### **Funding**

The Texas Hold'em Bad Beat Jackpot will be initially seeded by the Casino at \$1,500 and will be reimbursed once applicable funds have been acquired from the total collected jackpot fees. This will be tracked and logged for accounting.

After the Casino's initial seed, the Texas Hold'em Bad Beat Jackpot is player funded from jackpot fees. The jackpot fee is \$1.00 per hand if the pot is over \$20.00 in any limit Texas Hold'em game and \$1.00 per hand if the pot is over \$25.00 in any No Limit Texas Hold'em game and will be collected after the flop. If the game does not reach the flop, there will be no jackpot fee taken. The Texas Hold'em Bad Beat Jackpot shall be half of the total amount collected from jackpot fees and shall increase daily based on half of the jackpot fees collected and dropped during live play at all approved tables during the previous day. The other half of the total amount collected from the jackpot fees will be placed into a separate account and will be used to pay out any fixed bonus hands and any administrative fees.

When the Texas Hold'em Bad Beat Jackpot is won by a player, the separate account will reseed the jackpot with half of its total value collected from jackpot fees.

## Texas Hold'em Bad Beat Jackpot

**Example:** *The total amount collected from the Texas Hold'em Bad Beat Jackpot fees is \$80,000. The advertised Texas Hold'em Bad Beat Jackpot prize will be \$40,000. The other half of the collected jackpot fees (\$40,000) is used to pay bonus hand payouts, administrative fees, and used to reseed the jackpot after it is won. After a player hits the \$40,000 jackpot, the new jackpot will start out at the advertised amount of \$20,000. The other half of the collected jackpot fees (\$20,000) is again, used to pay bonus hand payouts, administrative fees, and used to reseed the jackpot.*

The maximum amount collected from jackpot fees is \$100,000. Once this cap is reached, no further collections will be made. Jackpot fees will resume once the total amount collected dips below \$100,000. This will occur when the Texas Hold'em Bad Beat Jackpot or the bonus hand payouts are hit, or administrative fees are taken.

The jackpot collection fees shall be kept in separate drop boxes apart from the regular table collection fees. In all instances, patrons shall be provided with ample advance notice of the progressive jackpot prize amount. Furthermore, it shall be displayed prominently within the Nineteenth Hole Casino at all times the Bad Beat Jackpot is being offered.

### **Administrative Fees**

The Casino will take an administrative fee ranging from \$8 - \$15 per table per hour. The administrative fee will be taken from the total amount collected from the jackpot fees and will cover the jackpot accounting and banking fees.

### **No Purchase Necessary**

The Texas Hold'em Bad Beat Jackpot shall be offered to customers who wish to participate for free, on a general and indiscriminate basis, with **no restrictions**, to patrons who wish to participate in a No Purchase Necessary game.
