STANDARD NEW AND RENEWAL APPLICATION FOR LICENSE TO
CARRY A WEAPON CAPABLE OF BEING CONCEALED**

Authority

California Penal Code sections 26150, 26155, and 26170 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county, upon proof that the applicant meets the statutory qualifications, shall issue or renew a license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license), or, where the population of the county is less than 200,000 persons and the applicant applied under sections 26150 or 26155, a license to carry loaded and exposed in only that county a pistol, revolver, or other firearm capable of being concealed upon the person (open carry license). Penal Code section 26175 requires the Attorney General to issue a statewide standard application form for a CCW or open carry license (collectively, carry license).

Format of Carry License

A carry license shall be issued in either of the following formats:

1. A license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person; or
2. Where the applicant is a California resident and the population of the county in which the applicant applies is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in only that county a pistol, revolver, or other firearm capable of being concealed upon the person.

Who Shall be Issued a Carry License

The licensing authority specified in Penal Code sections 26150 and 26155 (a sheriff or the chief, or other head of a municipal police department, or one of the two if there is an agreement between the relevant authorities under subdivision (c)) shall issue a license to persons who are residents of California if such persons (1) are not disqualified persons prohibited from receiving such a license, as determined in accordance with the standards set forth in Penal Code section 26202; (2) are at least 21 years of age; (3) are residents of the county or a city within the county of the licensing authority, or have their principal place of employment or business in the county or a city within the county and spend a substantial amount of time in that place of employment or business; (4) have completed the required course of training and live-fire shooting exercises, as described in Penal Code section 26165; and (5) are the recorded owner, with the Department of Justice, of the pistol, revolver, or other firearm for which the license will be issued and identify the make, model, caliber, and serial number of such firearm on their application.

The licensing authority specified in Penal Code sections 26150 and 26155 (a sheriff or the chief, or other head of a municipal police department, or one of the two if there is an agreement between the relevant authorities under subdivision (c)) shall issue a license to persons who are non-California residents if such persons (1) are not disqualified persons prohibited from receiving such a license, as determined in accordance with the standards set forth in Penal Code section 26202; (2) are at least 21 years of age; (3) attest, under oath, that the jurisdiction in which they have applied is the primary location in California in which they intend to travel or spend time; (4) have completed the required course of training and live-fire shooting exercises, as described in Penal Code section 26165; and (5) have identified the make, model, caliber, and serial number of the pistol, revolver, or other firearm for which the license will be issued on this application for a carry license.

The licensing authority specified in Penal Code section 26170 (a sheriff or the chief, or other head of a municipal police department) shall issue a license to persons who (1) are not disqualified persons from receiving such a license, as determined in accordance with the standards set forth in Penal Code section 26202; (2) are at least 21 years of age; (3) have been deputized or appointed as a peace officer pursuant to Penal Code section 830.6, subdivisions (a) or (b) by that sheriff or that chief of police or other head of a municipal police department; and (4) are the recorded owner, with the Department of Justice, of the pistol, revolver, or other firearm for which the license will be issued, or are authorized to carry a firearm that is registered to the agency for which the licensee has been deputized or appointed to serve as a peace officer and the licensee carries the firearm consistent with that agency's policies.

Every applicant for a new license and applicant for renewal license will be fingerprinted and state and federal records will be checked by the California Department of Justice to determine if the applicant is eligible to possess, receive, own, or purchase firearms under state and federal law. A licensing authority cannot issue a new or renewal carry license unless the California Department of Justice confirms the applicant's eligibility. (Pen. Code, § 26185(a)(3), (c)(3).)

If a licenseholder fails to submit an application for renewal within 90 days of the expiration of their license, then the licenseholder must resubmit fingerprints in accordance with Penal Code section 26185. (Pen. Code, § 26225(e).)

For informational purposes only, provided along with this application is a separate enclosure which lists categories that prohibit a person from possessing firearms and thus from being granted a carry license. Because the enclosure is updated periodically to reflect new legislation and other changes in the law, the most recent version should be reviewed.

