INSTRUCTIONS FOR ANNUAL EVENT AND SECURITY PLAN

To obtain or renew a gun show producer license, a person must meet the requirements set out in Penal Code section 27200, subdivision (b). (Pen. Code, § 16800.) One of those requirements is that the gun show producer license applicant "[p]rovide an annual list of the gun shows or events that the applicant plans to promote, produce, sponsor, operate, or otherwise organize during the year for which the certificate of eligibility is issued, including the date, time, and location of the gun shows or events."

To meet this "annual list" requirement, a gun show producer license applicant should complete this Annual Calendar of Gun Shows or Events (BOF 106) every calendar year and submit the form to the Department of Justice by January 31 of the year in which the gun shows or events are planned. For example, for all gun shows or events planned to occur in 2026, the gun show producer applicant should submit this form by January 31, 2026. All of the fields in this form should be completed for each gun show or event, including the date, time, and location of the planned show or event and information about the facility contact.

As is required under Penal Code section 27200, subdivision (c), if during the calendar year any of the information provided in this form changes, or if additional gun shows or events "will be promoted, produced, sponsored, operated, or otherwise organized by the applicant, the producer shall notify the Department of Justice no later than 30 days prior to the gun show or event." The gun show producer can accordingly notify the Department of Justice using a revised Annual Calendar of Gun Shows or Events, BOF 106.

Please email or fax the completed Annual Calendar of Gun Shows or Events (BOF 106) to the Department of Justice:
