NEW QUESTIONS ASSIGNED DURING OCTOBER 2021

21-1001 requested by Sonoma County Counsel Robert Pittman

1. May a county adopt policies to address the environmental impacts of pesticides in a Local Coastal Program without violating Food and Agricultural Code section 11501.1?

2. May a county adopt ordinances to regulate pesticides in the coastal zone to implement Local Coastal Program requirements?

(Assigned to Deputy Attorney General Lawrence M. Daniels.)

OPINIONS ISSUED OR CONCLUDED DURING OCTOBER 2021

Opinion No. 21-103 issued October 29, 2021

Question: MELISSA LOUDEN has applied to this office for leave to sue TIM SHAW in quo warranto to remove him from his public office as a member of the Orange County Board of Education. The application asserts that Shaw, while serving his term on the County Board of Education, assumed a second and incompatible public office as a member of the La Habra City Council, in violation of Government Code section 1099, and by doing so forfeited his seat on the Board of Education.

Conclusion: We conclude that there is a substantial legal issue as to whether Shaw is simultaneously holding incompatible public offices as a member of both the Orange County Board of Education and the La Habra City Council. Consequently, and because the public interest will be served by allowing the proposed quo warranto action to proceed, the application for leave to sue is GRANTED.
