FINDING LONG-TERM MISSING LOVED ONES

BY CONNECTING PEOPLE AND RESOURCES

June 6, 2026
10:00am – 4:00pm

**California State University
Harper Alumni Center**

6000 College Town Drive, Sacramento 95826

Law enforcement personnel and support services will guide families and friends of the missing through the process of completing or augmenting a missing person report for their long-term missing loved one. All services are offered at no charge.

What you need to make or augment a report: Please bring identifying information, photographs, and medical and dental records, if available, with you. DNA can be collected from any close relative to supplement the case file.
