject to Bankruptcy Court Approval. Notwithstanding any other term of this engagement letter, the parties acknowledge and agree that this engagement letter (1) is subject to U.S. Bankruptcy Court approval; (2) shall not take effect until after the U.S. Bankruptcy Court has issued an order authorizing the employment and retention of Ziegler under the terms of the engagement letter; and (3) shall be rescinded immediately and without penalty if the U.S. Bankruptcy Court rejects the Debtor's application to retain and employ Ziegler under the terms of this engagement letter for any reason.

Ziegler shall not publicize the availability of the Portfolio for Sale to the general public, whether by mail, electronic mail or other mass medium. All contact with prospective Purchasers shall be direct (telephone, individual email or letter). An Offering Memorandum, delivered at the request of the potential Purchaser, will be the primary means of providing information and will be provided after receipt a confidentiality agreement reasonably acceptable to the Company and its counsel. No tour of the Community will take place without a signed letter of intent or purchase, affiliation, or merger offer.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California applicable to contracts executed in and to be performed in that state, without regard to such state's rules concerning conflicts of laws.

The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of the Agreement, which shall remain in full force and effect.

This Agreement constitutes the entire agreement and understanding between the parties as to the subject matter thereof and supersedes any prior understandings or representations. This Agreement may be amended or modified only by a writing signed by both parties.

We are delighted to accept the engagement and look forward to working with you on this assignment. Please confirm that the foregoing is in accordance with your understanding by signing and returning to us this Agreement.

TRANSACTION STRUCTURE & PROCESS

Chapter 11

On September 27, 2019, California-Nevada Methodist Homes (the "Company" or "CNMH") submitted a notice and request for consent to the California Attorney General in connection with the proposed sale of its assets. The Company was unable to achieve a sale with prospective buyers. Subsequently, on March 16, 2021, CNMH filed for voluntary Chapter 11 bankruptcy in the Bankruptcy Court for the Northern District of California (Case No. 21-40363). CNMH also filed an application to retain Ziegler as its Investment Banker with the authorization for the sale of the Portfolio. On May 19, 2021 the application was approved by the United States Bankruptcy Court Northern District of California. Any affiliation or sale is subject to approval by the California Attorney General and cannot close until such approval is obtained. Likewise, the Department of Social Services ("DSS"), the Department of Public Health ("DPH"), and the Centers for Medicare and Medicaid Services ("CMS") must approve all changes in the licensee/provider. While the licensee/Medicare provider can change, if needed, after the sale or affiliation closes through the use of leaseback and management agreements, DSS must, at a minimum, approve any new continuing care certificate of authority holder prior to closing. The buyer or affiliate must be willing to cooperate with these processes and related timing issues.

Transaction Structure

The Seller has retained Ziegler to act as its exclusive investment banker to assist in a restructuring transaction that could include the sale of substantially all assets, affiliation, sponsorship or other structure. The Seller has authorized Ziegler to approach provider/investor group and solicit proposals for a restructuring transaction.

Prospective purchasers should assume "assets" include all Portfolio-based assets including inventory, personal property, land, buildings and improvements. For valuation purposes, asset purchasers should assume assets exclude cash, investments, accounts receivable, prepaid assets, deposits and any other current asset excluding inventory. A more precise definition of "purchased/sold" assets will be included in the purchase agreement.

Given the sale of Portfolio's assets is tied to Chapter 11 bankruptcy proceedings, the Seller is extremely sensitive to timing in this matter. Offering materials are intended to include detailed information sufficient for prospective purchasers to formulate a reliable value conclusion. The Seller wants to conclude the preliminary evaluation period as quickly as possible. After preliminary proposals are evaluated, the Seller will determine which proposal will be submitted to the courts as the highest and best "stalking horse" bid.

The Seller would like to adhere to the process outlined below:

1. Distributing Offering Memorandum, Provide Access to the Online Data Room, and Initial Proposals Submitted
2. Review of Initial Proposals
3. Community Tour(s) [1]
4. "Stalking Horse" Bid Selected, Submission to the Court, Final Negotiations, Due Diligence, and Negotiation of Purchase and Sale Agreement
5. Hold Auction Process Subject to Court Approval and Guidelines and Subsequent Selection of Purchaser

Interested parties are encouraged to promptly review the Offering Memorandum and, if interested, prepare initial proposals as quickly as practicable. The Seller would like to receive initial proposals for consideration as the "stalking horse" bid no later than July 16, 2021. Note, the Seller may, but is not required to, designate a stalking horse bidder, with bidding protection approved by the bankruptcy court.

Please note that the Seller has elected not to assign a specific timetable for the various phases (except for submission of initial proposals) as they may elect to accelerate the process for proposal(s) that are particularly compelling and the transaction is subject to court approval. However, once a "stalking horse" purchaser has been selected, and PSA negotiation completed, an auction will be scheduled by the court for purpose of selecting the winning bid in accordance with court guidelines.

Written preliminary proposals should include:

- For acquisition proposals, a non-binding estimate of the cash acquisition value, as well as a brief description of the transaction structure; For not-for-profit affiliations: description of proposed structure.
- An indication of the source(s) of financing contemplated for the potential acquisition (if any), including the proposed debt and equity structure, the availability of the proposed capital structure, and any contingencies with respect thereto;
- Summary of how resident liabilities will be treated in the proposed acquisition;
- A specific list of additional information required to complete the investigation of the Portfolio;
- A list of corporate, shareholder or regulatory approvals required by buyer to consummate the transaction (if any);
- The name of outside advisors (including legal representation) you have engaged or plan to engage (if any) to assist you in evaluating and documenting this transaction;
- A discussion of your organization's historical operating track record in California and with CCRCs and/or senior living communities (including a list of properties).

Please note that all communications or inquiries relating to a possible transaction should be directed only to Ziegler. No member of the Seller or employee of the Portfolio should be contacted directly under any circumstances. Under no circumstances are tours or mystery shopping of the Portfolio allowed without Ziegler and CNMH's express written permission. Furthermore, potential purchasers are reminded of their obligations under the Confidentiality Agreement in relation to this transaction.

[1] *Subject to the Community's COVID-19 protocols and guidelines.*

DISCLAIMER

The Seller and Ziegler expressly reserve the right, without giving reasons, at any time and in any respect, to amend, modify or terminate these procedures or to negotiate with any party with respect to a transaction involving the Portfolio. The Seller will not have an obligation to accept any offer, whether or not it represents the highest value. The Seller expressively reserves the right, in its sole and absolute discretion, to reject any or all offers without giving any reasons therefor. The Seller also expressly reserves the right, without giving reasons therefor, at any time and in any manner to terminate discussions with any or all potential purchasers.

EXISTING INDEBTEDNESS

Tax-Exempt Bond Debt

In 2006, the Seller borrowed monies to finance the construction of new buildings at Forest Hill and an expansion of the Lake Park skilled nursing unit through the issuance of tax-exempt California Health Facilities Financing Authority-Insured Revenue Bonds, Series 2006, in the aggregate principal amount of $42,280,000. The principal and interest payments on the Series 2006 bonds were insured by The Office of Statewide Health Planning and Development of the State of California (otherwise known as California's "Cal-Mortgage" program) and the Union Bank of California served as the trustee.

In 2015, CNMH borrowed $32,920,000 in insured, tax-exempt revenue bonds to refinance the Series 2006 bonds, and finance over $6 million in renovations to apartment units and common areas at Lake Park and Forest Hill (additional details on the renovations at each Community can be found in the ***Facility Summary*** section). The Issuer of the Series 2015 bonds is California Health Facilities Financing Authority, the principal and interest payments are insured by the State of California's Cal-Mortgage program and Willington Trust serves as the trustee. The bonds are secured by the Seller's property, accounts receivable, and equipment. These bonds have a final maturity date of 2045 but were subject to mandatory redemptions beginning in 2016. Additionally, the Series 2015 bonds are due in 2030, 2035, and 2045 and have sinking fund requirements that start in 2027. The stated fixed interest rate of the bonds varies from 2.00% to 5.00%. For additional details on the Series 2015 bonds, please refer to the offering statement and audited financial statements available in the online data room.

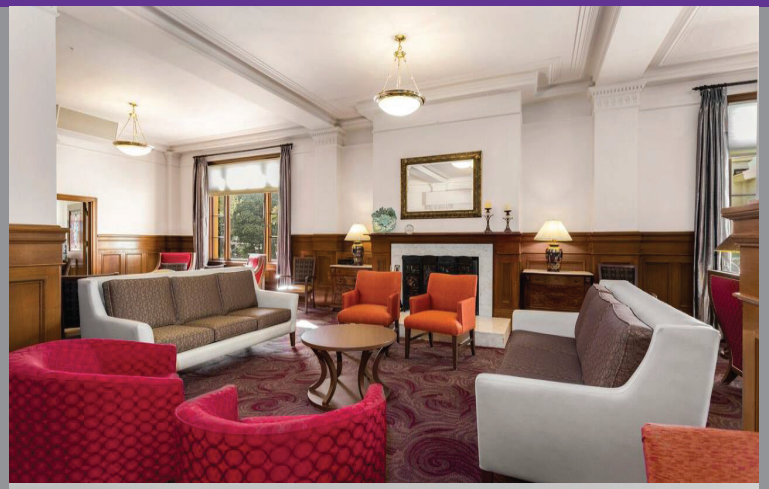
Chapter 11 Bankruptcy

On March 16, 2021, CNMH filed for Chapter 11 bankruptcy protection with United States Bankruptcy Court Northern District of California Oakland Division. As of March 31, 2021, the total bonds payable balance was $30,384,631, which consists of a) a long-term balance of $29,912,131; and b) a current balance of $472,500. Pursuant to the terms of the Loan Agreement, CNMH is responsible for making monthly payments to Wilmington sufficient to cover 1/6th of the upcoming semi-annual interest payment and 1/12th of the principal balance scheduled to mature on the following maturity date. The Debtor has not made monthly payments on the Bond Debt since February 2020. As a result, Wilmington has drawn down on a reserve fund established when the Bonds were issued, which had a balance of $785,365 as of March 31, 2021.

Line of Credit

CNMH executed a $3,525,000 revolving line of credit with a bank that matures on August 1, 2021. The outstanding funded balance of the revolving line of credit was $2,999,120 as of March 31, 2021.

KEY CONSIDERATIONS



KEY CONSIDERATIONS

Significant Real Estate Value

The underlying property of both Oakland assets as well as Forest Hill in Pacific Grove, California have significant real estate value. Per the City of Oakland, the average assessed total real property value of the parcels immediately surrounding Lake Park and the adjacent office building is approximately $513 per square foot or approximately $22,351,626 per acre in 2020. As of 2020, the Oakland parcels (Lake Park and the Office Building) had a combined assessed total real property value $18,926,037 or $246 per square foot. If these parcels were assessed at the surrounding parcel average, its assessed total real property value, ignoring exemptions, would increase to $39,501,214. Additionally, per the County of Monterey Treasurer, Forest Hill had an assessed property value of $16,251,424 in 2020. Note, assessed property values typically trail the market value of real estate at a significant discount.

Existing Entrance Fee Unit Inventory

As of May 21, 2021, there were 36 independent living apartments available for occupancy at Lake Park and 56 independent living apartments available for sale at Forest Hill for a total of 92 units available for sale. This inventory can potentially provide additional entrance fee cash flow of approximately $29.7 million upon sale. Note, of the 92 vacant units, 44 units are ready for immediate occupancy while 48 units require standard turnover renovations in order for the units to be ready for immediate occupancy. This existing inventory offers an opportunity for immediate cash flow at the Communities.

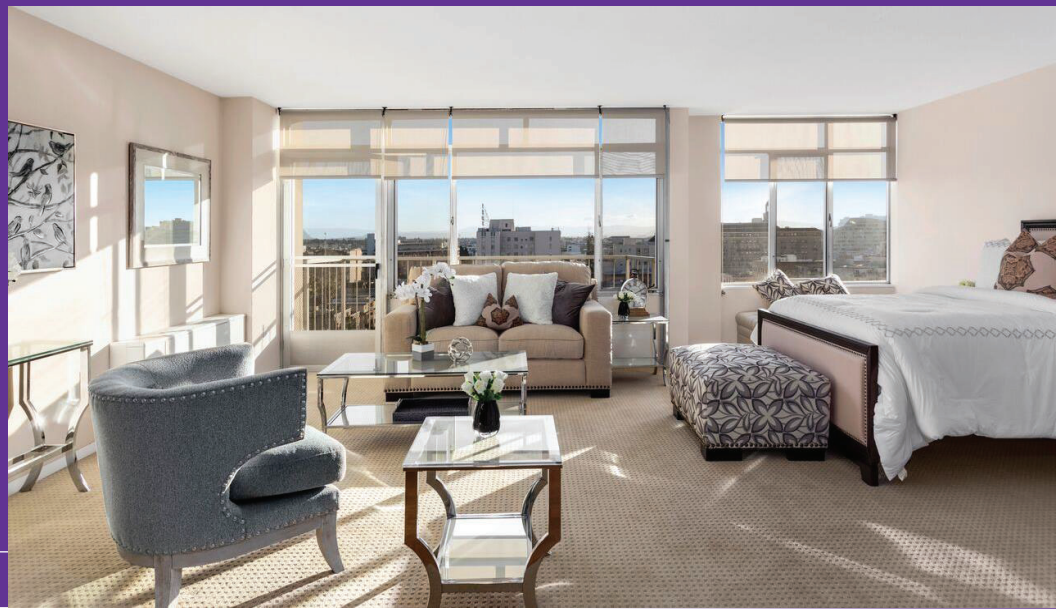
KEY CONSIDERATIONS

Attractive, Affluent Market Area

Lake Park and the adjacent one-story office building are located in the heart of the Lakeside Apartments District, also known as the Gold Coast or The Lakeside, which is an affluent historic residential neighborhood near downtown Oakland and Lake Merritt, a National Historic Landmark and on the National Register of Historic Places. The area has a concentration of historic luxury apartments and mixed-use high-rises and continues to be attractive to developers due to the neighborhoods central location, proximity to Broadway (downtown Oakland's main thoroughfare), regional mass transit locations, and scenic vistas along Lake Merritt. As such, real estate within the neighborhood is at a premium compared to other locales within Oakland. The median real-estate price within the Lake Park primary market area ("PMA") is $1.2 million and the Forest Hill PMA is $970,000[1].

Forest Hill is located in Pacific Grove, California a coastal city located approximately 85 miles south of Oakland in Monterey County. Located on the Monterey Peninsula, Pacific Grove is known for its numerous Victorian-era houses, charming beaches, and scenic views of Monterey Bay. The median value of owner-occupied housing units in Pacific Grove is $857,900, which is significantly higher than the State of California average of $505,000.

Age in Place Continuum of Care



Both Lake Park and Forest Hill are continuing care retirement communities that offer independent living, assisted living, and skilled nursing care living accommodations and services all available on campus allowing residents to "age in place," extending their length of stay.

[1] *per census.gov/quickfacts.*

Modern, High Quality Residences

Both Lake Park and Forest Hill pride themselves on providing their residents with spacious, contemporary residences in a homelike atmosphere. Lake Park is designed in the midcentury modern style and offers residents scenic views of Lake Merritt and the East Bay Hills. The building has been meticulously renovated several times since 1965 with the most recent project completed between 2016-2018, which included the remodel of 51 IL units, 22 AL units, a refresh of all furniture on residential floors, an extensive renovation of the basement level, and more (for full details of this renovation project please refer to Other Considerations).

Forest Hill was originally built as a luxury hotel and the Company has continued the building's legacy of luxury to this day. The five-story Mediterranean-style building provides residents with views of Monterey Bay along with contemporary, state-of-the-art amenities that include a traditional fireside lounge, spacious sunroom/reading room, resident garden, and underground parking.

The office building also includes a private parking lot with approximately 20 parking spots and is located between the office building and the Lake Park community which provides entrance and egress to both Jackson street and 19th street.

COMMUNITY OVERVIEW – FOREST HILL

OVERVIEW

ADDRESS: 511 Gibson Ave.
Pacific, California 93950

Forest Hill, originally built as a luxury hotel in 1926, was acquired by CNMH and converted to a CCRC in 1955. Located on the Monterey Peninsula on the central California coast, the Community is a short walk to the Pacific Ocean and three miles from the famous Pebble Beach Golf Resort. Many apartments in the Community offer residents views of the Monterey Bay, while others look towards beautiful Huckleberry Hill and the peaks of Jacks Peak Park towards the east.

The Community features a nice blend between the distinctive architecture of the elegant, historical main building, and the modern design of the cottages and four-story south wing building. As the first and only continuing care retirement community in Monterey, Forest Hill has a long history of offering unparalleled care.

Forest Hill is licensed by the State of California Department of Social Services ("DSS") to operate a 135 bed/unit community. Forest Hill's skilled nursing component has a Five-Star rating from CMS and participates in the Medicare program but not the Medi Cal (State Medicaid) program.

RESIDENT CARE & SERVICES – FOREST HILL

The Community provides a full continuum of care including independent living, assisted living, and skilled nursing and rehabilitative services.

Located in Pacific Grove on the Monterey Peninsula, Forest Hill residents enjoy the glamour and luxury of living in a world renowned vacation destination with the security and value of a continuing care retirement community. Residents enjoy numerous accommodations, learning and lifestyle experiences, and freedom from the concerns of traditional home maintenance. The five-story main building, built in 1926 originally as a hotel, was subsequently purchased by CNMH in 1955 and converted to a CCRC. The main building has been repurposed for independent living apartments with remarkable character, high ceilings, and an abundance of natural light. The South Wing and Cottages offer residents a more modern appeal. Forest Hill's Health Center is located on the first floor of the South Wing building which allows residents of the Health Center to enjoy the beauty of the gardens and courtyard from their private suites.

Refer to ***Unit Floor Plans*** for samples of various independent living apartment floor plans offered at the Community.

CONTINUUM OF CARE

As a true CCRC as designated by the State of California, the Community offers services through (or by means of) continuing care agreements. Residents have priority access to a full continuum of services beyond independent living apartments including assisted living apartments and Medicare-certified skilled nursing, offered in its Health Center. Under the continuing care agreement, residents can receive thirty (30) lifetime days of skilled nursing services in the Health Center and thirty (30) lifetime days of assisted living services, should they need it. Under the agreement, this benefit is provided at no additional cost to the resident.

RENTAL OPTION

Forest Hill offers apartments to new residents on a month-to-month rental basis, with no entrance fee needed. While month-to-month residents are able to enjoy all of the same Community amenities entrance fee members enjoy, they are not guaranteed access to the Community's continuum of care or health center. Monthly rental residents are given the option to apply for a continuing care contract at a future date.

RESIDENT CARE & SERVICES

RESIDENCY AGREEMENTS

Contract Types and Amount Repayable: CNMH currently offers two different types of continuing care entrance fee contracts at Lake Park and Forest Hill: (1) a Classic Agreement (Type B) which provides for full amortization of the resident's entrance fee in 36 months and is repayable should the contract terminate; and (2) a Deferred Repayment Agreement (Variable) (Type B) which provides for repayment of up to 50% or 80% of the resident's entrance fee upon re-occupancy of his or her apartment. The percentage repayment varies with the resident's age on admission. Additionally, the repayable amount is contingent upon re-occupancy of the resident's former unit plus 90 days. In December 2020, the Seller updated its Deferred Repayment Agreements to include language to pay interest to residents with Deferred Repayment Agreement contracts on the repayable amount if their apartment is not resold within 180 days. The terms and rates are as follows: unpaid after 180 days 4%/year; unpaid after 240 days 6%/year; Unpaid after 605 days 6%/year compounded.

CNMH also has some legacy continuing care agreements, including a Classic Agreement (Type A) which provides for full amortization of the entrance fee in 66.6 months; a Classic Agreement (Type B) that provides for full amortization of the entrance fee in 50 months; and Deferred Repayment Agreements (Types A and B) that provide for repayment of 90% of the resident's entrance fee upon re-occupancy of his or her apartment. These legacy contracts are no longer offered by the Seller to incoming residents. Note, the Type A plans are referred to as "Life Care" plans while the Type B plans are referred to as "Continuing Care" plans by the Seller.

In addition to repayable entrance fee contracts, the Seller now offers a monthly non-entrance fee residence agreement at Forest Hill only.

Priority Admission: Residents under entrance fee plans receive priority admission to the assisted living and skilled nursing accommodations as medical needs change. If such care is deemed necessary but space is unavailable at the Communities, the Seller will arrange for the appropriate care at an alternate site on or off campus until space becomes available. For assisted living, the resident will still pay their regular monthly fee (until released from their former unit), the assisted living fee, and any fees for excluded items and services per their residency agreement. For skilled nursing, resident's fees shall be the same as if they received the care at a CNMH health center.

Healthcare Benefit: Residents under continuing care plans receive thirty lifetime days of assisted living residency and thirty lifetime days of skilled nursing residency at no additional cost. Additionally, residents under continuing care plans pay a discounted fee for assisted living or skilled nursing services. Fee schedules are available as an addendum to the resident agreements, which will be made available in the online data room.

INDEPENDENT LIVING

As stated above, residents have the option of choosing an entrance fee continuing care contract, while only residents at Forest Hill have the additional option of a monthly rental residence agreement as they are not available to residents at the Lake Park community. While those under continuing care contracts get priority admission to and thirty lifetime days free care at both assisted living and skilled nursing accommodations, these accommodations are optional/extra for residents under monthly residency agreements. Additionally, residents with monthly residence agreements always have the option of applying for a continuing care entrance fee agreement in the future. Independent living residents have access to a wide variety of amenities and Community-sponsored activities as well as weekly housekeeping and linen services, and a variety of meal plan options are available to residents to choose from at each Community. The following services are included with the monthly fee paid by independent living residents at the Communities:

Meals

- Dining Room: Three meals daily available in the Community dining room. Accommodation for modified diets as prescribed by resident physician is available. Guest meals will be billed to the resident.
- Tray Service: Available to resident apartment upon request. No extra fee for up to ten days per calendar year, including up to 30 meals. Thereafter extra fee charged for tray service.

Laundry & Housekeeping

- Laundry: Weekly laundry services for bed and bath linens are included. Washers and dryers are available for use free of charge. Personal laundry services are available at an extra charge to residents.
- Housekeeping: Weekly housekeeping services are included in the monthly fee.

Other Services

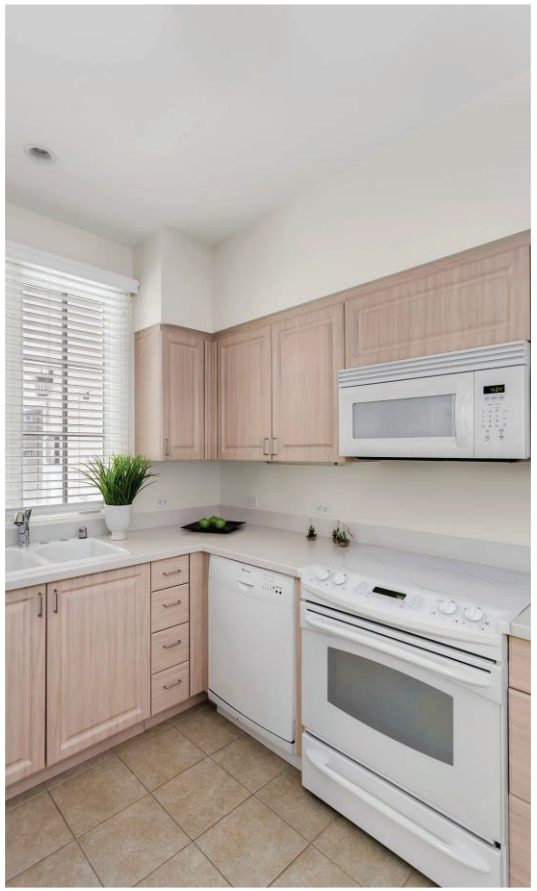
ENTRANCE FEE REPAYMENT LIABILITY



The entrance fee and continuing care agreements between the Seller and the residents provide for the payment of an entrance fee. Entrance fees are used for general purposes, including support of operations, debt retirement and capital acquisitions. Repayable entrance fees are held on the balance sheet and not amortized, while the amortizable fees are recognized as revenue on a straight-line method of accounting over the expected remaining life of the residents as recomputed actuarially at the end of each year. In the case of repayable entrance fee contracts, and upon the death of the resident, the unamortized amount of the entrance fee paid to CNMH by the resident is reduced by the amount of the repayment embodied in the contract.

Deferred revenue from entrance fees is treated as a long-term liability on the Seller's audited financial statements. Only a portion of this deferred revenue, however, is subject to repayment provisions.

The cash repayable liability is comprised of potential repayments of entrance fees from two different types of contracts offered to residents by the Seller: 1) Classic Agreement contracts (Type B); and 2) Deferred Repayment Agreement ("Repayable") contracts. Below is a summary of the Portfolio's outstanding repayable liability as of February 28, 2021:

Contract Type:	Lake Park	Forest Hill	Total

OTHER CONSIDERATIONS

Property Taxes

As a Section 501(c)(3) organization, CNMH is exempt from ad valorem property taxes. It does, however, pay certain assessments. For example, Lake Park and the Office building paid $40,297 ($32,531 and $7,766 respectively) in property taxes to Alameda County in the current tax year (as of April 2021). As a result of Proposition 13, the assessed value of CNMH's properties is below current market value. Upon transfer, the property will be reassessed and a taxable purchaser will be required to pay property taxes based on the updated value of the properties. A prospective purchaser should reach its own conclusion regarding property taxes.

