

**California Department of Justice**

**Bureau of Forensic Services**

## **California Criminalistics Institute**

The California Criminalistics Institute, located in Sacramento, is looking for talented individuals to assist in the daily operations of putting on forensic classes, as well as assisting in laboratory and facility projects and office related duties.

# **Student Assistant Recruitment**

Student Assistants will gain exposure to the various forensic disciplines and subject matter experts that are a part of the State of California's forensic laboratory system. This is a great opportunity for sophomores and above who need work experience for their resume.

If this sounds like the opportunity you were looking for, email your name, academic major, a description of your course of study, your expected graduation date, and contact information to: [cci@doj.ca.gov](mailto:cci@doj.ca.gov)

Candidates will need to fill out an extensive personal history statement and undergo a thorough background investigation prior to being selected. Any drug use, including marijuana, will eliminate the candidate from consideration.

Email: [cci@doj.ca.gov](mailto:cci@doj.ca.gov)

Phone: 916-210-4445

Preference given to students with science degrees such as Chemistry, Biology, Forensic Science or Library / Multimedia or Webmaster experience
