RUSSELL BRIMER, by and through his counsel, on behalf of himself, on behalf all others similarly situated and on behalf of the general public, hereby alleges as follows:

**NATURE OF THE ACTION**

1. This Complaint is a representative action brought by plaintiff RUSSELL BRIMER, on behalf of citizens of the State of California, to enforce each citizen's right to be informed of the presence of and nature of toxic chemicals in consumer goods.

1           2.       This Complaint seeks to remedy defendants' continuing failures to warn the citizens  
2 of the State of California about the presence of, the nature of and such citizens' actual and potential  
3 exposure to lead and cadmium present in or on consumer products placed into the stream of  
4 commerce by defendants.

5           3.       Lead and cadmium are chemicals that are identified within 22 C.C.R. §12000 and  
6 that are known to the State of California to cause birth defects and other reproductive harm. Lead  
7 and cadmium shall hereafter be referred to as "LISTED CHEMICALS".

8           4.       The consumer products containing the LISTED CHEMICALS, and for which  
9 defendants are responsible, are shot glasses and other glassware with colored artwork or designs  
10 (containing lead) on the exterior, including but not limited to, "I Hate Everyone" Shot Glass and  
11 shot glasses and other glassware with colored artwork or designs (containing cadmium) on the  
12 exterior, including but not limited to, "I Hate Everyone" Shot Glass. All such consumer products  
13 containing the LISTED CHEMICALS shall hereafter be referred to as the "PRODUCTS".

14           5.       Under California's Safe Drinking Water and Toxic Enforcement Act of 1986, Health  
15 & Safety Code §25249.5 *et seq.*<sup>1</sup> (hereafter "Proposition 65"), "No person in the course of doing  
16 business shall knowingly and intentionally expose any individual to a chemical known to the state  
17 to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such  
18 individual...."

19           6.       Beginning on October 1, 1992, the State of California officially listed lead (and lead  
20 compounds) as a known carcinogen. On February 27, 1987, the State had listed lead as a chemical  
21 known to cause birth defects and other reproductive harm. This chemical became subject to the  
22 warning requirement one year later and was therefore subject to the "clear and reasonable warning"  
23 requirements of Proposition 65, beginning on October 1, 1993 and February 27, 1988, respectively.  
24 (22 Code of Regulations §12000(b)(c); Health and Safety Code §25249.5 *et seq.*)

25           7.       Beginning on October 1, 1987, the State of California officially listed cadmium as a  
26 known carcinogen. On May 1, 1997, the State had listed cadmium as a chemical known to cause  
27

---

28 <sup>1</sup> Unless specifically noted, all statutory citations refer to California law.

1 birth defects and other reproductive harm. This chemical became subject to the warning  
2 requirement one year later and was therefore subject to the "clear and reasonable warning"  
3 requirements of Proposition 65, beginning on October 1, 1988 and May 1, 1998, respectively. (22  
4 Code of Regulations §12000(b)(c); Health and Safety Code §25249.5 *et seq.*)

5 8. Defendants' failure to provide proper mandatory warnings about exposure to the  
6 LISTED CHEMICALS in conjunction with the sale of the PRODUCTS constitute violations of  
7 Proposition 65 and subjects defendants, and each of them, to enjoinder of such conduct as well as  
8 civil penalties for each such violation.

9 9. For defendants' violation of Proposition 65, plaintiff seeks preliminary injunctive  
10 and permanent injunctive relief to compel defendants to provide users of the PRODUCTS with the  
11 appropriate Proposition 65 warning regarding the hazards of such LISTED CHEMICALS.

12 10. Plaintiff also seeks civil penalties against defendants for their violations of  
13 Proposition 65, as provided for by Health & Safety Code §25249.7(b).

14 PARTIES

15 11. Plaintiff RUSSELL BRIMER is a citizen of the State of California who resides in  
16 the City and County of ALAMEDA and who is dedicated to protecting the health of California  
17 citizens, including the elimination or reduction of toxic exposures, and brings this action on behalf  
18 of the general public pursuant to Health & Safety Code §25249.7.

19 12. Defendant JOHN T'S UNIQUE GIFTS ("JOHN T'S") is a person doing business  
20 within the meaning of Health & Safety Code §25249.11.