Union Discussion

Most of the employees at Seller's Lake Park community are represented by Service Employees International Union ("SEIU") Local 2015. The latest collective bargaining agreement between the SEIU and Lake Park expired on July 31, 2020; it was extended once, but that extension has also expired. Federal Law constrains Lake Park from making changes in the employment terms and conditions of the represented employees until the SEIU engages in bargaining. An asset purchaser of Lake Park may have legal obligations to recognize and bargain with Local 2015 over the employment terms and conditions related to the union employees at Lake Park. Accordingly, copies of the expired bargaining agreement with the union, and the expired extension agreement, will be made available in the online data room.

Consulting & Professional Fees

CNMH has engaged multiple consultants that assist CNMH in its capacity as manager of the Portfolio. For example, Life Care Services is currently engaged to help manage both communities. Life Care Services has provided an Executive Director at both communities along with CEO-level oversight of the Portfolio's operations. These costs are within Administration in the table to the right. Additionally, the Seller receives assistance in its food service department through a contracted relationship with Sodexo. In addition to staff support, a portion of the amount allocated to Food Service also comprises raw food costs. The Nursing, Assisted Living, and Inservice Education amounts shown represent a contracted nursing consultant, resident director, and DSD, respectively. The table to the right summarizes these various expenses associated with professional fees and consulting costs at the Portfolio. Note these expenses are already included within their respective expense subtotals within the financial statements on preceding pages. A prospective purchaser may be able to realize cost savings by bringing some of these expenses in-house.

In the event that Buyer does not proceed with the Proposed Transaction within a reasonable time, Buyer shall promptly redeliver to CNMH or destroy all printed or electronic Confidential Information and will not retain any copies, extracts or other reproductions, in whole or in part, of such printed or electronic material. If, at any time hereafter, CNMH makes a written demand for the return or destruction of all Confidential Information, Buyer shall return the same to CNMH or destroy within five (5) business days after receiving such demand.

Buyer agrees that unless and until a definitive agreement between Buyer and CNMH is fully executed and delivered, neither CNMH nor Buyer will be under any legal obligation of any kind whatsoever with respect to the Proposed

Transaction by virtue of this or any written or oral expression with respect to the Proposed Transaction by any director, officer, employee, agent, representative or advisor, except as to the matters specifically agreed to herein.

It is anticipated that you and your company ("Buyer" or "Strategic Partner") and California-Nevada Methodist Homes ("CNMH") will be engaging in discussions and exchanging information about CNMH's two continuing care retirement communities ("CCRCs") and an adjacent office building in Northern California in connection with a possible strategic transaction ("Proposed Transaction") with Buyer. It is intended that the information exchanged shall be subject to the provisions of this letter agreement and shall include, but not be limited to, accounting, financial, operational, regulatory, strategic, clinical and other information concerning the business (collectively, the "Confidential Information").

In order to assure that Buyer holds in strict confidence the Confidential Information, Buyer agrees as follows:

Buyer shall keep confidential all of the Confidential Information, whether written or oral, submitted by or on behalf of CNMH to Buyer, including any and all analyses, reports or other documents or records prepared by or at the direction of Buyer which include or otherwise reflect, or are generated from, such Confidential Information. Except as permitted under this letter agreement, Buyer shall not disclose all or any portion of such Confidential Information to any party.

Buyer agrees that no portion of the Confidential Information submitted by or on behalf of CNMH to Buyer (including the fact that CNMH is considering its strategic alternatives) shall be used by Buyer in any way to the detriment of CNMH, nor shall Confidential Information be used by Buyer other than in connection with Buyer's evaluation and consideration of the Proposed Transaction.

Buyer agrees that the Confidential Information submitted by or on behalf of CNMH to Buyer shall be disclosed only to those officers, employees, directors, agents and representatives of Buyer who need to know such Confidential Information for the purpose of evaluating and considering the Proposed Transaction, and those parties shall agree to terms of this agreement.

CNMH has endeavored to provide Confidential Information which is complete and accurate for purposes of evaluating the Proposed Transaction. Buyer acknowledges, however, that neither CNMH nor any of its representatives or advisors have made or make any representation or warranty as to the accuracy or completeness of the Confidential Information. Buyer agrees that neither CNMH nor its representatives or advisors shall have any liability to Buyer resulting from the use of the Confidential Information.

In the event that Buyer does not proceed with the Proposed Transaction within a reasonable time, Buyer shall promptly redeliver to CNMH or destroy all printed or electronic Confidential Information and will not retain any copies, extracts or other reproductions, in whole or in part, of such printed or electronic material. If, at any time hereafter, CNMH makes a written demand for the return or destruction of all Confidential Information, Buyer shall return the same to CNMH or destroy within five (5) business days after receiving such demand. Notwithstanding the foregoing, Buyer shall be entitled to retain Confidential Information (a) that may be required for the purposes of defending or maintaining any litigation (including any administrative proceeding) relating to this agreement or the Proposed Transaction, (b) to the extent required to do so by applicable law or regulation, or (c) pursuant to Buyer's automatic back-up and archiving systems or the ordinary operation of electronic devices; all of which shall remain subject to the terms and obligations of this agreement.

Buyer agrees that unless and until a definitive agreement between Buyer and CNMH is fully executed and delivered, neither CNMH nor Buyer will be under any legal obligation of any kind whatsoever with respect to the Proposed

Transaction by virtue of this or any written or oral expression with respect to the Proposed Transaction by any director, officer, employee, agent, representative or advisor, except as to the matters specifically agreed to herein.

Buyer acknowledges that remedies at law may be inadequate to protect CNMH and its affiliates against any actual or threatened breach of this letter agreement by Buyer or by representatives of Buyer, and, without prejudice to any other rights and remedies otherwise available to CNMH, Buyer agrees that CNMH and its affiliates shall be entitled to equitable relief by way of injunction or otherwise upon any such actual or threatened breach.

Buyer agrees that it shall not, in its evaluation of the Proposed Transaction, contact any Community employee or visit or inspect the Community without the prior consent of CNMH and, in the event of such consent, shall contact, visit or inspect only upon the terms and conditions specified by CNMH.

Buyer agrees that, for a period of one (1) year from the date of this letter agreement, you will not, directly or indirectly, solicit for employment any employee of the CNMH or any of its affiliates or subsidiaries with whom you have had contact or who became known to you in connection with your consideration of the Proposed Transaction; provided, however, that you shall not be prohibited from employing any such person who contacts you on his or her own initiative and without any solicitation by you, provided that, solicitations incidental to general advertising or other general solicitations in the ordinary course not specifically targeted at employees and employment of any person not otherwise solicited in violation hereof shall not be considered a violation.

Buyer shall not be bound by the terms of this letter agreement with respect to any information about CNMH which (a) becomes generally available to the public other than as a result of disclosure by Buyer, (b) was made available by CNMH on a non-confidential basis prior to its disclosure in connection with the Proposed Transaction, (c) becomes available on a non-confidential basis from a source other than CNMH or, (d) was independently developed by Buyer or Buyer's representatives.

Buyer shall not attempt to circumvent, avoid or bypass Ziegler Investment Banking or contact CNMH directly or indirectly to: (a) engage in any discussions or negotiations with; and/or (b) seek to enter any agreement with; and/or (c) actually enter any agreement with any other person or entity concerning any transaction or otherwise, by way of any corporation, trust, partnership or other entity or individually by the use of any information or the name of any contact introduced by Ziegler Investment Banking provided that, subsections (a), (b), and (c) above shall not apply to transactions that were already known to Buyer and about which Buyer was already in discussions prior to the disclosure of the Confidential Information from CNMH.

RE: California-Nevada Methodist Homes

Dear Interested Party:

It is anticipated that you and your company ("Buyer" or "Strategic Partner") and California-Nevada Methodist Homes ("CNMH") will be engaging in discussions and exchanging information about CNMH's two continuing care retirement communities ("CCRCs") and an adjacent office building in Northern California in connection with a possible strategic transaction ("Proposed Transaction") with Buyer. It is intended that the information exchanged shall be subject to the provisions of this letter agreement and shall include, but not be limited to, accounting, financial, operational, regulatory, strategic, clinical and other information concerning the business (collectively, the "Confidential Information").

In order to assure that Buyer holds in strict confidence the Confidential Information, Buyer agrees as follows:

Buyer shall keep confidential all of the Confidential Information, whether written or oral, submitted by or on behalf of CNMH to Buyer, including any and all analyses, reports or other documents or records prepared by or at the direction of Buyer which include or otherwise reflect, or are generated from, such Confidential Information. Except as permitted under this letter agreement, Buyer shall not disclose all or any portion of such Confidential Information to any party.

Buyer agrees that no portion of the Confidential Information submitted by or on behalf of CNMH to Buyer (including the fact that CNMH is considering its strategic alternatives) shall be used by Buyer in any way to the detriment of CNMH, nor shall Confidential Information be used by Buyer other than in connection with Buyer's evaluation and consideration of the Proposed Transaction.

Buyer agrees that the Confidential Information submitted by or on behalf of CNMH to Buyer shall be disclosed only to those officers, employees, directors, agents and representatives of Buyer who need to know such Confidential Information for the purpose of evaluating and considering the Proposed Transaction, and those parties shall agree to terms of this agreement.

CNMH has endeavored to provide Confidential Information which is complete and accurate for purposes of evaluating the Proposed Transaction. Buyer acknowledges, however, that neither CNMH nor any of its representatives or advisors have made or make any representation or warranty as to the accuracy or completeness of the Confidential Information. Buyer agrees that neither CNMH nor its representatives or advisors shall have any liability to Buyer resulting from the use of the Confidential Information.

In the event that Buyer does not proceed with the Proposed Transaction within a reasonable time, Buyer shall promptly redeliver to CNMH or destroy all printed or electronic Confidential Information and will not retain any copies, extracts or other reproductions, in whole or in part, of such printed or electronic material. If, at any time hereafter, CNMH makes a written demand for the return or destruction of all Confidential Information, Buyer shall return the same to CNMH or destroy within five (5) business days after receiving such demand.

Buyer agrees that unless and until a definitive agreement between Buyer and CNMH is fully executed and delivered, neither CNMH nor Buyer will be under any legal obligation of any kind whatsoever with respect to the Proposed

Transaction by virtue of this or any written or oral expression with respect to the Proposed Transaction by any director, officer, employee, agent, representative or advisor, except as to the matters specifically agreed to herein.

Buyer acknowledges that remedies at law may be inadequate to protect CNMH and its affiliates against any actual or threatened breach of this letter agreement by Buyer or by representatives of Buyer, and, without prejudice to any other rights and remedies otherwise available to CNMH, Buyer agrees that CNMH and its affiliates shall be entitled to equitable relief by way of injunction or otherwise upon any such actual or threatened breach.

Buyer agrees that it shall not, in its evaluation of the Proposed Transaction, contact any Community employee or visit or inspect the Community without the prior consent of CNMH and, in the event of such consent, shall contact, visit or inspect only upon the terms and conditions specified by CNMH.

Buyer agrees that, for a period of two (2) years from the date of this letter agreement, you will not, directly or indirectly, solicit for employment any employee of the CNMH or any of its affiliates or subsidiaries with whom you have had contact or who became known to you in connection with your consideration of the Proposed Transaction; provided, however, that you shall not be prohibited from employing any such person who contacts you on his or her own initiative and without any solicitation by you.

Buyer shall not be bound by the terms of this letter agreement with respect to any information about CNMH which (a) becomes generally available to the public other than as a result of disclosure by Buyer, (b) was made available by CNMH on a non-confidential basis prior to its disclosure in connection with the Proposed Transaction, or (c) becomes available on a non-confidential basis from a source other than CNMH.

Buyer shall not attempt to circumvent, avoid or bypass Ziegler Investment Banking or contact CNMH directly or indirectly to: (a) engage in any discussions or negotiations with; and/or (b) seek to enter any agreement with; and/or (c) actually enter any agreement with any other person or entity concerning any transaction or otherwise, by way of any corporation, trust, partnership or other entity or individually by the use of any information or the name of any contact introduced by Ziegler Investment Banking.

RE: California-Nevada Methodist Homes

Dear Interested Party:

It is anticipated that you and your company and its affiliates ("Buyer" or "Strategic Partner") and California-Nevada Methodist Homes ("CNMH") will be engaging in discussions and exchanging information about CNMH's two continuing care retirement communities ("CCRCs") and an adjacent office building in Northern California in connection with a possible strategic transaction ("Proposed Transaction") with Buyer. It is intended that the information exchanged shall be subject to the provisions of this letter agreement and shall include, but not be limited to, accounting, financial, operational, regulatory, strategic, clinical and other information concerning the Proposed Transaction (collectively, the "Confidential Information").

In order to assure that Buyer holds in confidence the Confidential Information, Buyer agrees as follows:

Buyer shall keep confidential all of the Confidential Information, whether written or oral, submitted by or on behalf of CNMH to Buyer, including any and all analyses, reports or other documents or records prepared by or at the direction of Buyer which include or otherwise reflect, or are generated from, such Confidential Information. Except as permitted under this letter agreement, Buyer shall not disclose all or any portion of such Confidential Information to any party.

Except as permitted by this letter agreement, Buyer agrees that no portion of the Confidential Information submitted by or on behalf of CNMH to Buyer (including the fact that CNMH is considering its strategic alternatives) shall be used by Buyer in any way to the detriment of CNMH, nor shall Confidential Information be used by Buyer other than in connection with Buyer's evaluation and consideration, and if Buyer proceeds, its negotiation and execution, of the Proposed Transaction (the "Permitted Purpose").

Buyer agrees that the Confidential Information submitted by or on behalf of CNMH to Buyer shall be disclosed only to Buyer and its affiliates and its and their respective those officers, employees, directors, agents, representatives, partners, members, shareholders, potential debt or equity financing sources, consultants and third party advisors (hereinafter "Representatives") who need to know such Confidential Information for the Permitted Purpose. Said Representatives shall be informed by Buyer of the confidential nature of the Confidential Information and shall be directed by Buyer to treat such Confidential Information confidentially.

Notwithstanding anything herein to the contrary, Buyer may disclose Confidential Information without CNMH's prior written consent, to the extent such information is required to be disclosed by order or direction of a court or tribunal of competent authority under applicable law or by a governmental statute, order, decree, regulation or rule or is requested or required to be disclosed to any governmental or regulatory authority or auditor or pursuant to regulatory oversight by an applicable regulatory authority (whether by exam, audit, inquiry, request or otherwise), provided that, except as prohibited by law or if responding to a request pursuant to regulatory oversight, Buyer shall promptly notify CNMH of such requirement, and furnish only that Confidential Information as Buyer is legally compelled to disclose, and exercise its commercially reasonable efforts to cooperate with CNMH, at CNMH's sole expense, in CNMH's efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to the disclosed Confidential Information.

CNMH has endeavored to provide Confidential Information which is complete and accurate for purposes of evaluating the Proposed Transaction. Buyer acknowledges, however, that neither CNMH nor any of its representatives or advisors have made or make any representation or warranty as to the accuracy or completeness of the Confidential Information. Except as specifically set forth in a definitive purchase and sale agreement between Buyer and CNMH (the "Definitive Agreement"), Buyer agrees that neither CNMH nor its representatives or advisors shall have any liability to Buyer resulting from the use of the Confidential Information.

In the event that Buyer does not proceed with the Proposed Transaction within a reasonable time, Buyer shall promptly, at its option, either (a) redeliver to CNMH or destroy all printed or electronic Confidential Information and will not retain any copies, extracts or other reproductions, in whole or in part, of such printed or electronic material or (b) destroy such material. Notwithstanding the foregoing, Buyer and its Representatives may retain such copies of the Confidential Information as are required to be retained by applicable law or regulation or by its or their document retention policies, including generally applicable electronic archiving procedures.

Buyer agrees that unless and until the Definitive Agreement is fully executed and delivered, neither CNMH nor Buyer will be under any legal obligation of any kind whatsoever with respect to the Proposed Transaction by virtue of this or any written or oral expression with respect to the Proposed Transaction by any director, officer, employee, agent, representative or advisor, except as to the matters specifically agreed to herein.

LAKE PARK AND FOREST HILL
RETIREMENT COMMUNITIES

LETTER OF INTENT
STALKING HORSE ASSET PURCHASE AGREEMENT

This Letter of Intent sets forth the basic terms and conditions upon which Altitude Acquisitions, LLC an Illinois limited liability company, or an affiliated entity ("Purchaser"), is interested in entering into a "stalking horse" asset purchase transaction (the "Transaction") to acquire from California-Nevada Methodist Homes, a California nonprofit public benefit corporation ("Seller"), free and clear of all liens, claims and encumbrances (except a portion of certain entrance fees) the following properties (collectively, the "Property"):

1. Lake Park, a continuing care retirement community with 35 beds licensed by the California Department of Public Health ("DPH") for skilled nursing and 275 units licensed by the California Department of Social Services ("DSS") for assisted living and independent living (operating with 37 assisted living units and 143 independent units) located at 1850 Alice Street, Oakland, California 94612 ("Lake Park").

2. Forest Hill, a continuing care retirement community with 26 beds licensed by DPH for skilled nursing and 150 units licensed by DSS for assisted living and independent living (operating with 18 assisted living units and 91 independent units) located at 551 Gibson Avenue, Pacific Grove, California 93950 ("Forest Hill"; collectively with Lake Park, the "CCRCs").

3. A one story office building located at 201 19th Street, Oakland California with 6,798 square feet and adjacent 20 space private parking lot ("Office Building").

4. All buildings, improvements, personal property, businesses, and other assets (including but not limited to books and records and intellectual property) operated or used in connection with the CCRCs or the Office Building.

Any accounts receivable and accounts payable associated with operations at the CCRCs prior to the closing date will not be included in the Transaction.

This Letter of Intent remains subject in all respects to further due diligence by the Purchaser (as set forth below), and does not include descriptions of all of the terms, conditions and other provisions that would be contained in either a binding term sheet or the definitive documentation in connection with the transactions contemplated in this Letter of Intent, and it is not intended to limit the scope of discussions and negotiation of any matters, including those set forth herein. Accordingly, except for the exclusivity obligations, this Letter of Intent is not binding on either Purchaser or Seller, and obligations will only arise once definitive documentation is executed and delivered.

Structure Purchaser will prepare the initial draft of a Stalking Horse Asset Purchase Agreement (the "Agreement") that reflects the terms and conditions of this Letter of Intent and provisions, representations

and warranties related to the real property and personal property as customarily provided, including, without limitation, a representation and warranty that the Property is in good working order and condition. The parties shall work diligently and in good faith to finalize the Agreement within forty-five (45) days after mutual execution of this Letter of Intent.

The Agreement will contain usual and customary terms for a deal of this type and size, including the Sale of the Property free and clear of all liens, claims and encumbrances (other than those obligations to be designated as "Assumed Liabilities" by Purchaser, as set forth below and in the Agreement) to the fullest extent permitted by law in a court order.

Purchase Price Consideration

The purchase price for the Acquired Assets will be up to $41,252,000 (the "Purchase Price"), consisting of (a) $20,000,000 in immediately available funds paid at closing; (b) no more than $2,263,000 in assumed Classic Agreement Entrance Fees (as defined below); and (c) no more than $3,780,000 paid at closing to the independent living residents with Deferred Repayment Entrance Fee arrangements; and (d) no more than $15,209,000 in assumed Deferred Repayment entrance fees. The parties acknowledge that the actual amounts of entrance fees paid and assumed at Closing will be based on actual amounts due and owing as of the Closing Date, but that these amounts will not exceed those set forth above. Purchaser shall receive a credit at closing against the Purchase Price for any accrued but unpaid employee paid time off and any accrued but unpaid real estate taxes.

Assumed Liabilities and Entrance Fees

The independent living residency agreements at the CCRCs contain two types of entrance fees: (1) Classic Agreement (Type B) refundable entrance fees whereby the amounts are amortized over 36 months and thereafter no refunds are paid ("Classic Entrance Fees); and (2) Deferred Repayment Agreements (Variable) (Type B) where the amount to be refunded is static, but amounts ranging from 50% to 90% are refunded ("Deferred Repayment Entrance Fees").

Purchaser will not be assuming any of Seller's liabilities in connection with the Transaction except for certain permitted title exceptions, those service contracts that Purchaser decides to assume during the Due Diligence Period, the existing skilled nursing and assisted living residency agreements, up to $2,263,000 in Classic Agreement Entrance Fees and up to $15,209,000 in assumed Deferred Repayment Entrance Fees (after payment at Closing of up to $3,780,000 to the independent living residents with a Deferred Repayment Entrance Fee agreement).

Purchaser intends on modifying the existing independent residency

agreements with Deferred Repayment Entrance Fees as follows: (a) at Closing, Purchaser will repay to each resident 20% of the amount owed (estimated at, but not more, than $3,780,000); and (b) at the time the Deferred Repayment Entrance Fee would otherwise come due pursuant to the terms of the contract, an amount equal to the product of: (x) the refundable entrance fee; times (y) 4%; times (z) the number of whole years the resident resides in the Property post-closing. For example, if the Deferred Repayment Entrance Fee for a resident is $300,000 and said resident lives in the building for 5 years and 1 day after the closing date, the resident would receive $60,000 at closing (20% of $300,000) and an additional $60,000 (4% of $300,000 for 5 years) when the entrance would be refundable pursuant to the terms of the residency agreement.

At closing, except for the assumed liabilities described in this Letter of Intent, Seller shall convey to Purchaser good and marketable fee simple title to the real property by a standard bankruptcy trustee's deed and pursuant to a Sale Order free and clear of liens, claims or encumbrances of any kind or nature, including but not limited all (i) successor liability obligations under applicable law, including Medicare and Medicaid; (ii) collective bargaining agreement obligations; and (iii) pension and other retiree obligations.

Earnest Money

Purchaser will deposit a total of $2,000,000 as earnest money into a Strict Joint Order Escrow with a nationally recognized title company determined by Purchaser, to be credited against the cash portion of the Purchase Price at closing, with $250,000 to be deposited within three business days after full execution of this Letter of Intent, $750,000 to be deposited within three business days after the full execution of the APA (and acceptance of Purchaser as the stalking horse purchaser) with the remaining $1,000,000 deposited at least two business days prior to the Bankruptcy auction.

Due Diligence

Purchaser shall commence its due diligence review of the Property immediately upon acceptance of this Letter of Intent and will be deemed to have completed its due diligence within 45 days of execution of this Letter of Intent.

Seller will use best efforts to provide Purchaser with due diligence materials and promptly allow Purchaser an adequate opportunity to review the same during the period between execution of this Letter of Intent and execution of a binding Agreement (the "Due Diligence Period"). Purchaser shall complete its due diligence prior to execution of the Agreement.

In connection with Purchaser's due diligence review, upon execution of this Letter of Intent, Seller shall provide Purchaser full and complete access to the Facility, the Property, financial

information, computer systems, officers, employees, accountants and other information and documents related to the Property and the business conducted at the Facility.

Purchaser may request an extension of the Due Diligence Period if access is not provided per this Letter of Intent or materials are not timely delivered. If Purchaser is unsatisfied with the results of its due diligence review before the end of the Due Diligence Period, it may terminate this Letter of Intent and receive a refund of any deposited Earnest Money.

Interim Management Subject to DPH and DSS approval, and at Purchaser's discretion, its operator ("New Operator") and Seller may enter into an interim arrangement as appropriate to allow New Operator to apply for appropriate licenses after closing, provided, however, that Purchaser acknowledges that the interim agreement cannot close without the prior written consent of the California Attorney General. During such interim period, New Operator will operate the Property under Seller's licenses and bill under Seller's Medicaid and Medicare numbers. New Operator shall have the right to use Seller's Medicare numbers until CMS' approval of the change in ownership per the 855A.

Title/Survey An owner's title insurance commitment shall be obtained through a nationally recognized title company determined by Purchaser. The cost of the title search, title commitment and title policy shall be paid by Seller. Purchaser shall pay the cost of the lender's title policy and title endorsements.

At least thirty (30) days prior to closing, Seller shall provide Purchaser with then-current ALTA survey for the Facility at Seller's cost.

Closing Conditions The closing of the Transaction is conditioned upon the approval of the Bankruptcy Court, the entry of the Sale Order, and the satisfaction of other customary conditions in favor of each of Seller and Purchaser, including, without limitation:

(a) subject to the possibility of an interim agreement as set forth below, New Operator's receipt of all necessary governmental and regulatory licenses and permits necessary to the current operation of the CCRCs as licensed continuing care retirement communities with the same number of beds and units, including approval by DPH, DSS, and the Centers for Medicare and Medicaid Services;

(b) approval by the State of California, Department of Justice, Attorney General's office, provided, however, that if the Attorney General's office requires an escrow for its approval, such escrow shall be funded from sales proceeds;

(c) no material adverse change;

(d) neither CCRC shall: (i) be out of compliance with regulatory approvals, (ii) be denied payments for new Medicaid or Medicare admissions, (iii) have lost any operating license or permit, (iv) have had any provider agreement revoked or terminated, or (v) have had the number of licensed beds reduced;

(e) Purchaser has received a title insurance policy (or a proforma title policy) insuring Purchaser as owner of the fee title to the real property, subject to no liens, encumbrances, assignments or taxes, except for certain permitted title exceptions to be identified during the Due Diligence Period;

(f) at no cost to Purchaser, termination of all: (i) security instruments encumbering title to any of the Property, (ii) master leases, if any, (iii) those service contracts identified as rejected by Purchaser to Seller during the Due Diligence Period, and (iv) all management agreements for the Property; and

(g) confirmation from CMS that Seller has no unpaid or unreturned accelerated or advance Medicare payments.

