ANNUAL GRANTS REPORT FOR 2024

CURES 2.0

An Integrated Approach to Preventing  Prescription Drug Abuse and Diversion

ANNUAL GRANTS REPORT FOR 2024

(January 1, 2024 through December 31, 2024)

Chapter 400, Statutes of 2013 (Senate Bill 809) amended Section 11165 of the Health and Safety Code mandating the California Department of Justice (DOJ) to report annually to the Legislature and make available to the public the amount and source of grant funds received for the support of the Controlled Substance Utilization Review and Evaluation System (CURES):

11165.

(b) The Department of Justice may seek and use grant funds to pay the costs incurred by the operation and maintenance of CURES. The department shall annually report to the Legislature and make available to the public the amount and source of funds it receives for support of CURES.

During 2024, the California DOJ received the following grant funds for the support of CURES:

<u>Source</u>	<u>Amount</u>
Harold Rogers 21 (Award #: 15PBJA-21-GG-02615-PDMP)	\$450,191.48
Harold Rogers 22 (Award #: 15PBJA-22-GK-03120-PDMP)	\$938,439.04
Harold Rogers 23 (Award #: 15PBJA-23-GK-05223-PDMP)	\$399,019.98

Name _____

Address _____

The Harold Rogers Grants are federally funded and awarded directly to the California DOJ from the United States DOJ Bureau of Justice Assistance. The full name of the grant program is “Harold Rogers Prescription Drug Monitoring Program.”

<u>Source</u>	<u>Amount</u>
Overdose Data to Action 23 (Agreement #23-10470)	\$44,550.00

The Overdose Data to Action (OD2A) funding is an Interagency Agreement (IAA) with the California Department of Public Health (CDPH). The CDPH was awarded federal grant funds from the federal Center for Disease Control and Prevention’s Overdose Data to Action initiative. The CDPH then provided a portion of this award to the California DOJ as an IAA to optimize California DOJ Controlled Substance Utilization Review and Evaluation System (CURES).
