COMPLAINT FOR CIVIL  
PENALTIES AND INJUNCTIVE  
RELIEF

(Health & Safety Code §25249, et seq.)

24  
25  
26 RUSSELL BRIMER, by and through his counsel, on behalf of himself, on behalf all others  
27 similarly situated and on behalf of the general public, hereby alleges as follows:  
28

1 NATURE OF THE ACTION

2 1. This Complaint is a representative action brought by plaintiff RUSSELL BRIMER,  
3 on behalf of citizens of the State of California, to enforce each citizen's right to be informed of the  
4 presence of and nature of toxic chemicals in consumer goods.

5 2. This Complaint seeks to remedy defendants' continuing failures to warn the citizens  
6 of the State of California about the presence of, the nature of, and such citizens' actual and  
7 potential exposure to lead present in or on consumer products placed into the stream of commerce  
8 by defendants.

9 3. Lead is a chemical that is identified in Title 22, California Code of Regulations  
10 ("CCR") §12000 that is known to the State of California to cause birth defects and other  
11 reproductive harm. Lead shall hereafter be referred to as the "LISTED CHEMICAL". The  
12 consumer products containing the LISTED CHEMICAL, and for which defendants are responsible,  
13 are glass perfume bottles and other glassware with colored artwork or designs on the exterior  
14 including, but not limited to, *Je Reviens Worth Set* (#5 023977 158135). All such consumer  
15 products containing the LISTED CHEMICAL shall hereafter be referred to as the "PRODUCTS".

16 4. Under California's Safe Drinking Water and Toxic Enforcement Act of 1986,  
17 Health & Safety Code §25249.5 *et seq.*<sup>1</sup> (hereafter "Proposition 65"), "No person in the course of  
18 doing business shall knowingly and intentionally expose any individual to a chemical known to the  
19 state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to  
20 such individual...."

21 5. On February 27, 1987, the State listed lead as a chemical known to cause birth  
22 defects and other reproductive harm. This chemical became subject to the warning requirement  
23 one year later and was therefore subject to the "clear and reasonable warning" requirements of  
24 Proposition 65, beginning on February 27, 1988. (22 CCR §12000(b)(c); Proposition 65)

25 6. Defendants' failures to provide proper mandatory warnings about exposure to the  
26 LISTED CHEMICAL in conjunction with the sale of the PRODUCTS is a violation of Proposition  
27

28 <sup>1</sup> Unless specifically noted, all statutory citations refer to California law.

1 65 and subjects defendants to enjoinder of such conduct as well as civil penalties for each such  
2 violation.

3 7. For defendants' violations of Proposition 65, plaintiff seeks preliminary injunctive  
4 and permanent injunctive relief to compel defendants to provide purchasers of the PRODUCTS  
5 with the appropriate Proposition 65 warning regarding the health hazards of the LISTED  
6 CHEMICAL.

7 8. Plaintiff also seeks civil penalties against defendants for their violations of  
8 Proposition 65, as provided for by Health & Safety Code §25249.7(b).

9 **PARTIES**

10 9. Plaintiff RUSSELL BRIMER is a citizen of the State of California who is dedicated  
11 to protecting the health of California citizens, including the elimination or reduction of toxic  
12 exposures from consumer products, and who brings this action on behalf of the general public  
13 pursuant to Health & Safety Code §25249.7.

14 10. Defendant PERFUMANIA, INC. ("PERFUMANIA") is a person doing business  
15 within the meaning of Health & Safety Code §25249.11.

16 11. PERFUMANIA distributes and/or offers the PRODUCTS for sale or use in the State  
17 of California or implies by its conduct that it distributes and/or offers the PRODUCTS for sale or  
18 use in the State of California.

19 12. Defendants DOES 1-50 (hereafter "MANUFACTURER DEFENDANTS") are each  
20 persons doing business within the meaning of Health & Safety Code §25249.11.

21 13. MANUFACTURER DEFENDANTS engage in the process of research, testing,  
22 designing, assembling, fabricating and/or manufacturing, or imply by their conduct that they  
23 engage in the process of research, testing, designing, assembling, fabricating and/or manufacturing,  
24 one or more of the PRODUCTS for sale, consumption or use in the State of California.

25 14. Defendants DOES 51-100 (hereafter "DISTRIBUTOR DEFENDANTS") are each  
26 persons doing business within the meaning of Health & Safety Code §25249.11.

27 15. DISTRIBUTOR DEFENDANTS distribute, exchange, transfer, process and/or  
28 transport one or more of the PRODUCTS to individuals, businesses or retailers in the State of

1 California.

2 16. Defendants DOES 101-150 (hereafter "RETAIL DEFENDANTS") are each persons  
3 doing business within the meaning of Health & Safety Code §25249.11.

4 17. RETAIL DEFENDANTS offer the PRODUCTS for sale to individuals in the State  
5 of California.

6 18. At this time, the true names of Defendants DOES 1 through 150, inclusive, are  
7 unknown to plaintiff, who therefore sues said defendants by their fictitious name pursuant to Code  
8 of Civil Procedure §474. Plaintiff is informed and believes, and on that basis alleges, that each of  
9 the fictitiously named defendants is responsible for the acts and occurrences herein alleged. When  
10 ascertained, their true names shall be reflected in an amended complaint.

11 19. PERFUMANIA, MANUFACTURER DEFENDANTS, DISTRIBUTOR  
12 DEFENDANTS, RETAIL DEFENDANTS, and Defendants DOES 1 through 150 shall, where  
13 appropriate, collectively be referred to hereafter as "DEFENDANTS".