Closing Date

Unless the parties otherwise agree to an interim arrangement as set forth above, the closing on the Transactions shall occur within 30 days of new operator's receipt of all licenses and approvals to operate the Facility from the California Attorney General, DPH and DSS.

Stalking Horse Bid Protections

Purchaser to receive customary stalking horse bid protections (the "Stalking Horse Bid Protections") as follows:

- Break-up fee (the "Break-up Fee") of 2.5% of the Purchase Price.
- Expense reimbursement (the "Expense Reimbursement") to Purchaser of actual documented expenses (which includes reasonable attorneys' fees and other professional fees and costs), not to exceed $400,000.
- Bid Protections: Any party seeking to outbid the Stalking Horse Bidder must submit an initial overbid of at least the Purchase Price amount, the Break-up Fee, the Expense Reimbursement and $100,000.
- To the extent one or more competing qualified bids are submitted and the auction proceeds, Purchaser shall maintain the right to credit bid the DIP Obligations plus the Break-up Fee and Expense Reimbursement in all subsequent rounds of bidding in which the Purchaser chooses to submit a competing bid. By way of example and for illustrative purposes only, if the Purchaser's opening "stalking horse" bid is $41,252,000, and

the next competing bid is $42,783,300 (which includes payment of the Break-up Fee, Expense Reimbursement, and initial overbid amount), the Purchaser's next bid at auction would be $42,883,300; provided that the Purchaser will receive a credit for the Break-up Fee and Expense Reimbursement (*i.e.* $1,472,075) as part of its $42,883,000 bid, assuming the $42,883,300 bid is the final auction bid and therefore selected as the highest and best bid.

Bid Procedures & Auction Process

The Agreement will require a bid procedures order providing for customary bid procedures and auction process acceptable to Purchaser, however, in conformity with customary sale processes as established in the Bankruptcy Court for the Northern District of California.

Seller shall be responsible to file, prosecute and obtain approval of any motions necessary to deliver the Property free and clear, including the sale motion (and Sale Order approving same, which order must be approved by Purchaser prior to filing with the Court), and other required motions.

Non-Binding

Except for the obligations and liabilities set forth under the heading "Exclusive Negotiations", this Letter of Intent does not constitute a binding agreement on either party hereto, but is intended to specify the primary terms and conditions of the proposed transaction herein outlined, and, except with respect to exclusivity, neither party may claim any legal rights against the other by reason of signing of this Letter of Intent or by taking any action in reliance thereon.

Exclusive Negotiations

In consideration for Purchaser's time and effort in entering into this Letter of Intent, Seller agrees to negotiate exclusively with Purchaser in good faith with respect to this transaction after Purchaser's receipt of a fully executed Letter of Intent for a period of forty-five (45) days ("Exclusivity Period"). If Purchaser terminates this transaction, the Exclusivity Period shall end.

Seller specifically agrees that prior to the termination of the Exclusivity Period, it will not utilize this Letter of Intent to solicit other offers or to modify, renegotiate or otherwise improve the terms and conditions of any other offer for the assets and interests set forth in this Letter of Intent.

By execution of this Letter of Intent, each party acknowledges that the transaction terms described generally herein are acceptable. This Letter of Intent supersedes and cancels all prior understandings between the parties and upon execution of the Agreement, the terms of the Agreement shall supersede this Letter of Intent.

Any waiver, amendment, modification or supplement of or to any term or condition of the binding provisions shall be effective only if in writing and signed by Purchaser and Seller. Purchaser shall have the right to assign its rights under this Letter of Intent to a special purpose

entity formed by Purchaser. The provisions of this Letter of Intent will be construed and enforced in accordance with the laws of the State of California, without regard to the conflict of laws provisions thereunder. This Letter of Intent may be executed in one or more counterparts and exchanged electronically by .pdf.

Re: Preliminary Stalking Horse Proposal for Substantially all Assets of California-Nevada Methodist Homes

Dear Messrs. Revie, Van Gorden, Anthony and DeSantis:

BRP Senior Housing Management LLC ("BRP") is pleased to submit this initial, non-binding indication of interest (this "Proposal") to acquire all or substantially all assets (collectively, the "Target Assets") of California-Nevada Methodist Homes (the "Company") through a sale to be effectuated pursuant to section 363 of the Bankruptcy Code (the "Proposed Transaction") in the Company's Chapter 11 case pending in the Bankruptcy Court for the Northern District of California (the "Bankruptcy Court"). This Proposal contemplates that a non-profit entity to be formed by BRP (the "Purchaser") would be designated by the Company as the stalking horse bidder for the Target Assets.[1]

The terms expressed in this Proposal do not constitute a legally binding or enforceable agreement with the Company, nor a commitment or obligation to pursue or consummate the Proposed Transaction or any transaction with the Company or any other person or entity. By submitting this Proposal, the Purchaser is under no obligation to pursue or purchase the Target

[1] BRP reserves the right to act as the stalking horse purchaser (or to designate such right to an affiliate), form the entity that will be the Purchaser later in the sale process, including after the bidding process has concluded, and to then designate its rights as the stalking horse purchaser (or its affiliate's rights) to such new entity to, among other things, acquire and close on the Target Assets. Therefore, references in this Proposal to the "Purchaser" shall mean BRP, one of its designated affiliates and/or such new entity.

Assets from the Company, and the Company is under no obligation to sell the Target Assets to the Purchaser, until a definitive, legally binding, written asset purchase agreement (the "APA") is executed and delivered by both the Purchaser and the Company and the closing conditions set forth therein are satisfied or waived by the applicable party, including, without limitation, the approval of the Proposed Transaction pursuant to the APA by an order of the Bankruptcy Court in form and substance satisfactory to the Purchaser (the "Sale Order").

A. **Who We Are.** BRP is an affiliate of Big Rock Partners, which is a real estate private equity firm that has invested in and managed over $1 billion in assets, including a current portfolio of over $300 million in senior housing assets. BRP has the expertise, sector experience and financial wherewithal to be the stalking horse for the Company's assets, and deliver a meaningful recovery to the Company's creditors and other stakeholders through the payment of a significant cash purchase price for the Target Assets and the assumption of significant Company liabilities. BRP recently completed the acquisition from a bankruptcy case, with a not-for-profit owner, of a large scale continuing care retirement community in Tampa, Florida with 418 units and villas. The asset is currently being renovated and assisted living units are being added. In addition, BRP is prepared to leverage its best-in-class management, as well as strategic and financial support, to invest in and manage the purchased assets post-closing in a way that will preserve and maximize value, provide improved, world-class care and services to residents, and provide continued employment to substantially all of the Company's employees. In order to give you more information concerning BRP, its affiliates, and its team, attached as Exhibit 1 are biographies of BRP's management team who were involved in formulating this Proposal and who would be involved in pursuing the Proposed Transaction and then operating the Target Assets and related businesses after the closing. In addition, attached as Exhibit 2 is information concerning the business, holdings and operations of BRP and its affiliates, and their track record in the continuing care retirement community sector and related sectors.

B. **Scope of the Transaction.** The Proposed Transaction is for the acquisition of the Target Assets free and clear of all liens, claims, interests and encumbrances (other than any assumed liabilities) pursuant to section 363 of the Bankruptcy Code, on the terms and conditions set forth in this Proposal and to be set forth in the APA, Bidding Procedures Order (as defined below) and Sale Order.

C. **Target Assets.** The Targets Assets shall include, without limitation, all of the Company's:

1. Real property located in (a) Pacific Grove, California and (b) Oakland, California, and all improvements thereon, including, without limitation, all facilities, buildings, parking garages and parking lots;
2. Inventory and equipment, wherever located;

6. Rights under other contracts to be identified by the Purchaser;
7. Intellectual property;
8. Resident deposits;

9. Accounts receivable owing under any Executory Contract or other contract to the extent the Purchaser assumes and/or cures the liabilities under such Executory Contract or other contract;
10. Unpaid insurance claims related to the Target Assets;
11. Licenses and permits (to the extent assignable);
12. Books and records;
13. Claims related to the assets and businesses; and
14. Goodwill and all other intangible assets.

D. **Excluded Assets.** The Targets Assets shall not include any of the following assets of the Company, to the extent such assets are in existence prior to Closing (as defined below):

4. Prepaid assets;
5. Deposits of the Company held by third-parties; and
6. Other current assets (to the extent not a Target Asset).

E. **Assumed Liabilities.** None, other than (i) those assumed as part of the Purchase Price (as defined below) and (ii) any other liabilities of the Company that are expressly assumed by the Purchaser pursuant to the APA and Sale Order.

F. **Excluded Liabilities.** All liabilities of the Company that are not expressly assumed by the Purchaser pursuant to the APA and Sale Order.

G. **Purchase Price and Post-Closing Investment.**

1. The Purchaser proposes to purchase the Target Assets at the closing of the Proposed Transaction (the "Closing") for the following consideration (collectively, the "Purchase Price"): (i) $20 million in cash, plus (ii) the assumption of not more than $21.161 million of refund obligations owed by the Company to former residents, plus (iii) the assumption of all cure costs, in an amount to be determined, related to executory contracts and unexpired leases (collectively, "Executory Contracts") that are assumed by the Company and assigned to the Purchaser in connection with the Proposed Transaction. As discussed below, before BRP can commit to taking an assignment of any Executory Contract or paying any related cure amount, BRP must complete its diligence of, among other things, all Executory Contracts, including, without limitation, (a) the collective bargaining agreement with SEIU Local 2015 (the "CBA") covering certain employees at the Company's Lake Rock facility in Oakland, California, (b) the Company's 403(b) plan and any other retirement plans (each, a "Retirement Plan"), (c) all employee contracts and (d) other contracts to be determined.

2. In addition, the Purchaser will commit to invest up to an additional $25 million in the Target Assets and related businesses following the Closing.

H. **Stalking Horse.** It is a condition to this Proposal that the Purchaser be designated as the stalking horse bidder for the Target Assets and that the Company obtain entry of an order of the Bankruptcy Court by a date to be agreed between the Purchaser and the Company, which order shall be in form and substance satisfactory to the Purchaser (the "Bidding Procedures Order"), and which shall, among other things:

1. Approve the Purchaser as the stalking horse bidder;

2. Approve (a) a break-up fee in the amount of $600,000 (which is equal to 3% of the cash portion of the Purchase Price), plus (b) reasonable out-of-pocket expenses of the Purchaser incurred in connection with this Proposal and the Proposed Transaction (collectively, the "Bid Protections") up to the maximum aggregate amount of $200,000, which Bid Protections shall be payable to the Purchaser in accordance with the terms of the APA and Bidding Procedures Order as a first priority administrative expense and without any further application, motion or order of the Bankruptcy Court, in the event that (x) the Purchaser is not the successful bidder for the Target Assets in accordance with the APA and Bidding Procedures Order or (y) the APA is terminated as a result of a material breach by the Company;

3. Approve bidding, auction and notice procedures, which shall include provisions (a) authorizing the Company to sell its assets, including, without limitation, the Target Assets, to a qualified bidder, (b) requiring the auction, if any, to be concluded, and the winning bidder for the Target Assets to be chosen, not later than a date to be agreed between BRP and the Company, (c) requiring that the Sale Order authorize and approve the sale to the Purchaser of the Target Assets, free and clear of all liens, claims, interests and other encumbrances (other than any assumed liabilities) pursuant to section 363 of the Bankruptcy Code to be entered by the Bankruptcy Court not later than a date to be agreed between BRP and the Company, and (d) requiring the Closing on the Target Assets to occur not later than a date to be agreed between BRP and the Company (subject to the Sale Order being a final, non-appealable order, unless such condition is waived by the Purchaser in its sole discretion); and

4. Include such other customary milestones and terms as may be reasonably required by BRP.

I. **Approvals and Conditions.**

1. BRP has obtained preliminary approval from its managing principals of the Proposed Transaction. Subject to satisfactory completion of diligence and satisfaction of the other appliable conditions set forth herein, BRP will seek all internal approvals required to (a) submit a final, binding bid and (b) enter into the

APA and purchase and operate the Target Assets and related businesses, subject to the provisions of the APA and Sale Order.

2. The submission by BRP of a final, binding bid is subject to the following conditions:

    a. Completion of all legal, business, and regulatory diligence and satisfaction with the results thereof;

    b. Completion of physical inspections of the Company's facilities and satisfaction with the results thereof;

    c. Completion of phase 1 environmental studies of the Company's properties and satisfaction with the results thereof;

    d. The Company having sufficient cash or access to post-petition financing to adequately fund its Chapter 11 case and sale process through Closing; and

    e. This grant of exclusivity will be subject only to a customary "fiduciary out."

3. The Proposed Transaction and Closing is subject to the following conditions:

    a. The successful formation by BRP of the Purchaser as a non-profit, C-Corporation;

    b. The Purchaser and the Company entering into the APA by a date to be agreed between BRP and the Company;

g. The Company obtaining all necessary regulatory and third-party approvals prior to Closing, including, without limitation, approvals from the:
    a. California Department of Social Services;
    b. California Department of Public Health;
    c. Center for Medicare and Medicaid Services; and
    d. California Office of the Attorney General;

h. The Closing occurring by a date to be agreed between BRP and the Company and set forth in the APA (subject to the Sale Order being a final, non-appealable order, unless such condition is waived by the Purchaser in its sole discretion); and

i. All other conditions to Closing as expressly set forth in the APA and Sale Order having been satisfied or waived by the Company or the Purchaser, as applicable.

J. **Financing.** The Purchaser's bid for the Target Assets is not subject to any financing contingencies. The Purchaser has, or will obtain prior to Closing, sufficient assets and liquidity to close on the Proposed Transaction and operate and invest in the Target Assets following the Closing.

K. **Employees.** The Purchaser anticipates making offers of employment to all, or substantially all, of the Company's employees who are not subject to employment contracts and who are employed at Closing. BRP understands that certain employees have entered into employment contracts with the Company. However, BRP has not yet reviewed such contracts. Therefore, BRP has made no determination with respect to taking an assignment of some or all of such contracts from the Company or extending new employment offers to such employees at Closing.

Re: Preliminary Stalking Horse Proposal for Substantially all Assets of California-Nevada Methodist Homes

Dear Messrs. Revie, Van Gorden, Anthony and DeSantis:

BRP Senior Housing Management LLC ("BRP") is pleased to submit this revised, initial, non-binding indication of interest (this "Proposal") to acquire all or substantially all assets (collectively, the "Target Assets") of California-Nevada Methodist Homes (the "Company") through a sale to be effectuated pursuant to section 363 of the Bankruptcy Code (the "Proposed Transaction") in the Company's Chapter 11 case pending in the Bankruptcy Court for the Northern District of California (the "Bankruptcy Court"). This Proposal contemplates that a non-profit entity to be formed by BRP (the "Purchaser") would be designated by the Company as the stalking horse bidder for the Target Assets.[1]

The terms expressed in this Proposal do not constitute a legally binding or enforceable agreement with the Company, nor a commitment or obligation to pursue or consummate the Proposed Transaction or any transaction with the Company or any other person or entity. By submitting this Proposal, the Purchaser is under no obligation to pursue or purchase the Target

[1] BRP reserves the right to act as the stalking horse purchaser (or to designate such right to an affiliate), form the entity that will be the Purchaser later in the sale process, including after the bidding process has concluded, and to then designate its rights as the stalking horse purchaser (or its affiliate's rights) to such new entity to, among other things, acquire and close on the Target Assets. Therefore, references in this Proposal to the "Purchaser" shall mean BRP, one of its designated affiliates and/or such new entity.

A. **Who We Are.** BRP is an affiliate of Big Rock Partners, which is a real estate private equity firm that has invested in and managed over $1 billion in assets, including a current portfolio of over $300 million in senior housing assets. BRP has the expertise, sector experience and financial wherewithal to be the stalking horse for the Company's assets, and deliver a meaningful recovery to the Company's creditors and other stakeholders through the payment of a significant cash purchase price for the Target Assets and the assumption of significant Company liabilities. BRP recently completed the acquisition from a bankruptcy case, with a not-for-profit owner, of a large scale continuing care retirement community in Tampa, Florida with 418 units and villas. The asset is currently being renovated and assisted living units are being added. In addition, BRP is prepared to leverage its best-in-class management, as well as strategic and financial support, to invest in and manage the purchased assets post-closing in a way that will preserve and maximize value, provide improved, world-class care and services to residents, and provide continued employment to substantially all of the Company's employees. In order to give you more information concerning BRP, its affiliates, and its team, attached as Exhibit 1 are biographies of BRP's management team who were involved in formulating this Proposal and who would be involved in pursuing the Proposed Transaction and then operating the Target Assets and related businesses after the closing. Re: Preliminary Proposal to Purchase Assets of California-Nevada Methodist Homes

Dear Mr. Revie:

This letter to the California-Nevada Methodist Homes Board of Directors and other interested parties is a preliminary proposal from Covington Investments, LLC, ("Covington") to become the stalking horse bidder for the acquisition of the Lake Park and Forest Hills continuing care retirement communities from California-Nevada Methodist Homes ("CNMH"). We respectfully submit this proposal for the Board's evaluation and response.

There are a number of constituencies which we have carefully considered in the development of this proposal. Specifically, we have sought to balance and address the interests of entrance fee residents, community residents, employees, and creditors. Hopefully this proposal will be met with the same enthusiasm that we have for working with you.

As requested, in this letter we will address the following:

1. an introduction to our organization and a discussion of our historical operating track record with continuing care retirement communities ("CCRCs") (including a list of properties);
2. list of corporate approvals required by buyer to consummate the transaction;
3. brief description of the transaction structure;
4. summary of how resident liabilities will be treated;
5. sources of financing, including the proposed debt and equity structure, the availability of the proposed capital structure, and any related contingencies;

6. names of outside advisors (including attorneys) we have engaged or plan to engage;
7. non-binding estimate of the cash acquisition value; and
8. list of additional information required to complete the due diligence process.

Introduction and Historical Operations/Buyer Required Approvals

By way of introduction to the stakeholders who are not familiar with Covington, I want to take this opportunity to give you a flavor of our past performance and experiences. Covington Investments, LLC, a Georgia limited liability company, is owned by me and a related family company. I founded Covington in Atlanta in 1997 and serve as President. We typically create single-purpose entities to own and operate each of our communities, as is typical in the industry. We have not yet created the companies that would take title to and assume the operations of the communities but would do so during the sales process.

Our company and all of my colleagues are mission driven in what we do. We all have had considerable experience in operating, owning, and developing senior living communities. While there are many challenges facing the Lake Park and Forest Hills communities, the commitment to serve the residents of our communities is our calling, and we are up to the task.

Among other real estate investments, our related companies have owned and operated four full-service CCRCs acquired from non-profit organizations: The Palms of Sebring located in Sebring, Florida; Hyde Park Health Center (formerly Deupree Health Center) located in Cincinnati, Ohio; Friendship Village located in Dayton, Ohio; and McKendree Village located in Hermitage, Tennessee. We began operating The Palms of Sebring in 2001 and Friendship Village in 2006. Both of those transitions involved acquisitions under a bankruptcy court sale. We assumed operations of the former Deupree Health Center in 2007 by invitation from the highly regarded Episcopal Retirement Homes organization. And we acquired McKendree Village in 2011 from an affiliate of the United

At each of these communities, we furthered the historical, faith-affirming mission of each unique campus. We strove mightily to honor, support, and enhance denominational engagement with their

faith affiliations such as the Brethren Church and the local United Methodist Conference. We did so by strengthening the chaplaincy and volunteer programs and by intentionally embracing & celebrating the special faith traditions which were the genesis of these unique communities. In 2018, we transitioned all four of these campuses to a non-profit Sponsor to preserve the original non-profit mission of each campus.

In May 2021, we acquired two large CCRC campuses in Indianapolis, Indiana; and in Kansas City, Missouri; which we lease to a non-profit operator (discussed more fully below). Further, after working for more than a year with the non-profit The Alliance Community for Retirement Living, Inc., (an affiliate of The Christian and Missionary Alliance Foundation, Inc., d/b/a Shell Point), we purchased The Alliance Community for Retirement Living in DeLand, Florida, in June of 2021. These three CCRC campuses comprise a combined 272 licensed skilled nursing beds, 195 licensed assisted living units, 359 independent living units, and 382 independent living private residences for a total of 1,208 units.

Because Covington is wholly owned by my family and me, there are no corporate approvals required to consummate the transaction. We can be nimble and responsive and work cooperatively, hand in hand, with all stakeholders and on their timetable.

Transaction Structure/Resident Liabilities/Resident Agreements

In the purchase of the Lake Park and Forest Hills communities, we would seek to further enhance the mission of CNMH and to expand opportunities to serve the needs of existing and future residents. CNMH finds itself in a place where a number of other non-profits have been.

Dramatic changes in the economy, accelerated by the COVID-19 pandemic, have materially impacted seniors housing, particularly the entrance fee business model. The issues are complex and deserve a thoughtful and comprehensive solution. If we are able to consummate this relationship, this acquisition would be the sixth time we have assumed operations from a non-profit provider.

Regarding the commitment of CNMH to your entrance fee residents, we have carefully considered this covenant with your residents and **propose to assume all resident agreements**. Rest assured that the residents would be our highest priority as we would seek to serve and care for them.

Our covenant also will include a commitment to invest monies and resources into the existing physical plant of the communities as well as to pursue other areas of service expansion where needed. We would work with the residents of the communities to develop this plan.

Our commitment to employees also is strong. While we would make staff hiring decisions on an individual basis, we foresee no mass lay-offs and would work to support your current staff. Our ownership of the communities would reflect a deep commitment to the care and comfort of the residents.

Non-Profit/Affiliation

In our latest acquisition of CCRCs in Indiana and Missouri, we have partnered with a non-profit 501(c)(3) organization, Boncrest Resource Group, Inc., ("Boncrest") in which subsidiaries of Boncrest became the tenants and licensed operators of the CCCRs. Boncrest's mission is to provide high-quality care and services in seniors housing and long-term care settings in a cost- effective manner. The directors and officers of Boncrest are highly qualified health care industry professionals with experience in finance, law, and clinical care.

While our partnership with Boncrest has been fruitful, we are very flexible in the manner in which we would partner with them or with another non-profit, and we intend to actively work with a nonprofit partner should we be selected as the successful bidder--

affiliation approach.

Sources of Financing

In Attachment 1 we have included expressions of interest from IBERIABANK and Northern Trust, both leading healthcare lenders that specialize in seniors housing projects, to finance this proposed transaction. Both of these lenders helped finance our acquisitions of large CCRCs in recent months. Covington also has strong borrowing relationships with other active healthcare and seniors housing lenders.

We would not enter into a transaction nor continue this process were we unable to perform the financial terms as proposed. Covington anticipates using both debt and equity to consummate this purchase, and we have the liquid capital, investor

relationships, and debt options to do so. Upon request, we would be willing to provide additional financial references from our lenders, accountants, and attorneys.

Names of Outside Advisors

Covington has engaged the law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz, PC, to handle the 363 acquisition in the bankruptcy proceedings. We have worked with Baker Donelson for over three decades on very complex seniors housing and healthcare transactions.

We also would engage the CPA firm Moore Stephens Lovelace, P.A., with whom we have worked for more than 20 years. They would assist with financial due diligence, quality of earnings review, and other pre-acquisition due diligence.

Non-binding Estimate of the Cash Acquisition Value

Our bid is contingent upon Covington being named the stalking horse bidder at the bankruptcy auction, consistent with the stalking horse terms attached to this letter as Attachment 2.

Based on our due diligence efforts thus far, we expect our bid to include (a) a cash purchase price of $16,000,000 plus (b) the assumption of all resident agreements (including existing refund liabilities) without modification.

The purchase price is based on the assumptions set forth on page 41 of the Offering Memorandum indicating the amount of the entrance fee repayment liability. The original total for such liability was $18,153,712; however, as further information has become available, Ziegler has reissued a new page 41 which is attached as Attachment 3 and indicates a total liability of $21,161,785. We have not been able to independently verify the total liability, as all resident agreements are not available in the Ziegler data room. Further, we have based our bid on the understanding that only the Classic Agreement contracts (Type B) have a resident refund liability that is not dependent upon the re-sale of a resident’s unit.

Alternative Proposal/Immediate Consulting or Other Arrangement

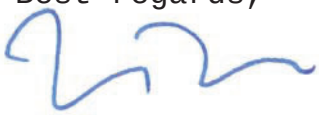
Covington is keenly aware of the complexities facing CNMH and its stakeholders, yet our evaluation of the situation has been greatly limited without direct access to the Sponsor and its staff nor any on-site tour or physical plant due diligence. We would entertain opportunities to work with the parties immediately in a cooperative fashion whereby Covington provides consulting, management, or other services on a reduced or even no-fee basis. We also would consider making funds available to CNMH in order to increase performance of the communities prior to the consummation of a non-profit affiliation or bankruptcy sale of the assets in order to maximize proceeds for the debtor.

Additional Information Required to Complete the Due Diligence Process

In order to complete the due diligence process, our team will need the following:

- Access to all resident agreements (including all resident agreements on legacy forms) to independently verify the entrance fee payment liability.

- Access to the communities to conduct physical inspections to determine the level of capital expenditures required to provide the residents with quality housing and care.



- Access to the communities to conduct standard healthcare operational and real estate due diligence.

Conclusion

Covington is well equipped to strengthen the services and amenities of the Lake Park and Forest Hills continuing care retirement communities. We are not only real estate investors, but health care professionals and turn-around specialists with many years of experience with CCRC communities.

We hope that you will be pleased with our proposal as well as our alternative approach of assistance in this process. Good luck to you and to the Board while making the difficult decisions which lie ahead.

