When a patron receives a Free Play Coupon he or she will take the coupon to the cage for verification, logging, and redemption of the Free Play Chip(s) to be used in a live game. Cage personnel would log the redemption code of the coupon/voucher and exchange the coupon/voucher for a promotional Free Play Chip. The player would then place the \$5 Free Play Chip on the gaming table, pay the posted collection fee (if applicable) and the game would play.

Match Play Coupon

A player will take a Match Play Coupon to an eligible game and place a wager that equals the amount on the coupon.

- All fixed jackpot qualifying hands are paid from the reserve fund. They do not get deducted from the amount shown on the meter. In the event the reserve fund is depleted, the casino shall make up any shortfall.

Ultimate Texas Hold'em Progressive Jackpot

- In the event more than one qualifying hand hits during the same round, all qualifying hands will be paid the posted fixed amount.

Progressive Prize

- A Royal Flush is paid 100% of the progressive jackpot amount shown on the progressive meter. This is not the same as the Community Royal Flush.
- The winner(s) will be paid in live casino chips by a casino representative once their hand has been verified.

Envy Bonus

- A player paying \$1 jackpot fee also qualifies to win an envy payout. The player hitting the hand receives the normal prize pay only, and does NOT receive the envy pay.
- If a player's hand triggers an envy payout, the house dealer shall leave the hand face-up on the layout; otherwise, the house dealer shall lock up the cards. The house dealer shall then move on to the next player.
- The house dealer pays any Envy Bonuses at the end of the round. The payouts will be paid from the cage, not from the house dealer's tray.

Alternative Prize Option

When predetermined, posted, and offered, winners of the jackpot will have the option to claim a prize in the form of merchandise, vehicle, trips, gift certificates, clothing, jewelry, or tournament entries (GEGA-000499) in lieu of the entire posted jackpot prize. The merchandise will be assigned a monetary value that will be less than the actual retail value. The cost assigned will be reimbursed to Magnolia House Casino and any difference will be borne solely by the gambling establishment. Only one item will be offered and it will be up to the winners to decide who will get it. If the players cannot come to an agreement, the cash prize will be awarded as normal.

Example: A Vespa scooter that cost \$2,381 will be displayed in the gambling establishment with an assigned value of \$2,000. In this example, a player wins a jackpot with a posted prize of \$5,000. They will have the option of taking all of the posted prize or taking \$3,000 and the scooter which will total \$5,000. The Casino will be reimbursed (from the jackpot prize pool) only \$2,000 and they will expense the remainder (\$381) within their bookkeeping. The rest of the jackpot prize will be awarded as normal.

- Once a winner is determined, the chosen player must decide how they will claim their jackpot prize.
 - Either the original prize or a combination of the original prize and the posted alternative prize.
- One Alternative Prize Option (when offered) will be available per jackpot per winner.
- All eligibility and prizes will be predetermined and posted.