21 13. JOHN T'S distributes and/or offers the PRODUCTS for sale or use in the State of  
22 California or implies by its conduct that it manufactures, distributes and/or offers the PRODUCTS  
23 for sale or use in State of California.

24 14. DOES 1-50 (hereafter "MANUFACTURER DEFENDANTS") are each persons  
25 doing business within the meaning of Health & Safety Code §25249.11.

26 15. MANUFACTURER DEFENDANTS engage in the process of research, testing,  
27 designing, assembling, fabricating and/or manufacturing, or imply by their conduct that they  
28 engage in the process of research, testing, designing, assembling, fabricating and/or manufacturing,

1 one or more of the PRODUCTS in the State of California or for consumption or use in the State of  
2 California.

3 16. DOES 51-100 (hereafter "DISTRIBUTOR DEFENDANTS") are each persons  
4 doing business within the meaning of Health & Safety Code §25249.11.

5 17. DISTRIBUTOR DEFENDANTS distribute, exchange, transfer, process and/or  
6 transport one or more of the PRODUCTS to individuals, businesses or retailers in the State of  
7 California.

8 18. DOES 101-150 (hereafter "RETAIL DEFENDANTS") are each persons doing  
9 business within the meaning of Health & Safety Code §25249.

10 19. RETAIL DEFENDANTS offer one or more of the PRODUCTS for sale to  
11 individuals in the State of California.

12 20. At this time, the true names of DOES 1 through 150, inclusive, are unknown to  
13 plaintiff, who therefore sues said defendants by their fictitious name pursuant to Code of Civil  
14 Procedure §474. Plaintiff is informed and believes, and on that basis alleges, that each of the  
15 fictitiously named defendants is responsible for the acts and occurrences herein alleged. When  
16 ascertained, their true names shall be reflected in an amended complaint.

17 21. JOHN T'S, MANUFACTURER DEFENDANTS, DISTRIBUTOR DEFENDANTS  
18 and RETAIL DEFENDANTS shall, where appropriate, collectively be referred to hereafter as  
19 "DEFENDANTS".

20 **VENUE AND JURISDICTION**

21 22. Venue is proper in the Santa Clara County Superior Court, pursuant to Code of Civil  
22 Procedure §§394, 395, 395.5 because this Court is a court of competent jurisdiction, because one or  
23 more instances of wrongful conduct occurred, and continues to occur, in the County of Santa Clara  
24 and/or because DEFENDANTS conducted, and continue to conduct, business in this County.

25 23. The California Superior Court has jurisdiction over this action pursuant to  
26 California Constitution Article VI, Section 10, which grants the Superior Court "original  
27 jurisdiction in all causes except those given by statute to other trial courts." The statute under  
28 which this action is brought does not specify any other basis of jurisdiction.

1           24.     The California Superior Court has jurisdiction over DEFENDANTS based on  
2 plaintiff's information and good faith belief that each defendant is a person, firm, corporation or  
3 association that either is a citizen of the State of California, has sufficient minimum contacts in the  
4 State of California, or otherwise purposefully avails itself of the California market.  
5 DEFENDANTS' purposeful availment renders the exercise of jurisdiction by California courts  
6 consistent with traditional notions of fair play and substantial justice.

7                                   **FIRST CAUSE OF ACTION**

8                                   **(Violation of Proposition 65)**

9           25.     Plaintiff realleges and incorporates by reference, as if specifically set forth herein,  
10 Paragraphs 1 through 24, inclusive.

11           26.     The citizens of the State of California have expressly stated in the Safe Drinking  
12 Water and Toxic Enforcement Act of 1986, Health & Safety Code §25249.5, et seq. ("Proposition  
13 65") that they must be informed "about exposures to chemicals that cause cancer, birth defects and  
14 other reproductive harm." (Proposition 65, §1(b).)

15           27.     Proposition 65 further states that, "No person in the course of doing business shall  
16 knowingly and intentionally expose any individual to a chemical known to the state to cause cancer  
17 or reproductive toxicity without first giving clear and reasonable warning to such individual...."

18           28.     Based on information and good faith belief, plaintiff alleges that, at all times  
19 relevant to this Complaint, DEFENDANTS have engaged in the sales of these PRODUCTS in  
20 violation Health & Safety Code §25249.6, *et seq.*, and that DEFENDANTS' offensive sale of these  
21 PRODUCTS continues to occur beyond DEFENDANTS' receipt of plaintiff's 60-Day Notice of  
22 Violation. Plaintiff also alleges and believes that such violations will also continue to occur into  
23 the future.