Best regards,

John E. McMullan
President

Proposed Stalking Horse Terms

Covington shall be named the stalking horse bidder in the bankruptcy case (the "Stalking Horse Bidder") in connection with the purchase and sale of the assets in accordance with the terms of this proposal and the terms of Section 363(b) and (f) and Section 365 of the Bankruptcy Code. As the designated Stalking Horse Bidder, Covington would require certain bid protections, including those outlined below. Covington and the Debtor would agree on a form of asset purchase agreement (the "Stalking Horse Agreement") to be used as a part of the sale process.

It is a condition of Covington's proposal that the items contained in this section be included in any sale process. The Debtor will seek to have the following included in any Bid Procedures approved by the Bankruptcy Court:

a. Minimum Overbid: A requirement that the cash purchase component of other bidders' offers exceed the Purchase Price by a minimum of $320,000.

b. Covington Deposit: Covington will submit a deposit of $150,000 upon court approval of Covington as the Stalking Horse Bidder. In the event that Covington is not selected as the winning bidder, Covington's deposit will be returned in full within 48 hours of the auction. Covington will be provided protections that deposit funds will be escrowed and held separately from other funds of the Debtor.

c. Competing Bidder Deposit: A requirement that other bidders submit a deposit of at least $150,000 in order to be a competing bidder.

d. Competing Bidder Agreement: Any competing bids must provide for other terms and conditions that shall be the same or more favorable to the Debtor than the terms of this proposal for all of the assets. Any competing bids must be for cash and must not be conditioned on obtaining financing, any internal approval (including board or equity owner approval), the outcome or review of due diligence, or contain any environmental or other contingencies in each instance not otherwise expressly contained in the Stalking Horse Agreement. Any competing bid shall be for all of the

assets as a unit on an "as is – where is" basis without representations and warranties except as expressly set forth in the Stalking Horse Agreement. Any competing bid shall not include any bid protection such as a break-up fee, termination fee, expense reimbursement or similar type payment.

e. Break-Up Fee: In recognition of Covington's time and effort in examining the businesses, its due diligence in respect thereof by its employees, agents, attorneys, accountants and other representatives, and the loss of opportunity that the expenditure of such time and effort has caused, Covington shall be entitled to a break-up fee equal to the greater of $500,000 or 3% of the final, confirmed sales price (the "Break-Up Fee") payable to Covington in the event that a competing bidder closes a transaction. The Break-up Fee shall be in addition to the refund of the deposit; will be considered as a priority administrative claim by the court; and will be paid to Covington from the proceeds at closing from the competing bidder.

f. Bid Procedures: In addition to the terms previously outlined, bidding procedures filed by the Debtor in connection with the transaction will be subject to final approval by Covington, which approval will not be unreasonably withheld.

g. Bankruptcy Sale Order: Covington requires that the sale be approved by the Bankruptcy Court under Sections 363 and 365 of the Bankruptcy Code free and clear of all liens, claims, obligations and encumbrances, and, except as otherwise set forth in the Stalking Horse Agreement, exclusive of any liabilities of any kind or nature whatsoever, whether known or unknown, contingent or otherwise, existing as of the date hereof or hereafter arising. The Bankruptcy Court shall enter an order approving the sale (the "Order"), in form and substance satisfactory in all respects to Covington, which among other things, shall (i) be a final and non-appealable Order; (ii) authorize and direct the Debtor, in accordance with Sections 363 and 365 of the Bankruptcy Code, to convey the assets to Covington pursuant to the provisions hereof, or to the highest bidder other than Covington, as determined in accordance with the bidding procedures set forth in the order, free and clear of all liens and encumbrances; (iii) find that Covington has acted in good faith within the meaning of Section

363(m) of the Bankruptcy Code and, as such, is entitled to the protections afforded thereby; (iv) find that the Stalking Horse Agreement was negotiated, proposed and entered into by the parties hereto without collusion, in good faith and from arm's-length bargaining positions; (v) find that Covington is not acquiring or assuming any of the Debtor's liabilities of any description except for the resident agreements; (vi) determine that the Stalking Horse Agreement and the transactions contemplated hereby shall be specifically enforceable against and binding upon the Debtor; (vii) approve the Debtor's assumption and assignment of any assumed contracts pursuant to Section 365 of the Bankruptcy Code; and (viii) contain protections in favor of Covington against successor liability and an injunction enjoining the same. Without limiting the generality of the foregoing, the Order must find as a matter of law and fact that Covington has no liability with respect to any matter pertaining to the businesses prior to the date of closing and that Covington will incur no liability of the Debtor or any other prior party in interest with respect to the assets. Both Covington and the Debtor shall use reasonable efforts to obtain entry of the sale Order on such terms.

Buyer's recent transaction experience demonstrates our comfort with the marketplace, our relationships with operators, and our ability to close on a transaction of this nature.

The major terms and conditions include the following:

1. **Assets**: The portfolio of two (2) continuin care retirement communities (the "**Acquired Facilities**") and the associated interest in real property of such Acquired Facilities (collectively, the "**Real Property**"). 2. **Transaction Overview**: Buyer shall acquire all operatin interests and owned Assets including all Real Property, buildin s and other improvements, licenses, permits, personal property, equipment, inventory, deposits and escrowed funds from prospective residents, and other assets that are owned by Seller (the "**Transaction**").

Except as specifically identified in the Definitive Agreements (as defined below), Buyer would assume no other liabilities of Seller, and the Assets would be delivered to Buyer unencumbered by any other debt and free and clear of any liens, claims, encumbrances and interests pursuant to a bankruptcy court order approvin the sale. this LOI and/or an APA required to be complete prior to closin the Transaction, Buyer would acquire substantially all of the Assets of the Seller and certain specified liabilities of the Seller for a cash acquisition price of $22.0 million.

Buyer would assume the existing resident refund obligations, for current residents and former residents in the queue, totaling approximately $19.2 million. Therefore, the total potential consideration given to Seller would be equal to approximately $41.2 million.

4. **Transaction Funding**: The Transaction will not be subject to any financing contingency.

5. **Stalking Horse Bid**: Pursuant to sections 105, 363, 365, and/or 1129 of the Bankruptcy Code, and subject to the terms, conditions, and other provisions of this LO and the Definitive A reements (as defined below), Buyer will serve as the stalking horse bidder for substantially all of the assets of the Seller, subject to a competitive auction process proposed in bidding procedures to be negotiated between the parties.

6. **Bid Protections**: f the Assets are put to bid through a court-approved auction process, a court-approved break-up fee in the amount of 3.0% of the total potential consideration or approximately $1.25 million is required as inducement for Buyer to conduct the costly diligence necessary to ne otiate the Definitive Agreements and provide a competitive floor bid for the assets, as is customary in this type of transaction. Additionally, if another bidder is selected to acquire the Assets, Buyer would receive return of the Deposit (as defined below).

7. **Due Diligence**: Upon the execution of this LOI, the parties will commence ne otiations of the Asset Purchase and Operation Transfer Agreement (the "**Purchase Agreement**") and other such agreements as are necessary to evidence the Transaction (collectively, "**Definitive Agreements**"). Buyer is prepared to proceed with due diligence immediately, which it expects to be completed within forty-five (45) days (the "**Due Diligence Period**") followin the signin of the Purchase Agreement. Buyer's dili ence work streams may include: business, financial, legal, tax, insurance, re ulatory and clinical dili ence and appraisals, Phase 's, and property condition reports. Buyer may perform site visits and Seller will provide reasonable access to the Acquired Facilities upon reasonable prior notice and approval by Seller, and subject to all COV D-19 related re ulations and protocols.

8. **Timeline and Closings**: Subject to other terms included in the Purchase Agreement, the parties will close at the end of the month immediately followin receipt of all required re ulatory approvals (assumin entry of an order confirming the sale or debtor's plan of reorganization). The expected closing timeline is as follows:

File Re ulatory and Notice etters	7 days after completion of confirmatory due diligence
Closin	At the end of the month immediately followin the receipt of re ulatory approvals and after entry of an order confirming the sale or debtor's plan of reorganization

9. **Deposit**: Buyer will pay an initial deposit in the amount of $1,000,000 (the "**First Deposit**") into escrow with Madison Title Insurance Company ("**Madison Title**") pursuant to an escrow agreement (the "**Escrow Agreement**") upon execution of this LOI. Upon completion of its confirmatory due diligence, Buyer shall make a second deposit of $1,000,000 (the "**Second Deposit**" and together with the First Deposit, the "**Deposit**") into escrow with Madison Title. f the Proposed Transaction is consummated, then the Deposit will be applied against the Purchase Price. If (a) Seller defaults under the Purchase Agreement (a "**Seller Default**"), or (b) Buyer terminates this O before the expiration of the Due Diligence Period, then Buyer will be entitled to a return of the Deposit. n all other circumstances, the Deposit is non-refundable unless another buyer is selected as a result of the bankruptcy process.

10. **Exclusivity**: For a period of sixty (60) days from the execution of this LOI, Seller will ne otiate the Transaction on an exclusive basis with Buyer. Dear Dan:

Eagle Arc Partners, C ("**Eagle Arc**") and Assured Healthcare Partners ("**AHP**", and together with Ea le Arc, "**Buyer**") are pleased to submit the following non-binding letter of intent (this " **OI** ") to outline the terms upon which Buyer would be willing to acquire the operations and associated real property (the "**Assets**") from California-Nevada Methodist Homes and its affiliates ("**Seller**"), as identified on Schedule I attached to this LOI.

Buyer will partner with Aspen Skilled ealthcare (**"Aspen"**), with Aspen being the licensed operator. Aspen is a well respected regional operator of skilled nursin , assisted living, and continuin care retirements communities in California. Aspen currently operates 27 facilities in California, and has recently been throu h the California licensure and suitability process. Buyer expects an expedient licensure process as Aspen is well known to the state and has recently taken over similar continuin care retirement communities that were previously operated by Brookdale.

The major terms and conditions include the following:

1. **Assets**: The portfolio of two (2) continuin care retirement communities (the "**Acquired Facilities**") and the associated interest in real property of such Acquired Facilities (collectively, the "**Real Property**"). On the date of the Closing, the Assets will be sold to Buyer free and clear of any and all liens, claims, security interests and other encumbrances of any kind.

2. **Transaction Overview**: Buyer shall acquire all operatin interests and owned Assets including all Real Property, buildin s and other improvements, licenses, permits, personal property, equipment, inventory, deposits and escrowed funds from prospective residents, and other assets that are owned by Seller (the "**Transaction**").

Buyer would assume all residency agreements entered into by Seller with all current residents of the Assets, and all obligations arisin thereunder, including any entrance fee refund obligations contained therein. Buyer does not expect to make any modications to the current residency a reements. Except as specifically identified in the Definitive A reements (as defined below), Buyer would assume no other liabilities of Seller, and the Assets would be delivered to Buyer unencumbered by any other debt and free and clear of any liens, claims, encumbrances and

interests pursuant to a bankruptcy court order approvin the sale. f the parties agree upon Buyer assumin additional liabilities of Seller, the Purchase Price would be reduced by the dollar amount of such assumed liabilities.

3. **Purchase Price**: Subject to Seller's concurrence with Buyer's terms described in this LO , authorization from Seller's debtors and/or the bankruptcy court (if applicable), and the satisfaction of any other conditions described in this LOI and/or an APA required to be complete prior to closin the Transaction, Buyer would acquire substantially all of the Assets of the Seller and certain specified liabilities of the Seller for a cash acquisition price of $33.0 million.

Buyer would assume the existing resident refund obligations, for current residents and former residents in the queue, totaling approximately $19.2 million. Therefore, the total a gre gate consideration given to Seller would be equal to approximately $52.2 million.

4. **Transaction Funding**: The Transaction will not be subject to any financing contingency.

Buyer will deliver the draft Purchase A reement within five (5) days of execution of this O , and expect to execute the Purchase A reement within twenty (20) days of execution of this O .

Closin	At the end of the month immediately followin the receipt of re ulatory approvals and after entry of an order confirming the sale or debtor's plan of reorganization

7. **nterim Management Agreement**: Buyer will explore entering into an interim management agreement (**"IMA"**) with the Seller at the expiration of the Due D ligence Period. n an MA the buyer of a healthcare facility takes over operations of the facility, includin absorbin any profits or losses, while the state re ulatory agencies work throu h completin the suitability and licensure process. Buyer has successfully executed this strategy in California in past

purchases of for-profit facilities, and will ascertain whether this structure is feasible in the sale of a not-for-profit entity.

8. **Deposit**: Buyer will pay an initial deposit in the amount of $1,000,000 (the "**First Deposit**") into escrow with Madison Title Insurance Company ("**Madison Title**") pursuant to an escrow agreement (the "**Escrow Agreement**") upon execution of this LOI. Upon completion of its confirmatory due diligence, Buyer shall make a second deposit of $1,000,000 (the "**Second Deposit**" and together with the First Deposit, the "**Deposit**") into escrow with Madison Title. f the Proposed Transaction is consummated, then the Deposit will be applied against the Purchase Price. Re: Letter of Intent

Dear Mr. Revie:

Thank you for an opportunity to refine our bid and present you with a letter of intent that assumes all resident obligations. Heritage Campus Group, a District of Columbia non-profit organization, ("**Bidder**") and Lapis Advisers, LP as lender (**"Lapis"** or the "**Lender**") submit a revised non-binding proposal ("**Letter of Intent**" or "**LOI**") to acquire certain assets and assume certain liabilities of California-Nevada Methodist Homes ("**CNMH**" or the "**Seller**") through a merger to be detailed in a bankruptcy reorganization plan, as more particularly described in the attached term sheet (the "**Summary of Terms**").

Description of Potential Purchaser:

The Bidder is a nonprofit led by experts in healthcare and turnaround industries with a mission to provide safe, affordable housing to seniors. Lapis is a San Francisco based investment firm with over a 10-year track record in special situation municipal investments. Lapis has raised over $1.2 billion to invest in the municipal markets with an emphasis on distressed and special situations and senior living. Heritage Campus Group and Lapis Advisers have recently partnered with an acquisition strategy aimed at preserving the nonprofit structure of senior living facilities for the benefit of the residents and communities they serve. The principals on the board of Heritage Campus Group and those of the prospective management company have been working actively in turnaround of senior living facilities for over 40 years. The Bidder is expected to engage Evergreen Senior Living to manage day to day operations.

Description of the Potential Transaction:

Thank you for giving us an opportunity to tour the facilities last week and visit with the CNMH CFO and the Executive Director of Forest Hill. We believe with significant capital expenditures the entrance fee model will be viable at both locations. However, to succeed we estimate capital expenditures of $3.5 million for Forest Hill and $4 million for Lake Park will be necessary to upgrade the facilities to a competitive standard. Furthermore, we estimate another $5.7 million will be required for unit upgrades over the next 5 years on top of approximately $3 million for regular maintenance capex. With that in mind, we would appreciate an opportunity to enter into further discussions to refine these assumptions and commission third party reports to provide detailed plant condition assessments. Furthermore, continuing to operate as entrance fee communities would require statutory operating and debt service reserves which we approximate at $6 million.

As a nonprofit Bidder, we believe our proposal is advantageous to the Seller and translate to higher recoveries to the loan guarantor. We believe our transaction timeline can be shortened significantly to reflect fewer regulatory approvals which may reduce time to closing by weeks, and likely will result with higher recovery by limiting exposure to operations that lose approximately $500,000 per month.

Subject to additional due diligence and legal review, our **gross consideration is $63,800,000** comprised of**:**

- $29,300,000 in funds to be used to pay off all pre-petition and post-petition liabilities such as DIP loans and mortgage bonds,
- $7,500,000 in a prefunded capital improvement reserve,
- $6,000,000 in a prefunded debt service and operating reserves,
- Assumption of approximately $14,500,000 of current resident obligations, and
- Assumption of $6,500,000 of former resident claims.

The following Summary of Terms are subject to the negotiation and execution of a mutually satisfactory Plan Sponsor Agreement (the "Definitive Agreement") between Bidder and Seller. If the Definitive Agreement is not prepared, authorized, executed, and delivered for any reason, neither party to this Letter of Intent shall have liability to the other party to this Letter of Intent based upon or relating to the non-binding provisions.

Each party acknowledges that it is a party to those certain Confidentiality Agreements dated 9 June 2021 and that such Confidentiality Agreements remain in full force and effect.

If the terms herein are acceptable, please sign and date this Letter of Intent in the space provided below to confirm the mutual agreements set forth in the Summary of Terms and return a signed copy to the undersigned.

Bidder anticipates maintaining substantially all of the existing employees; provided that Bidder would require the Debtor to terminate the multiemployer pension plan and reject any collective bargaining agreements. Re: Letter of Intent

Dear Mr. Revie:

Thank you for an opportunity to refine our bid and present you with a letter of intent containing two capital structure options that pay off secured debt in full with assumption of all resident obligations. Heritage Campus Group, a District of Columbia non-profit organization, ("**Bidder**") and Lapis Advisers, LP as lender (**"Lapis"** or the "**Lender**") submit a revised non-binding proposal ("**Letter of Intent**" or "**LOI**") to acquire certain assets and assume certain liabilities of California-Nevada Methodist Homes ("**CNMH**" or the "**Seller**") through a merger to be detailed in a bankruptcy reorganization plan, as more particularly described in the attached term sheet (the "**Summary of Terms**").

Subject to additional due diligence and legal review, our **gross consideration is $72,500,000** comprised of**:**

- Approximately $30 million in funds to be used to tender at par all California Health Facilities Authority Bonds Series 2015 ("Cal Mortgage Bonds") and approximately $3 million in funds to pay off former CNB Line of Credit, together ("Cal Mortgage Obligations"). These $33 million in obligations will be restructured to have modified maturity schedule but will retain 5% interest rate and will remain insured by Cal Mortgage.
- funds to pay off DIP loans, accrued bond interest, issuance and legal fees approximated at $5 million,
- $7,500,000 in a prefunded capital improvement reserve,
- $6,000,000 in a prefunded debt service and operating reserves,
- Assumption of approximately $14,500,000 of current resident obligations, and

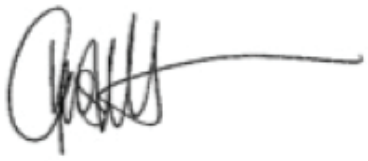
Alternative proposal with Cal Mortgage take-back note, with same **gross consideration** comprised of**:**

- Approximately $33 million in funds to be used to pay off Cal Mortgage Obligations
- funds to pay off DIP loans, accrued bond interest, issuance and legal fees approximated at $5 million,
- $7,500,000 in a prefunded capital improvement reserve,
- $6,000,000 in a prefunded debt service and operating reserves,
- Assumption of approximately $14,500,000 of current resident obligations,
- Assumption of $6,500,000 of former resident claims,

- Less $15,000,000 that will be provided by Cal Mortgage in a take back note – such note will be comprised of any and all uses of funds that do not qualify for tax exempt interest treatment at the state and federal level and will carry a 3% interest rate and a five-year bullet maturity



The following Summary of Terms are subject to the negotiation and execution of a mutually satisfactory Plan Sponsor Agreement (the "Definitive Agreement") between Bidder and Seller. Board of Trustees

Section 1. Number. The corporate powers of this corporation are vested in the Board of Trustees, which shall consist of no fewer than two (2) and no more than five (5) persons plus the Resident Trustee described in Section 9 of this Article. The exact number of trustees shall be established by the Board of Trustees from time to time.

Section 2. Election and Term of Office. Persons to be trustees shall be elected by the Trustees at the Annual Meeting of the Board of Trustees. Except the Resident Trustee described in Section 10 of this Article, Trustees shall hold office for a term of three years and until their successors are elected. Trustees shall serve staggered terms so that approximately one-third of such Trustees' terms shall expire each year. Except the Resident Trustee, a trustee may succeed himself or herself in office. Nominations for trustees shall be received from the Trustees then in office.

Section 3. Meetings. Regular meetings of the Board of Trustees shall be held four (4) times a year at a time and place to be determined by the Board. The meeting held in the month of November of each year shall be designated as the Annual Meeting of said Board, except as otherwise determined by the Board. Special meetings of the Board may be called by the Chair of the Board, or any three trustees.

Section 4. Notice of Meetings. Written notice of the time and place of such meetings of the Board of Trustees shall be given at least seven days prior to the holding thereof, providing, always, that such notice will be sufficient if delivered personally, or mailed by United States mail, postage prepaid, within said time, addressed to each of the

Trustees at their respective addresses as shown on the records of the corporation, and providing further, that notice of any such meetings may be waived by any Trustee, in writing, or by such one's attendance at such meeting, however called. The notice of any such meeting need not specify the business to be transacted, except that neither the Articles of Incorporation nor the By-laws may be amended at any meeting without specific notice thereof in the call for such meeting. Any action taken by the mail ballot provided for in Section 8 of this Article III, or upon the written consent of all of the Trustees, shall constitute an act of the Board.

Apart from this exception, any Trustee may resign by giving written notice thereof to the Chairman of the Board or to the Secretary of the Board. Such resignation shall be effective immediately, unless the notice specifies a later time for the effective date of the resignation. If the resignation is effective at a future time, a successor may be elected before such time to take office when the resignation becomes effective. Any vacancy occurring in the Board between the annual meetings of the Board (including a vacancy resulting from the removal of a Trustee) may be filled by a majority vote of the remaining Trustees, whether or not less than a quorum, provided that each Trustee so elected shall hold office only until the next annual meeting of the Board and the election of such one's successor, who may be the Trustee so elected to fill such vacancy. No reduction of the authorized number of trustees shall have the effect of removing any Trustee prior to the expiration of the Trustee's term of office. A vacancy shall also be deemed to exist if a Trustee: (a) fails to accept office within thirty days after notice of election; (b) dies; or (c) fails to attend three successive Board meetings, unless his or her absence is then or thereafter excused by resolution of the Board.

Section 7. Mail Ballot. The Board of Trustees may, without meeting together, transact business by mail by voting upon proposed Resolutions mailed to them by the Secretary of the Board with the approval of the Chairman of the Board of this corporation. If within twenty days after the mailing of the proposed Resolution to said Trustees, the Secretary of the Board has received the written votes of all of the Trustees, and if said votes all favor said Resolution so submitted to the Trustees, the said Resolution shall be deemed adopted and shall become the act of the Board of Trustees; otherwise, said Resolution shall be declared rejected. The Secretary of the Board shall keep a complete record of each Resolution so proposed for adoption by the mail ballot, the votes received on each Resolution, the effective date of the said Resolution, if adopted, and the action taken thereon. All mail ballots received by the Secretary of the Board shall be produced and canvassed at the next meeting of the Board.

Section 8. Adjournment. A majority of the Trustees present, whether or not a quorum is present, may adjourn any Trustees' meeting to another time and place.

Section 9. Resident Trustee. As long as the corporation operates at least one continuing care retirement community ("CCRC") in California, the Board of Trustees shall accept one trustee who is a resident of one of the corporation's CCRCs (the "Resident Trustee"). The Resident Trustee shall be selected by the Board of Trustees from among the candidates nominated by a resident-elected committee of residents of the corporation's CCRCs. If the Board of Trustees disapproves of the resident committee's nominee(s), the resident committee shall nominate additional nominees until the Resident Trustee position is filled. The Resident Trustee shall serve a two (2)-year term and shall not be eligible to serve consecutive terms. The Resident Trustee shall be a voting member of the Board of Trustees and shall perform his or her duties in a manner that complies with the standards of conduct and fiduciary duties of all other Trustees.

Section 10. Resident Representatives. As long as the corporation operates at least one continuing care retirement community ("CCRC") in California, the Board of Trustees shall accept one resident representative to the Board of Trustees for each CCRC that the corporation owns and operates in California (the "Resident Representatives"). Each Resident Representative shall be selected in accordance with the procedures set forth in California law; shall be entitled to receive notices, to review materials, and to attend Board meetings as set forth in California law; and shall be subject to all of the responsibilities set forth in California law for resident representatives. Resident Representatives are not Trustees and shall not be entitled to vote on any matter coming before the Board.

ARTICLE IV
Powers and Duties of Trustees

Section 1. General. The Board of Trustees shall have the general direction, control and management of the business of the corporation, and shall have all of the rights, powers and authority that are now or may hereafter be vested by law in a board of trustees of a nonprofit public benefit corporation under California law.

Section 2. Powers. Subject to any limitations of the Articles of Incorporation and the By-laws of this Corporation, the activities and affairs of the corporation shall be conducted and all corporate powers shall be exercised by or under the direction of the Board. The Board may delegate the management of the activities of the corporation to any person or persons, or to any committees, however composed, provided that the activities and affairs of the corporation shall be managed and all corporate affairs shall be exercised under the ultimate direction of the Board. Without prejudice to such general powers, but subject to the same limitations, it is expressly declared that the Board shall have the following powers in addition to the other powers enumerated in these By-laws:

a. To select and remove any or all of the officers, agents and employees of the corporation, prescribe powers and duties for them as may not be inconsistent with law, the Articles or the By-laws, and fix their compensation;

b. To conduct, manage and control the affairs and activities of the corporation and to make such rules and regulations therefor not inconsistent with law, the Articles or these By-laws, as they may deem best;

c. To adopt, make and use a corporate seal and to alter the form of such seal from time to time, as they deem best;

d. To borrow money and to incur indebtedness for the purposes of the corporation, and to cause to be executed and deliver therefor, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations or other evidences of debt and securities therefor; and

e. To remove any Trustee at any time, with or without cause, by resolution adopted by a majority of the authorized number of Trustees then in office, provided a quorum is present.