Disqualified Persons Who Cannot Receive or Renew a Carry License

Under Penal Code section 26202, unless a court makes a contrary determination pursuant to Penal Code section 26206, an applicant shall be deemed to be a disqualified person and cannot receive or renew a carry license if the licensing authority determines that the applicant:

1. Is reasonably likely to be a danger to self, others, or the community at large;
2. Has been convicted of contempt of court under Penal Code section 166 or any federal law or law of any other state with comparable elements to Penal Code section 166;
3. Has been subject to any restraining order, protective order, or other type of court order issued pursuant to the statutory provisions listed in Penal Code section 26202, subdivision (a)(3) or any federal law or law of another state with comparable elements to the statutory provisions listed in Penal Code section 26202, unless that order expired or was vacated or otherwise canceled more than five years prior to the licensing authority receiving this completed application or that order expired or was vacated or otherwise canceled and the applicant did not receive notice and an opportunity to be heard before the order was issued;
4. In the ten years prior to the licensing authority receiving this completed application, has been convicted of an offense listed in Penal Code sections 422.6, 422.7, 422.75, or 29805 or any federal law or law of any other state that includes comparable elements to those offenses;
5. Has engaged in an unlawful or reckless use, display, or brandishing of a firearm;
6. In ten years prior to the licensing authority receiving this completed application, has been charged with any offense listed in Penal Code sections 290, 667.5, 1192.7, 1192.8, or 29805 or any federal law or law of any other state that includes comparable elements to those offenses that was dismissed pursuant to a plea or dismissed with a waiver pursuant to *People v. Harvey* (1979) 25 Cal.3d 754;
7. In the five years prior to the licensing authority receiving this completed application, has been committed to or incarcerated in county jail or state prison for, or probation, parole, post release community supervision, or mandatory supervision as a result of, a conviction of an offense, an element of which involved controlled substances (as described in Health and Safety Code sections 11053 to 11058, inclusive) or alcohol;
8. Is, as described in 18 U.S.C. § 922(g)(3) and applicable regulations and guidance, and in accordance with *United States v. Hemani*, 146 S.Ct. 1677 (2026), an unlawful user of or addicted to any controlled substance;
9. Is currently abusing controlled substances (as described in Health and Safety Code sections 11053 to 11058, inclusive), or alcohol;
10. Within the ten years prior to the licensing authority receiving this completed application, has experienced the loss or theft of multiple firearms due to the applicant's lack of compliance with federal, state, or local law in storing, transporting, or securing the firearm; or
11. Failed to report a loss of a firearm as required by Penal Code section 25250 or any other state, federal, or local law requiring the reporting of the loss of a firearm.

Training Required for Applications Submitted Under Penal Code Sections 26150 or 26155

Penal Code sections 26150 and 26155 specify that license applicants must complete a course of training. The training may consist of any course acceptable to the licensing authority and be no less than 16 hours in length for new license applicants and no less than 8 hours for renewal license applicants. The course of training must meet the minimum criteria set forth in Penal Code section 26165, subdivision (a)(2)-(6), as listed below:

- The course shall include instruction on firearm safety, firearm handling, shooting technique, safe storage, legal methods to transport firearms and securing firearms in vehicles, laws governing where permitholders may carry firearms, laws regarding the permissible use of a firearm, and laws regarding the permissible use of lethal force in self-defense.
- The course shall include a component, no less than one hour in length, on mental health and mental health resources.

**CALIFORNIA DEPARTMENT OF JUSTICE
BUREAU OF FIREARMS
STANDARD NEW AND RENEWAL APPLICATION FOR LICENSE TO
CARRY A WEAPON CAPABLE OF BEING CONCEALED**

- Except for the component on mental health and mental health resources, the course shall be taught and supervised by firearms instructors certified by the Department of Justice pursuant to California Code of Regulations, Title 11, Division 5, Chapter 14, Article 2.
- The course shall require students to pass a written examination to demonstrate their understanding of the covered topics.
- The course shall include live-fire shooting exercises on a firing range and shall include a demonstration by the applicant of safe handling of, and shooting proficiency with, each firearm that the applicant is applying to be licensed to carry.
 - A licensing authority must establish and make available to the public the live-fire exercise requirements it uses (including the minimum number of rounds to be fired and minimum passing scores from specified firing distances) when issuing licenses. (Penal Code § 26165, subd. (b).)