14 **VENUE AND JURISDICTION**

15 20. Venue is proper in the San Francisco County Superior Court, pursuant to Code of  
16 Civil Procedure §§394, 395, 395.5 because this Court is a court of competent jurisdiction, because  
17 one or more instances of wrongful conduct occurred, and continues to occur, in the County of San  
18 Francisco and/or because DEFENDANTS conducted, and continue to conduct, business in this  
19 County with respect to the PRODUCTS.

20 21. The California Superior Court has jurisdiction over this action pursuant to  
21 California Constitution Article VI, §10, which grants the Superior Court "original jurisdiction in all  
22 causes except those given by statute to other trial courts." The statute under which this action is  
23 brought does not specify any other basis of subject matter jurisdiction.

24 22. The California Superior Court has jurisdiction over DEFENDANTS based on  
25 plaintiff's information and good faith belief that each defendant is a person, firm, corporation or  
26 association that either is a citizen of the State of California, has sufficient minimum contacts in the  
27 State of California, or otherwise purposefully avails itself of the California market.

28 DEFENDANTS' purposeful availment renders the exercise of personal jurisdiction by California

1 courts consistent with traditional notions of fair play and substantial justice.

2 **FIRST CAUSE OF ACTION**

3 **(Violation of Proposition 65)**

4 23. Plaintiff realleges and incorporates by reference, as if fully set forth herein,  
5 Paragraphs 1 through 22, inclusive.

6 24. The citizens of the State of California have expressly stated in the Safe Drinking  
7 Water and Toxic Enforcement Act of 1986, Health & Safety Code §25249.5, *et seq.* (“Proposition  
8 65”) that they must be informed “about exposures to chemicals that cause cancer, birth defects and  
9 other reproductive harm.” (Proposition 65, §1(b).)

10 25. Proposition 65 further states that, “No person in the course of doing business shall  
11 knowingly and intentionally expose any individual to a chemical known to the state to cause cancer  
12 or reproductive toxicity without first giving clear and reasonable warning to such individual....”

13 26. Based on information and good faith belief, plaintiff alleges that, at all times  
14 relevant to this Complaint, DEFENDANTS have engaged in the sales of the PRODUCTS in  
15 violation Health & Safety Code §25249.6, *et seq.*, and that DEFENDANTS’ offensive sale of the  
16 PRODUCTS has continued to occur beyond DEFENDANTS’ receipt of plaintiff’s 60-Day Notice  
17 of Violation. Plaintiff also alleges and believes that such violations will continue to occur into the  
18 future.

19 27. On September 9, 2005, a “60-Day Notice” of Proposition 65 violations was  
20 provided to public enforcement agencies and to PERFUMANIA, INC. stating that exposures to the  
21 LISTED CHEMICAL were occurring in the State of California from the reasonably foreseeable  
22 uses of the PRODUCTS, without the individual purchasers and users first having been provided  
23 with a “clear and reasonable warning” regarding such exposure.

24 28. The appropriate public enforcement agencies have failed to commence and  
25 diligently prosecute a cause of action, under Health & Safety Code §25249.6, *et seq.*, against  
26 DEFENDANTS based on the claims asserted in Plaintiff’s 60-Day Notice.

27 29. At all times relevant to this action, the PRODUCTS contained the LISTED  
28 CHEMICAL.

1           30.     At all times relevant to this action, the DEFENDANTS knew or should have known  
2 that the PRODUCTS contained the LISTED CHEMICAL.

3           31.     At all times relevant to this action, the LISTED CHEMICAL was present in or on  
4 the PRODUCTS in such a way as to be available for transfer or release from PRODUCTS to  
5 individuals during the reasonably foreseeable use of the PRODUCTS.

6           32.     The normal and reasonably foreseeable use of the PRODUCTS has caused and  
7 continues to cause an exposure to the LISTED CHEMICAL, as such exposure is defined by  
8 22 CCR §12601.

9           33.     Based on information and good faith belief, plaintiff alleges that at all times relevant  
10 to this action, DEFENDANTS had knowledge that individuals' normal and reasonably foreseeable  
11 use of the PRODUCTS would cause an exposure to the LISTED CHEMICAL.

12           34.     At all times relevant to this action, DEFENDANTS, and each of them, intended that  
13 such exposures to the LISTED CHEMICAL from the reasonably foreseeable use of the  
14 PRODUCTS would occur by their deliberate, non-accidental participation in the manufacture,  
15 distribution and/or sale of PRODUCTS to individuals in the State of California.

16           35.     At all times relevant to this action, DEFENDANTS failed to provide a "clear and  
17 reasonable warning" of reproductive toxicity (as defined by 22 CCR §12601) to those consumers or  
18 other individuals in the State of California who were or could become exposed to the PRODUCTS  
19 and the LISTED CHEMICAL contained therein.

20           36.     Contrary to the express policy and statutory prohibition of Proposition 65, enacted  
21 directly by California voters, individuals thus exposed to the LISTED CHEMICAL from the  
22 PRODUCTS, without "clear and reasonable warning", have suffered and continue to suffer  
23 irreparable harm, for which harm they have no plain, speedy or adequate remedy at law.

24           37.     As a consequence of the above-described acts, DEFENDANTS, and each of them,  
25 are liable, pursuant to Health & Safety Code §25249.7(b), for a maximum civil penalty of \$2,500  
26 per day for each violation.

27           38.     As a consequence of the above-described acts, Health & Safety Code §25249.7 also  
28 specifically authorizes the grant of injunctive relief under Proposition 65 against DEFENDANTS.