ARTICLE V
Executive Committee

Section 1. Appointment. The Board of Trustees shall annually appoint an Executive Committee which shall consist of the officers of the Board and not fewer than three other Trustees, to serve at the pleasure of the Board or until the next regular meeting thereof. All transactions of the Executive Committee shall be regularly reported to the Board.

Section 2. Powers. The Executive Committee shall carry out and administer the policies of the Board of Trustees and, subject to such directions as may from time to time be given to it by the Board, shall perform the duties of the Board between the regular meetings thereof. Provided, however, that the Executive Committee shall have no power to purchase, sell, exchange or hypothecate real property, or approve any self-dealing transaction, as such transactions are defined in Section 5233 (a) of the California Corporations Code.

ARTICLE VI
Standing Committees

The Board of Trustees shall from time to time appoint such standing committees as it deems useful in carrying on the work of this corporation. Each such committee shall have among its members two or more Trustees. The Board shall delegate to such committees any of the authority of the Board except with respect to:

a. The approval of any action for which the Nonprofit Public Benefit Corporation Law of California (or any successor legislation thereto) also requires the approval of the Trustees or approval of a majority of all Trustees;

b. The filling of vacancies on the Board or in any committee;

c. The fixing of compensation of the Trustees for serving on the Board or on any committee;

d. The amendment or repeal of By-laws or the adoption of new By-laws;

e. The amendment or repeal of any resolution of the Board which by its express terms is not so amendable or repealable;

f. The appointment of other committees of the Board or the members thereof; or

g. The approval of any self-dealing transaction, as such transactions are defined in section 5233 (a) of the California Corporations Code.

Any such committee must be created, and the members thereof appointed, by resolution adopted by a majority of the authorized number of Trustees then in office, provided a quorum is present, and any such committee may be designated an Executive Committee or by such other name as the Board shall specify. The Board may appoint, in the same manner, alternate members of any committee who may replace any absent member at any meeting of the committee. The Board shall have the power to prescribe the manner in which proceedings of any such committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. All actions and transactions of any such committee shall be regularly reported to the Board. Minutes shall be kept of each meeting of each committee.

ARTICLE VII
Officers

Section 1. Officers of the Board. The officers of the Board of Trustees shall be a Chair, one Vice-chair, and a Secretary and said officers shall be from among the Trustees.

Section 2. Officers of the Corporation. The officers of the corporation shall be a President who is the Chief Executive Officer, one Vice-President/Chief Financial Officer and a Corporate Secretary and such officers as shall be named by the Board of Trustees.

Section 3. Election of Officers. All officers of the Board and all officers of the corporation shall be elected by the Board of Trustees at the annual meeting of the Board, and shall hold office for one year and until their successors are elected.

Section 4. Duties of the Officers. Each of the officers of the Board and each of the officers of the corporation shall assume the responsibilities and perform the duties usually assigned to his or her office and such other or different duties as may from time to time be prescribed by the Board.

ARTICLE VIII
General Provisions

Section 1. Fiscal Period. The fiscal period of this corporation shall end on the 30th day of June of each calendar year.

Section 2. Dissolution of the Corporation. In the event of the liquidation or dissolution of this corporation, the title to all assets of the corporation after payment of all just debts and obligations shall be disposed of in the manner provided for in its Articles of Incorporation.

Section 3. Amendments. Subject to the limitations hereinafter set out, these By-laws may be amended at any duly called meeting of the Board of Trustees at which a quorum is present, by the affirmative vote of a majority of the Trustees present at said meeting. Notice of the proposed amendment or amendments shall be given in the notice of the meeting in which such vote is taken.

Section 4. Indemnification of Trustees, Officers and Administrators.

a. Right of Indemnity. To the fullest extent permitted by law, this corporation shall indemnify its trustees, officers, administrators, and other persons described in Section 5238(a) of the California Corporations Code, including persons formerly occupying such position, against all expenses, judgments, fines, settlements and other amounts actually and reasonably incurred by them in connection with any "proceeding," as that term is used in that Section, and including an action by or in the right of the corporation, by reason of the fact that the person is or was a person described in that Section. "Expenses," as used in this bylaw, shall have the same meaning as in Section 5238(a) of the California Corporations Code.

b. Approval of Indemnity. On written request to the board by any person seeking indemnification under Section 5238(b) or Section 5238(c) of the California Corporations Code, the board shall promptly determine under Section 5238(e) of the California Corporations Code whether the applicable standard of conduct set forth in Section 5238(b) or Section 5238(c) has been met and, if so, the board shall authorize indemnification.

c. Advancement of Expenses. To the fullest extent permitted by law and except as otherwise determined by the board in a specific instance, expenses incurred by a person seeking indemnification under subsections (a) and (b) of this Section in defending any proceeding covered by those subsections shall be advanced by the corporation before final disposition of the proceeding, on receipt by the corporation of an undertaking by or on behalf of that person that the advance will be repaid, unless it is ultimately determined that the person is entitled to be indemnified by the corporation for those expenses.

d. Insurance. The corporation shall have the right to purchase and maintain insurance to the full extent permitted by law on behalf of its trustees, officers, administrators, and other agents, against any liability asserted against or incurred by any trustee, officer, administrator, or agent in such capacity or arising out of the trustee's, officer's, administrator's, or agent's status as such.

SECTION 999.5(d)(4)(B)

(B) Applicant's plan for use of the net proceeds after the close of the proposed transaction together with a statement explaining how the proposed plan is as consistent as possible with existing charitable purposes and complies with all applicable charitable trusts that govern use of applicant's assets. The plan must include any proposed amendments to the articles of incorporation or bylaws of the applicant or any entity related to the applicant that will control any of the proceeds from the proposed transfer.

The net sale proceeds will be applied first to payment of Ziegler's fees and the obligations due to the debtor-in-possession lender. After that, a portion of the net sale proceeds will be set aside for payment of (a) payroll obligations (including taxes associated therewith); (b) accrued PTO; (c) bankruptcy "administrative expenses"; (d) accrued and anticipated professional fees; and (e) other projected "wind down" expenses. The balance of the net sale proceeds will be paid to Wilmington Trust (the bond trustee) and, with the agreement of HCAI, holders of pre-bankruptcy general unsecured claims.

The parties do not contemplate an amendment of the Articles or Bylaws of CNMH to address this plan.

SECTION 999.5(d)(5)

IMPACTS ON HEALTH CARE SERVICES

(d)(5)(A)

(A) A copy of the two most recent "community needs assessments" prepared by applicant for any health facility or facility that provides similar health care services that is the subject of the agreement or transaction.

Lake Park and Forest Hill are CCRCs under the regulatory jurisdiction of DSS, the California Department of Public Health, and the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services. As a result, CNMH is currently governed by the Continuing Care Contract Statutes, the statutes and regulations applicable to SNFs and RCFEs, and the Medicare laws. None of these laws requires a CCRC to complete a community needs assessment.

SECTION 999.5(d)(5)(B)

(B) A description of all charity care provided in the last five years by each health facility or facility that provides similar health care services that is the subject of the agreement or transaction. This description shall include annual total charity care spending; inpatient, outpatient and emergency room charity care spending; a description of how the amount of charity care spending was calculated; annual charity care inpatient discharges, outpatient visits, and emergency visits; a description of the types of charity care services provided annually; and a description of the policies, procedures, and eligibility requirements for the provision of charity care.

Lake Park and Forest Hill are CCRCs, not hospitals. Questions regarding inpatient, outpatient, and emergency room charitable care are not applicable.

CNMH does not have a charity care policy; however, it does have a hardship policy under which it offers to subsidize the fees of continuing care contract residents who run out of funds due to no fault of their own (such as wasteful spending or divestiture of funds), to the extent that CNMH believes it can do so without jeopardizing its own sound financial operations. CNMH has great discretion in applying this policy. The continuing care contract summarizes this policy as follows:

> Section VI
>
> B. Possibility of Financial Assistance
>
> If you are unable to pay your Monthly Fees or other charges promptly, Methodist Homes may, in its sole discretion, grant you an extension of time to make payments that are due or to work out another mutually acceptable arrangement for financial assistance. To qualify for and maintain such assistance, you must comply with all the other provisions of this Section VI. You will not qualify for assistance if you transfer your assets for less than their fair market value (e.g. by gift, bequest, or bargain sale) after you sign this Agreement.
>
> C. Application for Public Benefits
>
> Before you qualify for financial assistance by Methodist Homes, you will be required to investigate other sources of financial aid. Methodist Homes will assist you in seeking other benefits for which you may be eligible, including but not limited to Social Security, Aid to the Blind, veterans' pensions, Old Age Assistance, and SSI/SSP.
>
> D. Increase in Assets; Preservation of Assets; Repayment Instruments
>
> To maintain any assistance arrangement, you must do all of the following: (1) report promptly to Methodist Homes any material increase in your assets and their value, whether the increase occurs by way of gift, inheritance, appreciation in value, or otherwise; (2) refrain from transferring any assets for less than their fair market value; (3) make arrangements, at Methodist Homes' request, for the preservation and management of your property by others, including conservators and trustees; (4) execute any instruments (including but not limited to promissory

notes, assignments, security agreements and deeds of trust) that Methodist Homes deems necessary to evidence or secure its claim for repayment of any sums due under this Section VI; and (5) agree to move to a smaller Apartment if requested to do so by Methodist Homes.

E. Repayment to Methodist Homes

You agree that the value of any subsidy or financial assistance that you receive under this Section VI shall be deemed a loan to you by Methodist Homes, shall be a first lien against your estate, and shall be deducted from any refund that Methodist Homes may owe you or your estate under Section IX below. If your financial situation improves while you are at Lake Park, your subsidy may be reduced or eliminated, as determined by Methodist Homes in its sole discretion. If your financial situation improves to the extent that you are able to repay all or part of the value of the subsidy, you will be required to make such repayment at a rate and on terms established by Methodist Homes, in its sole discretion.

The chart below shows the skilled nursing care subsidies that CNMH provided to continuing care residents at Lake Park and Forest Hill during the fiscal years ended June 30, 2018-2022:

Fiscal Year	**Lake Park Subsidy**	**Forest Hill Subsidy**
2018	$125,091	$ 0
2019	$ 63,762	$ 0
2020	$ 99,898	$ 0
2021	$ 73,112	$ 0
2022 (8 mos.)	$ 0	$71,750
Five-Year Average	$ 72,373	$14,350

As is evident from the above chart, subsidies declined at Lake Park between 2018 and 2021 and dropped to zero in 2022. Forest Hill provided no subsidies between 2018 and 2021 and subsidized one patient in 2022.

CNMH does not participate in Medi-Cal. It likewise does not maintain any dedicated resident subsidy funds.

SECTION 999.5(d)(5)(C)

(C) A description of all services provided by each health facility or facility that provides similar health care services that is the subject of the agreement or transaction in the past five years to Medi-Cal patients, county indigent patients, and any other class of patients. This description shall include but not be limited to the type and volume of services provided, the payors for the services provided, the demographic characteristics of and zip code data for the patients served by the health facility or facility that provides similar health care services, and the costs and revenues for the services provided.

The following charts provide a summary of Medicare and private pay skilled nursing services that CNMH has provided in the past five years at Lake Park and Forest Hill. CNMH does not participate in the Medi-Cal program; it also does not have demographic or zip code data.

SECTION 999.5(d)(5)(D)

(D) A description of any community benefit program provided by the health facility or facility that provides similar health care services during the past five years with an annual cost of at least $10,000 and the annual cost of each program for the past five years.

The SNFs do not provide a specific community benefit program with an annual cost of at least $10,000.

See Section 999.5(d)(5)(B) for a description of CNMH's hardship policy.

SECTION 999.5(d)(5)(E)

(E) For each health facility or facility that provides similar health care services that is the subject of the agreement or transaction, a description of current policies and procedures on staffing for patient care areas; employee input on health quality and staffing issues; and employee wages, salaries, benefits, working conditions and employment protections. Such description shall include a list of all existing staffing plans, policy and procedure manuals, employee handbooks, collective bargaining agreements or similar employment-related documents.

Policies and Procedures for SNF staffing:

CNMH's Personnel Policy and Procedure Manual (the "Personnel Manual") and Nursing Services Policy and Procedure Manual for Long-Term Care (the "Nursing Manual") contain descriptions of the staffing models for the two SNFs. The Personnel Manual provides an overview of the Administrative and Director of Nursing coverage obligations at the SNFs, while the Nursing Manual details the staffing and nursing obligations for various care scenarios.

Lake Park's SNF: For an average census of 22, the staffing at Lake Park's SNF is as follows:

Day Shift (1st Shift)
2 licensed nurses
3 certified nurse assistants (CNAs)
1 restorative nursing aides (M-F)

PM Shift (2nd Shift)
1 licensed nurse
2 CNAs

Night Shift (3rd Shift)
1 licensed nurse
2 CNAs

Forest Hill's SNF: For an average census of 20, the staffing at Forest Hill's SNF is as follows:

Day Shift (1st Shift)
3 licensed nurses
3 certified nurse assistants (CNAs)
1 restorative nursing aide (M-F)

PM Shift (2nd Shift)
1 licensed nurse
3 CNAs

Night Shift (3rd Shift)
1 licensed nurse
3 CNAs

Employee input on health quality and staffing issues

SNF employees are involved in daily staffing and assignments. Staff have regular assignments to promote consistent care and are encouraged to give input to licensed nurses to review and adjust assignments as needed to achieve workload balance or respond to residents' needs. Staff also have input at care planning meetings when residents and family members review the provision of care with the Inter-Disciplinary Team as part of the ongoing assessment process. Staff peer involvement is also included in the hiring process at each level in the SNF.

Employee wages, salaries, benefits, working conditions and employment

Staff is hired based on experience and commitment. Peer staff are involved in this review to help assure that an applicant's skills are commensurate with the pace and expectation for high quality resident care. By involving peer staff, CNMH hopes to reduce turnover and align expectations with the standards set by CNMH.

SECTION 999.5(d)(5)(F)

(F) For each health facility or facility that provides similar health care services that is the subject of the agreement or transaction, all existing documents setting forth any guarantees made by any entity that would be taking over operation or control of the health facility or facility that provides similar health care services relating to employee job security and retraining, or the continuation of current staffing levels and policies, employee wages, salaries, benefits, working conditions and employment protections.

Lake Merritt Senior Living LLC has entered into separate management agreements with Northstar Senior Living to manage the RCFE at Lake Park and AOAS, LLC to manage the SNF at Lake Park.

Pacific Grove Senior Living LLC has entered into a management agreement with California Senior Living Management LLC to manage the RCFE at Forest Hill and 551 Gibson Ave SNF, LLC to operate the SNF at Forest Hill.

The Sale Agreement contains assurances regarding continuation of staffing levels, wages, benefits, etc. See Section 10.3. See also Section 4.b. of the California Senior Living Management Agreement and Section 10(b)(i) of the 551 Gibson Ave SNF, LLC operating lease, attached at Section 999.5(d)(1)(B).

SECTION 999.5(d)(5)(G)

(G) If the agreement or transaction will have any impact on reproductive health care services provided by any facility that is the subject of the agreement or transaction, or any impact on the availability or accessibility of reproductive health care services, a description of all reproductive health care services provided in the last five years by each health facility or facility that provides similar health care services that is the subject of the agreement or transaction. This description shall include the types and levels of reproductive services including, but not limited to, information about the number of pregnancy terminations and tubal ligations and a description of how this information was compiled.

(Not Applicable. CNMH owns and operates senior care facilities.)

SECTION 999.5(d)(5)(H)

(H) A statement describing all effects that the proposed agreement or transaction may have on health care services provided by each facility proposed to be transferred including, but not limited to, any changes in the types or levels of medical services that may be provided at the health facility or facility that provides similar health care services and a statement of how the proposed transaction may affect the availability and accessibility of health care in the affected communities.

CNMH anticipates that the transaction will not adversely affect the delivery, availability, or accessibility of health care in affected communities and that it may even improve access to health care services. Buyers' agents will continue to operate Lake Park and Forest Hill and will either perform, pay or discharge commitments made in CNMH's existing continuing care, residential care, and skilled nursing facility contracts.

As noted in Section 999.5(d)(5)(F) above, Buyers have contracts with experienced management companies to manage the RCFEs at Lake Park and Forest Hill. They likewise have contracts with experienced SNF operators to operate the SNFs at Lake Park and Forest Hill.

SECTION 999.5(d)(5)(I)

(I) A description and copy of all current contracts between the applicant and the city in which the applicant is located and current contracts between the applicant and the county in which the applicant is located for each health facility or facility that provides similar health care services that are the subject of the agreement or transaction.

CNMH has a Water Use Agreement, dated August 17, 2005, with the City of Pacific Grove with respect to Forest Hill; a copy of such contract is attached.

CNMH does not have any contracts with the City of Oakland or Alameda County with respect to Lake Park.

WHEREAS, on March 6, 2002, the City Council of the City of Pacific Grove granted the request to approve "Special Circumstances" upon the conditions incorporated herein; and

WHEREAS, the Monterey Peninsula Water Management District approved the Special Circumstance for the FHM expansion; and

WHEREAS, the real property which is the subject of this Agreement is located at 551 Gibson Avenue, Pacific Grove, California, and is more particularly described on **Exhibit "A"** to this Agreement, incorporated herein by reference.

AGREEMENT

Now, therefore, it is mutually agreed as follows:

1. WATER USE

CNMH shall monitor its water use for FHM ("Water Use") and keep Water Use within the allocation of 10.376 acre-feet per year ("Allocation"). It is understood that the City bears no responsibility for monitoring Water Use or keeping Water Use within the Allocation. No additional water will be provided to FHM from the City's water allocation.

2. MEASURES IF WATER USE IS EXCEEDED

In the event that Water Use exceeds either the Allocation for any year (as evidenced by Water Use Reports or water audits) or one-fourth of the Allocation (as evidenced by two or more consecutive, quarterly Water Use Reports), CNMH will immediately adopt one or more of the following measures to reduce Water Use as required to ensure Water Use not greater than the Allocation:

(a) Further retrofit showerheads and faucets.

(b) Convert existing bathrooms to .5 GPE toilets.

(c) Whether in new construction or by retrofit, ensure that washing machines in all residential units use a maximum of 18 gallons per cycle.

(d) Whether in new construction or by retrofit, ensure that dishwashers in all residential units use 7.66 gallons or less per wash.

(e) Prohibit the use of washing machines within independent living units more than once per week, and institute an educational program for residents as to this requirement.

(f) Any other measure reasonably required by City, including but not limited to fully financing other water conservation projects within the City to compensate for Water Use in excess of the Allocation and reducing occupancy by closing rooms or reducing the number of beds in the facility.

3. WATER USE REPORTS

CNMH shall supply quarterly Water Use reports, in the form requested by City, to the City Community Development Director each year during construction and for five years following occupancy and completion of the FHM expansion. Thereafter, CNMH will supply such Water Use reports as may be required by MPWMD.

4. NONCOMPLIANCE WITH AGREEMENT

If CNMH fails to supply quarterly Water Use reports, or if CNMH's quarterly Water Use exceeds one-fourth of the Allocation (as evidenced by two or more consecutive Water Use Reports), or fails to take measures to reduce Water Use (as set forth in Paragraph 2) CNMH shall be deemed to have breached this Agreement. City shall send a letter to CNMH giving notice of the breach, and provide methods and a time period within which to rectify the breach. If City determines that the response is inadequate or CNMH refuses to rectify the breach, City may bring an action in the Monterey Superior Court to force compliance. The Parties agree that damages alone would be insufficient to compensate City, and as such, specific performance is the appropriate remedy for breach of this Agreement. If such an action is necessary, or any other legal or administrative action is required to enforce the terms of this Agreement, the prevailing party shall be entitled to its attorneys' fees incurred in the action.

5. INCORPORATION OF DISTRICT TERMS & CONDITIONS

This Agreement incorporates herein by reference the November 27, 2001, letter setting forth the approval of Special Circumstances of the Monterey Peninsula Water Management District, including all terms and conditions set forth therein. The letter is attached hereto as **Exhibit "B."**

6. TERM OF AGREEMENT

The Agreement will be in effect as long as there is a water use permit in effect for FHM from the MPWMD based on Special Circumstances. After the expiration of six months following the end of the reporting period established by paragraph 3 of this Agreement, no additional water conservation measures shall be required of CNMH for FHM except such measures as may be required by the MPWMD.

7. WATER AUDIT & CREDIT OF SURPLUS

A Water Use audit will be performed at the end of five years following occupancy and completion of the FHM expansion. If it is determined that the actual average annual water usage was less than 10.376 acre-feet during the term of the Agreement, the surplus will be credited to the City upon approval by the Monterey Peninsula Water Management District, at no charge to the City.

8. INDEMNIFICATION

CNMH agrees to indemnify, defend and hold City harmless from and against any and all costs, liabilities, damages, water account debits by the Monterey Peninsula Water Management District, expenses, or claims, including without limitation reasonable attorneys' fees, arising from or in connection with CNMH's performance or non-performance of this Agreement.

9. AMENDMENTS

No alteration or variation of the terms or conditions of this Agreement shall be valid unless made in writing and signed by the parties hereto.

10. PARTIAL INVALIDITY

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will continue in full force without being impaired or invalidated in any way.

11. INTERPRETATION

Parties agree that this Agreement shall not be interpreted against the party who prepared the Agreement, but shall be interpreted as prepared by both parties, equally.

12. GOVERNING LAW

This Agreement will be governed by and construed in accordance with the laws of the State of California and the City of Pacific Grove.

13. ENTIRE AGREEMENT

This Agreement constitutes the entire Agreement between the Parties hereto and supersedes any and all prior agreements, whether oral or written, relating to the subject matter thereof. Any modification of this Agreement will be effective only if it is in writing signed by both Parties hereto.

14. SUCCESSORS; RECORDING

This Agreement shall bind and benefit the Parties and their successors. The covenants of this Agreement are intended to benefit the FHM property described in Exhibit "A" to this Agreement and other properties within City and shall be enforceable as equitable servitudes and as covenants running with the land. Upon execution, the Parties will record this Agreement in the Office of the Monterey County Recorder to provide notice of the terms of this Agreement.

SECTION 999.5(d)(6)

POSSIBLE EFFECT ON COMPETITION

(d)(6)(A)

(A) For any agreement or transaction for which a Premerger Notification and Report Form is required to be submitted to the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, a brief analysis of the possible effect of any proposed merger or acquisition of each health care facility or facility that provides similar health care services that is the subject of the agreement or transaction on competition and market share in any relevant product or geographic market.

(Not Applicable.)

SECTION 999.5(d)(7)

OTHER PUBLIC INTEREST FACTORS

(7) The written notice of any proposed agreement or transaction set forth in section 999.5(a)(1) of these regulations shall include a section entitled "Other Public Interest Factors" that contains any other information the applicant believes the Attorney General should consider in deciding whether the proposed agreement or transaction is in the public interest.

Given CNMH's dire cash flow situation (it is losing between $400,000 and $500,000 per month), it is essential that the sale of CNMH's assets be allowed to close as quickly as possible.

Timely approval of the sale is critical for Lake Park's and Forest Hill's residents because it will help prevent the need for residents to move from their homes. This will help avoid "transfer trauma," the sense of displacement, loneliness, and isolation often experienced by the elderly when forced to move away from family and friends. Studies show that transfer trauma can result in health declines and even death.

In addition, timely approval will help assure that former residents and their families will receive long-awaited repayment of their entrance fees upon the reletting of their apartments.

The sale of these communities will also protect CNMH's workforce, which currently includes 268 employees. Buyers have committed to offer employment or to cause their RCFE management companies and SNF operators to agree to offer employment to all qualified employees after review of their personnel files.

Finally, the sale is in best interest of the communities surrounding Lake Park and Forest Hill because it will help assure access to two well-run, financially sound senior care communities.

CNMH recognizes that the Attorney General also considers the effects of a proposed transaction on the availability and accessibility of cultural interests in the community, pursuant to California Corporations Code section 5917(j). CNMH does not tailor or target its services to serve a specific cultural group. Thus, the cultural interests consideration does not apply to this proposed transaction.

SECTION 999.5(d)(8)

BOARD RESOLUTION AUTHORIZING FILING

(8) The written notice of any proposed agreement or transaction set forth in section 999.5(a)(1) shall include a resolution of the board of directors of the applicant authorizing the filing of the written notice and a statement by the chair of the board that the contents of the written notice are true, accurate and complete.

Explanatory Statement

The parties have agreed to organize a limited liability company in accordance with the terms and subject to the conditions set forth in this Agreement.

1. DEFINED TERMS

The following capitalized terms shall have the respective meanings specified in this *Section 1*. Capitalized terms not defined in this Agreement shall have the meanings specified in the Act.

Except as otherwise provided in this Agreement, no Member nor Interest Holder shall have the right to receive the return of any Contribution or withdraw from the Company, except upon the dissolution of the Company.

3.5 Form of Return of Capital

If a Member or an Interest Holder is entitled to receive the return of a Contribution, the Company may distribute in lieu of money, notes, or other, property having a value equal to the amount of money distributable to such Person.

3.6 Capital Accounts

A separate Capital Account shall be maintained for each Member and Interest Holder.

3.7 Loans and Other Business Transactions

Any Member may, at any time, make or cause a loan to be made to the Company in any amount and on those terms upon which the Company and the Member agree. Members may also transact other business with the Company and, in doing so, they shall have the same rights and be subject to the same obligations arising out of any such business transaction as would be enjoyed by and imposed upon any Person, not a Member, engaged in a similar business transaction with the Company.