Instead of a course described in Penal Code section 26165, subdivision (a), the licensing authority may require a community college course, not to exceed 24 hours, certified by the Commission on Peace Officer Standards and Training. If the licensing authority requires the community college course, it must be uniformly required for all license applicants.

For non-California resident applicants, the following applies for the required course of training and live-fire shooting exercises:

- If the licensing authority to which the application is submitted has not approved of any online training courses, the applicant may complete an online training course approved by any other licensing authority that issues licenses under Penal Code sections 26150 or 26155.
- The applicant shall inform the licensing authority to which they have applied of the live-fire course of the applicant intends to complete, and the licensing authority shall either approve the course or suggest an alternative acceptable course within 75 miles of the applicant's residence.

Psychological Testing

Under Penal Code section 26190, subdivision (e), licensing authorities may also require psychological assessment for each new application to assist in determining whether the applicant is "reasonably likely to be a danger to self, others, or the community at large" pursuant to Penal Code section 26202, subdivision (a)(1). If required, the applicant shall be referred to a licensed psychologist acceptable to the licensing authority. The applicant may be charged for the actual cost of the assessment. An additional psychological assessment of an applicant seeking license renewal shall be required only if there is compelling evidence of a public safety concern to indicate that an assessment is necessary.

If a psychological assessment is required for a non-California resident's new license application, the licensing authority may allow the applicant to either complete a virtual psychological assessment, where the applicant appears by video and audio, or approve an examination provider located within 75 miles of the applicant's residence.

Completing the Application

Pursuant to Penal Code section 26160, each licensing authority, in addition to using the standard application form, is required to publish and make available a written policy summarizing the provisions of Penal Code sections 26150 and 26155.

The application on the following pages sets forth standardized questions to be used by the licensing authority to determine whether a carry license shall be issued. The applicant must certify under penalty of perjury that all answers provided are true and correct to the best of their knowledge and belief. The applicant must also acknowledge that information disclosed in this application may be subject to public disclosure.

Pursuant to Penal Code section 26175, subdivision (c)(2), in lieu of residence or business address, an applicant who participates in the program described in Chapter 3.1 of Division 7 of Title I of the Government Code (allowing address confidentiality for victims of domestic violence, sexual assault, and stalking) may provide the address designated to the applicant by the Secretary of State. Pursuant to Penal Code section 26175, subdivision (c)(3), in lieu of a residence address, an applicant who is a judge of a California court of record, a full-time court commissioner of a California court of record, a judge of a federal court, or a magistrate of a federal court may provide a business address or an alternative mailing address, such as a Post Office Box.

**CALIFORNIA DEPARTMENT OF JUSTICE
BUREAU OF FIREARMS
STANDARD NEW AND RENEWAL APPLICATION FOR LICENSE TO
CARRY A WEAPON CAPABLE OF BEING CONCEALED**

Answering all the questions on this standard application does not guarantee the issuance of a carry license. Knowingly providing any inaccurate or incomplete information in connection with this application will result in a denial of the application or revocation of an issued license. (Pen. Code, § 26195(a)(2), (b)(1)(B).)

To determine whether an applicant is not a disqualified person to receive a carry license in accordance with the standards set forth in Penal Code section 26202, the licensing authority is required to conduct an investigation that meets the minimum requirements set out in Penal Code section 26202(b). That investigation must, at a minimum, include a review of all information provided in this application, an in-person or virtual interview with the applicant, interviews with at least three character references, a review of publicly available information about the applicant, a review of information provided by the Department of Justice, and a review of information from the California Restraining and Protective Order System. Interviews of the applicant and character references are mandatory for new license applications. The licensing authority may elect to forgo the applicant and character reference interviews for renewal license applications. The licensing authority may engage in investigative efforts in addition to these minimum requirements.

Important Instructions

Complete, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required.

Review your answers before your interview with the licensing authority investigator and be prepared to clarify the information provided upon request. You have an affirmative duty to inform the investigator of any changes to your answers. Note that under Penal Code section 26180, any person who files an application for a carry license knowing that statements contained therein are false is guilty of a misdemeanor, and in some instances, a felony.

For California resident applicants, Sections 7 and 8 must be completed in the presence of an official of the licensing authority. Non-California resident applicants may complete Sections 7 and 8 in the presence of an official of their local law enforcement agency; however, if they are temporarily residing in California at the time of completing this application, they must complete Sections 7 and 8 in the presence of an official of the licensing authority.

Section 5 - Carry License Conditions and Restrictions

The licensee is responsible for all liability for, injury to, or death of any person, or damage to any property which may result through any act or omission of either the licensee or the licensing authority. In the event any claim, suit, or action is brought against the licensing authority, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the licensing authority, its chief officer or any of its employees from such claim, suit, or action.

The licensee authorizes the licensing authority to investigate, as they deem necessary, the licensee's record to ascertain any and all information which may concern their possible disqualifications to be issued a carry license and release said licensing authority of any and all liability arising out of such investigation.

While exercising the privileges granted to the licensee under the terms of this license, the licensee shall not (pursuant to Penal Code section 26200), when carrying a weapon capable of being concealed as authorized by this license:

- Consume any alcoholic beverage, or controlled substance as described in Health and Safety Code sections 11053 to 11058, inclusive.
- Be in a place having a primary purpose of dispensing alcoholic beverages for on-site consumption.
- Be under the influence of any alcoholic beverage, medication, or controlled substance as described in Health and Safety Code sections 11053 to 11058, inclusive.
- Carry a firearm not listed on the license or a firearm for which they are not the recorded owner (unless: (1) the licensee was issued a license under Penal Code section 26170 and has been authorized to carry a firearm that is registered to the agency for which the licensee has been deputized or appointed to serve as a peace officer, and the licensee carries the firearm consistent with that agency's policies; or (2) the licensee is a non-California resident issued a license under Penal Code section 26150, subdivision (b) or section 26155, subdivision (b)).
- Falsely represent to a person that the licensee is a peace officer.
- Engage in unjustified display of a deadly weapon.
- Fail to carry the license on their person.
- Impede any peace officer in the performance of their activities.
- Refuse to display the license or provide the firearm to any peace officer upon demand for purposes of inspecting the firearm.
- Fail to comply with any reasonable restrictions or conditions the licensing authority imposes, including restrictions as to the time, place, manner, and circumstances under which a licensee may carry a pistol, revolver, or other firearm capable of being concealed on the person.
- Carry more than two firearms under the licensee's control at one time.
- Violate any federal, state, or local criminal law.

Title 49, section 46505 of the United States Code states that a license to carry a weapon does not authorize a person to carry a firearm, tear gas, or any dangerous weapon aboard commercial airlines. Such violation can result in arrest by law enforcement.

Any violation of these restrictions or conditions may result in the carry license being revoked, or may void any further use of the license until reinstated by the licensing authority.

A licensing authority shall revoke a carry license if the California Department of Justice notifies the licensing authority that the licensee is prohibited by state or federal law from possessing, receiving, owning, or purchasing a firearm. Additionally, a licensing authority shall revoke a carry license if the licensing authority determines that any of the following has occurred:

- A licensee knowingly provides any inaccurate or incomplete information in connection with an application for a license or license renewal or an application to amend a license;
- A licensee breaches any of the conditions or restrictions set forth in Penal Code section 26200 that are listed above;
- A licensee fails to inform the licensing authority of any restraining order or arrest, charge, or conviction of a crime referenced in Penal Code section 26202; or
- A licensee has become a disqualified person pursuant to section 26202.

Section 6 - Applicable California Penal Code Sections for Carry Licensees

Although license holders must obey all current federal, state, and local laws, the following Penal Code sections are of special importance to the holder of a carry license regarding the use, carrying, and storage of firearms. Please note that the Penal Code excerpts provided below are for informational purposes only. To the extent these laws change over time, those changes have controlling effect.

Penal Code section 192 - Manslaughter [excerpt, subdivisions (c) - (f) not included]

Manslaughter is the unlawful killing of a human being without malice.

- (a) Voluntary - upon a sudden quarrel or heat of passion.
- (b) Involuntary - in the commission of an unlawful act, not amounting to a felony; or in the commission of a lawful act which might produce death, in an unlawful manner, or without due caution and circumspection. This subdivision shall not apply to acts committed in the driving of a vehicle.

Penal Code section 197 - Justifiable Homicide; Any Person

Homicide is also justifiable when committed by any person in any of the following cases:

- (1) When resisting any attempt to murder any person, or to commit a felony, or to do some great bodily injury upon any person.
- (2) When committed in defense of habitation, property, or person, against one who manifestly intends or endeavors, by violence or surprise, to commit a felony, or against one who manifestly intends and endeavors, in a violent, riotous, or tumultuous manner, to enter the habitation of another for the purpose of offering violence to any person therein.
- (3) When committed in the lawful defense of such person, or of a spouse, parent, child, master, mistress or servant of such person, when there is reasonable ground to apprehend a design to commit a felony or to do some great bodily injury, and imminent danger of such design being accomplished; but such person, or the person in whose behalf the defense was made, if he or she was the assailant or engaged in mutual combat, must really and in good faith have endeavored to decline any further struggle before the homicide was committed.
- (4) When necessarily committed in attempting, by lawful ways and means, to apprehend any person for any felony committed, or in lawfully suppressing any riot, or in lawfully keeping and preserving the peace.

Penal Code section 198 - Justifiable Homicide; Sufficiency of Fear

A bare fear of the commission of any of the offenses mentioned in subdivisions 2 and 3 of Section 197, to prevent which homicide may be lawfully committed, is not sufficient to justify it. But the circumstances must be sufficient to excite the fears of a reasonable person, and the party killing must have acted under the influence of such fears alone.

Penal Code section 626.9 - Schools [excerpt, subdivisions (f), (g), and (k) - (q) not included]

- (a) This section shall be known, and may be cited, as the Gun-Free School Zone Act of 1995.
- (b) Any person who possesses a firearm in a place that the person knows, or reasonably should know, is a school zone as defined in paragraph (4) of subdivision (e), shall be punished as specified in subdivision (f).
- (c) Subdivision (b) does not apply to the possession of a firearm under any of the following circumstances:
 - (1) Within a place of residence or place of business or on private property, if the place of residence, place of business, or private property is not part of the school grounds and the possession of the firearm is otherwise lawful.
 - (2) (A) When the firearm is an unloaded pistol, revolver, or other firearm capable of being concealed on the person is within a locked container in a motor vehicle or is within the locked trunk of a motor vehicle at all times.
(B) This section does not prohibit or limit the otherwise lawful transportation of any other firearm, other than a pistol, revolver, or other firearm capable of being concealed on the person, in accordance with state law.
 - (3) When the person possessing the firearm reasonably believes that they are in grave danger because of circumstances forming the basis of a current restraining order issued by a court against another person or persons who has or have been found to pose a threat to their life or safety. This subdivision does not apply when the circumstances involve a mutual restraining order issued pursuant to Division 10 (commencing with Section 6200) of the Family Code absent a factual finding of a specific threat to the person's life or safety. Upon a trial for violating subdivision (b), the trier of a fact shall determine whether the defendant was acting out of a reasonable belief that they were in grave danger.