24           29.     Beginning on November 24, 2004, "60-Day Notices" of Proposition 65 violations  
25 were provided to public enforcement agencies and to JOHN T'S stating that exposures to the  
26 LISTED CHEMICALS were occurring in the State of California from the reasonably foreseeable  
27 uses of the PRODUCTS, without the individual users first having been provided with a "clear and  
28 reasonable warning" regarding such exposures.

1           30.     The appropriate public enforcement agencies have failed to commence and  
2 diligently prosecute a cause of action, under Health & Safety Code §25249.6, *et seq.*, against  
3 DEFENDANTS based on the claims asserted in Plaintiff's 60-Day Notices.

4           31.     At all times relevant to this action, the PRODUCTS contained the LISTED  
5 CHEMICALS.

6           32.     At all times relevant to this action, the DEFENDANTS knew or should have known  
7 that the PRODUCTS contained the LISTED CHEMICALS.

8           33.     At all times relevant to this action, the LISTED CHEMICALS were present in or on  
9 the PRODUCTS in such a way as to be available for transfer or release from the PRODUCTS to  
10 individuals during the reasonably foreseeable use of PRODUCTS.

11          34.     The normal and reasonably foreseeable use of the PRODUCTS has caused and  
12 continues to cause an exposure to the LISTED CHEMICALS, as such exposure is defined by  
13 22 C.C.R. §12601.

14          35.     Based on information and good faith belief, plaintiff alleges that at all times relevant  
15 to this action, DEFENDANTS had knowledge that individuals' normal and reasonably foreseeable  
16 use of the PRODUCTS would cause an exposure to the LISTED CHEMICALS.

17          36.     At all times relevant to this action, DEFENDANTS, and each of them, intended that  
18 such exposures to the LISTED CHEMICALS from the reasonably foreseeable use of the  
19 PRODUCT would occur by their deliberate, non-accidental participation in the manufacture,  
20 distribution and/or sale of PRODUCTS to individuals.

21          37.     At all times relevant to this action, DEFENDANTS failed to provide a "clear and  
22 reasonable warning" of reproductive toxicity (as defined by 22 C.C.R. §12601) to those consumers  
23 or other individuals in the State of California who were or could become exposed to the  
24 PRODUCTS and the LISTED CHEMICALS contained therein.

25          38.     Contrary to the express policy and statutory prohibition of Proposition 65, enacted  
26 directly by California voters, individuals thus exposed to the LISTED CHEMICALS from the  
27 PRODUCTS, without "clear and reasonable warning", have suffered and continue to suffer  
28 irreparable harm, for which harm they have no plain, speedy or adequate remedy at law.

1           39.    As a consequence of the above-described acts, DEFENDANTS, and each of them,  
2 are liable, pursuant to Health & Safety Code §25249.7(b), for a maximum civil penalty of \$2,500  
3 per day for each violation.

4           40.    As a consequence of the above-described acts, Health & Safety Code §25249.7  
5 specifically also authorizes the grant of injunctive relief under Proposition 65.

6                   Wherefore, plaintiff prays judgment against DEFENDANTS as set forth hereafter.

7                                   **PRAYER FOR RELIEF**

8                   Wherefore, plaintiff prays for judgment against defendants as follows:

9           1.    That the Court, pursuant to Health & Safety Code §25249.7(b), assess civil penalties  
10 against DEFENDANTS, and each of them, in the amount of \$2,500 per day for each violation  
11 alleged herein;

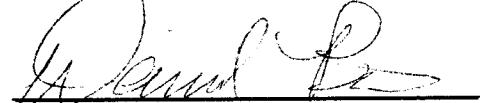

12           2.    That the Court, pursuant to Health & Safety Code §25249.7(a), preliminarily and  
13 permanently enjoin DEFENDANTS from offering the PRODUCTS for sale or use in California,  
14 without providing an identification of the LISTED CHEMICALS in the PRODUCTS as well as  
15 "clear and reasonable warning[s]" as defined by 22 CCR §12601, as plaintiff shall specify in  
16 further application to the Court;

17           3.    That the Court grant plaintiff his reasonable attorneys' fees and costs of suit; and

18           4.    That the Court grant such other and further relief as may be just and proper.