4. PROFIT, LOSS, AND DISTRIBUTION

4.1 Allocations of Profit or Loss and Distributions of Cash Other Than from Capital Transactions

4.1.1 Profit or Loss Other Than from a Capital Transaction

After giving effect to the special allocations set forth in *Section 4.3* "*Regulatory Allocations*", for any taxable year of the Company, Profit or Loss (other than Profit or Loss resulting from a Capital Transaction, which Profit or Loss shall be allocated in accordance with the provisions of *Sections 4.2.1* "*Profit*" and *4.2.2* "*Loss*") shall be allocated to the Interest Holders in proportion to their Percentages.

4.1.2 Cash Flow

Subject to the management and incentive fees payable to the General Manager under Section 5.3.2, Cash Flow for each taxable year of the Company shall be distributed to the Interest Holders in proportion to their Percentages no later than seventy-five (75) days after the end of the taxable year.

4.2 Allocation of Profit or Loss from a Capital Transaction

After giving effect to the special allocations set forth in *Section 4.3 "Regulatory Allocations"*, Profit and Loss from a Capital Transaction shall be allocated as follows. For purposes of this Section *4.2*, (a) Profit, if any, shall be allocated to payment of accrued interest outstanding attributable to each Interest Holder's Capital Account as specified in *Section 3.3* "*Interest on Contributions*" (b) Profit, if any remaining, and Loss shall be allocated prior to reducing

Capital Accounts by the distribution of the Proceeds from the Capital Transaction and (c) an Interest Holder's Capital Account shall be determined by crediting to each Interest Holder's Capital Account such Interest Holder's share of Minimum Gain and Member Nonrecourse Debt Minimum Gain remaining after such Capital Transaction.

4.2.1 Profit

Profit from a Capital Transaction shall be allocated among the Interest Holders in the following order of priority:

(a) First, if one or more Interest Holders has a Negative Capital Account, to those Interest Holders, in proportion to their Negative Capital Accounts, until all of those Negative Capital Accounts have been reduced to zero.

(b) Second, to the Interest Holders as necessary to cause each Interest Holder's Capital Account to equal its respective Adjusted Capital Balance.

(c) Third, any Profit in excess of the foregoing allocations shall be allocated to the Interest Holders in proportion to their Percentages.

4.2.2 Loss

Loss from a Capital Transaction shall be allocated among the Interest Holders in the following order of priority:

(a) First, to the Interest Holders, as necessary to cause the portion of their Capital Accounts, if any, exceeding their Adjusted Capital Balances, to be in the ratio of their Percentages.

(b) Second, to the Interest Holders in proportion to their Percentages as necessary to eliminate the excess of their respective Capital Accounts over their respective Adjusted Capital Balances.

(c) Third, to the Interest Holders in proportion to their Adjusted Capital Balances until all Positive Capital Accounts have been reduced to zero.

(d) Fourth, any Loss remaining shall be allocated to the Interest Holders in proportion to their Percentages.

4.2.3 Capital Proceeds

Except as provided in *Section 4.4* "*Liquidation and Dissolution*" with respect to the Distribution of Capital Proceeds derived in connection with liquidation of the Company, and subject to the management and incentive fees payable to the General Manager under Section 5.3.2, Capital Proceeds shall be distributed and applied by the Company in the following order and priority:

(a) To the payment of all expenses of the Company incident to the Capital Transaction; then

(b) To the payment of debts and liabilities of the Company then due and outstanding (including all debts due to any Interest Holder); then

(c) To the establishment of any reserves which the General Manager deems necessary for liabilities or obligations of the Company; then

(d) The balance shall be distributed as follows:

(i) To the Interest Holders in proportion to their Adjusted Capital Balances, until their remaining Adjusted Capital Balances have been paid in full;

(ii) The balance, to the Interest Holders in proportion to their Percentages.

4.2.4 Distributions To Partial Repayment Of Capital

If there is insufficient Profit or Loss from a Capital Transaction to allocate to the Interest Holders pursuant to any subsection of *Section 4.2* "*Allocation of Profit or Loss from a Capital Transaction*" to cause every Interest Holder's Capital Account balance to equal the entire Capital Account balance described in such subsection with respect to such Interest Holder, Profit or Loss from a Capital Transaction available to be allocated among the Interest Holders pursuant to said subsection shall be allocated in proportion to the amounts thereof that would have been allocated to each Interest Holder pursuant to such subsection if there had been sufficient amounts thereof to fully satisfy the requirements of such subsection with respect to every Interest Holder.

4.3 Regulatory Allocations

4.3.1 Impermissible Deficit and Qualified Income Offset

No Interest Holder shall be allocated Losses or deductions if the allocation causes the Interest Holder to have an Adjusted Capital Account Deficit; instead, such items shall be allocated to the other Interest Holders. If an Interest Holder for any reason (whether or not expected) receives (1) an allocation of Loss or deduction (or item thereof) or (2) any Distribution, which causes the Interest Holder to have an Adjusted Capital Account Deficit at the end of any taxable year, then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income, including gross income and gain) for that taxable year shall be allocated to that Interest Holder, before any other allocation is made of Company items for that taxable year (other than an allocation under *Section 4.3.2* "*Minimum Gain Chargebacks*"), in the amount and in proportions required to eliminate the excess as quickly as possible. This *Section 4.3.1* is intended to comply with, and shall be interpreted consistently with, the "alternate test for economic effect" and "qualified income offset" provisions of the Regulations promulgated under IRC Section 704(b).

4.3.2 Minimum Gain Chargebacks

In order to comply with the "minimum gain chargeback" requirements of Regulation Sections 1.704-2(f)(1) and 1.704-2(i)(4), and notwithstanding any other provision of this Agreement to the contrary, in the event there is a net decrease in an Interest Holder's share of Minimum Gain and/or Member Nonrecourse Debt Minimum Gain during a Company's taxable year, such Interest Holder shall be allocated items of income and gain for that year (and if necessary, other years) as required by and in accordance with Regulation Sections 1.704-2(f)(1) and 1.704-2(i)(4) before any other allocation is made. It is the intent of the parties hereto that any allocation pursuant to this *Section 4.3.2* shall constitute a "minimum gain chargeback" under Regulation Section 1.704-2(f) and 1.704-2(i)(4).

4.3.3 Contributed Property and Book-Ups

In accordance with IRC Section 704(c) and the Regulations thereunder, including Regulation Section 1.704-l(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Interest Holders so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of Contribution (or deemed Contribution). If the adjusted book value of any Company asset is adjusted under Regulation Section 1.704-1(b)(2)(iv)(f), subsequent allocations of income, gain, loss, and deduction with respect to the asset shall take account any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the manner required under IRC Section 704(c) and the Regulations thereunder. The parties hereto agree to use the traditional method with curative allocations, as described in Regulation Section 1.704-3(c), for making IRC Section 704(c) allocations.

4.3.4 IRC Section 754 Adjustment

To the extent an adjustment to the tax basis of any Company asset pursuant to IRC Section 734(b) or IRC Section 743(b) is required, pursuant to Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases basis), and the gain or loss shall be specially allocated to the Interest Holders in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Regulations.

4.3.5 Nonrecourse Deductions

Nonrecourse Deductions for a taxable year or other period shall be specially allocated among the Interest Holders in proportion to their Percentages.

4.3.6 Member Loan Nonrecourse Deductions

Any Member Loan Nonrecourse Deduction for any taxable year or other period shall be specially allocated to the Interest Holder who bears the risk of loss with respect to the loan to which the Member Loan Nonrecourse Deduction is attributable in accordance with Regulation Section 1.704-2(i).

4.3.7 Guaranteed Payments

To the extent any compensation paid to any Interest Holder by the Company, including any fees payable to any Interest Holder pursuant to *Section 5.3* "*Personal Service*" hereof, is determined by the Internal Revenue Service not to be a guaranteed payment under IRC Section 707(c) or is not paid to the Interest Holder other than in the Person's capacity as a partner (Interest Holder) within the meaning of IRC Section 707(a), the Interest Holder shall be specially allocated gross income of the Company in an amount equal to the amount of that compensation, and the Interest Holder's Capital Account shall be adjusted to reflect the payment of that compensation.

4.3.8 Unrealized Receivables

If an Interest Holder's Economic Interest is reduced (provided the reduction does not result in a complete termination of the Interest Holder's Interest), the Interest Holder's share of the Company's "unrealized receivables" and "substantially appreciated inventory" (within the meaning of IRC Section 751) shall not be reduced, so that, notwithstanding any other provision of this Agreement to the contrary, that portion of the Profit otherwise allocable upon a liquidation or dissolution of the Company pursuant to *Section 4.4* "*Liquidation and Dissolution*" hereof which is taxable as ordinary income (recaptured) for federal income tax purposes shall, to the extent possible without increasing the total gain to the Company or to any Interest Holder, be specially allocated among the Interest Holders in proportion to the deductions (or basis reductions treated as deductions) giving rise to such recapture.

4.3.9 Withholding

All amounts required to be withheld pursuant to IRC Section 1446 or any other provision of federal, state, or local tax law shall be treated as amounts actually distributed to the affected Interest Holders for all purposes under this Agreement.

4.3.10 Nonrecourse Liabilities

Solely for purposes of determining an Interest Holder's proportionate share of "excess nonrecourse liabilities" of the Company within the meaning of Regulation Section 1.752-3(a)(3), the Interest Holders' interest in Company profits shall be based on their respective Percentages.

4.3.11 Intent of Allocations

The tax allocation provisions of this Agreement are intended to produce final Capital Account Balances of the Interest Holders that will permit liquidating distributions that are made in accordance with such final Capital Account Balances under *Section 4.4.1* "*To Interest Holders Capital Balances*" to be equal to the Distributions that would occur under *Section 4.2.3* "Capital Proceeds" (in the same order and priority) if such liquidating proceeds were distributed pursuant to *Section. 4.2.3* To the extent that the tax allocation provisions of this Agreement would not produce such final Capital Account Balances, (1) such provisions shall be amended by the General Manager if and to the extent necessary to produce such result and (2) taxable income or taxable loss of the Company for prior open years (or items of gross income and deduction of the Company) shall be reallocated among the Interest Holders to the extent it is not possible to achieve such result with allocations of income (including gross income) and deduction for the current year and future years. This *Section 4.3.11* shall control notwithstanding any reallocation or adjustment of taxable income, taxable loss, or items thereof by the Internal Revenue Service or any other taxing authority.

4.3.12 Income Tax Provisions

The Interest Holders are aware of the income tax consequences of this *Section 4* and agree to be bound by these provisions in reporting their shares of Profit, Losses, and other items for federal and state income tax purposes.

4.4 Liquidation and Dissolution

4.4.1 To Interest Holders Capital Balances

Upon liquidation of the company, the assets of the Company shall be distributed to the Interest Holders in accordance with the positive balances in their respective Capital Accounts, after giving effect to all Contributions, Distributions,

and allocations for all periods. Distributions to the Interest Holders pursuant to this *Section 4.4.1* shall be made in accordance with Regulation Section 1.704-1(b)(2)(ii)(b)(2).

4.4.2 Effect Of Negative Capital Account

No Interest Holder shall be obligated to restore a Negative Capital Account.

4.5 General

4.5.1 General Manager's Discretion

Except as otherwise provided in this Agreement, the timing and amount of all Distributions shall be determined by the General Manager.

4.5.2 Distributions In Kind

If any assets of the Company are distributed in kind to the Interest Holders, those assets shall be valued on the basis of their fair market value, and any Interest Holder entitled to any interest in those assets shall receive that interest as a tenant-in-common with all other Interest Holders so entitled. Unless the Members otherwise agree, the fair market value of the assets shall be determined by an independent appraiser who shall be selected by the General Manager. The Profit or Loss for each unsold asset shall be determined as if the asset had been sold at its fair market value, and the Profit or Loss shall be allocated as provided in *Section 4.2* "*Allocation of Profit or Loss from a Capital Transaction*" and shall be properly credited or charged to the Capital Accounts of the Interest Holders prior to the Distribution of the assets in liquidation pursuant to *Section 4.4* "*Liquidation and Dissolution*".

4.5.3 Interest Holders Of Record

All Profit and Loss shall be allocated and all distributions shall be made to the Persons shown on the records of the Company to have been Interest Holders as of the last day of the taxable year for which the allocation or Distribution is to be made. Notwithstanding the foregoing, unless the Company's taxable year is separated into segments, if there is a Transfer or an Involuntary Withdrawal during the taxable year, the Profit and Loss shall be allocated between the original Interest Holder and the successor on the basis of the number of days each was an Interest Holder during the taxable year; provided, however, the Company's taxable year shall be segregated into two or more segments in order to account for Profit, Loss, or proceeds attributable to a Capital Transaction or to any other extraordinary non-recurring items of the Company.

4.5.4 Authority To Amend Regulations To Comply With Code

The General Manager is hereby authorized, upon the advice of the Company's tax counsel, to amend this *Section* 4 to comply with the Code and the Regulations promulgated under IRC Section 704(b); provided, however, that no amendment shall materially affect Distributions to an Interest Holder without the Interest Holder's prior written consent.

5. MANAGEMENT: RIGHTS, POWERS, AND DUTIES

5.1.1 General Manager

The Company shall be managed by a General Manager, who may, but need not be, a Member. Deepak Israni is hereby designated to serve as the initial General Manager.

(j) make any and all expenditures which the General Manager, in its sole discretion, deems necessary or appropriate in connection with the management of the affairs of the Company and the carrying out of its obligations and responsibilities under this Agreement, including, without limitation, expenditures for legal, accounting, and other related expenses incurred in connection with the organization, financing, and operation of the Company;

(k) enter into any kind of activity necessary to, in connection with, or incidental to, the accomplishment of the purposes of the Company; and

(l) invest and reinvest Company reserves in short-term instruments or money market funds.

5.1.3 Extraordinary Transactions

Notwithstanding anything to the contrary in this Agreement, without the approval of the Members the General Manager shall not have the power and authority to take any of the following actions:

(a) the admission of a Member to the Company;

(b) causing the Company to engage in business in any jurisdiction which does not provide for the registration of limited liability companies; and

5.1.4 Limitation on Authority of Members

No Member is an agent of the Company solely by virtue of being a Member, and no Member has authority to act for the Company solely by virtue of being a Member. This *Section5.1.4* supersedes any authority granted to the Members pursuant to Section §17703.01 of the Act. Any Member who takes any action or binds the Company in violation of this *Section5.1.4* shall be solely responsible for any loss and expense incurred by the Company as a result of the unauthorized action and shall indemnify and hold the Company harmless with respect to the loss or expense.

5.1.5 Removal of General Manager

The Members, at any time and from time to time and for any reason, may remove the General Manager then acting and elect a new General Manager by affirmative Vote of Members holding Percentages which aggregate not less than 51% of voting interests in the Company.

5.2 Meetings of and Voting by Members

5.2.1 Who May Call

A meeting of the Members may be called at any time by the General Manager or by those Members holding at least a Majority in Interest of the Members. Meetings of Members shall be held at the Company's principal place of business or at any other place in San Diego County, California, designated by the Person or Persons calling the meeting. Not less than ten (10) nor more than sixty (60) days before each meeting, the Person or Persons calling the meeting shall give written notice of the meeting to each Member entitled to Vote at the meeting. The notice shall state the time, place, and purpose of the meeting. Notwithstanding the foregoing provisions, each Member who is entitled to notice may waive notice, either before or after the meeting, by executing a waiver of such notice, or by appearing at and participating, in person or by proxy in the meeting. Unless this Agreement provides otherwise, at a meeting of Members, the presence in person or by Proxy of Members holding Percentages which aggregate to not less than fifty-one percent (51%) constitutes a quorum. A Member may Vote either in person or by written Proxy signed by the Member or by the Member's duly authorized attorney in fact.

5.2.2 When Majority Approvals Required

Except as otherwise provided in this Agreement, the affirmative Vote of Members holding a majority of the aggregate Percentages present at the meeting in person and by proxy shall be required to approve any matter coming before the Members.

5.2.3 Action By Written Consent

In lieu of holding a meeting, the Members may take action by written consents specifying the action to be taken, which consents must be executed and delivered to the Company by Members whose combined Voting Power constitutes not less than 51% of the total Voting Power of all Members. Any such approved action shall be effective immediately. The Company shall give prompt notice to all Members of any action approved by Members by less than unanimous consent.

5.2.4 When Extra Majority Approvals Required

The following matters shall require the Vote or consent of the percentage interest of Members indicated after each such item for such action to be approved by the Members:

(a) Approval of the transfer of a Membership Interest and admission of an Assignee as a Member: a majority of the non-transferring Member Managers.

(b) An amendment to the Articles of Organization or this Agreement (51%).

(c) Removal of the General Manager (51%).

5.3 Personal Service

5.3.1 No Requirement To Perform Services

No Member shall be required to perform services for the Company solely by virtue of being a Member. Unless approved by the General Manager, no Member shall perform services for the Company or be entitled to compensation for services performed for the Company.

5.3.2 Compensation Of General Manager

The General Manager shall be entitled to compensation in the amount of $1,500.00/month plus, after all Members have received distributions equal to their Contributions, a management incentive fee of fifteen percent (15%) of Cash Flow and/or cash available from any Capital Transaction. Upon substantiation of the amount and purpose thereof, the General Manager shall be entitled to reimbursement for expenses reasonably incurred, and advances reasonably made, in furtherance of the business of the Company.

5.4 Duties of Parties

5.4.1 General Manager To Devote Reasonable Time

The General Manager shall devote such time to the business and affairs of the Company as is necessary to carry out the General Manager's duties set forth in this Agreement.

5.4.2 No Restriction On Members Other Business Activities

Except as otherwise expressly provided in *Section 5.4.3* "*Manager's Fiduciary Duties Limited*", nothing in this Agreement shall be deemed to restrict in any way the rights of any Member, or of any Affiliate of any Member, to conduct any other business or activity whatsoever, and no Member shall be accountable to the Company or to any other Member with respect to that business or activity even if the business or activity competes with the Company's business. The organization of the Company shall be without prejudice to the Members' respective rights (or the rights of their respective Affiliates) to maintain, expand, or diversify such other interests and activities and to receive and enjoy profits or compensation therefrom. Each Member waives any rights the Member might otherwise have to share or participate in such other interests or activities of any other Member or the Member's Affiliates.

5.4.3 Manager's Fiduciary Duties Limited

The only fiduciary duties a Manager owes to the Company and the other Members are the duty of loyalty and the duty of care set forth in subdivisions (a) and (b):

(a) A Manager's duty of loyalty to the Company and the other Members is limited to the following:

(i) To account to the Company and hold as trustee for it any property, profit, or benefit derived by the Manager in the conduct or winding up of the Company's business or derived from a use by the Manager of Company property, including the appropriation of a Company opportunity, without the consent of the other Members;

(ii) To refrain from dealing with the Company in the conduct or winding up of the Company business as or on behalf of a party having an interest adverse to the Company without the consent of the other Members; and

(iii) To refrain from competing with the Company in the conduct of the Company business before the dissolution of the Company without the consent of the other Members.

(b) A Manager's duty of care to the Company and the other Members in the conduct and winding up of the Company business is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law.

5.4.4 Fiduciary Duties Of Members Limited

Members who are not Managers do not have, and shall not be deemed to have, fiduciary duties to the Company or the other Members except to the extent any such fiduciary duty shall be based upon or arise out of another relationship or contract between such Member and the person or entity asserting the existence of a fiduciary duty.

5.5 Indemnification of Each Manager

5.5.1 Liability Of Managers Limited

No Manager shall be liable, responsible, or accountable, in damages or otherwise, to any Member or to the Company for any act performed by such Manager within the scope of the authority conferred on such Manager by this Agreement, and within the standard of care specified in *Section 5.5.2* "*Company To Indemnify Managers*".

5.5.2 Company To Indemnify Managers

The Company shall indemnify each Manager for any act performed by the Manager within the scope of the authority conferred on the Manager by this Agreement, unless such act constitutes grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law.

5.6 Power of Attorney

5.6.1 Grant of Power

Each Member constitutes and appoints the General Manager as the Member's true and lawful attorney-in-fact ("Attorney-in-Fact"), and in the Member's name, place, and stead, to make, execute, sign, acknowledge, and file:

(a) one or more Articles of Organization;

(b) all documents (including amendments to Articles of Organization) which the Attorney-in-Fact deems appropriate to reflect any amendment, change, or modification of this Agreement;

(c) any and all other certificates or other instruments required to be filed by the Company under the laws of the State of California or of any other state or jurisdiction, including, without limitation, any certificate or other instruments necessary in order for the Company to continue to qualify as a Limited Liability Company under the laws of the State of California;

(d) one or more fictitious trade name certificates; and

(e) all documents which may be required to dissolve and terminate the Company and to cancel its Articles of Organization.

5.6.2 Irrevocability

The foregoing power of attorney is irrevocable and is coupled with an interest, and, to the extent permitted by applicable law, shall survive the death or disability of a Member. It also shall survive the Transfer of a Membership Interest, except that if the Assignee is admitted as a Member, this power of attorney shall survive the delivery of the assignment for the sole purpose of enabling the Attorney-in-Fact to execute, acknowledge, and file any documents needed to effectuate the substitution. Each Member shall be bound by any representations made by the Attorney-in-Fact acting in good faith pursuant to this power of attorney, and each Member hereby waives any and all defenses which may be available to contest, negate, or disaffirm the action of the Attorney-in-Fact taken in good faith under this power of attorney.

6. TRANSFER OF INTERESTS AND WITHDRAWALS OF MEMBERS

6.1 Transfers Of Membership Interests Restricted

Except as provided herein, no Member may Transfer all, or any portion of, or any interest or rights in, the Membership Interest owned by the Member. Each Member hereby acknowledges the reasonableness of this prohibition in view of the purposes of the Company and the relationship of the Members. The attempted Transfer of any portion or all of a Membership Interest in violation of the prohibition contained in this *Section 6.1* shall be deemed invalid, null and void, and of no force or effect, except any Transfer mandated by operation of law and then only to the extent necessary to give effect to such Transfer by operation of law. Notwithstanding anything to the contrary in this Section 6.1 or elsewhere in this Agreement, any Member who is a living person (as opposed to an entity) may transfer his or her Membership Interest and/or his or her Economic Interest to himself or herself and/or to his or her spouse, as trustee of a revocable family trust for estate planning purposes, without the consent of any other Member or Manager and without complying with any right of first refusal or other restriction on transfer; provided, however, written notice of such transfer shall first be given to the Manager before such transfer shall become effective.

6.1.1 Transfer Of Economic Interests Conditioned

A Member may Transfer all or any portion of or any interest or rights in the Member's Economic Interest if each of the following conditions ("Conditions of Transfer") is satisfied:

(a) the Transfer may be accomplished without registration, or similar process, under federal and state securities laws;

(b) the transferee delivers to the Company a written agreement to be bound by the terms of *Section 6* of this Agreement;

(c) the Transfer will not result in the termination of the Company pursuant to IRC Section 708;

(d) the Transfer will not result in the Company being subject to the Investment Company Act of 1940, as amended;

(e) the transferor or the transferee delivers the following information to the Company: (i) the transferee's taxpayer identification number; and (ii) the transferee's initial tax basis in the transferred Membership Interest; and

(f) the transferor complies with the provisions set forth in *Section 6.1.3* "Right of First Refusal".

6.1.2 Rights Of Transferee Of Economic Interest

If the Conditions of Transfer are satisfied, the Member may Transfer all or any portion of the Member's Economic Interest. The Transfer of an Economic Interest pursuant to this *Section 6.1* shall not result in the Transfer of any of the transferor's other Membership rights. The transferee of the Economic Interest shall have no right to: (i) become a Member; (ii) exercise any Membership rights other than those specifically pertaining to the ownership of an Economic Interest; or (iii) act as an agent of the Company.

6.1.3 Right of First Refusal

If a Member (a "Transferor") receives a bona fide written offer which the Member desires to accept (the "Transferee Offer") from any other Person, including another Member (a "Transferee") to purchase all or any portion of or any interest or rights in the Transferor's Economic Interest (the "Transferor Interest") then, prior to any Transfer of the Transferor's Interest, the Transferor shall give the Company written notice (the "Transfer Notice") containing each of the following:

(a) the Transferee's identify;

(b) a true and complete copy of the Transferee Offer; and

(c) the Transferor's offer (the "Offer") to sell the Transferor Interest to the Company for consideration equal to that contained in the Transferee Offer or, if the consideration specified in the Transferee Offer is not specified as cash, then for consideration in U.S. Dollars equal in value to the consideration specified in the Transferee Offer (the "Transfer Purchase Price").

(d) The Offer shall be and remain irrevocable for a period (the "Offer Period") ending at 11:59 P.M. local time at the Company's principal office, on the sixtieth (60th) day following the date the Transfer Notice is given to the Company. At any time during the Offer Period, the Company may accept the Offer by giving written notice to the Transferor of its acceptance (the "Offeree Notice"). The Transferor shall not be deemed a Member for the purpose of the Vote on whether the Company shall accept the Offer. If the Company accepts the Offer, the Offeree Notice shall fix a closing date (the "Transfer Closing Date") for the purchase, which shall not be earlier than ten (10) or more than sixty (60) days after the expiration of the Offer Period.

(e) If the Company accepts the Offer, the Transfer Purchase Price shall be paid on the Transfer Closing Date unless the Company elects prior to or on the Transfer Closing Date to pay the Transfer Purchase Price in installments pursuant to the provisions of *Section 6.2.2* "*Members Rights Following Voluntary Withdrawal*" of this Agreement.

(f) If the Company does not accept the Offer in its entirety within thirty (30) days after the Offer Date, the Company shall give immediate notice to that effect (the "Remaining Members Notice") to each Member, other than the Transferor (the "Remaining Members"). Such notice to the Remaining Members shall include a copy of the Transfer Notice and inform the Remaining Members of their right to purchase all, or a portion, of the Transferor Interest for a pro rata portion of the Transfer Purchase Price.

(g) The Remaining Members Notice shall be and remain irrevocable for the remainder of the Offer Period. At any time during such period, a Remaining Member may accept the offer by notifying the Transferor in writing that the Remaining Member intends to purchase all, but not less than all, of the Transferor Interest. If two (2) or more Remaining Members desire to accept the Offer, then, in the absence of an agreement between or among them, each such Remaining Member shall purchase the Transferor Interest in the proportion that such Member's respective Percentage bears to the total Percentages of all of the Remaining Members who desire to accept the Offer, adjusted to reflect the portion, if any, of the Transferor Interest to be purchased by the Company.

(h) If the Company and/or the Remaining Members (collectively, the "Purchasers") have accepted the Offer prior to the end of the Offer Period, any Purchaser may give written notice to that effect to the Transferor specifying a closing date (the "Transfer Closing Date") for the purchase which shall be no earlier than ten (10) nor later than sixty (60) days after the expiration of the Offer Period.

4. PROFIT, LOSS, AND DISTRIBUTION

4.1 Allocations of Profit or Loss and Distributions of Cash Other Than from Capital Transactions

4.1.1 Profit or Loss Other Than from a Capital Transaction

After giving effect to the special allocations set forth in *Section 4.3* "*Regulatory Allocations*", for any taxable year of the Company, Profit or Loss (other than Profit or Loss resulting from a Capital Transaction, which Profit or Loss shall be allocated in accordance with the provisions of *Sections 4.2.1* "*Profit*" and *4.2.2* "*Loss*") shall be allocated to the Interest Holders in proportion to their Percentages.

4.1.2 Cash Flow

Subject to the management and incentive fees payable to the General Manager under Section 5.3.2, Cash Flow for each taxable year of the Company shall be distributed to the Interest Holders in proportion to their Percentages no later than seventy-five (75) days after the end of the taxable year.

4.2 Allocation of Profit or Loss from a Capital Transaction

After giving effect to the special allocations set forth in *Section 4.3 "Regulatory Allocations"*, Profit and Loss from a Capital Transaction shall be allocated as follows. For purposes of this Section *4.2*, (a) Profit, if any, shall be allocated to payment of accrued interest outstanding attributable to each Interest Holder's Capital Account as specified in *Section 3.3* "*Interest on Contributions*" (b) Profit, if any remaining, and Loss shall be allocated prior to reducing

Capital Accounts by the distribution of the Proceeds from the Capital Transaction and (c) an Interest Holder's Capital Account shall be determined by crediting to each Interest Holder's Capital Account such Interest Holder's share of Minimum Gain and Member Nonrecourse Debt Minimum Gain remaining after such Capital Transaction.

4.2.1 Profit

Profit from a Capital Transaction shall be allocated among the Interest Holders in the following order of priority:

(a) First, if one or more Interest Holders has a Negative Capital Account, to those Interest Holders, in proportion to their Negative Capital Accounts, until all of those Negative Capital Accounts have been reduced to zero.

(c) Third, any Profit in excess of the foregoing allocations shall be allocated to the Interest Holders in proportion to their Percentages.

4.2.2 Loss

Loss from a Capital Transaction shall be allocated among the Interest Holders in the following order of priority:

(a) First, to the Interest Holders, as necessary to cause the portion of their Capital Accounts, if any, exceeding their Adjusted Capital Balances, to be in the ratio of their Percentages.

(b) Second, to the Interest Holders in proportion to their Percentages as necessary to eliminate the excess of their respective Capital Accounts over their respective Adjusted Capital Balances.

(c) Third, to the Interest Holders in proportion to their Adjusted Capital Balances until all Positive Capital Accounts have been reduced to zero.

4.2.4 Distributions To Partial Repayment Of Capital

If there is insufficient Profit or Loss from a Capital Transaction to allocate to the Interest Holders pursuant to any subsection of *Section 4.2* "*Allocation of Profit or Loss from a Capital Transaction*" to cause every Interest Holder's Capital Account balance to equal the entire Capital Account balance described in such subsection with respect to such Interest Holder, Profit or Loss from a Capital Transaction available to be allocated among the Interest Holders pursuant to said subsection shall be allocated in proportion to the amounts thereof that would have been allocated to each Interest Holder pursuant to such subsection if there had been sufficient amounts thereof to fully satisfy the requirements of such subsection with respect to every Interest Holder.

4.3 Regulatory Allocations

4.3.1 Impermissible Deficit and Qualified Income Offset

No Interest Holder shall be allocated Losses or deductions if the allocation causes the Interest Holder to have an Adjusted Capital Account Deficit; instead, such items shall be allocated to the other Interest Holders. If an Interest Holder for any reason (whether or not expected) receives (1) an allocation of Loss or deduction (or item thereof) or (2) any Distribution, which causes the Interest Holder to have an Adjusted Capital Account Deficit at the end of any taxable year, then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income, including gross income and gain) for that taxable year shall be allocated to that Interest Holder, before any other allocation is made of Company items for that taxable year (other than an allocation under *Section 4.3.2* "*Minimum Gain Chargebacks*"), in the amount and in proportions required to eliminate the excess as quickly as possible. This *Section 4.3.1* is intended to comply with, and shall be interpreted consistently with, the "alternate test for economic effect" and "qualified income offset" provisions of the Regulations promulgated under IRC Section 704(b).

4.3.2 Minimum Gain Chargebacks

In order to comply with the "minimum gain chargeback" requirements of Regulation Sections 1.704-2(f)(1) and 1.704-2(i)(4), and notwithstanding any other provision of this Agreement to the contrary, in the event there is a net decrease in an Interest Holder's share of Minimum Gain and/or Member Nonrecourse Debt Minimum Gain during a Company's taxable year, such Interest Holder shall be allocated items of income and gain for that year (and if necessary, other years) as required by and in accordance with Regulation Sections 1.704-2(f)(1) and 1.704-2(i)(4) before any other allocation is made. It is the intent of the parties hereto that any allocation pursuant to this *Section 4.3.2* shall constitute a "minimum gain chargeback" under Regulation Section 1.704-2(f) and 1.704-2(i)(4).

4.3.3 Contributed Property and Book-Ups

In accordance with IRC Section 704(c) and the Regulations thereunder, including Regulation Section 1.704-l(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Interest Holders so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of Contribution (or deemed Contribution). If the adjusted book value of any Company asset is adjusted under Regulation Section 1.704-1(b)(2)(iv)(f), subsequent allocations of income, gain, loss, and deduction with respect to the asset shall take account any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the manner required under IRC Section 704(c) and the Regulations thereunder. The parties hereto agree to use the traditional method with curative allocations, as described in Regulation Section 1.704-3(c), for making IRC Section 704(c) allocations.

4.3.4 IRC Section 754 Adjustment

To the extent an adjustment to the tax basis of any Company asset pursuant to IRC Section 734(b) or IRC Section 743(b) is required, pursuant to Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of the adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases basis), and the gain or loss shall be specially allocated to the Interest Holders in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to that Section of the Regulations.

4.3.5 Nonrecourse Deductions

Nonrecourse Deductions for a taxable year or other period shall be specially allocated among the Interest Holders in proportion to their Percentages.

4.3.6 Member Loan Nonrecourse Deductions

Any Member Loan Nonrecourse Deduction for any taxable year or other period shall be specially allocated to the Interest Holder who bears the risk of loss with respect to the loan to which the Member Loan Nonrecourse Deduction is attributable in accordance with Regulation Section 1.704-2(i).

4.3.7 Guaranteed Payments

To the extent any compensation paid to any Interest Holder by the Company, including any fees payable to any Interest Holder pursuant to *Section 5.3* "*Personal Service*" hereof, is determined by the Internal Revenue Service not to be a guaranteed payment under IRC Section 707(c) or is not paid to the Interest Holder other than in the Person's capacity as a partner (Interest Holder) within the meaning of IRC Section 707(a), the Interest Holder shall be specially allocated gross income of the Company in an amount equal to the amount of that compensation, and the Interest Holder's Capital Account shall be adjusted to reflect the payment of that compensation.

4.3.8 Unrealized Receivables

If an Interest Holder's Economic Interest is reduced (provided the reduction does not result in a complete termination of the Interest Holder's Interest), the Interest Holder's share of the Company's "unrealized receivables" and "substantially appreciated inventory" (within the meaning of IRC Section 751) shall not be reduced, so that, notwithstanding any other provision of this Agreement to the contrary, that portion of the Profit otherwise allocable upon a liquidation or dissolution of the Company pursuant to *Section 4.4* "*Liquidation and Dissolution*" hereof which is taxable as ordinary income (recaptured) for federal income tax purposes shall, to the extent possible without increasing the total gain to the Company or to any Interest Holder, be specially allocated among the Interest Holders in proportion to the deductions (or basis reductions treated as deductions) giving rise to such recapture.

4.3.9 Withholding

All amounts required to be withheld pursuant to IRC Section 1446 or any other provision of federal, state, or local tax law shall be treated as amounts actually distributed to the affected Interest Holders for all purposes under this Agreement.

4.3.10 Nonrecourse Liabilities

Solely for purposes of determining an Interest Holder's proportionate share of "excess nonrecourse liabilities" of the Company within the meaning of Regulation Section 1.752-3(a)(3), the Interest Holders' interest in Company profits shall be based on their respective Percentages.

4.3.11 Intent of Allocations

The tax allocation provisions of this Agreement are intended to produce final Capital Account Balances of the Interest Holders that will permit liquidating distributions that are made in accordance with such final Capital Account Balances under *Section 4.4.1* "*To Interest Holders Capital Balances*" to be equal to the Distributions that would occur under *Section 4.2.3* "Capital Proceeds" (in the same order and priority) if such liquidating proceeds were distributed pursuant to *Section. 4.2.3* To the extent that the tax allocation provisions of this Agreement would not produce such final Capital Account Balances, (1) such provisions shall be amended by the General Manager if and to the extent necessary to produce such result and (2) taxable income or taxable loss of the Company for prior open years (or items of gross income and deduction of the Company) shall be reallocated among the Interest Holders to the extent it is not possible to achieve such result with allocations of income (including gross income) and deduction for the current year and future years. This *Section 4.3.11* shall control notwithstanding any reallocation or adjustment of taxable income, taxable loss, or items thereof by the Internal Revenue Service or any other taxing authority.

4.3.12 Income Tax Provisions

The Interest Holders are aware of the income tax consequences of this *Section 4* and agree to be bound by these provisions in reporting their shares of Profit, Losses, and other items for federal and state income tax purposes.

4.4 Liquidation and Dissolution

4.4.1 To Interest Holders Capital Balances

Upon liquidation of the company, the assets of the Company shall be distributed to the Interest Holders in accordance with the positive balances in their respective Capital Accounts, after giving effect to all Contributions, Distributions,

and allocations for all periods. Distributions to the Interest Holders pursuant to this *Section 4.4.1* shall be made in accordance with Regulation Section 1.704-1(b)(2)(ii)(b)(2).

4.4.2 Effect Of Negative Capital Account

No Interest Holder shall be obligated to restore a Negative Capital Account.

4.5 General

4.5.1 General Manager's Discretion

Except as otherwise provided in this Agreement, the timing and amount of all Distributions shall be determined by the General Manager.

4.5.2 Distributions In Kind

If any assets of the Company are distributed in kind to the Interest Holders, those assets shall be valued on the basis of their fair market value, and any Interest Holder entitled to any interest in those assets shall receive that interest as a tenant-in-common with all other Interest Holders so entitled. Unless the Members otherwise agree, the fair market value of the assets shall be determined by an independent appraiser who shall be selected by the General Manager. The Profit or Loss for each unsold asset shall be determined as if the asset had been sold at its fair market value, and the Profit or Loss shall be allocated as provided in *Section 4.2* "*Allocation of Profit or Loss from a Capital Transaction*" and shall be properly credited or charged to the Capital Accounts of the Interest Holders prior to the Distribution of the assets in liquidation pursuant to *Section 4.4* "*Liquidation and Dissolution*".

4.5.3 Interest Holders Of Record

All Profit and Loss shall be allocated and all distributions shall be made to the Persons shown on the records of the Company to have been Interest Holders as of the last day of the taxable year for which the allocation or Distribution is to be made. Notwithstanding the foregoing, unless the Company's taxable year is separated into segments, if there is a Transfer or an Involuntary Withdrawal during the taxable year, the Profit and Loss shall be allocated between the original Interest Holder and the successor on the basis of the number of days each was an Interest Holder during the taxable year; provided, however, the Company's taxable year shall be segregated into two or more segments in order to account for Profit, Loss, or proceeds attributable to a Capital Transaction or to any other extraordinary non-recurring items of the Company.

4.5.4 Authority To Amend Regulations To Comply With Code

The General Manager is hereby authorized, upon the advice of the Company's tax counsel, to amend this *Section* 4 to comply with the Code and the Regulations promulgated under IRC Section 704(b); provided, however, that no amendment shall materially affect Distributions to an Interest Holder without the Interest Holder's prior written consent.

Unless this Agreement provides otherwise, at a meeting of Members, the presence in person or by Proxy of Members holding Percentages which aggregate to not less than fifty-one percent (51%) constitutes a quorum. A Member may Vote either in person or by written Proxy signed by the Member or by the Member's duly authorized attorney in fact.

5.4 Duties of Parties

5.4.1 General Manager To Devote Reasonable Time

The General Manager shall devote such time to the business and affairs of the Company as is necessary to carry out the General Manager's duties set forth in this Agreement.

5.4.2 No Restriction On Members Other Business Activities

Except as otherwise expressly provided in *Section 5.4.3* "*Manager's Fiduciary Duties Limited*", nothing in this Agreement shall be deemed to restrict in any way the rights of any Member, or of any Affiliate of any Member, to conduct any other business or activity whatsoever, and no Member shall be accountable to the Company or to any other Member with respect to that business or activity even if the business or activity competes with the Company's business. The organization of the Company shall be without prejudice to the Members' respective rights (or the rights of their respective Affiliates) to maintain, expand, or diversify such other interests and activities and to receive and enjoy profits or compensation therefrom. Each Member waives any rights the Member might otherwise have to share or participate in such other interests or activities of any other Member or the Member's Affiliates.

5.4.3 Manager's Fiduciary Duties Limited

The only fiduciary duties a Manager owes to the Company and the other Members are the duty of loyalty and the duty of care set forth in subdivisions (a) and (b):

(a) A Manager's duty of loyalty to the Company and the other Members is limited to the following:

5.4.4 Fiduciary Duties Of Members Limited

Members who are not Managers do not have, and shall not be deemed to have, fiduciary duties to the Company or the other Members except to the extent any such fiduciary duty shall be based upon or arise out of another relationship or contract between such Member and the person or entity asserting the existence of a fiduciary duty.

5.5 Indemnification of Each Manager

5.5.1 Liability Of Managers Limited

No Manager shall be liable, responsible, or accountable, in damages or otherwise, to any Member or to the Company for any act performed by such Manager within the scope of the authority conferred on such Manager by this Agreement, and within the standard of care specified in *Section 5.5.2* "*Company To Indemnify Managers*".

Each Member constitutes and appoints the General Manager as the Member's true and lawful attorney-in-fact ("Attorney-in-Fact"), and in the Member's name, place, and stead, to make, execute, sign, acknowledge, and file:

(a) one or more Articles of Organization;

(b) all documents (including amendments to Articles of Organization) which the Attorney-in-Fact deems appropriate to reflect any amendment, change, or modification of this Agreement;

(c) any and all other certificates or other instruments required to be filed by the Company under the laws of the State of California or of any other state or jurisdiction, including, without limitation, any certificate or other instruments necessary in order for the Company to continue to qualify as a Limited Liability Company under the laws of the State of California;

(d) one or more fictitious trade name certificates; and

5.6.2 Irrevocability

The foregoing power of attorney is irrevocable and is coupled with an interest, and, to the extent permitted by applicable law, shall survive the death or disability of a Member. It also shall survive the Transfer of a Membership Interest, except that if the Assignee is admitted as a Member, this power of attorney shall survive the delivery of the assignment for the sole purpose of enabling the Attorney-in-Fact to execute, acknowledge, and file any documents needed to effectuate the substitution. Each Member shall be bound by any representations made by the Attorney-in-Fact acting in good faith pursuant to this power of attorney, and each Member hereby waives any and all defenses which may be available to contest, negate, or disaffirm the action of the Attorney-in-Fact taken in good faith under this power of attorney.

6. TRANSFER OF INTERESTS AND WITHDRAWALS OF MEMBERS

6.1 Transfers Of Membership Interests Restricted

Except as provided herein, no Member may Transfer all, or any portion of, or any interest or rights in, the Membership Interest owned by the Member. Each Member hereby acknowledges the reasonableness of this prohibition in view of the purposes of the Company and the relationship of the Members. The attempted Transfer of any portion or all of a Membership Interest in violation of the prohibition contained in this *Section 6.1* shall be deemed invalid, null and void, and of no force or effect, except any Transfer mandated by operation of law and then only to the extent necessary to give effect to such Transfer by operation of law. Notwithstanding anything to the contrary in this Section 6.1 or elsewhere in this Agreement, any Member who is a living person (as opposed to an entity) may transfer his or her Membership Interest and/or his or her Economic Interest to himself or herself and/or to his or her spouse, as trustee of a revocable family trust for estate planning purposes, without the consent of any other Member or Manager and without complying with any right of first refusal or other restriction on transfer; provided, however, written notice of such transfer shall first be given to the Manager before such transfer shall become effective.

6.1.1 Transfer Of Economic Interests Conditioned

A Member may Transfer all or any portion of or any interest or rights in the Member's Economic Interest if each of the following conditions ("Conditions of Transfer") is satisfied:

(a) the Transfer may be accomplished without registration, or similar process, under federal and state securities laws;

(d) the Transfer will not result in the Company being subject to the Investment Company Act of 1940, as amended;

(e) the transferor or the transferee delivers the following information to the Company: (i) the transferee's taxpayer identification number; and (ii) the transferee's initial tax basis in the transferred Membership Interest; and

(f) the transferor complies with the provisions set forth in *Section 6.1.3* "Right of First Refusal".

6.1.2 Rights Of Transferee Of Economic Interest

If the Conditions of Transfer are satisfied, the Member may Transfer all or any portion of the Member's Economic Interest. The Transfer of an Economic Interest pursuant to this *Section 6.1* shall not result in the Transfer of any of the transferor's other Membership rights. The transferee of the Economic Interest shall have no right to: (i) become a Member; (ii) exercise any Membership rights other than those specifically pertaining to the ownership of an Economic Interest; or (iii) act as an agent of the Company.

6.1.3 Right of First Refusal

If a Member (a "Transferor") receives a bona fide written offer which the Member desires to accept (the "Transferee Offer") from any other Person, including another Member (a "Transferee") to purchase all or any portion of or any interest or rights in the Transferor's Economic Interest (the "Transferor Interest") then, prior to any Transfer of the Transferor's Interest, the Transferor shall give the Company written notice (the "Transfer Notice") containing each of the following:

(a) the Transferee's identify;

(b) a true and complete copy of the Transferee Offer; and

(c) the Transferor's offer (the "Offer") to sell the Transferor Interest to the Company for consideration equal to that contained in the Transferee Offer or, if the consideration specified in the Transferee Offer is not specified as cash, then for consideration in U.S. Dollars equal in value to the consideration specified in the Transferee Offer (the "Transfer Purchase Price").

(d) The Offer shall be and remain irrevocable for a period (the "Offer Period") ending at 11:59 P.M. local time at the Company's principal office, on the sixtieth (60th) day following the date the Transfer Notice is given to the Company. At any time during the Offer Period, the Company may accept the Offer by giving written notice to the Transferor of its acceptance (the "Offeree Notice"). The Transferor shall not be deemed a Member for the purpose of the Vote on whether the Company shall accept the Offer. If the Company accepts the Offer, the Offeree Notice shall fix a closing date (the "Transfer Closing Date") for the purchase, which shall not be earlier than ten (10) or more than sixty (60) days after the expiration of the Offer Period.

(e) If the Company accepts the Offer, the Transfer Purchase Price shall be paid on the Transfer Closing Date unless the Company elects prior to or on the Transfer Closing Date to pay the Transfer Purchase Price in installments pursuant to the provisions of *Section 6.2.2* "*Members Rights Following Voluntary Withdrawal*" of this Agreement.

(f) If the Company does not accept the Offer in its entirety within thirty (30) days after the Offer Date, the Company shall give immediate notice to that effect (the "Remaining Members Notice") to each Member, other than the Transferor (the "Remaining Members"). Such notice to the Remaining Members shall include a copy of the Transfer Notice and inform the Remaining Members of their right to purchase all, or a portion, of the Transferor Interest for a pro rata portion of the Transfer Purchase Price.

(g) The Remaining Members Notice shall be and remain irrevocable for the remainder of the Offer Period. At any time during such period, a Remaining Member may accept the offer by notifying the Transferor in writing that the Remaining Member intends to purchase all, but not less than all, of the Transferor Interest. If two (2) or more Remaining Members desire to accept the Offer, then, in the absence of an agreement between or among them, each such Remaining Member shall purchase the Transferor Interest in the proportion that such Member's respective Percentage bears to the total Percentages of all of the Remaining Members who desire to accept the Offer, adjusted to reflect the portion, if any, of the Transferor Interest to be purchased by the Company.

(h) If the Company and/or the Remaining Members (collectively, the "Purchasers") have accepted the Offer prior to the end of the Offer Period, any Purchaser may give written notice to that effect to the Transferor specifying a closing date (the "Transfer Closing Date") for the purchase which shall be no earlier than ten (10) nor later than sixty (60) days after the expiration of the Offer Period.

(i) On the Transfer Closing Date the Purchasers shall pay the Transfer Purchase Price unless the Purchasers elect prior to or on the Transfer Closing Date to pay the Transfer Purchase Price in installments pursuant to the provisions of *Section 6.2.2 "Members Rights Following Voluntary Withdrawal"* of this Agreement.

(j) If neither the Company nor any Remaining Member accepts the Offer (within the time and in the manner specified in this Section), then the Transferor shall be free for a period (the "Permitted Transfer Period") of thirty (30) days after the expiration of the Offer Period to Transfer the Transferor Interest to the Transferee, for the same or greater price and on the same terms and conditions as set forth in the Transfer Notice. The Transfer shall be subject, however, to the Conditions of Transfer. If the Transferor does not Transfer the Transferor's Interest within the Permitted Transfer Period, the Transferor's right to Transfer the Transferor Interest pursuant to this Section shall cease and terminate.

(k) Any Transfer by the Transferor after the last day of the Permitted Transfer Period or without strict compliance with the terms, provisions, and conditions of this Section and the other terms, provisions, and conditions of this Agreement, shall be null and void and of no force or effect.

Dear Lake Park Residents and Families,

We are pleased to announce that we have entered into an agreement to sell Lake Park. On February 8, 2022, the judge in the California-Nevada Methodist Homes (CNMH) bankruptcy case entered an order approving the sale.

The buyer, Lake Merritt Senior Living LLC (the "Buyer"), shares our commitment to enhance the quality of life of our residents and honor our promises to you. As part of the sale, the Buyer will agree to assume and honor our agreements with you, including the repayment obligations. It also plans to make improvements at Lake Park. Most importantly, the Buyer has committed to continue our caring culture.

We are also excited to share that the Buyer is currently finalizing agreements with two different management companies. The Buyer has selected Northstar Senior Living (Northstar) to manage the residential care portion of Lake Park and Aspen Skilled Healthcare or an entity created by Aspen (Aspen) to manage the skilled nursing facility. Both managers have a considerable presence in California and are known to state regulators (the California Departments of Social Services and Public Health, respectively). Both organizations are widely respected and experienced in senior care.

As you can imagine, this transition will require us to clear several regulatory hurdles. The ownership transition may take six or seven months to complete, depending on how long the various public agencies take to issue approvals. At closing, Northstar and Aspen will manage Lake Park.

We understand that changes, even positive ones, can raise questions. The Buyer plans to host multiple meetings with you and your families in the coming months so that you can get acquainted with each other.

We hope to make this transition as smooth as possible for you and your families. We, the Buyer, and its management team will collaborate to avoid any disruption in service and to assure that you continue to receive quality care and services. To facilitate a smooth transition, the Buyer and its management team expect to offer jobs to substantially all Lake Park employees, subject to these companies' usual and customary hiring practices and policies.

Thank you very much for allowing us to serve you over the years. It has been our honor and privilege. As always, Tammy Hauck, your Executive Director, is available to answer any questions.

Yours truly,

As you can imagine, this transition will require us to clear several regulatory hurdles. The ownership transition may take six or seven months to complete, depending on how long the various public agencies take to issue approvals. At closing, Northstar and Aspen will manage Lake Park.

We understand that changes, even positive ones, can raise questions. The Buyer and/or its managers plan to host multiple meetings with staff in the coming months so that you can get acquainted with each other.

We hope to make this transition as smooth as possible for our residents and our staff. We, the Buyer, and its management team will collaborate to avoid any disruption at Lake Park.

Thank you very much for your hard work, your concern for our residents, and your loyalty. As always, Tammy Hauck, your Executive Director, is available to answer any questions.

Yours truly,

Forest Hill
SENIOR LIVING. COASTAL LIFESTYLE.

February 22, 2022

Dear Forest Hill Team Members,

We are pleased to announce that we have entered into an agreement to sell Forest Hill. On February 8, 2022, the judge in the California-Nevada Methodist Homes (CNMH) bankruptcy case entered an order approving the sale.

The buyer, Pacific Grove Senior Living LLC (the "Buyer"), shares our commitment to enhance the quality of life of our residents and to continue our caring culture. The Buyer will own and operate Forest Hill.

In addition, the Buyer is committed to offering jobs to substantially all Forest Hill employees, subject to its usual and customary hiring practices and policies.

As you can imagine, this transition will require us to clear several regulatory hurdles. The ownership transition may take six or seven months to complete, depending on how long the various public agencies take to issue approvals.

We understand that changes, even positive ones, can raise questions. The Buyer plans to host multiple meetings with staff in the coming months so that you can get acquainted with each other.

We hope to make this transition as smooth as possible for our residents and our staff. We and the Buyer will collaborate to avoid any disruption at Forest Hill.

Thank you very much for your hard work, your concern for our residents, and your loyalty. As always, Sarah Ehret, your Executive Director, is available to answer any questions.

Re: Notice of Proposed Sale of Assets of California-Nevada Methodist Homes
(Our File 9736.37)

Dear Katie and Craig,

On behalf of California-Nevada Methodist Homes ("CNMH"), I am providing you with this notice of sale as required by California Health and Safety Code Section 1789.4. You and your counsel are already aware of much of this information through filings made in CNMH's Chapter 11 bankruptcy case before the United States Bankruptcy Court, Northern District of California, Oakland Division (Case # 21-40363) .

On February 2, 2022, Hanson Bridgett as debtor's counsel conducted an auction for the sale of substantially all of the assets of CNMH. The prevailing bidder was Pacifica Companies, LLC ("Pacifica"). On February 4, 2022, the bankruptcy judge heard CNMH's motion to approve the sale to Pacifica, and on February 8, 2022, the judge entered an order approving Pacifica as the purchaser on the terms set forth in a purchase and sale agreement ("Sale Agreement") provided to the Bankruptcy Court. You have a copy of this agreement.

Under the Sale Agreement, Pacifica reserves the right to assign its rights and obligations under the agreement to other entities. Pacifica currently plans to create a single purpose limited liability company for each of CNMH's continuing care retirement communities. It plans to self-manage Forest Hill but to engage managers to operate the RCFE and SNF portions of Lake Park. Northstar Senior Living is slated to manage the RCFE and a new LLC created by Aspen Skilled Healthcare is slated to manage the SNF. Both entities have a considerable presence in California and are known to DPH and DSS, as applicable. We understand that Pacifica and/or its managers intend to offer employment to substantially all Lake Park and Forest Hill employees, subject to their usual and customary hiring practices.

Pacifica plans to assume various liabilities of CNMH in exchange for the transfer of substantially all of CNMH's assets to the buyers. The details are contained in the Sale Agreement. In

exchange for this assumption, including fulfilling CNMH's contractual obligations to residents, Pacifica will receive virtually all of CNMH's assets.

There will be a wind-down period after the closing to allow the transition to be completed, including issuance of the SNF licenses and CMS provider agreements and, ultimately, the dissolution and winding up of CNMH.

Pacifica is in the process of preparing applications to DSS (Certificates of Authority and RCFE licenses), DPH (SNF licenses), and CMS (Medicare CHOWs). Our firm is preparing the notice to the Attorney General, which we project will be submitted on or about April 11, 2022. Because CNMH is selling multiple health facilities, the Attorney General has advised us that it plans to add to the minimum 90-day review process an additional 45-day review period. It is also not uncommon for the Attorney General to request additional information, which could delay its review. Additional extension requests are also relatively common. California law requires a public hearing in both Monterey and Alameda Counties in connection with the sale. We will do what we can to provide timely information so as not to be the source of delay.

We respectfully request that the Department do whatever it can to expedite review of the RCFE license applications and applications for Certificates of Authority that it receives in connection with Lake Park and Forest Hill.

Please do not hesitate to contact me if you have any questions.

Thank you in advance for your efforts on this matter.

Very truly yours,

March 31, 2022

Dear Forest Hill SNF Residents and Families,

As we have advised you, we have entered into an agreement to sell Forest Hill. The purpose of this disclosure notice is to provide you with information specifically about future changes at our skilled nursing facility ("SNF").

As we previously advised you, the buyer of Forest Hill is Pacific Grove Senior Living LLC, a California limited liability company ("the Buyer"). Deepak Israni is the initial general manager. The Buyer's address is 1775 Hancock Street, Suite 200, San Diego, CA 92110.

The Buyer is currently finalizing an operating lease with 551 Gibson Ave SNF, LLC, a California limited liability company ("Gibson"), to serve as the licensed operator of the SNF. Gibson is a wholly owned subsidiary of Buena Vista Healthcare, LLC, a California limited liability company formed in 2019 ("BVHC") . BVHC has a considerable presence in California and is known to the Department of Public Health. It is also widely respected and experienced in nursing care. Independent Auditors' Report

Board of Trustees
California-Nevada Methodist Homes

We have audited the accompanying financial statements of California-Nevada Methodist Homes (a California not-for-profit corporation), which comprise the statements of financial position as of June 30, 2020 and June 30, 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of California-Nevada Methodist Homes as of June 30, 2020 and June 30, 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information, Statements of Unrestricted Revenue and Expenses by Division, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

CALIFORNIA-NEVADA METHODIST HOMES

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2020 AND JUNE 30, 2019

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of activities:

California-Nevada Methodist Homes (the Corporation) is a non-profit charitable corporation with a primary mission of enhancing the well-being of seniors for the remaining years of their lives through the creation and ethical administration of residential and health care facilities in which the independence, dignity, traditional values and individual rights of each person are held in high regard.

Financial statement presentation:

On August 18,2016, the FASB issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958)- Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Foundation has implemented ASU 2016-14 and have adjusted the presentation in these financial statements accordingly. The ASU has been applied retrospectively to all periods presented.

The Corporation reports information regarding its financial position and its activities according to the following net asset classifications: without donor restrictions (including board designated amounts) and with donor restrictions. Net assets with donor restrictions are reclassified to without donor restrictions upon satisfaction of the time or purpose restrictions.

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, current support and net assets of the Corporation and changes therein are classified and reported according to their respective restriction or lack thereof.

See Note 16 for a summary of net assets with donor restrictions as of June 30, 2020 and 2019.

Cash and cash equivalents:

Cash and cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

Accounts receivable:

Accounts receivable represent amounts billed but not yet collected. The Corporation provides an allowance for doubtful accounts based on management's evaluation of a current aging of the accounts. It is the corporation's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Investments:

The Corporation reports investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

The Corporation invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investments (continued):

Professional accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Corporation has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data, by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Equity securities, debt securities, and U.S. government securities*:* Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Corporation believes its valuation methods are appropriate and consistent with other participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Depreciation:

The Corporation computes depreciation on its property and equipment using the straight-line method of accounting over useful lives ranging from 3 to 50 years.

Depreciation is a non-cash adjustment to assets on the "Statement of Financial Position". As of June 30, 2020, cumulative depreciation is $44,611,306 (see Note 9).

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Amortization of deferred income - entrance fees:

The Entrance Fee and Continuing Care Agreements between the Corporation and the residents provide for the payment of an entrance fee. Entrance fees are used for general purposes, including support of operations, debt retirement and capital acquisitions. Repayable entrance fees are held on the balance sheet and not amortized. The amortizable fees are recognized as revenue on a straight-line method of accounting over the expected remaining life of the residents as recomputed actuarially at the end of each year. In the case of repayable entrance fee contracts, and upon the death of the resident, the unamortized amount of the entrance fee taken into income is reduced by the amount of the repayment embodied in the contract.

Deferred revenue from entrance fees is treated as a long-term liability on the "Statement of Financial Position". Only a portion of this deferred revenue, however, is subject to repayment provisions. As of June 30, 2020, the amount of deferred revenue not subject to repayment provisions is $7,362,546 (see Note 14).

Amortization of bond issuance cost:

Certain costs related to the bond issue have been capitalized and are being amortized using the straight-line method over the life of the bond. Debt issuance costs are presented as a direct reduction form the carrying amount of the debt liability. These costs are amortized to interest expense over the term of the respective bond outstanding.

Amortization of bond premium:

The premium on issuance of the bonds is being amortized to offset interest expense over the life of the bonds.

Income taxes:

The Corporation has received tax-exempt status under the Internal Revenue Code Section 501(c)(3) and under the California Revenue Code Section 23701(d).

Reclassifications:

Certain comparative figures have been reclassified to conform to the financial statement presentation adopted for the current year.

Recent Accounting Pronouncements:

On June 21, 2018, the FASB issued Accounting Standards Update (ASU) 2018-08, *Not-for-Profit Entities (Topic 958) – Clarifying the Scope and the accounting Guidance for Contributions Received and Contributions Made*. The Update assists entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. The Update is effective to annual periods beginning after December 15, 2019. The Corporation has implemented ASU 2018-08 and has adjusted the presentation in these financial statements accordingly.

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2020 AND JUNE 30, 2019

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Recent Accounting Pronouncements (continued):

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606) which affects any entity that enters into contracts with customers to transfer goods or services. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance is effective for annual reporting periods beginning after December 15, 2018. ASU 2014-09 has been adopted for the year ended June 30, 2020.

Note 2. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3. CONCENTRATIONS OF CREDIT RISK:

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist principally of cash and cash equivalents, investments and trade accounts receivable. Cash and cash equivalents were held in financial institutions in amounts exceeding the guaranteed amounts of the Federal Deposit Insurance Corporation. Trade accounts receivable are due from Medicare and private sources. Investments are held at brokerage firms in amounts which may exceed the guaranteed amount of the Securities Investor Protection Corporation.

Note 4. LIQUIDITY AND AVAILABILITY:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	June 30, 2020	June 30, 2019
Cash and cash equivalents	$ 4,032,106	$ 742,553
Investments	103,679	2,745,325
Accounts receivable	698,437	471,357
Total	$ 4,834,222	$ 3,959,235

Note 5. STATUTORY LIQUID ASSET RESERVE:

Effective January 1, 2005 the State of California Health and Safety Code Section 1792 requires the Corporation to hold reserves to cover its annual long-term debt service and seventy-five days of net operating expenses. The Corporation is not required to segregate these reserves, and the reserves may be held as cash, investments or letters of credit. The Corporation's assets held by the Tax Exempt Bond Trustee, Union Bank, can be used to satisfy this requirement. At June 30, 2020 and June 30, 2019, the Corporation had a required reserve of $173,000 and $1,563,000, respectively, which were held as cash, cash equivalents and investments.

Note 6. INVESTMENTS:

Investments are stated at fair value. Fair value and cost as of June 30, 2020 and June 30, 2019 are summarized as follows:

	June 30, 2020		June 30, 2019

Note 10. CHARITABLE TRUSTS:

The Corporation has been named as a beneficiary of a Charitable Remainder Trust. The income beneficiaries of the Trust are entitled to a payment each year calculated at 6% of the fair market value of the trust assets as of the first day of each taxable year of the trust.

The Trusts are stated at the present value of the projected balance of the Trusts at termination, net of the amounts due to the income beneficiaries over the term of the Trusts. Changes in the calculated net present value are reported in the statement of activities annually.

The key assumptions used in net present value calculations for the Trusts are as follows:

	June 30, 2020	June 30, 2019
Present value	$ 13,559	$ 14,495

Note 11. LINE OF CREDIT:

The Corporation executed a $3,525,000 revolving line of credit with a bank that matures on August 1, 2021. The interest rate on the line is the prime rate plus .25% (currently 3.25%). The balance outstanding on the revolving line of credit was $2,999,120 and $2,449,120 as of June 30, 2020 and June 30, 2019, respectively.

Note 12. TAX EXEMPT BOND PAYABLE:

The construction of the new buildings at Forest Hill and a portion of the costs incurred in the expansion of the Lake Park skilled nursing unit were financed by the Corporation through the issuance of tax-exempt California Health Facilities Financing Authority Insured Revenue Bonds (California-Nevada Methodist Homes), Series 2006 (the " 2006 Bonds"), in the aggregate principal amount of $42,280,000. The Office of Statewide Health Planning and Development of the State of California insures the principal and interest payments on the Bonds. Union Bank of California serves as the trustee.

Note 12. TAX EXEMPT BOND PAYABLE (Continued):

October 1, 2015, the 2006 Bonds were refinanced by the Corporation through the issuance of tax-exempt California Health Facilities Financing Authority Insured Revenue Bonds (California-Nevada Methodist Homes), Series 2015 (the "Bonds"), in the aggregate principal amount of $32,920,000. The Office of Statewide Health Planning and Development of the State of California insures the principal and interest payments on the Bonds. Wilmington Trust serves as the trustee.

The Bonds are secured by the property, accounts receivable and equipment of the Corporation. The Bonds have a final maturity date of 2045 but were subject to mandatory redemptions beginning in 2016.

The Serial Bonds for the years 2019 - 2026 will be repaid by the Corporation making twelve monthly payments each year to the Trustee. The payments will be equal to the sum of two future interest payments (January 1 and July 1) and the one annual redemption payment (July 1). The Corporation received a waiver on making these payments for the months of April, May and June. On July 1, 2020 the trustee was directed to withdraw the annual payment from the debt service reserve account.

The Term Bonds due in 2030, 2035 and 2045 have sinking fund requirements that start in 2027. The payments each year will begin with $850,000 in 2027 to $2 million in 2045.

For all bonds, according to the indenture requirements, the monthly payments made by the Corporation, as calculated and administered by the trustee, include both interest and principal amounts. Thus, at the time of each bond redemption, all principal due will have been accumulated and no additional principal payment will be required.

The Corporation is required to maintain a debt service fund equal to approximately one year's debt service with the trustee, which was met at June 30, 2020 and June 30, 2019.

The Corporation is required to meet certain covenants. The Corporation expects to receive a waiver for these covenants as measured on June 30, 2020.

The stated fixed interest rate of the Bonds varies from 2.0% to 5.0%. The bonds were issued at a premium of $4,238,125 which is being amortized over the life of the bonds.

Type B entrance fee agreements provide for the right of each resident to terminate the agreement and be entitled to a refund of the original fee less 2.78% of the original fee for each month of residency. For guaranteed repayment contracts the repayment is 80% or 50% of the original fee. At June 30, 2020 and June 30, 2019, unamortized entrance fees (deferred revenue) were $13,172,882 and $13,346,188, respectively. Note 14. SELECTIVE MANAGEMENT COMPENSATION PLAN:

The agreements are designed to provide benefits to be paid to these employees in installments upon retirement or, in the event of their death, to a designated beneficiary. Accordingly, the Corporation has accrued deferred compensation of $106,886 and $110,129 at June 30, 2020 and June 30, 2019.

Note 15. FUTURE SERVICE OBLIGATION:

Professional accounting standards require the Corporation to record a liability recognizing an obligation to provide future services and the use of the facilities to all current residents if the net present value of future net cash out-flows, adjusted for certain noncash items, exceeds the present value of future net cash in-flows. At June 30, 2020 and June 30, 2019 the estimated future service obligation was $173,000 and $1,563,000, respectively. Future Service Obligation is calculated by Continuing Care Actuaries. The interest rate used to discount the liability was 5.5% in both 2020 and 2019.

Note 17. GOVERNMENT GRANTS:

On April 22, 2020, the Organization received loan proceeds in the amount of $1,939,965 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after 24 weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness may be reduced if the borrower terminates employees or reduces salaries during the 24-week period.

The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months. The Organization has used the proceeds for purposes consistent with the PPP. While the Organization currently believes that its use of the loan proceeds will meet the conditions for forgiveness of the loan. As of June 30, 2020, the Organization's qualifying expenses exceeded the loan amount and the grant is being recognized as government grant income in accompanying financial statements.

During the months of April - June, the Organization received HHS Stimulus proceeds in the amount of $578,000 under the Provider Relief Fund, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The funds were expended on eligible expenses through June 30, 2020.

Note 18. MULTI-EMPLOYER RETIREMENT PLAN:

The Corporation contributes to a multi-employer defined benefit union pension plan that covers all Lake Park employees under collective bargaining agreements. In accordance with the plans, the Corporation makes monthly contributions based on employee hours worked. For the years ended June 30, 2020 and June 30, 2019, the Corporation contributed to the union pensions in the amount of $236,850 and $250,647, respectively. Management is not able to determine whether or not there is any unfunded union pension liability at June 30, 2020 as information relating to the plan's funded status each year is not available at the date the financial statements are available to be issued. Balances will vary depending on market conditions. The Corporation has made all required payments during the year. The risks of participating in this multi-employer plan are different from single-employer plans in the following aspects:

- Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers.
- If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- If the Corporation chooses to stop participating in its multi-employer plan, the Corporation may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Corporation's participation in this plan for the annual period ended June 30, 2020, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and three digit plan number. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available is for the plan's year end at December 31, 2017.

Note 18. MULTI-EMPLOYER RETIREMENT PLAN (Continued):

The zone status is based on information that the Corporation received from the plan and is certified by the plan's actuary. Among other factors, plans in the red zone are generally less than 65 percent funded, plans in the yellow zone are less than 80 percent funded, and plans in the green zone are at least 80 percent funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a financial improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented. The last column lists the expiration date(s) of the collective-bargaining agreements to which the plan is subject.

The Corporation's contributions do not represent more than 5 percent of total contributions to the plan.

Pension Fund	EIN/Pension Plan Number	Pension Protection Act Zone Status 2019	FIP/RP Status Implemented	Surcharge Imposed	Expiration Date of Collective Bargaining Agreement
SEIU National Industry Pension Fund	52-6148540	Red/Critical	Yes	Yes	7/31/2020

Note 19. INTEREST EXPENSE:

Interest expense consists of the following at June 30:

	2020	2019
Bond interest	$ 1,535,650	$ 1,559,051
Amortized bond premium	(295,516)	(311,015)
Credit line interest	158,274	56,926
Short term note	7,064	6,168
Total	$ 1,405,472	$ 1,311,130

Note 20. CONTINGENCIES:

The Corporation is aware of certain asserted and unasserted legal claims that arise in the normal course of business. While the outcome cannot be determined at this time, it is management's opinion that the potential liability, if any, from all actions will not have a material adverse effect on the Corporation's financial position.

Note 21. PRO FORMA INFORMATION:

Pro forma of the Statement of Financial Position without deferred income and depreciation:

In the absence of depreciation, total assets on the "Statement of Financial Position" as of June 30, 2020 would change from $54,220,015 to $96,234,592. If deferred income from entrance subscriptions was reduced by the amount not subject to refund provisions, total liabilities on the 74,"Statement of Financial Position" as of June 30, 2020 would change from $72,741,624 to $59,580,079. Thus, Total Net Assets would change from ($18,521,609) to 36,654,513.

Note 22. SUBSEQUENT EVENT:

Management has evaluated events through December 11, 2020, the date which the financial statements were available for issue.

As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact revenue and operating results. While the disruption is expected to be temporary, there is considerable uncertainty around the duration. The related financial impact and duration cannot be reasonably estimated at this time.

Independent Auditors' Report

Board of Trustees
California-Nevada Methodist Homes

We have audited the accompanying financial statements of California-Nevada Methodist Homes (a California not-for-profit corporation), which comprise the statements of financial position as of June 30, 2021 and June 30, 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

Cash and cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

Accounts receivable:

Accounts receivable represent amounts billed but not yet collected. The Corporation provides an allowance for doubtful accounts based on management's evaluation of a current aging of the accounts. It is the corporation's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Investments:

The Corporation reports investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

The Corporation invests in various investments. Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investments (continued):

Professional accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Corporation has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data, by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Equity securities, debt securities, and U.S. government securities*:* Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Corporation believes its valuation methods are appropriate and consistent with other participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Depreciation:

The Corporation computes depreciation on its property and equipment using the straight-line method of accounting over useful lives ranging from 3 to 50 years.

Depreciation is a non-cash adjustment to assets on the "Statement of Financial Position". As of June 30, 2021, cumulative depreciation is $47,209,435 (see Note 9).

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Amortization of deferred income - entrance fees:

The Entrance Fee and Continuing Care Agreements between the Corporation and the residents provide for the payment of an entrance fee. Entrance fees are used for general purposes, including support of operations, debt retirement and capital acquisitions. Repayable entrance fees are held on the balance sheet and not amortized. The amortizable fees are recognized as revenue on a straight-line method of accounting over the expected remaining life of the residents as recomputed actuarially at the end of each year. In the case of repayable entrance fee contracts, and upon the death of the resident, the unamortized amount of the entrance fee taken into income is reduced by the amount of the repayment embodied in the contract.

Deferred revenue from entrance fees is treated as a long-term liability on the "Statement of Financial Position". Only a portion of this deferred revenue, however, is subject to repayment provisions. As of June 30, 2021, the amount of deferred revenue not subject to repayment provisions is $11,082,875 (see Note 14).

Amortization of bond issuance cost:

Certain costs related to the bond issue have been capitalized and are being amortized using the straight-line method over the life of the bond. Debt issuance costs are presented as a direct reduction form the carrying amount of the debt liability. These costs are amortized to interest expense over the term of the respective bond outstanding.

Amortization of bond premium:

The premium on issuance of the bonds is being amortized to offset interest expense over the life of the bonds.

Income taxes:

The Corporation has received tax-exempt status under the Internal Revenue Code Section 501(c)(3) and under California Revenue Code Section 23701(d).

Reclassifications:

Certain comparative figures have been reclassified to conform to the financial statement presentation adopted for the current year.

Recent Accounting Pronouncements:

In February 2016, and as amended, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-02, *Leases (Topic 842)*, which requires lessees to record most leases on their balance sheets but recognize the expenses on their income statements in a manner similar to current practice. ASU 2016-02 states that a lessee would recognize a lease liability for the obligation to make lease payments and a right-to-use asset for the right to use the underlying asset for the lease term. The updated standard is effective for annual periods beginning after December 15, 2021 with early adoption permitted. The Corporation has not determined the potential effects of this ASU on its financial statements but does expect that it will result in an increase in its long-term assets and liabilities.

Note 2. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3. CONCENTRATIONS OF CREDIT RISK:

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist principally of cash and cash equivalents, investments and trade accounts receivable. Investments are held at brokerage firms in amounts which may exceed the guaranteed amount of the Securities Investor Protection Corporation.

Note 13. TAX EXEMPT BOND PAYABLE (Continued):

The Bonds are secured by the property, accounts receivable and equipment of the Corporation. The Bonds have a final maturity date of 2045 but were subject to mandatory redemptions beginning in 2016.

The Serial Bonds for the years 2019 - 2026 will be repaid by the Corporation making twelve monthly payments each year to the Trustee. The payments will be equal to the sum of two future interest payments (January 1 and July 1) and the one annual redemption payment (July 1). The Corporation received a waiver on making these payments for the months of April, May and June. On July 1, 2020 the trustee was directed to withdraw the annual payment from the debt service reserve account.

The Term Bonds due in 2030, 2035 and 2045 have sinking fund requirements that start in 2027. The payments each year will begin with $850,000 in 2027 to $2 million in 2045.

For all bonds, according to the indenture requirements, the monthly payments made by the Corporation, as calculated and administered by the trustee include both interest and principal amounts. Thus, at the time of each bond redemption, all principal due will have been accumulated and no additional principal payment will be required.

The Corporation is required to maintain a debt service fund equal to approximately one year's debt service with the trustee, which was met at June 30, 2020. This was not met at June 30, 2021.

The Corporation is required to meet certain covenants. The Corporation expects to receive a waiver for these covenants as measured on June 30, 2021.

The stated fixed interest rate of the Bonds varies from 2.0% to 5.0%. The bonds were issued at a premium of $4,238,125 which is being amortized over the life of the bonds.

Note 18. GOVERNMENT GRANTS:

On April 22, 2020, the Corporation received loan proceeds in the amount of $1,939,965 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after 24 weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness may be reduced if the borrower terminates employees or reduces salaries during the 24-week period.

The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months. The Corporation has used the proceeds for purposes consistent with the PPP. As of June 30, 2020, the Corporation's qualifying expenses exceeded the loan amount and the grant is being recognized as government grant income in accompanying financial statements. The Corporation received forgiveness on May 10, 2021.

During the year ended June 30, 2021 and June 30, 2020, the Corporation received HHS Stimulus proceeds in the amount of $206,066 and $578,000, respectively, under the Provider Relief Fund, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The funds were expended on eligible expenses.

Note 19. MULTI-EMPLOYER RETIREMENT PLAN:

The Corporation contributes to a multi-employer defined benefit union pension plan that covers all Lake Park employees under collective bargaining agreements. In accordance with the plans, the Corporation makes monthly contributions based on employee hours worked. For the years ended June 30, 2021 and June 30, 2020, the Corporation contributed to the union pensions in the amount of $313,201 and $236,850, respectively. Management is not able to determine whether or not there is any unfunded union pension liability at June 30, 2021 as information relating to the plan's funded status each year is not available at the date the financial statements are available to be issued. Balances will vary depending on market conditions. The Corporation has made all required payments during the year. The risks of participating in this multi-employer plan are different from single-employer plans in the following aspects:

- Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers.
- If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- If the Corporation chooses to stop participating in its multi-employer plan, the Corporation may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Corporation's participation in this plan for the annual period ended June 30, 2021, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and three digit plan number. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available is for the plan's year end at December 31, 2020.

The zone status is based on information that the Corporation received from the plan and is certified by the plan's actuary. Among other factors, plans in the red zone are generally less than 65 percent funded, plans in the yellow zone are less than 80 percent funded, and plans in the green zone are at least 80 percent funded. The "FIP/RP Status Pending/Implemented" column indicates plans for
